120.54 Rulemaking.—

(3) ADOPTION PROCEDURES.—

(a) Notices.—

1. Prior to the adoption, amendment, or repeal of any rule other than an emergency rule, an agency, upon approval of the agency head, shall give notice of its intended action, setting forth a short, plain explanation of the purpose and effect of the proposed action; the full text of the proposed rule or amendment and a summary thereof; a reference to the grant of rulemaking authority pursuant to which the rule is adopted; and a reference to the section or subsection of the Florida Statutes or the Laws of Florida being implemented or interpreted. The notice must include a summary of the agency's statement of the estimated regulatory costs, if one has been prepared, based on the factors set forth in s. 120.541(2), and a statement that any person who wishes to provide the agency with information regarding the statement of estimated regulatory costs, or to provide a proposal for a lower cost regulatory alternative as provided by s. 120.541(1), must do so in writing within 21 days after publication of the notice. The notice must state the procedure for requesting a public hearing on the proposed rule. Except when the intended action is the repeal of a rule, the notice must include a reference both to the date on which and to the place where the notice of rule development that is required by subsection (2) appeared.

2. The notice shall be published in the Florida Administrative Weekly not less than 28 days prior to the intended action. The proposed rule shall be available for inspection and copying by the public at the time of the publication of notice.

3. The notice shall be mailed to all persons named in the proposed rule and to all persons who, at least 14 days prior to such mailing, have made requests of the agency for advance notice of its proceedings. The agency shall

also give such notice as is prescribed by rule to those particular classes of persons to whom the intended action is directed.

4. The adopting agency shall file with the committee, at least 21 days prior to the proposed adoption date, a copy of each rule it proposes to adopt; a copy of any material incorporated by reference in the rule; a detailed written statement of the facts and circumstances justifying the proposed rule; a copy of any statement of estimated regulatory costs that has been prepared pursuant to s. 120.541; a statement of the extent to which the proposed rule relates to federal standards or rules on the same subject; and the notice required by subparagraph 1.

(b) Special matters to be considered in rule adoption.—

1. Statement of estimated regulatory costs.—Prior to the adoption, amendment, or repeal of any rule other than an emergency rule, an agency is encouraged to prepare a statement of estimated regulatory costs of the proposed rule, as provided by s. 120.541. However, an agency shall prepare a statement of estimated regulatory costs of the proposed rule, as provided by s. 120.541, if the proposed rule will have an impact on small business.

2. Small businesses, small counties, and small cities.—

a. Each agency, before the adoption, amendment, or repeal of a rule, shall consider the impact of the rule on small businesses as defined by s. 288.703 and the impact of the rule on small counties or small cities as defined by s. 120.52. Whenever practicable, an agency shall tier its rules to reduce disproportionate impacts on small businesses, small counties, or small cities to avoid regulating small businesses, small counties, or small cities that do not contribute significantly to the problem the rule is designed to address. An agency may define “small business” to include businesses employing more than 200 ~~100~~ persons, may define “small county” to include those with populations of more than 75,000, and may define “small city” to include those with populations of more than 10,000, if it finds that such a definition is necessary to adapt a rule to the needs and problems of small businesses, small counties, or small cities. The agency shall consider each of the following methods for reducing the impact of the proposed rule on small businesses, small counties, and small cities, or any combination of these entities:

(I) Establishing less stringent compliance or reporting requirements in the rule.

(II) Establishing less stringent schedules or deadlines in the rule for compliance or reporting requirements.

(III) Consolidating or simplifying the rule’s compliance or reporting requirements.

(IV) Establishing performance standards or best-management practices to replace design or operational standards in the rule.

(V) Exempting small businesses, small counties, or small cities from any or all requirements of the rule.

b.(I) If the agency determines that the proposed action will affect small businesses as defined by the agency as provided in sub-subparagraph a., the agency shall send written notice of the rule to the Small Business Regulatory Advisory Council and the Office of Tourism, Trade, and Economic Development not less than 28 days prior to the intended action.

(II) Each agency shall adopt those regulatory alternatives offered by the Small Business Regulatory Advisory Council and provided to the agency no later than 21 days after the council's receipt of the written notice of the rule which it finds are feasible and consistent with the stated objectives of the proposed rule and which would reduce the impact on small businesses. When regulatory alternatives are offered by the Small Business Regulatory Advisory Council, the 90-day period for filing the rule in subparagraph (e)2. is extended for a period of 21 days.

(III) If an agency does not adopt all alternatives offered pursuant to this sub-subparagraph, it shall, prior to rule adoption or amendment and pursuant to subparagraph (d)1., file a detailed written statement with the committee explaining the reasons for failure to adopt such alternatives. Within 3 working days of the filing of such notice, the agency shall send a copy of such notice to the Small Business Regulatory Advisory Council. The Small Business Regulatory Advisory Council may make a request of the President of the Senate and the Speaker of the House of Representatives that the presiding officers direct the Office of Program Policy Analysis and Government Accountability to determine whether the rejected alternatives reduce the impact on small business while meeting the stated objectives of the proposed rule. Within 60 days after the date of the directive from the presiding officers, the Office of Program Policy Analysis and Government Accountability shall report to the Administrative Procedures Committee its findings as to whether an alternative reduces the impact on small business while meeting the stated objectives of the proposed rule. The Office of Program Policy Analysis and Government Accountability shall consider the proposed rule, the economic impact statement, the written statement of the agency, the proposed alternatives, and any comment submitted during the comment period on the proposed rule. The Office of Program Policy Analysis and Government Accountability shall submit a report of its findings and recommendations to the Governor, the President of the Senate, and the Speaker of the House of Representatives. The Administrative Procedures Committee shall report such findings to the agency, and the agency shall respond in writing to the Administrative Procedures Committee if the Office of Program Policy Analysis and Government Accountability found that the alternative reduced the impact on small business while meeting the stated objectives of the proposed rule. If the agency will not adopt the alternative, it must also provide a detailed written statement to the committee as to why it will not adopt the alternative.

(c) Hearings.—

1. If the intended action concerns any rule other than one relating exclusively to procedure or practice, the agency shall, on the request of any affected person received within 21 days after the date of publication of the notice of intended agency action, give affected persons an opportunity to

present evidence and argument on all issues under consideration. The agency may schedule a public hearing on the rule and, if requested by any affected person, shall schedule a public hearing on the rule. When a public hearing is held, the agency must ensure that staff are available to explain the agency's proposal and to respond to questions or comments regarding the rule. If the agency head is a board or other collegial body created under s. 20.165(4) or s. 20.43(3)(g), and one or more requested public hearings is scheduled, the board or other collegial body shall conduct at least one of the public hearings itself and may not delegate this responsibility without the consent of those persons requesting the public hearing. Any material pertinent to the issues under consideration submitted to the agency within 21 days after the date of publication of the notice or submitted to the agency between the date of publication of the notice and the end of the final at- a public hearing shall be considered by the agency and made a part of the record of the rulemaking proceeding.

2. Rulemaking proceedings shall be governed solely by the provisions of this section unless a person timely asserts that the person's substantial interests will be affected in the proceeding and affirmatively demonstrates to the agency that the proceeding does not provide adequate opportunity to protect those interests. If the agency determines that the rulemaking proceeding is not adequate to protect the person's interests, it shall suspend the rulemaking proceeding and convene a separate proceeding under the provisions of ss. 120.569 and 120.57. Similarly situated persons may be requested to join and participate in the separate proceeding. Upon conclusion of the separate proceeding, the rulemaking proceeding shall be resumed.

(d) Modification or withdrawal of proposed rules.—

1. After the final public hearing on the proposed rule, or after the time for requesting a hearing has expired, if the rule has not been changed from the rule as previously filed with the committee, or contains only technical changes, the adopting agency shall file a notice to that effect with the committee at least 7 days prior to filing the rule for adoption. Any change, other than a technical change that does not affect the substance of the rule, must be supported by the record of public hearings held on the rule, must be in response to written material submitted to the agency within 21 days after the date of publication of the notice of intended agency action or submitted to the agency between the date of publication of the notice and ~~received on or before the end date~~ of the final public hearing, or must be in response to a proposed objection by the committee. In addition, when any change is made in a proposed rule, other than a technical change, the adopting agency shall provide a copy of a notice of change by certified mail or actual delivery to any person who requests it in writing no later than 21 days after the notice required in paragraph (a). The agency shall file the notice of change with the committee, along with the reasons for the change, and provide the notice of change to persons requesting it, at least 21 days prior to filing the rule for adoption. The notice of change shall be published in the Florida Administrative Weekly at least 21 days prior to filing the rule for adoption. This subparagraph does not apply to emergency rules adopted pursuant to subsection (4).

2. After the notice required by paragraph (a) and prior to adoption, the agency may withdraw the rule in whole or in part.

3. After adoption and before the effective date, a rule may be modified or withdrawn only in response to an objection by the committee or may be modified to extend the effective date by not more than 60 days when the committee has notified the agency that an objection to the rule is being considered.

4. The agency shall give notice of its decision to withdraw or modify a rule in the first available issue of the publication in which the original notice of rulemaking was published, shall notify those persons described in subparagraph (a)3. in accordance with the requirements of that subparagraph, and shall notify the Department of State if the rule is required to be filed with the Department of State.

5. After a rule has become effective, it may be repealed or amended only through the rulemaking procedures specified in this chapter.

(e) Filing for final adoption; effective date.—

1. If the adopting agency is required to publish its rules in the Florida Administrative Code, the agency, upon approval of the agency head, shall file with the Department of State three certified copies of the rule it proposes to adopt; one copy of any material incorporated by reference in the rule, certified by the agency; a summary of the rule; a summary of any hearings held on the rule; and a detailed written statement of the facts and circumstances justifying the rule. Agencies not required to publish their rules in the Florida Administrative Code shall file one certified copy of the proposed rule, and the other material required by this subparagraph, in the office of the agency head, and such rules shall be open to the public.

2. A rule may not be filed for adoption less than 28 days or more than 90 days after the notice required by paragraph (a), until 21 days after the notice of change required by paragraph (d), until 14 days after the final public hearing, until 21 days after a statement of estimated regulatory costs required under s. 120.541 has been provided to all persons who submitted a lower cost regulatory alternative and made available to the public, or until the administrative law judge has rendered a decision under s. 120.56(2), whichever applies. When a required notice of change is published prior to the expiration of the time to file the rule for adoption, the period during which a rule must be filed for adoption is extended to 45 days after the date of publication. If notice of a public hearing is published prior to the expiration of the time to file the rule for adoption, the period during which a rule must be filed for adoption is extended to 45 days after adjournment of the final hearing on the rule, 21 days after receipt of all material authorized to be submitted at the hearing, or 21 days after receipt of the transcript, if one is made, whichever is latest. The term “public hearing” includes any public meeting held by any agency at which the rule is considered. If a petition for an administrative determination under s. 120.56(2) is filed, the period during which a rule must be filed for adoption is extended to 60 days after the administrative law judge files the final order with the clerk or until 60 days after subsequent judicial review is complete.

3. At the time a rule is filed, the agency shall certify that the time limitations prescribed by this paragraph have been complied with, that all statutory rulemaking requirements have been met, and that there is no administrative determination pending on the rule.

4. At the time a rule is filed, the committee shall certify whether the agency has responded in writing to all material and timely written comments or written inquiries made on behalf of the committee. The department shall reject any rule that is not filed within the prescribed time limits; that does not comply with all statutory rulemaking requirements and rules of the department; upon which an agency has not responded in writing to all material and timely written inquiries or written comments; upon which an administrative determination is pending; or which does not include a statement of estimated regulatory costs, if required.

5. If a rule has not been adopted within the time limits imposed by this paragraph or has not been adopted in compliance with all statutory rulemaking requirements, the agency proposing the rule shall withdraw the rule and give notice of its action in the next available issue of the Florida Administrative Weekly.

6. The proposed rule shall be adopted on being filed with the Department of State and become effective 20 days after being filed, on a later date specified in the notice required by subparagraph (a)1. rule, or on a date required by statute. Rules not required to be filed with the Department of State shall become effective when adopted by the agency head or on a later date specified by rule or statute. If the committee notifies an agency that an objection to a rule is being considered, the agency may postpone the adoption of the rule to accommodate review of the rule by the committee. When an agency postpones adoption of a rule to accommodate review by the committee, the 90-day period for filing the rule is tolled until the committee notifies the agency that it has completed its review of the rule.

For the purposes of this paragraph, the term “administrative determination” does not include subsequent judicial review.

(5) UNIFORM RULES.—

(b) The uniform rules of procedure adopted by the commission pursuant to this subsection shall include, but are not limited to:

1. Uniform rules for the scheduling of public meetings, hearings, and workshops.

2. Uniform rules for use by each state agency that provide procedures for conducting public meetings, hearings, and workshops, and for taking evidence, testimony, and argument at such public meetings, hearings, and workshops, in person and by means of communications media technology. The rules shall provide that all evidence, testimony, and argument presented shall be afforded equal consideration, regardless of the method of communication. If a public meeting, hearing, or workshop is to be conducted by means of communications media technology, or if attendance may be

provided by such means, the notice shall so state. The notice for public meetings, hearings, and workshops utilizing communications media technology shall state how persons interested in attending may do so and shall name locations, if any, where communications media technology facilities will be available. Nothing in this paragraph shall be construed to diminish the right to inspect public records under chapter 119. Limiting points of access to public meetings, hearings, and workshops subject to the provisions of s. 286.011 to places not normally open to the public shall be presumed to violate the right of access of the public, and any official action taken under such circumstances is void and of no effect. Other laws relating to public meetings, hearings, and workshops, including penal and remedial provisions, shall apply to public meetings, hearings, and workshops conducted by means of communications media technology, and shall be liberally construed in their application to such public meetings, hearings, and workshops. As used in this subparagraph, "communications media technology" means the electronic transmission of printed matter, audio, full-motion video, freeze-frame video, compressed video, and digital video by any method available.

3. Uniform rules of procedure for the filing of notice of protests and formal written protests. The Administration Commission may prescribe the form and substantive provisions of a required bond.

4. Uniform rules of procedure for the filing of petitions for administrative hearings pursuant to s. 120.569 or s. 120.57. Such rules shall require the petition to include:

- a. The identification of the petitioner.
- b. A statement of when and how the petitioner received notice of the agency's action or proposed action.
- c. An explanation of how the petitioner's substantial interests are or will be affected by the action or proposed action.
- d. A statement of all material facts disputed by the petitioner or a statement that there are no disputed facts.
- e. A statement of the ultimate facts alleged, including a statement of the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action.
- f. A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes.
- g. A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the agency to take with respect to the proposed action.

5. Uniform rules for the filing of request for administrative hearing by a respondent in agency enforcement and disciplinary actions. Such rules shall require a request to include:

a. The name, address, and telephone number of the party making the request and the name, address, and telephone number of the party's counsel or qualified representative upon whom service of pleadings and other papers shall be made;

b. A statement that the respondent is requesting an administrative hearing and disputes the material facts alleged by the petitioner, in which case the respondent shall identify those material facts that are in dispute, or that the respondent is requesting an administrative hearing and does not dispute the material facts alleged by the petitioner; and

c. A reference by file number to the administrative complaint that the party has received from the agency and the date on which the agency pleading was received.

The agency may provide an election-of-rights form for the respondent's use in requesting a hearing, so long as any form provided by the agency calls for the information in sub-subparagraphs a. through c. and does not impose any additional requirements on a respondent in order to request a hearing, unless such requirements are specifically authorized by law.

6. Uniform rules of procedure for the filing and prompt disposition of petitions for declaratory statements. The rules shall also describe the contents of the notices that must be published in the Florida Administrative Weekly under s. 120.565, including any applicable time limit for the filing of petitions to intervene or petitions for administrative hearing by persons whose substantial interests may be affected.

7. Provision of a method by which each agency head shall provide a description of the agency's organization and general course of its operations. The rules shall require that the statement concerning the agency's organization and operations be published on the agency's website.

8. Uniform rules establishing procedures for granting or denying petitions for variances and waivers pursuant to s. 120.542.

(6) **ADOPTION OF FEDERAL STANDARDS.**—Notwithstanding any contrary provision of this section, in the pursuance of state implementation, operation, or enforcement of federal programs, an agency is empowered to adopt rules substantively identical to regulations adopted pursuant to federal law, in accordance with the following procedures:

(b) Any rule adopted pursuant to this subsection shall become effective upon the date designated ~~in the rule~~ by the agency in the notice of intent to adopt a rule; however, no such rule shall become effective earlier than the effective date of the substantively identical federal regulation.

Section 5. Subsections (16) and (17) of section 120.80, Florida Statutes, are amended to read:

120.80 Exceptions and special requirements; agencies.—

~~(16) DEPARTMENT OF ENVIRONMENTAL PROTECTION.~~—Notwithstanding the provisions of s. 120.54(1)(d), the Department of Environ-

~~mental Protection, in undertaking rulemaking to establish best available control technology, lowest achievable emissions rate, or case-by-case maximum available control technology for purposes of s. 403.08725, shall not adopt the lowest regulatory cost alternative if such adoption would prevent the agency from implementing federal requirements.~~

(16)(17) FLORIDA BUILDING COMMISSION.—

(a) Notwithstanding the provisions of s. 120.542, the Florida Building Commission may not accept a petition for waiver or variance and may not grant any waiver or variance from the requirements of the Florida Building Code.

(b) The Florida Building Commission shall adopt within the Florida Building Code criteria and procedures for alternative means of compliance with the code or local amendments thereto, for enforcement by local governments, local enforcement districts, or other entities authorized by law to enforce the Florida Building Code. Appeals from the denial of the use of alternative means shall be heard by the local board, if one exists, and may be appealed to the Florida Building Commission.

(c) Notwithstanding ss. 120.565, 120.569, and 120.57, the Florida Building Commission and hearing officer panels appointed by the commission in accordance with s. 553.775(3)(c)1. may conduct proceedings to review decisions of local building code officials in accordance with s. 553.775(3)(c).
