

## Senate Bill No. 488

An act relating to probation or community control; amending s. 948.03, F.S.; providing requirements for measuring the distance from an offender's place of residence to a school, day care center, park, playground, or other place where children congregate for purposes of complying with a court-imposed condition prohibiting the offender from living within a specified distance from those facilities; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraph (a) of subsection (5) of section 948.03, Florida Statutes, is amended to read:

948.03 Terms and conditions of probation or community control.—

(5) Conditions imposed pursuant to this subsection, as specified in paragraphs (a) and (b), do not require oral pronouncement at the time of sentencing and shall be considered standard conditions of probation or community control for offenders specified in this subsection.

(a) Effective for probationers or community controllees whose crime was committed on or after October 1, 1995, and who are placed under supervision for violation of chapter 794, s. 800.04, s. 827.071, or s. 847.0145, the court must impose the following conditions in addition to all other standard and special conditions imposed:

1. A mandatory curfew from 10 p.m. to 6 a.m. The court may designate another 8-hour period if the offender's employment precludes the above specified time, and such alternative is recommended by the Department of Corrections. If the court determines that imposing a curfew would endanger the victim, the court may consider alternative sanctions.

2. If the victim was under the age of 18, a prohibition on living within 1,000 feet of a school, day care center, park, playground, or other place where children regularly congregate, as prescribed by the court. The 1,000-foot distance shall be measured in a straight line from the offender's place of residence to the nearest boundary line of the school, day care center, park, playground, or other place where children congregate. The distance may not be measured by a pedestrian route or automobile route.

3. Active participation in and successful completion of a sex offender treatment program with therapists specifically trained to treat sex offenders, at the probationer's or community controllee's own expense. If a specially trained therapist is not available within a 50-mile radius of the probationer's or community controllee's residence, the offender shall participate in other appropriate therapy.

4. A prohibition on any contact with the victim, directly or indirectly, including through a third person, unless approved by the victim, the offender's therapist, and the sentencing court.

5. If the victim was under the age of 18, a prohibition, until successful completion of a sex offender treatment program, on unsupervised contact with a child under the age of 18, unless authorized by the sentencing court without another adult present who is responsible for the child's welfare, has been advised of the crime, and is approved by the sentencing court.

6. If the victim was under age 18, a prohibition on working for pay or as a volunteer at any school, day care center, park, playground, or other place where children regularly congregate.

7. Unless otherwise indicated in the treatment plan provided by the sexual offender treatment program, a prohibition on viewing, owning, or possessing any obscene, pornographic, or sexually stimulating visual or auditory material, including telephone, electronic media, computer programs, or computer services that are relevant to the offender's deviant behavior pattern.

8. A requirement that the probationer or community controllee must submit two specimens of blood to the Florida Department of Law Enforcement to be registered with the DNA data bank.

9. A requirement that the probationer or community controllee make restitution to the victim, as ordered by the court under s. 775.089, for all necessary medical and related professional services relating to physical, psychiatric, and psychological care.

10. Submission to a warrantless search by the community control or probation officer of the probationer's or community controllee's person, residence, or vehicle.

Section 2. This act shall take effect upon becoming a law.
