The state attorney in the circuit in which the petition is filed must be given notice of the petition at least 3 weeks before the hearing on the matter. The state attorney may present evidence in opposition to the requested relief or may otherwise demonstrate the reasons why the petition should be denied. If the court denies the petition, the court may set a future date at which the sexual predator may again petition the court for relief, subject to the standards for relief provided in this paragraph. (2) If a person meets the criteria in subsection (1) and the violation of s. 794.011 or s. 800.04 was committed on or after July 1, 2007, the person may move the court that will sentence or dispose of this violation to remove the requirement that the person register as a sexual offender or sexual predator. The person must allege in the motion that he or she meets the criteria in subsection (1) and that removal of the registration requirement will not conflict with federal law. The state attorney must be given notice of the motion at least 21 days before the date of sentencing or disposition of this violation, and may present evidence in opposition to the requested relief or may otherwise demonstrate why the motion should be denied. At sentencing or disposition of this violation, the court shall rule on this motion and, if the court determines the person meets the criteria in subsection (1) and the removal of the registration requirement will not conflict with federal law, it may grant the motion and order the removal of the registration requirement. If the court denies the motion, the person is not authorized under this section to petition for removal of the registration requirement.

(3)(a) This subsection applies to a person who:

The state attorney must be given notice of the petition at least 21 days before the hearing on the petition and, may present evidence in opposition to the requested relief or may otherwise demonstrate why the petition should be denied. The court shall rule on the petition and, if the court determines the person meets the criteria in subsection (1) and removal of the registration requirement will not conflict with federal law, it may grant the petition and order the removal of the registration requirement. If the court denies the petition, the person is not authorized under this section to file any further petition for removal of the registration requirement.

(4) If a person provides to the Department of Law Enforcement a certified copy of the court's order removing the requirement that the person register as a sexual offender or sexual predator for the violation of s. 794.011 or s. 800.04, the registration requirement will not apply to the person and the department shall remove all information about the person from the public registry of sexual offenders and sexual predators maintained by the department. (b) "Conviction" has the same meaning as provided in s. 943.0435.

(c) "Institution of higher education" means a career center, community college, college, state university, or independent postsecondary institution.

(d) "Sexual offender" means a person who is in the care or custody or under the jurisdiction or supervision of the department or is in the custody of a private correctional facility and who:

1. Has been adjudicated delinquent as provided in s. 943.0435(1)(a)1.d.; or

2. Establishes or maintains a residence in this state and has not been designated as a sexual predator by a court of this state but has been designated as a sexual predator, as a sexually violent predator, or by another sexual offender designation in another state or jurisdiction and was, as a result of such designation, subjected to registration or community or public notification, or both, or would be if the person were a resident of that state or jurisdiction, without regard to whether the person otherwise meets the criteria for registration as a sexual offender.

(2) The clerk of the court that adjudicated and entered a disposition regarding the sexual offender for the offense or offenses for which he or she was convicted shall forward to the department and the Department of Law Enforcement a certified copy of any order entered by the court imposing any special condition or restriction on the sexual offender which restricts or prohibits access to the victim, if the victim is a minor, or to other minors. The Department of Law Enforcement may include on its Internet website such special conditions or restrictions.

(3) If a sexual offender is not sentenced to a term of residential commitment, the clerk of the court shall ensure that the sexual offender's fingerprints are taken and forwarded to the Department of Law Enforcement within 48 hours after the court sentences the offender. The fingerprint card shall be clearly marked "Sexual Offender Registration Card."

(4) A sexual offender, as described in this section, who is under the supervision of the department but who is not committed must register with the department within 3 business days after adjudication and disposition for a registerable offense and otherwise provide information as required by this subsection.

(a) The sexual offender shall provide his or her name; date of birth; social security number; race; sex; height; weight; hair and eye color; tattoos or other identifying marks; and permanent or legal residence and address of temporary residence within the state or out of state while the sexual offender is in the care or custody or under the jurisdiction or supervision of the department in this state, including any rural route address or post office box, and the name and address of each school attended. The department shall verify the address of each sexual offender and shall report to the Department of Law Enforcement any failure by a sexual offender to comply with registration requirements.

(b) If the sexual offender is enrolled, employed, or carrying on a vocation at an institution of higher education in this state, the sexual offender shall provide the name, address, and county of each institution, including each campus attended, and the sexual offender's enrollment or employment status. Each change in enrollment or employment status shall be reported to the department within 48 hours after the change in status. The department shall promptly notify each institution of the sexual offender's presence and any change in the sexual offender's enrollment or employment status.

(5) In addition to notification and transmittal requirements imposed by any other provision of law, the department shall compile information on any sexual offender and provide the information to the Department of Law Enforcement. No later than November 1, 2007, the department must make the information available electronically to the Department of Law Enforcement in its database in a format that is compatible with the requirements of the Florida Crime Information Center.

(6)(a) The information provided to the Department of Law Enforcement must include the following:

1. The information obtained from the sexual offender under subsection (4).

2. The sexual offender's most current address and place of permanent or temporary residence within the state or out of state while the sexual offender is in the care or custody or under the jurisdiction or supervision of the department in this state, including the name of the county or municipality in which the offender permanently or temporarily resides and, if known, the intended place of permanent or temporary residence upon satisfaction of all sanctions.

3. The legal status of the sexual offender and the scheduled termination date of that legal status.

4. The location of, and local telephone number for, any department office that is responsible for supervising the sexual offender.

5. An indication of whether the victim of the offense that resulted in the offender's status as a sexual offender was a minor.

6. The offense or offenses at adjudication and disposition that resulted in the determination of the offender's status as a sex offender.

7. A digitized photograph of the sexual offender, which must have been taken within 60 days before the offender was released from the custody of the department or a private correctional facility by expiration of sentence under s. 944.275, or within 60 days after the onset of the department's supervision of any sexual offender who is on probation, postcommitment probation, residential commitment, nonresidential commitment, licensed child-caring commitment, community control, conditional release, parole, provisional release, or control release or who is supervised by the department under the Interstate Compact Agreement for Probationers and Parolees. If the sexual offender is in the custody of a private correctional facility, the facility shall take a digitized photograph of the sexual offender within the time period provided in this subparagraph and shall provide the photograph to the department.

(b) If any information provided by the department changes during the time the sexual offender is under the department's care, control, custody, or supervision, including any change in the offender's name by reason of marriage or other legal process, the department shall, in a timely manner, update the information and provide it to the Department of Law Enforcement in the manner prescribed in subsection (5).

(7) If the sexual offender is in the custody of a local jail, the custodian of the local jail shall register the offender within 3 business days after intake of the offender for any reason and upon release, and shall forward the information to the Department of Law Enforcement. The custodian of the local jail shall also take a digitized photograph of the sexual offender while the offender remains in custody and shall provide the digitized photograph to the Department of Law Enforcement.

(8) If the sexual offender is under federal supervision, the federal agency responsible for supervising the sexual offender may forward to the Depart-

ment of Law Enforcement any information regarding the sexual offender which is consistent with the information provided by the department under this section and may indicate whether use of the information is restricted to law enforcement purposes only or may be used by the Department of Law Enforcement for purposes of public notification.

(9) A sexual offender, as described in this section, who is under the care, jurisdiction, or supervision of the department but who is not incarcerated shall, in addition to the registration requirements provided in subsection (4), register in the manner provided in s. 943.0435(3), (4), and (5), unless the sexual offender is a sexual predator, in which case he or she shall register as required under s. 775.21. A sexual offender who fails to comply with the requirements of s. 943.0435 is subject to the penalties provided in s. 943.0435(9).

(10)(a) The failure of a sexual offender to submit to the taking of a digitized photograph, or to otherwise comply with the requirements of this section, is a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(b) A sexual offender who commits any act or omission in violation of this section may be prosecuted for the act or omission in the county in which the act or omission was committed, the county of the last registered address of the sexual offender, or the county in which the adjudication and disposition occurred for the offense or offenses that meet the criteria for designating a person as a sexual offender.

(c) An arrest on charges of failure to register when the offender has been provided and advised of his or her statutory obligations to register under s. 943.0435(2), the service of an information or a complaint for a violation of this section, or an arraignment on charges for a violation of this section constitutes actual notice of the duty to register. A sexual offender's failure to immediately register as required by this section following such arrest, service, or arraignment constitutes grounds for a subsequent charge of failure to register. A sexual offender charged with the crime of failure to register who asserts, or intends to assert, a lack of notice of the duty to register as a defense to a charge of failure to register shall immediately register as required by this section. A sexual offender who is charged with a subsequent failure to register may not assert the defense of a lack of notice of the duty to register.

(d) Registration following such arrest, service, or arraignment is not a defense and does not relieve the sexual offender of criminal liability for the failure to register.

(11) The department, the Department of Highway Safety and Motor Vehicles, the Department of Law Enforcement, the Department of Corrections, personnel of those departments, and any individual or entity acting at the request or upon the direction of those departments are immune from civil liability for damages for good faith compliance with this section and shall be presumed to have acted in good faith in compiling, recording, reporting, or providing information. The presumption of good faith is not overcome if technical or clerical errors are made by the department, the Department of

Highway Safety and Motor Vehicles, the Department of Law Enforcement, the Department of Corrections, personnel of those departments, or any individual or entity acting at the request or upon the direction of those departments in compiling, recording, reporting, or providing information, or, if the information is incomplete or incorrect because the information has not been provided by a person or agency required to provide it, was not reported, or was falsely reported.

(12) Any person who has reason to believe that a sexual offender is not complying, or has not complied, with the requirements of this section and who, with the intent to assist the sexual offender in eluding a law enforcement agency that is seeking to find the sexual offender to question the sexual offender about, or to arrest the sexual offender for, his or her noncompliance with the requirements of this section:

This subsection does not apply if the sexual offender is incarcerated in or is in the custody of a state correctional facility, a private correctional facility, a local jail, or a federal correctional facility.

(13)(a) A sexual offender must report in person each year during the month of the sexual offender's birthday and during every third month thereafter to the sheriff's office in the county in which he or she resides or is otherwise located to reregister.

(b) The sheriff's office may determine the appropriate times and days for reporting by the sexual offender, which shall be consistent with the reporting requirements of this subsection. Reregistration shall include any changes to the following information:
