

Committee Substitute for Senate Bill No. 1058

An act relating to consolidated governments; amending s. 175.041, F.S.; specifying application to certain consolidated governments; requiring notice of levy; authorizing distribution of tax proceeds; amending s. 175.101, F.S.; including certain consolidated governments under provisions authorizing imposition of a state excise tax on property insurance premiums covering certain property for certain purposes; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (3) of section 175.041, Florida Statutes, is amended to read:

175.041 Firefighters' Pension Trust Fund created; applicability of provisions.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

(3) The provisions of this chapter shall apply only to municipalities organized and established pursuant to the laws of the state and to special fire control districts, and said provisions shall not apply to the unincorporated areas of any county or counties except with respect to special fire control districts that include unincorporated areas, nor shall the provisions hereof apply to any governmental entity whose firefighters are eligible to participate in the Florida Retirement System. Special fire control districts that include, or consist exclusively of, unincorporated areas of one or more counties may levy and impose the tax and participate in the retirement programs enabled by this chapter. With respect to the distribution of premium taxes, a single consolidated government consisting of a former county and one or more municipalities, consolidated pursuant to s. 3, Art. VIII or s. (6)(e), Art. VIII of the State Constitution, is also eligible to participate under this chapter. The consolidated government shall notify the division when it has entered into an interlocal agreement to provide fire services to a municipality within its boundaries. The municipality may enact an ordinance levying the tax as provided in s. 175.101. Upon being provided copies of the interlocal agreement and the municipal ordinance levying the tax, the division may distribute any premium taxes reported for the municipality to the consolidated government as long as the interlocal agreement is in effect.

Section 2. Section 175.101, Florida Statutes, is amended to read:

175.101 State excise tax on property insurance premiums authorized; procedure.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

(1) Each municipality or special fire control district in this state described and classified in s. 175.041, having a lawfully established firefighters' pension trust fund or municipal fund or special fire control district

fund, by whatever name known, providing pension benefits to firefighters as provided under this chapter, may assess and impose on every insurance company, corporation, or other insurer now engaged in or carrying on, or who shall hereinafter engage in or carry on, the business of property insurance as shown by the records of the Department of Insurance an excise tax in addition to any lawful license or excise tax now levied by each of the municipalities or special fire control districts, respectively, amounting to 1.85 percent of the gross amount of receipts of premiums from policyholders on all premiums collected on property insurance policies covering property within the corporate limits of such municipalities or within the legally defined boundaries of special fire control districts, respectively. Whenever the boundaries of a special fire control district that has lawfully established a firefighters' pension trust fund encompass a portion of the corporate territory of a municipality that has also lawfully established a firefighters' pension trust fund, that portion of the tax receipts attributable to insurance policies covering property situated both within the municipality and the special fire control district shall be given to the fire service provider. The agent shall identify the fire service provider on the property owner's application for insurance. Remaining revenues collected pursuant to this chapter shall be distributed to the municipality or special fire control district according to the location of the insured property.

(2) In the case of multiple peril policies with a single premium for both the property and casualty coverages in such policies, 70 percent of such premium shall be used as the basis for the 1.85-percent tax.

(3) This excise tax shall be payable annually on March 1 of each year after the passage of an ordinance, in the case of a municipality, or resolution, in the case of a special fire control district, assessing and imposing the tax authorized by this section. Installments of taxes shall be paid according to the provision of s. 624.5092(2)(a), (b), and (c).

This section also applies to any municipality consisting of a single consolidated government which is made up of a former county and one or more municipalities, consolidated pursuant to the authority in s. 3, Art. VIII, or s. 6(e), Art. VIII of the State Constitution, and to property insurance policies covering property within the boundaries of the consolidated government, regardless of whether the properties are located within one or more separately incorporated areas within the consolidated government, provided the properties are being provided fire protection services by the consolidated government.

Section 3. This act shall take effect upon becoming a law.

Approved by the Governor April 16, 2002.
