

House Bill No. 2095

An act relating to local government comprehensive planning; amending s. 163.3187, F.S.; providing that certain plan amendments that involve construction of affordable housing in certain areas of critical state concern are eligible as small scale development amendments that are exempt from the limits on the frequency of amendments to a local comprehensive plan; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraph (c) of subsection (1) of section 163.3187, Florida Statutes, is amended to read:

163.3187 Amendment of adopted comprehensive plan.—

(1) Amendments to comprehensive plans adopted pursuant to this part may be made not more than two times during any calendar year, except:

(c) Any local government comprehensive plan amendments directly related to proposed small scale development activities may be approved without regard to statutory limits on the frequency of consideration of amendments to the local comprehensive plan. A small scale development amendment may be adopted only under the following conditions:

1. The proposed amendment involves a use of 10 acres or fewer and:

a. The cumulative annual effect of the acreage for all small scale development amendments adopted by the local government shall not exceed:

(I) A maximum of 120 acres in a local government that contains areas specifically designated in the local comprehensive plan for urban infill, urban redevelopment, or downtown revitalization as defined in s. 163.3164, urban infill and redevelopment areas designated under s. 163.2517, transportation concurrency exception areas approved pursuant to s. 163.3180(5), or regional activity centers and urban central business districts approved pursuant to s. 380.06(2)(e); however, amendments under this paragraph may be applied to no more than 60 acres annually of property outside the designated areas listed in this sub-sub-subparagraph.

(II) A maximum of 80 acres in a local government that does not contain any of the designated areas set forth in sub-sub-subparagraph (I).

(III) A maximum of 120 acres in a county established pursuant to s. 9, Art. VIII of the State Constitution.

b. The proposed amendment does not involve the same property granted a change within the prior 12 months.

c. The proposed amendment does not involve the same owner's property within 200 feet of property granted a change within the prior 12 months.

d. The proposed amendment does not involve a text change to the goals, policies, and objectives of the local government's comprehensive plan, but only proposes a land use change to the future land use map for a site-specific small scale development activity.

e. The property that is the subject of the proposed amendment is not located within an area of critical state concern, unless the project subject to the proposed amendment involves the construction of affordable housing units meeting the criteria of s. 420.0004(3), and is located within an area of critical state concern designated by s. 380.0552 or by the Administration Commission pursuant to s. 380.05(1). Such amendment is not subject to the density limitations of s. 163.3187(1)(c)1.f., and shall be reviewed by the state land planning agency for consistency with the principles for guiding development applicable to the area of critical state concern where the amendment is located and shall not become effective until a final order is issued under s. 380.05(6).

f. If the proposed amendment involves a residential land use, the residential land use has a density of 10 units or less per acre, except that this limitation does not apply to small scale amendments described in sub-subparagraph a.(I) that are designated in the local comprehensive plan for urban infill, urban redevelopment, or downtown revitalization as defined in s. 163.3164, urban infill and redevelopment areas designated under s. 163.2517, transportation concurrency exception areas approved pursuant to s. 163.3180(5), or regional activity centers and urban central business districts approved pursuant to s. 380.06(2)(e).

2.a. A local government that proposes to consider a plan amendment pursuant to this paragraph is not required to comply with the procedures and public notice requirements of s. 163.3184(15)(c) for such plan amendments if the local government complies with the provisions in s. 125.66(4)(a) for a county or in s. 166.041(3)(c) for a municipality. If a request for a plan amendment under this paragraph is initiated by other than the local government, public notice is required.

b. The local government shall send copies of the notice and amendment to the state land planning agency, the regional planning council, and any other person or entity requesting a copy. This information shall also include a statement identifying any property subject to the amendment that is located within a coastal high hazard area as identified in the local comprehensive plan.

3. Small scale development amendments adopted pursuant to this paragraph require only one public hearing before the governing board, which shall be an adoption hearing as described in s. 163.3184(7), and are not subject to the requirements of s. 163.3184(3)-(6) unless the local government elects to have them subject to those requirements.

Section 2. This act shall take effect July 1, 2000.

Approved by the Governor June 14, 2000.
