

Committee Substitute for Senate Bill No. 1732

An act relating to the Primary Care Access Network; creating two pilot programs to provide extended operating hours for the purpose of offering health care services at overcrowded clinics in the Primary Care Access Network in Orange, Pasco, Manatee, Sarasota, and DeSoto Counties; directing the Agency for Health Care Administration to establish a pilot program in Orange and Pasco Counties and a pilot program in Manatee, Sarasota, and DeSoto Counties; requiring the agency to develop procedures for operating the pilot programs; requiring the agency to submit a report with recommendations to the Governor and the Legislature by a specified date; providing an appropriation; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. (1) The Legislature finds that the Primary Care Access Network (PCAN) was founded to address the needs of the uninsured and those who are medically needy by providing a system of service delivery that builds upon the strengths of its current health provider partners. There has been an average 32-percent decrease in nonurgent emergency room services used by the uninsured in areas where one of the clinics is in operation. In accordance with these findings, the Agency for Health Care Administration shall establish a 1-year pilot program in Orange and Pasco Counties and a 1-year pilot program in Manatee, Sarasota, and DeSoto Counties, which shall each offer health care services during the weekend and after regular business hours during the week.

(2) To the extent that funding is available, the pilot program shall provide funds to operate the PCAN clinics during the extended hours that the clinics are open and to pay the employees of those clinics accordingly.

(3) The agency shall develop procedures for operating the pilot program.

(4) Each January 1 for the duration of the pilot program the agency shall submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives an annual report on the success and outcomes achieved by the pilot program, which must include a recommendation as to whether the pilot program should be continued, terminated, or expanded.

Section 2. The sum of \$3.5 million in nonrecurring funds is appropriated from the General Revenue Fund to the Agency for Health Care Administration for the purpose of implementing this act during the 2007-2008 fiscal year.

Section 3. This act shall take effect July 1, 2007.

Approved by the Governor June 12, 2007.

Filed in Office Secretary of State June 12, 2007.
