

Committee Substitute for  
Committee Substitute for Senate Bill No. 250

An act relating to rural hospitals; amending ss. 395.602 and 408.07, F.S.; revising the definition of the term “rural hospital”; creating s. 395.6025, F.S.; authorizing exemptions from certificate-of-need review for the construction of a new or replacement facility for a rural hospital; providing conditions for eligibility for the exemption; amending s. 766.314, F.S.; expanding the definition of the term “infant delivered” for the purposes of payment of an initial assessment for each infant delivered in a hospital; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraph (e) of subsection (2) of section 395.602, Florida Statutes, is amended to read:

395.602 Rural hospitals.—

(2) DEFINITIONS.—As used in this part:

(e) “Rural hospital” means an acute care hospital licensed under this chapter, having 100 or fewer licensed beds and an emergency room, which is:

1. The sole provider within a county with a population density of no greater than 100 persons per square mile;

2. An acute care hospital, in a county with a population density of no greater than 100 persons per square mile, which is at least 30 minutes of travel time, on normally traveled roads under normal traffic conditions, from any other acute care hospital within the same county;

3. A hospital supported by a tax district or subdistrict whose boundaries encompass a population of 100 persons or fewer per square mile;

4. A hospital in a constitutional charter county with a population of over 1 million persons that has imposed a local option health service tax pursuant to law and in an area that was directly impacted by a catastrophic event on August 24, 1992, for which the Governor of Florida declared a state of emergency pursuant to chapter 125, and has 120 beds or less that serves an agricultural community with an emergency room utilization of no less than 20,000 visits and a Medicaid in-patient utilization rate greater than 15 percent;

5. A hospital with a service area that has a population of 100 persons or fewer per square mile. As used in this subparagraph, the term “service area” means the fewest number of zip codes that account for 75 percent of the hospital’s discharges for the most recent 5-year period, based on information

available from the hospital inpatient discharge database in the State Center for Health Statistics at the Agency for Health Care Administration; or

6. A hospital designated as a Critical Access Hospital by the Department of Health in accordance with federal regulations and state requirements.

Population densities used in this paragraph must be based upon the most recently completed United States census. A hospital that received funds under s. 409.9116 for a quarter beginning no later than July 1, 2002, is deemed to have been and shall continue to be a rural hospital from that date through June 30, 2012, if the hospital continues to have 100 or fewer licensed beds and an emergency room, or meets the criteria of subparagraph 4. An acute care hospital that has not previously been designated as a rural hospital and that meets the criteria of this paragraph shall be granted such designation upon application, including supporting documentation to the Agency for Health Care Administration.

Section 2. Subsection (42) of section 408.07, Florida Statutes, is amended to read:

408.07 Definitions.—As used in this chapter, with the exception of ss. 408.031-408.045, the term:

(42) “Rural hospital” means an acute care hospital licensed under chapter 395, having 100 or fewer licensed beds and an emergency room, and which is:

(a) The sole provider within a county with a population density of no greater than 100 persons per square mile;

(b) An acute care hospital, in a county with a population density of no greater than 100 persons per square mile, which is at least 30 minutes of travel time, on normally traveled roads under normal traffic conditions, from another acute care hospital within the same county;

(c) A hospital supported by a tax district or subdistrict whose boundaries encompass a population of 100 persons or fewer per square mile;

(d) A hospital with a service area that has a population of 100 persons or fewer per square mile. As used in this paragraph, the term “service area” means the fewest number of zip codes that account for 75 percent of the hospital’s discharges for the most recent 5-year period, based on information available from the hospital inpatient discharge database in the State Center for Health Statistics at the Agency for Health Care Administration; or

(e) A hospital designated as a Critical Access Hospital by the Department of Health in accordance with federal regulations and state requirements.

Population densities used in this subsection must be based upon the most recently completed United States census. A hospital that received funds under s. 409.9116 for a quarter beginning no later than July 1, 2002, is deemed to have been and shall continue to be a rural hospital from that date

through June 30, 2012, if the hospital continues to have 100 or fewer licensed beds and an emergency room, or meets the criteria of s. 395.602(2)(e)4. An acute care hospital that has not previously been designated as a rural hospital and that meets the criteria of this subsection shall be granted such designation upon application, including supporting documentation, to the Agency for Health Care Administration.

Section 3. Section 395.6025, Florida Statutes, is created to read:

395.6025 Rural hospital replacement facilities.—Notwithstanding the provisions of s. 408.036, a hospital defined as a statutory rural hospital in accordance with s. 395.602, or a not-for-profit operator of rural hospitals, is not required to obtain a certificate of need for the construction of a new hospital located in a county with a population of at least 15,000 but no more than 18,000 and a density of less than 30 persons per square mile, or a replacement facility, provided that the replacement, or new, facility is located within 10 miles of the site of the currently licensed rural hospital and within the current primary service area. As used in this section, the term “service area” means the fewest number of zip codes that account for 75 percent of the hospital’s discharges for the most recent 5-year period, based on information available from the hospital inpatient discharge database in the State Center for Health Statistics at the Agency for Health Care Administration.

Section 4. Paragraph (a) of subsection (4) of section 766.314, Florida Statutes, is amended to read:

766.314 Assessments; plan of operation.—

(4) The following persons and entities shall pay into the association an initial assessment in accordance with the plan of operation:

(a) On or before October 1, 1988, each hospital licensed under chapter 395 shall pay an initial assessment of \$50 per infant delivered in the hospital during the prior calendar year, as reported to the Agency for Health Care Administration; provided, however, that a hospital owned or operated by the state or a county, special taxing district, or other political subdivision of the state shall not be required to pay the initial assessment or any assessment required by subsection (5). The term “infant delivered” includes live births and not stillbirths, but the term does not include infants delivered by employees or agents of the Board of Regents, ~~or~~ those born in a teaching hospital as defined in s. 408.07, or those born in a teaching hospital as defined in s. 395.806 that have been deemed by the association as being exempt from assessments since fiscal year 1997 to fiscal year 2001. The initial assessment and any assessment imposed pursuant to subsection (5) may not include any infant born to a charity patient (as defined by rule of the Agency for Health Care Administration) or born to a patient for whom the hospital receives Medicaid reimbursement, if the sum of the annual charges for charity patients plus the annual Medicaid contractuals of the hospital exceeds 10 percent of the total annual gross operating revenues of the hospital. The hospital is responsible for documenting, to the satisfaction of the association, the exclusion of any birth from the computation of the

assessment. Upon demonstration of financial need by a hospital, the association may provide for installment payments of assessments.

Section 5. This act shall take effect July 1, 2003.

Approved by the Governor June 26, 2003.

Filed in Office Secretary of State June 26, 2003.
