and the insurer is given an opportunity to interview the insured directly about the loss and claim. The insurer must be allowed to obtain necessary information to investigate and respond to the claim.

(a) The insurer may not exclude the public adjuster from its in-person meetings with the insured. The insurer shall meet or communicate with the public adjuster in an effort to reach agreement as to the scope of the covered loss under the insurance policy. This section does not impair the terms and conditions of the insurance policy in effect at the time the claim is filed.

(b) A public adjuster may not restrict or prevent an insurer, company employee adjuster, independent adjuster, attorney, investigator, or other person acting on behalf of the insurer from having reasonable access at reasonable times to an insured or claimant or to the insured property that is the subject of a claim.

(c) A public adjuster may not act or fail to reasonably act in any manner that obstructs or prevents an insurer or insurer's adjuster from timely conducting an inspection of any part of the insured property for which there is a claim for loss or damage. The public adjuster representing the insured may be present for the insurer's inspection, but if the unavailability of the public adjuster otherwise delays the insurer's timely inspection of the property, the public adjuster or the insured must allow the insurer to have access to the property without the participation or presence of the public adjuster or insured in order to facilitate the insurer's prompt inspection of the loss or damage.

(16) A licensed contractor under part I of chapter 489, or a subcontractor, may not adjust a claim on behalf of an insured unless licensed and compliant as a public adjuster under this chapter. However, the contractor may discuss or explain a bid for construction or repair of covered property with the residential property owner who has suffered loss or damage covered by a property insurance policy, or the insurer of such property, if the contractor is doing so for the usual and customary fees applicable to the work to be performed as stated in the contract between the contractor and the insured.

(17) The provisions of subsections ~~(5)-(16)~~ ~~(5)-(13)~~ apply only to residential property insurance policies and condominium unit owner policies as defined in s. 718.111(11).

If all of the named insureds signatures are not available, the public adjuster must submit an affidavit signed by the available named insureds attesting that they have authority to enter into the contract and settle all claim issues on behalf of the named insureds. An unaltered copy of the executed contract must be remitted to the insurer within 30 days after execution.

Section 10. Effective June 1, 2011, section 626.70132, Florida Statutes, is created to read:

626.70132 Notice of windstorm or hurricane claim.—A claim, supplemental claim, or reopened claim under an insurance policy that provides property insurance, as defined in s. 624.604, for loss or damage caused by the peril of windstorm or hurricane is barred unless notice of the claim, supplemental claim, or reopened claim was given to the insurer in accordance with the terms of the policy within 3 years after the hurricane first made landfall or the windstorm caused the covered damage. For purposes of this section, the term “supplemental claim” or “reopened claim” means any additional claim for recovery from the insurer for losses from the same hurricane or windstorm which the insurer has previously adjusted pursuant to the initial claim. This section does not affect any applicable limitation on civil actions provided in s. 95.11 for claims, supplemental claims, or reopened claims timely filed under this section.

Section 11. Subsection (4) of section 627.0613, Florida Statutes, is repealed.

Section 12. Section 627.062, Florida Statutes, is amended to read:

627.062 Rate standards.—

(1) The rates for all classes of insurance to which the provisions of this part are applicable may ~~shall~~ not be excessive, inadequate, or unfairly discriminatory.

(2) As to all such classes of insurance:

(a) Insurers or rating organizations shall establish and use rates, rating schedules, or rating manuals ~~that~~ to allow the insurer a reasonable rate of return on ~~the~~ such classes of insurance written in this state. A copy of rates, rating schedules, rating manuals, premium credits or discount schedules, and surcharge schedules, and changes thereto, must ~~shall~~ be filed with the office under one of the following procedures ~~except as provided in subparagraph 3.~~:

1. If the filing is made at least 90 days before the proposed effective date and ~~the filing is not implemented during the office's review of the filing and any proceeding and judicial review, then such filing is~~ shall be considered a "file and use" filing. In such case, the office shall finalize its review by issuance of a notice of intent to approve or a notice of intent to disapprove within 90 days after receipt of the filing. The notice of intent to approve and the notice of intent to disapprove constitute agency action for purposes of the Administrative Procedure Act. Requests for supporting information, requests for mathematical or mechanical corrections, or notification to the insurer by the office of its preliminary findings ~~does~~ shall not toll the 90-day period during any such proceedings and subsequent judicial review. The rate shall be deemed approved if the office does not issue a notice of intent to approve or a notice of intent to disapprove within 90 days after receipt of the filing.

2. If the filing is not made in accordance with ~~the provisions of~~ subparagraph 1., such filing must ~~shall~~ be made as soon as practicable, but within ~~no later than~~ 30 days after the effective date, and is ~~shall~~ be considered a "use and file" filing. An insurer making a "use and file" filing is potentially subject to an order by the office to return to policyholders those portions of rates found to be excessive, as provided in paragraph (h).

3. For all property insurance filings made or submitted after January 25, 2007, but before May 1, 2012 ~~December 31, 2010~~, an insurer seeking a rate that is greater than the rate most recently approved by the office shall make a "file and use" filing. For purposes of this subparagraph, motor vehicle collision and comprehensive coverages are not considered ~~to be~~ property coverages.

(b) Upon receiving a rate filing, the office shall review the ~~rate~~ filing to determine if a rate is excessive, inadequate, or unfairly discriminatory. In making that determination, the office shall, in accordance with generally accepted and reasonable actuarial techniques, consider the following factors:

1. Past and prospective loss experience within and without this state.
2. Past and prospective expenses.
3. The degree of competition among insurers for the risk insured.
4. Investment income reasonably expected by the insurer, consistent with the insurer's investment practices, from investable premiums

anticipated in the filing, plus any other expected income from currently invested assets representing the amount expected on unearned premium reserves and loss reserves. The commission may adopt rules using reasonable techniques of actuarial science and economics to specify the manner in which insurers shall calculate investment income attributable to such classes of insurance written in this state and the manner in which such investment income is shall be used to calculate insurance rates. Such manner must shall contemplate allowances for an underwriting profit factor and full consideration of investment income which produce a reasonable rate of return; however, investment income from invested surplus may not be considered.

5. The reasonableness of the judgment reflected in the filing.
6. Dividends, savings, or unabsorbed premium deposits allowed or returned to Florida policyholders, members, or subscribers.
7. The adequacy of loss reserves.
8. The cost of reinsurance. The office may shall not disapprove a rate as excessive solely due to the insurer having obtained catastrophic reinsurance to cover the insurer's estimated 250-year probable maximum loss or any lower level of loss.
9. Trend factors, including trends in actual losses per insured unit for the insurer making the filing.
10. Conflagration and catastrophe hazards, if applicable.
11. Projected hurricane losses, if applicable, which must be estimated using a model or method found to be acceptable or reliable by the Florida Commission on Hurricane Loss Projection Methodology, and as further provided in s. 627.0628.
12. A reasonable margin for underwriting profit and contingencies.
13. The cost of medical services, if applicable.
14. Other relevant factors that affect which ~~impact upon~~ the frequency or severity of claims or ~~upon~~ expenses.

(c) In the case of fire insurance rates, consideration must shall be given to the availability of water supplies and the experience of the fire insurance business during a period of not less than the most recent 5-year period for which such experience is available.

(d) If conflagration or catastrophe hazards are considered ~~given~~ ~~consideration~~ by an insurer in its rates or rating plan, including surcharges and discounts, the insurer shall establish a reserve for that portion of the premium allocated to such hazard and shall maintain the premium in a catastrophe reserve. ~~Any~~ Removal of such premiums from the reserve for

purposes other than paying claims associated with a catastrophe or purchasing reinsurance for catastrophes must be approved by ~~shall be subject to approval of~~ the office. Any ceding commission received by an insurer purchasing reinsurance for catastrophes must ~~shall~~ be placed in the catastrophe reserve.

(e) After consideration of the rate factors provided in paragraphs (b), (c), and (d), the office may find ~~a rate may be found by the office~~ to be excessive, inadequate, or unfairly discriminatory based upon the following standards:

1. Rates shall be deemed excessive if they are likely to produce a profit from Florida business which ~~that~~ is unreasonably high in relation to the risk involved in the class of business or if expenses are unreasonably high in relation to services rendered.

2. Rates shall be deemed excessive if, among other things, the rate structure established by a stock insurance company provides for replenishment of surpluses from premiums, if when ~~when~~ the replenishment is attributable to investment losses.

3. Rates shall be deemed inadequate if they are clearly insufficient, together with the investment income attributable to them, to sustain projected losses and expenses in the class of business to which they apply.

4. A rating plan, including discounts, credits, or surcharges, shall be deemed unfairly discriminatory if it fails to clearly and equitably reflect consideration of the policyholder's participation in a risk management program adopted pursuant to s. 627.0625.

5. A rate shall be deemed inadequate as to the premium charged to a risk or group of risks if discounts or credits are allowed which exceed a reasonable reflection of expense savings and reasonably expected loss experience from the risk or group of risks.

6. A rate shall be deemed unfairly discriminatory as to a risk or group of risks if the application of premium discounts, credits, or surcharges among such risks does not bear a reasonable relationship to the expected loss and expense experience among the various risks.

(f) In reviewing a rate filing, the office may require the insurer to provide, at the insurer's expense, all information necessary to evaluate the condition of the company and the reasonableness of the filing according to the criteria enumerated in this section.

(g) The office may at any time review a rate, rating schedule, rating manual, or rate change; the pertinent records of the insurer; and market conditions. If the office finds on a preliminary basis that a rate may be excessive, inadequate, or unfairly discriminatory, the office shall initiate proceedings to disapprove the rate and shall so notify the insurer. However, the office may not disapprove as excessive any rate for which it has given final approval or which has been deemed approved for a ~~period of~~ 1 year after

the effective date of the filing unless the office finds that a material misrepresentation or material error was made by the insurer or was contained in the filing. Upon being so notified, the insurer or rating organization shall, within 60 days, file with the office all information that ~~which~~, in the belief of the insurer or organization, proves the reasonableness, adequacy, and fairness of the rate or rate change. The office shall issue a notice of intent to approve or a notice of intent to disapprove pursuant to the ~~procedures of~~ paragraph (a) within 90 days after receipt of the insurer's initial response. In such instances and in any administrative proceeding relating to the legality of the rate, the insurer or rating organization shall carry the burden of proof by a preponderance of the evidence to show that the rate is not excessive, inadequate, or unfairly discriminatory. After the office notifies an insurer that a rate may be excessive, inadequate, or unfairly discriminatory, unless the office withdraws the notification, the insurer may ~~shall~~ not alter the rate except to conform to ~~with~~ the office's notice until the earlier of 120 days after the date the notification was provided or 180 days after the date of implementing ~~the implementation of~~ the rate. The office may, subject to chapter 120, may disapprove without the 60-day notification any rate increase filed by an insurer within the prohibited time period or during the time that the legality of the increased rate is being contested.

(h) ~~If In the event~~ the office finds that a rate or rate change is excessive, inadequate, or unfairly discriminatory, the office shall issue an order of disapproval specifying that a new rate or rate schedule, which responds to the findings of the office, be filed by the insurer. The office shall further order, for any "use and file" filing made in accordance with subparagraph (a)2., that premiums charged each policyholder constituting the portion of the rate above that which was actuarially justified be returned to the such policyholder in the form of a credit or refund. If the office finds that an insurer's rate or rate change is inadequate, the new rate or rate schedule filed with the office in response to such a finding is ~~shall~~ be applicable only to new or renewal business of the insurer written on or after the effective date of the responsive filing.

(i) Except as otherwise specifically provided in this chapter, for property and casualty insurance the office may ~~shall~~ not directly or indirectly:

1. Prohibit any insurer, including any residual market plan or joint underwriting association, from paying acquisition costs based on the full amount of premium, as defined in s. 627.403, applicable to any policy, or prohibit any such insurer from including the full amount of acquisition costs in a rate filing; or-

2. Impede, abridge, or otherwise compromise an insurer's right to acquire policyholders, advertise, or appoint agents, including the calculation, manner, or amount of such agent commissions, if any.

(j) With respect to residential property insurance rate filings, the rate filing must account for mitigation measures undertaken by policyholders to reduce hurricane losses.

(k)1. A residential property ~~An insurer may make a separate filing limited solely to an adjustment of its rates for reinsurance, the cost of financing products used as a replacement for reinsurance, or financing costs incurred in the purchase of reinsurance, or financing products to replace or finance the payment of the amount covered by the Temporary Increase in Coverage Limits (TICL) portion of the Florida Hurricane Catastrophe Fund including replacement reinsurance for the TICL reductions made pursuant to s. 215.555(17)(c); the actual cost paid due to the application of the TICL premium factor pursuant to s. 215.555(17)(f); and the actual cost paid due to the application of the cash build-up factor pursuant to s. 215.555(5)(b) if the insurer:~~

a. ~~Elects to purchase financing products such as a liquidity instrument or line of credit, in which case the cost included in the filing for the liquidity instrument or line of credit may not result in a premium increase exceeding 3 percent for any individual policyholder. All costs contained in the filing may not result in an overall premium increase of more than 15~~ 10 percent for any individual policyholder.

b. ~~Includes in the filing a copy of all of its reinsurance, liquidity instrument, or line of credit contracts; proof of the billing or payment for the contracts; and the calculation upon which the proposed rate change is based demonstrating demonstrates that the costs meet the criteria of this section and are not loaded for expenses or profit for the insurer making the filing.~~

~~c.—Includes no other changes to its rates in the filing.~~

~~d.—Has not implemented a rate increase within the 6 months immediately preceding the filing.~~

~~e.—Does not file for a rate increase under any other paragraph within 6 months after making a filing under this paragraph.~~

2.f. ~~An insurer that purchases reinsurance or financing products from an affiliated company may make a separate filing in compliance with this paragraph does so~~ only if the costs for such reinsurance or financing products are charged at or below charges made for comparable coverage by nonaffiliated reinsurers or financial entities making such coverage or financing products available in this state.

3.2. ~~An insurer may only make only one filing per in any~~ 12-month period under this paragraph.

4.3. ~~An insurer that elects to implement a rate change under this paragraph must file its rate filing with the office at least 45 days before the effective date of the rate change. After an insurer submits a complete filing that meets all of the requirements of this paragraph, the office has 45 days after the date of the filing to review the rate filing and determine if the rate is excessive, inadequate, or unfairly discriminatory.~~

The provisions of this subsection do ~~shall~~ not apply to workers' compensation, ~~and~~ employer's liability insurance, and ~~to~~ motor vehicle insurance.

(3)(a) For individual risks that are not rated in accordance with the insurer's rates, rating schedules, rating manuals, and underwriting rules filed with the office and that ~~which~~ have been submitted to the insurer for individual rating, the insurer must maintain documentation on each risk subject to individual risk rating. The documentation must identify the named insured and specify the characteristics and classification of the risk supporting the reason for the risk being individually risk rated, including any modifications to existing approved forms to be used on the risk. The insurer must maintain these records for a ~~period of~~ at least 5 years after the effective date of the policy.

(b) Individual risk rates and modifications to existing approved forms are not subject to this part or part II, except for paragraph (a) and ss. 627.402, 627.403, 627.4035, 627.404, 627.405, 627.406, 627.407, 627.4085, 627.409, 627.4132, 627.4133, 627.415, 627.416, 627.417, 627.419, 627.425, 627.426, 627.4265, 627.427, and 627.428, but are subject to all other applicable provisions of this code and rules adopted thereunder.

(c) This subsection does not apply to private passenger motor vehicle insurance.

- c. Boiler and machinery and leakage and fire extinguishing equipment.
- d. Errors and omissions.
- e. Directors and officers, employment practices, and management liability.
- f. Intellectual property and patent infringement liability.
- g. Advertising injury and Internet liability insurance.
- h. Property risks rated under a highly protected risks rating plan.
- i. Any other commercial lines categories or kinds of insurance or types of commercial lines risks that the office determines should not be subject to paragraph (2)(a) or paragraph (2)(f) because of the existence of a competitive market for such insurance, similarity of such insurance to other categories or kinds of insurance not subject to paragraph (2)(a) or paragraph (2)(f), or to improve the general operational efficiency of the office.

2. Insurers or rating organizations shall establish and use rates, rating schedules, or rating manuals to allow the insurer a reasonable rate of return on insurance and risks described in subparagraph 1. which are written in this state.

3. An insurer must notify the office of any changes to rates for insurance and risks described in subparagraph 1. ~~within no later than 30 days after the effective date of the change.~~ The notice must include the name of the insurer, the type or kind of insurance subject to rate change, total premium written during the immediately preceding year by the insurer for the type or kind of insurance subject to the rate change, and the average statewide percentage change in rates. Underwriting files, premiums, losses, and expense statistics with regard to such insurance and risks described in subparagraph 1. written by an insurer must ~~shall~~ be maintained by the insurer and subject to examination by the office. Upon examination, the office ~~shall~~, in accordance with generally accepted and reasonable actuarial techniques, shall consider the rate factors in paragraphs (2)(b), (c), and (d) and the standards in paragraph (2)(e) to determine if the rate is excessive, inadequate, or unfairly discriminatory.

4. A rating organization must notify the office of any changes to loss cost for insurance and risks described in subparagraph 1. ~~within no later than 30 days after the effective date of the change.~~ The notice must include the name of the rating organization, the type or kind of insurance subject to a loss cost change, loss costs during the immediately preceding year for the type or kind of insurance subject to the loss cost change, and the average statewide percentage change in loss cost. Upon examination, the office ~~shall~~, in accordance with generally accepted and reasonable actuarial techniques, shall consider the rate factors in paragraphs (2)(b)-(d) and the standards in paragraph (2)(e) to determine if the rate is excessive, inadequate, or unfairly discriminatory.

5. In reviewing a rate, the office may require the insurer to provide, at the insurer's expense, all information necessary to evaluate the condition of the company and the reasonableness of the rate according to the applicable criteria described in this section.

(4) The establishment of any rate, rating classification, rating plan or schedule, or variation thereof in violation of part IX of chapter 626 is also in violation of this section. ~~In order to enhance the ability of consumers to compare premiums and to increase the accuracy and usefulness of rate-comparison information provided by the office to the public, the office shall develop a proposed standard rating territory plan to be used by all authorized property and casualty insurers for residential property insurance. In adopting the proposed plan, the office may consider geographical characteristics relevant to risk, county lines, major roadways, existing rating territories used by a significant segment of the market, and other relevant~~

factors. Such plan shall be submitted to the President of the Senate and the Speaker of the House of Representatives by January 15, 2006. The plan may not be implemented unless authorized by further act of the Legislature.

(5) With respect to a rate filing involving coverage of the type for which the insurer is required to pay a reimbursement premium to the Florida Hurricane Catastrophe Fund, the insurer may fully recoup in its property insurance premiums any reimbursement premiums paid to the Florida Hurricane Catastrophe fund, together with reasonable costs of other reinsurance; however, but except as otherwise provided in this section, the insurer may not recoup reinsurance costs that duplicate coverage provided by the Florida Hurricane Catastrophe fund. An insurer may not recoup more than 1 year of reimbursement premium at a time. Any under-recoupment from the prior year may be added to the following year's reimbursement premium, and any over-recoupment must ~~shall~~ be subtracted from the following year's reimbursement premium.

(6)(a) If an insurer requests an administrative hearing pursuant to s. 120.57 related to a rate filing under this section, the director of the Division of Administrative Hearings shall expedite the hearing and assign an administrative law judge who shall commence the hearing within 30 days after the receipt of the formal request and ~~shall~~ enter a recommended order within 30 days after the hearing or within 30 days after receipt of the hearing transcript by the administrative law judge, whichever is later. Each party shall have ~~be allowed~~ 10 days in which to submit written exceptions to the recommended order. The office shall enter a final order within 30 days after the entry of the recommended order. The provisions of this paragraph may be waived upon stipulation of all parties.

(b) Upon entry of a final order, the insurer may request a expedited appellate review pursuant to the Florida Rules of Appellate Procedure. It is the intent of the Legislature that the First District Court of Appeal grant an insurer's request for an expedited appellate review.

(7)(a) The provisions of this subsection apply only ~~with respect~~ to rates for medical malpractice insurance and ~~shall~~ control to the extent of any conflict with other provisions of this section.

(a)(b) Any portion of a judgment entered or settlement paid as a result of a statutory or common-law bad faith action and any portion of a judgment entered which awards punitive damages against an insurer may not be included in the insurer's rate base, and ~~shall not be used~~ to justify a rate or rate change. Any common-law bad faith action identified as such, any portion of a settlement entered as a result of a statutory or common-law action, or any portion of a settlement wherein an insurer agrees to pay specific punitive damages may not be used to justify a rate or rate change. The portion of the taxable costs and attorney's fees which is identified as being related to the bad faith and punitive damages ~~in these judgments and settlements~~ may not be included in the insurer's rate base and used ~~may not be utilized~~ to justify a rate or rate change.

(b)(e) Upon reviewing a rate filing and determining whether the rate is excessive, inadequate, or unfairly discriminatory, the office shall consider, in accordance with generally accepted and reasonable actuarial techniques, past and present prospective loss experience, either using loss experience solely for this state or giving greater credibility to this state's loss data after applying actuarially sound methods of assigning credibility to such data.

(c)(d) Rates shall be deemed excessive if, among other standards established by this section, the rate structure provides for replenishment of reserves or surpluses from premiums when the replenishment is attributable to investment losses.

(d)(e) The insurer must apply a discount or surcharge based on the health care provider's loss experience or shall establish an alternative method giving due consideration to the provider's loss experience. The insurer must include in the filing a copy of the surcharge or discount schedule or a description of the alternative method used, and must provide a copy of such schedule or description, as approved by the office, to policyholders at the time of renewal and to prospective policyholders at the time of application for coverage.

(e)(f) Each medical malpractice insurer must make a rate filing under this section, sworn to by at least two executive officers of the insurer, at least once each calendar year.

~~(8)(a)1. No later than 60 days after the effective date of medical malpractice legislation enacted during the 2003 Special Session D of the Florida Legislature, the office shall calculate a presumed factor that reflects the impact that the changes contained in such legislation will have on rates for medical malpractice insurance and shall issue a notice informing all insurers writing medical malpractice coverage of such presumed factor. In determining the presumed factor, the office shall use generally accepted actuarial techniques and standards provided in this section in determining the expected impact on losses, expenses, and investment income of the insurer. To the extent that the operation of a provision of medical malpractice legislation enacted during the 2003 Special Session D of the Florida Legislature is stayed pending a constitutional challenge, the impact of that provision shall not be included in the calculation of a presumed factor under this subparagraph.~~

~~2. No later than 60 days after the office issues its notice of the presumed rate change factor under subparagraph 1., each insurer writing medical malpractice coverage in this state shall submit to the office a rate filing for medical malpractice insurance, which will take effect no later than January 1, 2004, and apply retroactively to policies issued or renewed on or after the effective date of medical malpractice legislation enacted during the 2003 Special Session D of the Florida Legislature. Except as authorized under paragraph (b), the filing shall reflect an overall rate reduction at least as great as the presumed factor determined under subparagraph 1. With respect to policies issued on or after the effective date of such legislation and~~

prior to the effective date of the rate filing required by this subsection, the office shall order the insurer to make a refund of the amount that was charged in excess of the rate that is approved.

~~(b) Any insurer or rating organization that contends that the rate provided for in paragraph (a) is excessive, inadequate, or unfairly discriminatory shall separately state in its filing the rate it contends is appropriate and shall state with specificity the factors or data that it contends should be considered in order to produce such appropriate rate. The insurer or rating organization shall be permitted to use all of the generally accepted actuarial techniques provided in this section in making any filing pursuant to this subsection. The office shall review each such exception and approve or disapprove it prior to use. It shall be the insurer's burden to actuarially justify any deviations from the rates required to be filed under paragraph (a). The insurer making a filing under this paragraph shall include in the filing the expected impact of medical malpractice legislation enacted during the 2003 Special Session D of the Florida Legislature on losses, expenses, and rates.~~

~~(c) If any provision of medical malpractice legislation enacted during the 2003 Special Session D of the Florida Legislature is held invalid by a court of competent jurisdiction, the office shall permit an adjustment of all medical malpractice rates filed under this section to reflect the impact of such holding on such rates so as to ensure that the rates are not excessive, inadequate, or unfairly discriminatory.~~

~~(d) Rates approved on or before July 1, 2003, for medical malpractice insurance shall remain in effect until the effective date of a new rate filing approved under this subsection.~~

~~(e) The calculation and notice by the office of the presumed factor pursuant to paragraph (a) is not an order or rule that is subject to chapter 120. If the office enters into a contract with an independent consultant to assist the office in calculating the presumed factor, such contract shall not be subject to the competitive solicitation requirements of s. 287.057.~~

~~(8)(9)(a)~~ The chief executive officer or chief financial officer of a property insurer and the chief actuary of a property insurer must certify under oath and subject to the penalty of perjury, on a form approved by the commission, the following information, which must accompany a rate filing:

1. The signing officer and actuary have reviewed the rate filing;
2. Based on the signing officer's and actuary's knowledge, the rate filing does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in light of the circumstances under which such statements were made, not misleading;
3. Based on the signing officer's and actuary's knowledge, the information and other factors described in paragraph (2)(b), including, but not

limited to, investment income, fairly present in all material respects the basis of the rate filing for the periods presented in the filing; and

4. Based on the signing officer's and actuary's knowledge, the rate filing reflects all premium savings that are reasonably expected to result from legislative enactments and are in accordance with generally accepted and reasonable actuarial techniques.

(b) A signing officer or actuary who knowingly makes ~~making~~ a false certification under this subsection commits a violation of s. 626.9541(1)(e) and is subject to the penalties under s. 626.9521.

(c) Failure to provide such certification by the officer and actuary shall result in the rate filing being disapproved without prejudice to be refiled.

(d) The certification made pursuant to paragraph (a) is not rendered false if, after making the subject rate filing, the insurer provides the office with additional or supplementary information pursuant to a formal or informal request from the office. However, the actuary who is primarily responsible for preparing and submitting such information must certify the information in accordance with the certification required under paragraph (a) and the penalties in paragraph (b), except that the chief executive officer, chief financial officer, or chief actuary need not certify the additional or supplementary information.

~~(e)(d)~~ The commission may adopt rules and forms pursuant to ~~ss. 120.536(1) and 120.54~~ to administer this subsection.

~~(9)(10)~~ The burden is on the office to establish that rates are excessive for personal lines residential coverage with a dwelling replacement cost of \$1 million or more or for a single condominium unit with a combined dwelling and contents replacement cost of \$1 million or more. Upon request of the office, the insurer shall provide ~~to the office~~ such loss and expense information as the office reasonably needs to meet this burden.

~~(10)(11)~~ Any interest paid pursuant to s. 627.70131(5) may not be included in the insurer's rate base and may not be used to justify a rate or rate change.

Section 13. Paragraph (b) of subsection (3) of section 627.06281, Florida Statutes, is amended to read:

627.06281 Public hurricane loss projection model; reporting of data by insurers.—

(3)

(b) The fees charged for private sector access and use of the model shall be the reasonable costs associated with the operation and maintenance of the model by the office. Such fees do not apply to access and use of the model by the office. By January 1, 2009, The office shall establish by rule a fee schedule

for access to and the use of the model. The fee schedule must be reasonably calculated to cover only the actual costs of providing access to and the use of the model.

Section 14. Subsections (1) and (5) of section 627.0629, Florida Statutes, are amended to read:

627.0629 Residential property insurance; rate filings.—

(1)(a) It is the intent of the Legislature that insurers ~~must~~ provide savings to consumers who install or implement windstorm damage mitigation techniques, alterations, or solutions to their properties to prevent windstorm losses. A rate filing for residential property insurance must include actuarially reasonable discounts, credits, or other rate differentials, or appropriate reductions in deductibles, for properties on which fixtures or construction techniques demonstrated to reduce the amount of loss in a windstorm have been installed or implemented. The fixtures or construction techniques must shall include, but are not be limited to, fixtures or construction techniques that which enhance roof strength, roof covering performance, roof-to-wall strength, wall-to-floor-to-foundation strength, opening protection, and window, door, and skylight strength. Credits, discounts, or other rate differentials, or appropriate reductions in deductibles, for fixtures and construction techniques that which meet the minimum requirements of the Florida Building Code must be included in the rate filing. ~~All insurance companies must make a rate filing which includes the credits, discounts, or other rate differentials or reductions in deductibles by February 28, 2003. By July 1, 2007, the office shall reevaluate the discounts, credits, other rate differentials, and appropriate reductions in deductibles for fixtures and construction techniques that meet the minimum requirements of the Florida Building Code, based upon actual experience or any other loss relativity studies available to the office. The office shall determine the discounts, credits, other rate differentials, and appropriate reductions in deductibles that reflect the full actuarial value of such revaluation, which may be used by insurers in rate filings.~~

~~(b) By February 1, 2011, the Office of Insurance Regulation, in consultation with the Department of Financial Services and the Department of Community Affairs, shall develop and make publicly available a proposed method for insurers to establish discounts, credits, or other rate differentials for hurricane mitigation measures which directly correlate to the numerical rating assigned to a structure pursuant to the uniform home grading scale adopted by the Financial Services Commission pursuant to s. 215.55865, including any proposed changes to the uniform home grading scale. By October 1, 2011, the commission shall adopt rules requiring insurers to make rate filings for residential property insurance which revise insurers' discounts, credits, or other rate differentials for hurricane mitigation measures so that such rate differentials correlate directly to the uniform home grading scale. The rules may include such changes to the uniform home grading scale as the commission determines are necessary, and may specify the minimum required discounts, credits, or other rate differentials. Such~~

~~rate differentials must be consistent with generally accepted actuarial principles and wind-loss mitigation studies. The rules shall allow a period of at least 2 years after the effective date of the revised mitigation discounts, credits, or other rate differentials for a property owner to obtain an inspection or otherwise qualify for the revised credit, during which time the insurer shall continue to apply the mitigation credit that was applied immediately prior to the effective date of the revised credit. Discounts, credits, and other rate differentials established for rate filings under this paragraph shall supersede, after adoption, the discounts, credits, and other rate differentials included in rate filings under paragraph (a).~~

(5) ~~In order to provide an appropriate transition period, an insurer may, in its sole discretion, implement an approved rate filing for residential property insurance over a period of years. Such~~ An insurer electing to phase in its rate filing must provide an informational notice to the office setting out its schedule for implementation of the phased-in rate filing. ~~The~~ An insurer may include in its rate the actual cost of private market reinsurance that corresponds to available coverage of the Temporary Increase in Coverage Limits, TICL, from the Florida Hurricane Catastrophe Fund. The insurer may also include the cost of reinsurance to replace the TICL reduction implemented pursuant to s. 215.555(17)(d)9. However, this cost for reinsurance may not include any expense or profit load or result in a total annual base rate increase in excess of 10 percent.

Section 15. Paragraphs (a), (b), (c), (d), (n), (v), and (y) of subsection (6) of section 627.351, Florida Statutes, are amended to read:

627.351 Insurance risk apportionment plans.—

(6) CITIZENS PROPERTY INSURANCE CORPORATION.—

(a)1. ~~It is~~ The public purpose of this subsection is to ensure that there is the existence of an orderly market for property insurance for residents Floridians and Florida businesses of this state.

1. The Legislature finds that private insurers are unwilling or unable to provide affordable property insurance coverage in this state to the extent sought and needed. The absence of affordable property insurance threatens the public health, safety, and welfare and likewise threatens the economic health of the state. The state therefore has a compelling public interest and a public purpose to assist in assuring that property in the state is insured and that it is insured at affordable rates so as to facilitate the remediation, reconstruction, and replacement of damaged or destroyed property in order to reduce or avoid the negative effects otherwise resulting to the public health, safety, and welfare, to the economy of the state, and to the revenues of the state and local governments which are needed to provide for the public welfare. It is necessary, therefore, to provide affordable property insurance to applicants who are in good faith entitled to procure insurance through the voluntary market but are unable to do so. The Legislature intends, therefore, by this subsection that affordable property insurance be provided and that it

continue to be provided, as long as necessary, through Citizens Property Insurance Corporation, a government entity that is an integral part of the state, and that is not a private insurance company. To that end, the Citizens Property Insurance corporation shall strive to increase the availability of affordable property insurance in this state, while achieving efficiencies and economies, and while providing service to policyholders, applicants, and agents which is no less than the quality generally provided in the voluntary market, for the achievement of the foregoing public purposes. Because it is essential for this government entity to have the maximum financial resources to pay claims following a catastrophic hurricane, it is the intent of the Legislature that the Citizens Property Insurance corporation continue to be an integral part of the state and that the income of the corporation be exempt from federal income taxation and that interest on the debt obligations issued by the corporation be exempt from federal income taxation.

2. The Residential Property and Casualty Joint Underwriting Association originally created by this statute shall be known, ~~as of July 1, 2002,~~ as the Citizens Property Insurance Corporation. The corporation shall provide insurance for residential and commercial property, for applicants who are ~~in good faith~~ entitled, but, in good faith, are unable, to procure insurance through the voluntary market. The corporation shall operate pursuant to a plan of operation approved by order of the Financial Services Commission. The plan is subject to continuous review by the commission. The commission may, by order, withdraw approval of all or part of a plan if the commission determines that conditions have changed since approval was granted and that the purposes of the plan require changes in the plan. ~~The corporation shall continue to operate pursuant to the plan of operation approved by the Office of Insurance Regulation until October 1, 2006.~~ For the purposes of this subsection, residential coverage includes both personal lines residential coverage, which consists of the type of coverage provided by homeowner's, mobile home owner's, dwelling, tenant's, condominium unit owner's, and similar policies; and commercial lines residential coverage, which consists of the type of coverage provided by condominium association, apartment building, and similar policies.

3. Effective January 1, 2009, a personal lines residential structure that has a dwelling replacement cost of \$2 million or more, or a single condominium unit that has a combined dwelling and contents ~~content~~ replacement cost of \$2 million or more is not eligible for coverage by the corporation. Such dwellings insured by the corporation on December 31, 2008, may continue to be covered by the corporation until the end of the policy term. However, such dwellings ~~that are insured by the corporation and become ineligible for coverage due to the provisions of this subparagraph~~ may reapply and obtain coverage if the property owner provides the corporation with a sworn affidavit from one or more insurance agents, on a form provided by the corporation, stating that the agents have made their best efforts to obtain coverage and that the property has been rejected for coverage by at least one authorized insurer and at least three surplus lines

insurers. If such conditions are met, the dwelling may be insured by the corporation for up to 3 years, after which time the dwelling is ineligible for coverage. The office shall approve the method used by the corporation for valuing the dwelling replacement cost for the purposes of this subparagraph. If a policyholder is insured by the corporation prior to being determined to be ineligible pursuant to this subparagraph and such policyholder files a lawsuit challenging the determination, the policyholder may remain insured by the corporation until the conclusion of the litigation.

4. It is the intent of the Legislature that policyholders, applicants, and agents of the corporation receive service and treatment of the highest possible level but never less than that generally provided in the voluntary market. It is also intended that the corporation be held to service standards no less than those applied to insurers in the voluntary market by the office with respect to responsiveness, timeliness, customer courtesy, and overall dealings with policyholders, applicants, or agents of the corporation.

5. Effective January 1, 2009, a personal lines residential structure that is located in the “wind-borne debris region,” as defined in s. 1609.2, International Building Code (2006), and that has an insured value on the structure of \$750,000 or more is not eligible for coverage by the corporation unless the structure has opening protections as required under the Florida Building Code for a newly constructed residential structure in that area. A residential structure shall be deemed to comply with ~~the requirements of this subparagraph~~ if it has shutters or opening protections on all openings and if such opening protections complied with the Florida Building Code at the time they were installed.

6. For any claim filed under any policy of the corporation, a public adjuster may not charge, agree to, or accept any compensation, payment, commission, fee, or other thing of value greater than 10 percent of the additional amount actually paid over the amount that was originally offered by the corporation for any one claim.

(b)1. All insurers authorized to write one or more subject lines of business in this state are subject to assessment by the corporation and, for the purposes of this subsection, are referred to collectively as “assessable insurers.” Insurers writing one or more subject lines of business in this state pursuant to part VIII of chapter 626 are not assessable insurers, but insureds who procure one or more subject lines of business in this state pursuant to part VIII of chapter 626 are subject to assessment by the corporation and are referred to collectively as “assessable insureds.” An ~~authorized insurer’s assessment liability begins~~ shall begin on the first day of the calendar year following the year in which the insurer was issued a certificate of authority to transact insurance for subject lines of business in this state and ~~terminates shall terminate~~ 1 year after the end of the first calendar year during which the insurer no longer holds a certificate of authority to transact insurance for subject lines of business in this state.

2.a. All revenues, assets, liabilities, losses, and expenses of the corporation shall be divided into three separate accounts as follows:

(I) A personal lines account for personal residential policies issued by the corporation, or issued by the Residential Property and Casualty Joint Underwriting Association and renewed by the corporation, which provides ~~that provide~~ comprehensive, multiperil coverage on risks that are not located in areas eligible for coverage by ~~in~~ the Florida Windstorm Underwriting Association as those areas were defined on January 1, 2002, and for ~~such~~ policies that do not provide coverage for the peril of wind on risks that are located in such areas;

(II) A commercial lines account for commercial residential and commercial nonresidential policies issued by the corporation, or issued by the Residential Property and Casualty Joint Underwriting Association and renewed by the corporation, which provides ~~that provide~~ coverage for basic property perils on risks that are not located in areas eligible for coverage by ~~in~~ the Florida Windstorm Underwriting Association as those areas were defined on January 1, 2002, and for ~~such~~ policies that do not provide coverage for the peril of wind on risks that are located in such areas; and

(III) A coastal high-risk ~~high-risk~~ account for personal residential policies and commercial residential and commercial nonresidential property policies issued by the corporation, or transferred to the corporation, which provides ~~that provide~~ coverage for the peril of wind on risks that are located in areas eligible for coverage by ~~in~~ the Florida Windstorm Underwriting Association as those areas were defined on January 1, 2002. The corporation may offer policies that provide multiperil coverage and the corporation shall continue to offer policies that provide coverage only for the peril of wind for risks located in areas eligible for coverage in the coastal high-risk ~~high-risk~~ account. In issuing multiperil coverage, the corporation may use its approved policy forms and rates for the personal lines account. An applicant or insured who is eligible to purchase a multiperil policy from the corporation may purchase a multiperil policy from an authorized insurer without prejudice to the applicant's or insured's eligibility to prospectively purchase a policy that provides coverage only for the peril of wind from the corporation. An applicant or insured who is eligible for a corporation policy that provides coverage only for the peril of wind may elect to purchase or retain such policy and also purchase or retain coverage excluding wind from an authorized insurer without prejudice to the applicant's or insured's eligibility to prospectively purchase a policy that provides multiperil coverage from the corporation. It is the goal of the Legislature that there ~~would~~ be an overall average savings of 10 percent or more for a policyholder who currently has a wind-only policy with the corporation, and an ex-wind policy with a voluntary insurer or the corporation, and who ~~then~~ obtains a multiperil policy from the corporation. It is the intent of the Legislature that the offer of multiperil coverage in the coastal high-risk ~~high-risk~~ account be made and implemented in a manner that does not adversely affect the tax-exempt status of the corporation or creditworthiness of or security for currently outstanding financing obligations or credit facilities of the coastal high-risk ~~high-risk~~ account, the

personal lines account, or the commercial lines account. The coastal high-risk account must also include quota share primary insurance under subparagraph (c)2. The area eligible for coverage under the coastal high-risk account also includes the area within Port Canaveral, which is bordered on the south by the City of Cape Canaveral, bordered on the west by the Banana River, and bordered on the north by Federal Government property.

b. The three separate accounts must be maintained as long as financing obligations entered into by the Florida Windstorm Underwriting Association or Residential Property and Casualty Joint Underwriting Association are outstanding, in accordance with the terms of the corresponding financing documents. ~~If~~ When the financing obligations are no longer outstanding, ~~in accordance with the terms of the corresponding financing documents,~~ the corporation may use a single account for all revenues, assets, liabilities, losses, and expenses of the corporation. Consistent with ~~the requirement of~~ this subparagraph and prudent investment policies that minimize the cost of carrying debt, the board shall exercise its best efforts to retire existing debt or ~~to~~ obtain the approval of necessary parties to amend the terms of existing debt, so as to structure the most efficient plan to consolidate the three separate accounts into a single account.

c. Creditors of the Residential Property and Casualty Joint Underwriting Association and ~~of~~ the accounts specified in sub-sub-subparagraphs a.(I) and (II) may have a claim against, and recourse to, those ~~the~~ accounts referred to ~~in sub-sub-subparagraphs a.(I) and (II)~~ and shall have no claim against, or recourse to, the account referred to in sub-sub-subparagraph a.(III). Creditors of the Florida Windstorm Underwriting Association shall have a claim against, and recourse to, the account referred to in sub-sub-subparagraph a.(III) and ~~shall~~ have no claim against, or recourse to, the accounts referred to in sub-sub-subparagraphs a.(I) and (II).

d. Revenues, assets, liabilities, losses, and expenses not attributable to particular accounts shall be prorated among the accounts.

e. The Legislature finds that the revenues of the corporation are revenues that are necessary to meet the requirements set forth in documents authorizing the issuance of bonds under this subsection.

f. No part of the income of the corporation may inure to the benefit of any private person.

3. With respect to a deficit in an account:

a. After accounting for the Citizens policyholder surcharge imposed under sub-subparagraph h, ~~i~~, if ~~when~~ the remaining projected deficit incurred in a particular calendar year:

(I) Is not greater than 6 percent of the aggregate statewide direct written premium for the subject lines of business for the prior calendar year, the

entire deficit shall be recovered through regular assessments of assessable insurers under paragraph (q) and assessable insureds.

~~(II)b.~~ After accounting for the Citizens policyholder surcharge imposed under sub-subparagraph i., when the remaining projected deficit incurred in a particular calendar year Exceeds 6 percent of the aggregate statewide direct written premium for the subject lines of business for the prior calendar year, the corporation shall levy regular assessments on assessable insurers under paragraph (q) and on assessable insureds in an amount equal to the greater of 6 percent of the deficit or 6 percent of the aggregate statewide direct written premium for the subject lines of business for the prior calendar year. Any remaining deficit shall be recovered through emergency assessments under sub-subparagraph c. d.

b.e. Each assessable insurer's share of the amount being assessed under sub-subparagraph a. ~~must~~ ~~or sub-subparagraph b.~~ shall be in the proportion that the assessable insurer's direct written premium for the subject lines of business for the year preceding the assessment bears to the aggregate statewide direct written premium for the subject lines of business for that year. The assessment percentage applicable to each assessable insured is the ratio of the amount being assessed under sub-subparagraph a. ~~or sub-subparagraph b.~~ to the aggregate statewide direct written premium for the subject lines of business for the prior year. Assessments levied by the corporation on assessable insurers under sub-subparagraph a. ~~must~~ ~~sub-subparagraphs a. and b.~~ shall be paid as required by the corporation's plan of operation and paragraph (q). Assessments levied by the corporation on assessable insureds under sub-subparagraph a. ~~sub-subparagraphs a. and b.~~ shall be collected by the surplus lines agent at the time the surplus lines agent collects the surplus lines tax required by s. 626.932, and shall be paid to the Florida Surplus Lines Service Office at the time the surplus lines agent pays the surplus lines tax to ~~that the Florida Surplus Lines Service office.~~ Upon receipt of regular assessments from surplus lines agents, the Florida Surplus Lines Service Office shall transfer the assessments directly to the corporation as determined by the corporation.

c.d. Upon a determination by the board of governors that a deficit in an account exceeds the amount that will be recovered through regular assessments under sub-subparagraph a. ~~or sub-subparagraph b.~~, plus the amount that is expected to be recovered through surcharges under sub-subparagraph h. i., ~~as to the remaining projected deficit the board shall levy,~~ after verification by the office, ~~shall levy~~ emergency assessments, for as many years as necessary to cover the deficits, to be collected by assessable insurers and the corporation and collected from assessable insureds upon issuance or renewal of policies for subject lines of business, excluding National Flood Insurance policies. The amount of ~~the emergency assessment~~ collected in a particular year must ~~shall~~ be a uniform percentage of that year's direct written premium for subject lines of business and all accounts of the corporation, excluding National Flood Insurance Program policy premiums, as annually determined by the board and verified by the office. The office shall verify the arithmetic calculations involved in the board's determination

within 30 days after receipt of the information on which the determination was based. Notwithstanding any other provision of law, the corporation and each assessable insurer that writes subject lines of business shall collect emergency assessments from its policyholders without such obligation being affected by any credit, limitation, exemption, or deferment. Emergency assessments levied by the corporation on assessable insureds shall be collected by the surplus lines agent at the time the surplus lines agent collects the surplus lines tax required by s. 626.932 and ~~shall be paid to the Florida Surplus Lines Service Office at the time the surplus lines agent pays the surplus lines tax to~~ that the Florida Surplus Lines Service office. The emergency assessments ~~so~~ collected shall be transferred directly to the corporation on a periodic basis as determined by the corporation and ~~shall be held by the corporation solely in the applicable account~~. The aggregate amount of emergency assessments levied for an account under this sub-subparagraph in any calendar year may, ~~at the discretion of the board of governors,~~ be less than but may not exceed the greater of 10 percent of the amount needed to cover the deficit, plus interest, fees, commissions, required reserves, and other costs associated with financing of the original deficit, or 10 percent of the aggregate statewide direct written premium for subject lines of business and ~~for~~ all accounts of the corporation for the prior year, plus interest, fees, commissions, required reserves, and other costs associated with financing the deficit.

d.e. The corporation may pledge the proceeds of assessments, projected recoveries from the Florida Hurricane Catastrophe Fund, other insurance and reinsurance recoverables, policyholder surcharges and other surcharges, and other funds available to the corporation as the source of revenue for and to secure bonds issued under paragraph (q), bonds or other indebtedness issued under subparagraph (c)3., or lines of credit or other financing mechanisms issued or created under this subsection, or to retire any other debt incurred as a result of deficits or events giving rise to deficits, or in any other way that the board determines will efficiently recover such deficits. The purpose of the lines of credit or other financing mechanisms is to provide additional resources to assist the corporation in covering claims and expenses attributable to a catastrophe. As used in this subsection, the term “assessments” includes regular assessments under sub-subparagraph a., ~~sub-subparagraph b.,~~ or subparagraph (q)1. and emergency assessments under sub-subparagraph d. Emergency assessments collected under sub-subparagraph d. are not part of an insurer’s rates, are not premium, and are not subject to premium tax, fees, or commissions; however, failure to pay the emergency assessment shall be treated as failure to pay premium. The emergency assessments under sub-subparagraph c. d. shall continue as long as any bonds issued or other indebtedness incurred with respect to a deficit for which the assessment was imposed remain outstanding, unless adequate provision has been made for the payment of such bonds or other indebtedness pursuant to the documents governing such bonds or ~~other~~ indebtedness.

e.f. As used in this subsection for purposes of any deficit incurred on or after January 25, 2007, the term “subject lines of business” means insurance

written by assessable insurers or procured by assessable insureds for all property and casualty lines of business in this state, but not including workers' compensation or medical malpractice. As used in this the sub-subparagraph, the term "property and casualty lines of business" includes all lines of business identified on Form 2, Exhibit of Premiums and Losses, in the annual statement required of authorized insurers under by s. 624.424 and any rule adopted under this section, except for those lines identified as accident and health insurance and except for policies written under the National Flood Insurance Program or the Federal Crop Insurance Program. For purposes of this sub-subparagraph, the term "workers' compensation" includes both workers' compensation insurance and excess workers' compensation insurance.

f.g. The Florida Surplus Lines Service Office shall determine annually the aggregate statewide written premium in subject lines of business procured by assessable insureds and ~~shall~~ report that information to the corporation in a form and at a time the corporation specifies to ensure that the corporation can meet the requirements of this subsection and the corporation's financing obligations.

g.h. The Florida Surplus Lines Service Office shall verify the proper application by surplus lines agents of assessment percentages for regular assessments and emergency assessments levied under this subparagraph on assessable insureds and ~~shall~~ assist the corporation in ensuring the accurate, timely collection and payment of assessments by surplus lines agents as required by the corporation.

h.i. If a deficit is incurred in any account in 2008 or thereafter, the board of governors shall levy a Citizens policyholder surcharge against all policyholders of the corporation, ~~for a 12-month period, which~~

(I) The surcharge shall be levied collected at the time of issuance or renewal of a policy, as a uniform percentage of the premium for the policy of up to 15 percent of such premium, which funds shall be used to offset the deficit.

(II) The surcharge is payable upon cancellation or termination of the policy, upon renewal of the policy, or upon issuance of a new policy by the corporation within the first 12 months after the date of the levy or the period of time necessary to fully collect the surcharge amount.

(III) The corporation may not levy any regular assessments under paragraph (q) pursuant to sub-subparagraph a. or sub-subparagraph b. with respect to a particular year's deficit until the corporation has first levied the full amount of the surcharge authorized by this sub-subparagraph.

(IV) The surcharge is Citizens policyholder surcharges under this sub-subparagraph ~~are not considered premium and is~~ are not subject to commissions, fees, or premium taxes. However, failure to pay the surcharge such surcharges shall be treated as failure to pay premium.

~~1.j.~~ If the amount of any assessments or surcharges collected from corporation policyholders, assessable insurers or their policyholders, or assessable insureds exceeds the amount of the deficits, such excess amounts shall be remitted to and retained by the corporation in a reserve to be used by the corporation, as determined by the board of governors and approved by the office, to pay claims or reduce any past, present, or future plan-year deficits or to reduce outstanding debt.

(c) ~~The corporation's plan of operation of the corporation:~~

1. Must provide for adoption of residential property and casualty insurance policy forms and commercial residential and nonresidential property insurance forms, which ~~forms~~ must be approved by the office before ~~prior to~~ use. The corporation shall adopt the following policy forms:

a. Standard personal lines policy forms that are comprehensive multi-peril policies providing full coverage of a residential property equivalent to the coverage provided in the private insurance market under an HO-3, HO-4, or HO-6 policy.

b. Basic personal lines policy forms that are policies similar to an HO-8 policy or a dwelling fire policy that provide coverage meeting the requirements of the secondary mortgage market, but which ~~coverage~~ is more limited than the coverage under a standard policy.

c. Commercial lines residential and nonresidential policy forms that are generally similar to the basic perils of full coverage obtainable for commercial residential structures and commercial nonresidential structures in the admitted voluntary market.

d. Personal lines and commercial lines residential property insurance forms that cover the peril of wind only. The forms are applicable only to residential properties located in areas eligible for coverage under the coastal high-risk ~~high-risk~~ account referred to in sub-subparagraph (b)2.a.

e. Commercial lines nonresidential property insurance forms that cover the peril of wind only. The forms are applicable only to nonresidential properties located in areas eligible for coverage under the coastal high-risk ~~high-risk~~ account referred to in sub-subparagraph (b)2.a.

f. The corporation may adopt variations of the policy forms listed in sub-subparagraphs a.-e. which ~~that~~ contain more restrictive coverage.

~~2.a.~~ Must provide that the corporation adopt a program in which the corporation and authorized insurers enter into quota share primary insurance agreements for hurricane coverage, as defined in s. 627.4025(2)(a), for eligible risks, and adopt property insurance forms for eligible risks which cover the peril of wind only.

a. As used in this subsection, the term:

(I) “Quota share primary insurance” means an arrangement in which the primary hurricane coverage of an eligible risk is provided in specified percentages by the corporation and an authorized insurer. The corporation and authorized insurer are each solely responsible for a specified percentage of hurricane coverage of an eligible risk as set forth in a quota share primary insurance agreement between the corporation and an authorized insurer and the insurance contract. The responsibility of the corporation or authorized insurer to pay its specified percentage of hurricane losses of an eligible risk, as set forth in the ~~quota share primary insurance~~ agreement, may not be altered by the inability of the other party to the agreement to pay its specified percentage of hurricane losses. Eligible risks that are provided hurricane coverage through a quota share primary insurance arrangement must be provided policy forms that set forth the obligations of the corporation and authorized insurer under the arrangement, clearly specify the percentages of quota share primary insurance provided by the corporation and authorized insurer, and conspicuously and clearly state that ~~neither the authorized insurer and nor the corporation may not~~ be held responsible beyond their its specified percentage of coverage of hurricane losses.

(II) “Eligible risks” means personal lines residential and commercial lines residential risks that meet the underwriting criteria of the corporation and are located in areas that were eligible for coverage by the Florida Windstorm Underwriting Association on January 1, 2002.

b. The corporation may enter into quota share primary insurance agreements with authorized insurers at corporation coverage levels of 90 percent and 50 percent.

c. If the corporation determines that additional coverage levels are necessary to maximize participation in quota share primary insurance agreements by authorized insurers, the corporation may establish additional coverage levels. However, the corporation’s quota share primary insurance coverage level may not exceed 90 percent.

d. Any quota share primary insurance agreement entered into between an authorized insurer and the corporation must provide for a uniform specified percentage of coverage of hurricane losses, by county or territory as set forth by the corporation board, for all eligible risks of the authorized insurer covered under the ~~quota share primary insurance~~ agreement.

e. Any quota share primary insurance agreement entered into between an authorized insurer and the corporation is subject to review and approval by the office. However, such agreement shall be authorized only as to insurance contracts entered into between an authorized insurer and an insured who is already insured by the corporation for wind coverage.

f. For all eligible risks covered under quota share primary insurance agreements, the exposure and coverage levels for both the corporation and authorized insurers shall be reported by the corporation to the Florida Hurricane Catastrophe Fund. For all policies of eligible risks covered under

~~such quota share primary insurance~~ agreements, the corporation and the authorized insurer must ~~shall~~ maintain complete and accurate records for the purpose of exposure and loss reimbursement audits as required by Florida Hurricane Catastrophe fund rules. The corporation and the authorized insurer shall each maintain duplicate copies of policy declaration pages and supporting claims documents.

g. The corporation board shall establish in its plan of operation standards for quota share agreements which ensure that there is no discriminatory application among insurers as to the terms of ~~the quota share~~ agreements, pricing of ~~the quota share~~ agreements, incentive provisions if any, and consideration paid for servicing policies or adjusting claims.

h. The quota share primary insurance agreement between the corporation and an authorized insurer must set forth the specific terms under which coverage is provided, including, but not limited to, the sale and servicing of policies issued under the agreement by the insurance agent of the authorized insurer producing the business, the reporting of information concerning eligible risks, the payment of premium to the corporation, and arrangements for the adjustment and payment of hurricane claims incurred on eligible risks by the claims adjuster and personnel of the authorized insurer. Entering into a quota sharing insurance agreement between the corporation and an authorized insurer is ~~shall be~~ voluntary and at the discretion of the authorized insurer.

3.a. May provide that the corporation may employ or otherwise contract with individuals or other entities to provide administrative or professional services that may be appropriate to effectuate the plan. The corporation may ~~shall have the power to~~ borrow funds, by issuing bonds or by incurring other indebtedness, and shall have other powers reasonably necessary to effectuate the requirements of this subsection, including, without limitation, the power to issue bonds and incur other indebtedness in order to refinance outstanding bonds or other indebtedness. The corporation may, ~~but is not required to~~, seek judicial validation of its bonds or other indebtedness under chapter 75. The corporation may issue bonds or incur other indebtedness, or have bonds issued on its behalf by a unit of local government pursuant to subparagraph (q)2., in the absence of a hurricane or other weather-related event, upon a determination by the corporation, subject to approval by the office, that such action would enable it to efficiently meet the financial obligations of the corporation and that such financings are reasonably necessary to effectuate the requirements of this subsection. The corporation may ~~is authorized to~~ take all actions needed to facilitate tax-free status for ~~any~~ such bonds or indebtedness, including formation of trusts or other affiliated entities. The corporation may ~~shall have the authority to~~ pledge assessments, projected recoveries from the Florida Hurricane Catastrophe Fund, other reinsurance recoverables, market equalization and other surcharges, and other funds available to the corporation as security for bonds or other indebtedness. In recognition of s. 10, Art. I of the State Constitution, prohibiting the impairment of obligations of contracts, it is the intent of the Legislature that no action be taken whose purpose is to impair

any bond indenture or financing agreement or any revenue source committed by contract to such bond or other indebtedness.

b. To ensure that the corporation is operating in an efficient and economic manner while providing quality service to policyholders, applicants, and agents, the board shall commission an independent third-party consultant having expertise in insurance company management or insurance company management consulting to prepare a report and make recommendations on the relative costs and benefits of outsourcing various policy issuance and service functions to private servicing carriers or entities performing similar functions in the private market for a fee, rather than performing such functions in house. In making such recommendations, the consultant shall consider how other residual markets, both in this state and around the country, outsource appropriate functions or use servicing carriers to better match expenses with revenues that fluctuate based on a widely varying policy count. The report must be completed by July 1, 2012. Upon receiving the report, the board shall develop a plan to implement the report and submit the plan for review, modification, and approval to the Financial Services Commission. Upon the commission's approval of the plan, the board shall begin implementing the plan by January 1, 2013.

4.a. Must require that the corporation operate subject to the supervision and approval of a board of governors consisting of eight individuals who are residents of this state, from different geographical areas of this state.

a. The Governor, the Chief Financial Officer, the President of the Senate, and the Speaker of the House of Representatives shall each appoint two members of the board. At least one of the two members appointed by each appointing officer must have demonstrated expertise in insurance, and is deemed to be within the scope of the exemption provided in s. 112.313(7)(b). The Chief Financial Officer shall designate one of the appointees as chair. All board members serve at the pleasure of the appointing officer. All members of the board of governors are subject to removal at will by the officers who appointed them. All board members, including the chair, must be appointed to serve for 3-year terms beginning annually on a date designated by the plan. However, for the first term beginning on or after July 1, 2009, each appointing officer shall appoint one member of the board for a 2-year term and one member for a 3-year term. ~~A~~ Any board vacancy shall be filled for the unexpired term by the appointing officer. The Chief Financial Officer shall appoint a technical advisory group to provide information and advice to the board of governors in connection with the board's duties under this subsection. The executive director and senior managers of the corporation shall be engaged by the board and serve at the pleasure of the board. Any executive director appointed on or after July 1, 2006, is subject to confirmation by the Senate. The executive director is responsible for employing other staff as the corporation may require, subject to review and concurrence by the board.

b. The board shall create a Market Accountability Advisory Committee to assist the corporation in developing awareness of its rates and its customer

and agent service levels in relationship to the voluntary market insurers writing similar coverage.

(I) The members of the advisory committee shall consist of the following 11 persons, one of whom must be elected chair by the members of the committee: four representatives, one appointed by the Florida Association of Insurance Agents, one by the Florida Association of Insurance and Financial Advisors, one by the Professional Insurance Agents of Florida, and one by the Latin American Association of Insurance Agencies; three representatives appointed by the insurers with the three highest voluntary market share of residential property insurance business in the state; one representative from the Office of Insurance Regulation; one consumer appointed by the board who is insured by the corporation at the time of appointment to the committee; one representative appointed by the Florida Association of Realtors; and one representative appointed by the Florida Bankers Association. All members shall be appointed to ~~must serve for~~ 3-year terms and may serve for consecutive terms.

(II) The committee shall report to the corporation at each board meeting on insurance market issues which may include rates and rate competition with the voluntary market; service, including policy issuance, claims processing, and general responsiveness to policyholders, applicants, and agents; and matters relating to depopulation.

5. Must provide a procedure for determining the eligibility of a risk for coverage, as follows:

a. Subject to ~~the provisions of s. 627.3517,~~ with respect to personal lines residential risks, if the risk is offered coverage from an authorized insurer at the insurer's approved rate under either a standard policy including wind coverage or, if consistent with the insurer's underwriting rules as filed with the office, a basic policy including wind coverage, for a new application to the corporation for coverage, the risk is not eligible for any policy issued by the corporation unless the premium for coverage from the authorized insurer is more than 15 percent greater than the premium for comparable coverage from the corporation. If the risk is not able to obtain ~~any~~ such offer, the risk is eligible for ~~either~~ a standard policy including wind coverage or a basic policy including wind coverage issued by the corporation; however, if the risk could not be insured under a standard policy including wind coverage regardless of market conditions, the risk is ~~shall be~~ eligible for a basic policy including wind coverage unless rejected under subparagraph 8. However, ~~with regard to~~ a policyholder of the corporation or a policyholder removed from the corporation through an assumption agreement until the end of the assumption period, ~~the policyholder~~ remains eligible for coverage from the corporation regardless of any offer of coverage from an authorized insurer or surplus lines insurer. The corporation shall determine the type of policy to be provided on the basis of objective standards specified in the underwriting manual and based on generally accepted underwriting practices.

(I) If the risk accepts an offer of coverage through the market assistance plan or ~~an offer of coverage~~ through a mechanism established by the corporation before a policy is issued to the risk by the corporation or during the first 30 days of coverage by the corporation, and the producing agent who submitted the application to the plan or to the corporation is not currently appointed by the insurer, the insurer shall:

(A) Pay to the producing agent of record of the policy, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record of the policy to continue servicing the policy for at least a period of not less than 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

(II) ~~If~~ When the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(A) Pay to the producing agent of record ~~of the corporation policy~~, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record ~~of the corporation policy~~ to continue servicing the policy for at least a period of not less than 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

b. With respect to commercial lines residential risks, for a new application to the corporation for coverage, if the risk is offered coverage under a policy including wind coverage from an authorized insurer at its approved rate, the risk is not eligible for a ~~any~~ policy issued by the corporation unless the premium for coverage from the authorized insurer is more than 15 percent greater than the premium for comparable coverage from the corporation. If the risk is not able to obtain any such offer, the risk is eligible for a policy including wind coverage issued by the corporation. However, ~~with regard to~~ a policyholder of the corporation or a policyholder removed from the corporation through an assumption agreement until the

end of the assumption period, ~~the policyholder~~ remains eligible for coverage from the corporation regardless of an ~~any~~ offer of coverage from an authorized insurer or surplus lines insurer.

(I) If the risk accepts an offer of coverage through the market assistance plan or ~~an offer of coverage~~ through a mechanism established by the corporation before a policy is issued to the risk by the corporation or during the first 30 days of coverage by the corporation, and the producing agent who submitted the application to the plan or the corporation is not currently appointed by the insurer, the insurer shall:

(A) Pay to the producing agent of record of the policy, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record of the policy to continue servicing the policy for at least a period of not less than 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

(II) ~~If When~~ the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(A) Pay to the producing agent of record ~~of the corporation~~ policy, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record ~~of the corporation~~ policy to continue servicing the policy for at least a period of not less than 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

c. For purposes of determining comparable coverage under sub-subparagraphs a. and b., the comparison must shall be based on those forms and coverages that are reasonably comparable. The corporation may rely on a determination of comparable coverage and premium made by the producing agent who submits the application to the corporation, made in the agent's capacity as the corporation's agent. A comparison may be made solely of the premium with respect to the main building or structure only on the following

basis: the same coverage A or other building limits; the same percentage hurricane deductible that applies on an annual basis or that applies to each hurricane for commercial residential property; the same percentage of ordinance and law coverage, if the same limit is offered by both the corporation and the authorized insurer; the same mitigation credits, to the extent the same types of credits are offered both by the corporation and the authorized insurer; the same method for loss payment, such as replacement cost or actual cash value, if the same method is offered both by the corporation and the authorized insurer in accordance with underwriting rules; and any other form or coverage that is reasonably comparable as determined by the board. If an application is submitted to the corporation for wind-only coverage in the coastal high-risk account, the premium for the corporation's wind-only policy plus the premium for the ex-wind policy that is offered by an authorized insurer to the applicant must ~~shall~~ be compared to the premium for multiperil coverage offered by an authorized insurer, subject to the standards for comparison specified in this subparagraph. If the corporation or the applicant requests from the authorized insurer a breakdown of the premium of the offer by types of coverage so that a comparison may be made by the corporation or its agent and the authorized insurer refuses or is unable to provide such information, the corporation may treat the offer as not being an offer of coverage from an authorized insurer at the insurer's approved rate.

6. Must include rules for classifications of risks and rates ~~therefor~~.

7. Must provide that if premium and investment income for an account attributable to a particular calendar year are in excess of projected losses and expenses for the account attributable to that year, such excess shall be held in surplus in the account. Such surplus must ~~shall~~ be available to defray deficits in that account as to future years and ~~shall be used for that purpose before~~ ~~prior to~~ assessing assessable insurers and assessable insureds as to any calendar year.

8. Must provide objective criteria and procedures to be uniformly applied ~~to~~ ~~for~~ all applicants in determining whether an individual risk is so hazardous as to be uninsurable. In making this determination and in establishing the criteria and procedures, the following must ~~shall~~ be considered:

a. Whether the likelihood of a loss for the individual risk is substantially higher than for other risks of the same class; and

b. Whether the uncertainty associated with the individual risk is such that an appropriate premium cannot be determined.

The acceptance or rejection of a risk by the corporation shall be construed as the private placement of insurance, and the provisions of chapter 120 do ~~shall~~ not apply.

9. Must provide that the corporation shall make its best efforts to procure catastrophe reinsurance at reasonable rates, to cover its projected 100-year probable maximum loss as determined by the board of governors.

10. The policies issued by the corporation must provide that, if the corporation or the market assistance plan obtains an offer from an authorized insurer to cover the risk at its approved rates, the risk is no longer eligible for renewal through the corporation, except as otherwise provided in this subsection.

11. Corporation policies and applications must include a notice that the corporation policy could, under this section, be replaced with a policy issued by an authorized insurer which ~~that~~ does not provide coverage identical to the coverage provided by the corporation. The notice must ~~shall~~ also specify that acceptance of corporation coverage creates a conclusive presumption that the applicant or policyholder is aware of this potential.

12. ~~May~~ establish, subject to approval by the office, different eligibility requirements and operational procedures for any line or type of coverage for any specified county or area if the board determines that such changes ~~to the eligibility requirements and operational procedures~~ are justified due to the voluntary market being sufficiently stable and competitive in such area or for such line or type of coverage and that consumers who, in good faith, are unable to obtain insurance through the voluntary market through ordinary methods ~~would~~ continue to have access to coverage from the corporation. ~~If~~ ~~When~~ coverage is sought in connection with a real property transfer, ~~the such~~ requirements and procedures may ~~shall~~ not provide for an effective date of coverage later than the date of the closing of the transfer as established by the transferor, the transferee, and, if applicable, the lender.

13. Must provide that, with respect to the coastal high-risk ~~high-risk~~ account, any assessable insurer with a surplus as to policyholders of \$25 million or less writing 25 percent or more of its total countrywide property insurance premiums in this state may petition the office, within the first 90 days of each calendar year, to qualify as a limited apportionment company. A regular assessment levied by the corporation on a limited apportionment company for a deficit incurred by the corporation for the coastal high-risk ~~high-risk~~ account ~~in 2006 or thereafter~~ may be paid to the corporation on a monthly basis as the assessments are collected by the limited apportionment company from its insureds pursuant to s. 627.3512, but the regular assessment must be paid in full within 12 months after being levied by the corporation. A limited apportionment company shall collect from its policyholders any emergency assessment imposed under sub-subparagraph (b)3.d. The plan must ~~shall~~ provide that, if the office determines that any regular assessment will result in an impairment of the surplus of a limited apportionment company, the office may direct that all or part of such assessment be deferred as provided in subparagraph (q)4. However, ~~there shall be no limitation or deferment of~~ an emergency assessment to be collected from policyholders under sub-subparagraph (b)3.d. may not be limited or deferred.

14. Must provide that the corporation appoint as its licensed agents only those agents who also hold an appointment as defined in s. 626.015(3) with an insurer who at the time of the agent's initial appointment by the corporation is authorized to write and is actually writing personal lines residential property coverage, commercial residential property coverage, or commercial nonresidential property coverage within the state.

15. Must provide, ~~by July 1, 2007,~~ a premium payment plan option to its policyholders which, ~~allows at a minimum, allows~~ for quarterly and semiannual payment of premiums. A monthly payment plan may, but is not required to, be offered.

16. Must limit coverage on mobile homes or manufactured homes built ~~before~~ ~~prior to~~ 1994 to actual cash value of the dwelling rather than replacement costs of the dwelling.

17. May provide such limits of coverage as the board determines, consistent with the requirements of this subsection.

18. May require commercial property to meet specified hurricane mitigation construction features as a condition of eligibility for coverage.

19. Must provide that new or renewal policies issued by the corporation on or after January 1, 2012, which cover sinkhole loss do not include coverage for any loss to appurtenant structures, driveways, sidewalks, decks, or patios that are directly or indirectly caused by sinkhole activity. The corporation shall exclude such coverage using a notice of coverage change, which may be included with the policy renewal, and not by issuance of a notice of nonrenewal of the excluded coverage upon renewal of the current policy.

20. As of January 1, 2012, must require that the agent obtain from an applicant for coverage from the corporation an acknowledgement signed by the applicant, which includes, at a minimum, the following statement:

ACKNOWLEDGEMENT OF POTENTIAL SURCHARGE
AND ASSESSMENT LIABILITY:

1. AS A POLICYHOLDER OF CITIZENS PROPERTY INSURANCE CORPORATION, I UNDERSTAND THAT IF THE CORPORATION SUSTAINS A DEFICIT AS A RESULT OF HURRICANE LOSSES OR FOR ANY OTHER REASON, MY POLICY COULD BE SUBJECT TO SURCHARGES, WHICH WILL BE DUE AND PAYABLE UPON RENEWAL, CANCELLATION, OR TERMINATION OF THE POLICY, AND THAT THE SURCHARGES COULD BE AS HIGH AS 45 PERCENT OF MY PREMIUM, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.

2. I ALSO UNDERSTAND THAT I MAY BE SUBJECT TO EMERGENCY ASSESSMENTS TO THE SAME EXTENT AS POLICYHOLDERS OF OTHER INSURANCE COMPANIES, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.

3. I ALSO UNDERSTAND THAT CITIZENS PROPERTY INSURANCE CORPORATION IS NOT SUPPORTED BY THE FULL FAITH AND CREDIT OF THE STATE OF FLORIDA.

a. The corporation shall maintain, in electronic format or otherwise, a copy of the applicant's signed acknowledgement and provide a copy of the statement to the policyholder as part of the first renewal after the effective date of this subparagraph.

b. The signed acknowledgement form creates a conclusive presumption that the policyholder understood and accepted his or her potential surcharge and assessment liability as a policyholder of the corporation.

(d)1. All prospective employees for senior management positions, as defined by the plan of operation, are subject to background checks as a prerequisite for employment. The office shall conduct the background checks ~~on such prospective employees pursuant to ss. 624.34, 624.404(3), and 628.261.~~

2. On or before July 1 of each year, employees of the corporation must ~~are required to~~ sign and submit a statement attesting that they do not have a conflict of interest, as defined in part III of chapter 112. As a condition of employment, all prospective employees must ~~are required to~~ sign and submit to the corporation a conflict-of-interest statement.

3. Senior managers and members of the board of governors are subject to ~~the provisions of~~ part III of chapter 112, including, but not limited to, the code of ethics and public disclosure and reporting of financial interests, pursuant to s. 112.3145. Notwithstanding s. 112.3143(2), a board member may not vote on any measure that would inure to his or her special private gain or loss; that he or she knows would inure to the special private gain or loss of any principal by whom he or she is retained or to the parent organization or subsidiary of a corporate principal by which he or she is retained, other than an agency as defined in s. 112.312; or that he or she knows would inure to the special private gain or loss of a relative or business associate of the public officer. Before the vote is taken, such member shall publicly state to the assembly the nature of his or her interest in the matter from which he or she is abstaining from voting and, within 15 days after the vote occurs, disclose the nature of his or her interest as a public record in a memorandum filed with the person responsible for recording the minutes of the meeting, who shall incorporate the memorandum in the minutes. Senior managers and board members are also required to file such disclosures with the Commission on Ethics and the Office of Insurance Regulation. The executive director of the corporation or his or her designee shall notify each existing and ~~newly appointed and existing appointed~~ member of the board of governors and senior managers of their duty to comply with the reporting requirements of part III of chapter 112. At least quarterly, the executive director or his or her designee shall submit to the Commission on Ethics a list of names of the

senior managers and members of the board of governors who are subject to the public disclosure requirements under s. 112.3145.

4. Notwithstanding s. 112.3148 or s. 112.3149, or any other provision of law, an employee or board member may not knowingly accept, directly or indirectly, any gift or expenditure from a person or entity, or an employee or representative of such person or entity, which ~~that~~ has a contractual relationship with the corporation or who is under consideration for a contract. An employee or board member who fails to comply with subparagraph 3. or this subparagraph is subject to penalties provided under ss. 112.317 and 112.3173.

5. Any senior manager of the corporation who is employed on or after January 1, 2007, regardless of the date of hire, who subsequently retires or terminates employment is prohibited from representing another person or entity before the corporation for 2 years after retirement or termination of employment from the corporation.

6. Any senior manager of the corporation who is employed on or after January 1, 2007, regardless of the date of hire, who subsequently retires or terminates employment is prohibited from having any employment or contractual relationship for 2 years with an insurer that has entered into a take-out bonus agreement with the corporation.

(n)1. Rates for coverage provided by the corporation ~~must~~ shall be actuarially sound and subject to ~~the requirements of s. 627.062~~, except as otherwise provided in this paragraph. The corporation shall file its recommended rates with the office at least annually. The corporation shall provide any additional information regarding the rates which the office requires. The office shall consider the recommendations of the board and issue a final order establishing the rates for the corporation within 45 days after the recommended rates are filed. The corporation may not pursue an administrative challenge or judicial review of the final order of the office.

2. In addition to the rates otherwise determined pursuant to this paragraph, the corporation shall impose and collect an amount equal to the premium tax provided ~~for~~ in s. 624.509 to augment the financial resources of the corporation.

3. After the public hurricane loss-projection model under s. 627.06281 has been found to be accurate and reliable by the Florida Commission on Hurricane Loss Projection Methodology, ~~the~~ that model shall serve as the minimum benchmark for determining the windstorm portion of the corporation's rates. This subparagraph does not require or allow the corporation to adopt rates lower than the rates otherwise required or allowed by this paragraph.

4. The rate filings for the corporation which were approved by the office and ~~which~~ took effect January 1, 2007, are rescinded, except for those rates that were lowered. As soon as possible, the corporation shall begin using the

lower rates that were in effect on December 31, 2006, and shall provide refunds to policyholders who have paid higher rates as a result of that rate filing. The rates in effect on December 31, 2006, shall remain in effect for the 2007 and 2008 calendar years except for any rate change that results in a lower rate. The next rate change that may increase rates shall take effect pursuant to a new rate filing recommended by the corporation and established by the office, subject to ~~the requirements of this paragraph.~~

5. Beginning on July 15, 2009, and annually ~~each year~~ thereafter, the corporation must make a recommended actuarially sound rate filing for each personal and commercial line of business it writes, to be effective no earlier than January 1, 2010.

6. Beginning on or after January 1, 2010, and notwithstanding the board's recommended rates and the office's final order regarding the corporation's filed rates under subparagraph 1., the corporation shall annually implement a rate increase ~~each year~~ which, except for sinkhole coverage, does not exceed 10 percent for any single policy issued by the corporation, excluding coverage changes and surcharges.

7. The corporation may also implement an increase to reflect the effect on the corporation of the cash buildup factor pursuant to s. 215.555(5)(b).

8. The corporation's implementation of rates as prescribed in subparagraph 6. shall cease for any line of business written by the corporation upon the corporation's implementation of actuarially sound rates. Thereafter, the corporation shall annually make a recommended actuarially sound rate filing for each commercial and personal line of business the corporation writes.

(v)1. Effective July 1, 2002, policies of the Residential Property and Casualty Joint Underwriting Association shall become policies of the corporation. All obligations, rights, assets and liabilities of the ~~Residential Property and Casualty Joint Underwriting~~ association, including bonds, note and debt obligations, and the financing documents pertaining to them become those of the corporation as of July 1, 2002. The corporation is not required to issue endorsements or certificates of assumption to insureds during the remaining term of in-force transferred policies.

2. Effective July 1, 2002, policies of the Florida Windstorm Underwriting Association are transferred to the corporation and shall become policies of the corporation. All obligations, rights, assets, and liabilities of the ~~Florida Windstorm Underwriting~~ association, including bonds, note and debt obligations, and the financing documents pertaining to them are transferred to and assumed by the corporation on July 1, 2002. The corporation is not required to issue endorsements or certificates of assumption to insureds during the remaining term of in-force transferred policies.

3. The Florida Windstorm Underwriting Association and the Residential Property and Casualty Joint Underwriting Association shall take all actions

~~necessary as may be proper~~ to further evidence the transfers and shall provide the documents and instruments of further assurance as may reasonably be requested by the corporation for that purpose. The corporation shall execute assumptions and instruments as the trustees or other parties to the financing documents of the Florida Windstorm Underwriting Association or the Residential Property and Casualty Joint Underwriting Association may reasonably request to further evidence the transfers and assumptions, which transfers and assumptions, however, are effective on the date provided under this paragraph whether or not, and regardless of the date on which, the assumptions or instruments are executed by the corporation. Subject to the relevant financing documents pertaining to their outstanding bonds, notes, indebtedness, or other financing obligations, the moneys, investments, receivables, choses in action, and other intangibles of the Florida Windstorm Underwriting Association shall be credited to the coastal high-risk account of the corporation, and those of the personal lines residential coverage account and the commercial lines residential coverage account of the Residential Property and Casualty Joint Underwriting Association shall be credited to the personal lines account and the commercial lines account, respectively, of the corporation.

4. Effective July 1, 2002, a new applicant for property insurance coverage who would otherwise have been eligible for coverage in the Florida Windstorm Underwriting Association is eligible for coverage from the corporation as provided in this subsection.

5. The transfer of all policies, obligations, rights, assets, and liabilities from the Florida Windstorm Underwriting Association to the corporation and the renaming of the Residential Property and Casualty Joint Underwriting Association as the corporation does not ~~shall in no way~~ affect the coverage with respect to covered policies as defined in s. 215.555(2)(c) provided to these entities by the Florida Hurricane Catastrophe Fund. The coverage provided by the ~~Florida Hurricane Catastrophe~~ fund to the Florida Windstorm Underwriting Association based on its exposures as of June 30, 2002, and each June 30 thereafter shall be redesignated as coverage for the coastal high-risk account of the corporation. Notwithstanding any other provision of law, the coverage provided by the ~~Florida Hurricane Catastrophe~~ fund to the Residential Property and Casualty Joint Underwriting Association based on its exposures as of June 30, 2002, and each June 30 thereafter shall be transferred to the personal lines account and the commercial lines account of the corporation. Notwithstanding any other provision of law, the coastal high-risk account shall be treated, for all Florida Hurricane Catastrophe Fund purposes, as if it were a separate participating insurer with its own exposures, reimbursement premium, and loss reimbursement. Likewise, the personal lines and commercial lines accounts shall be viewed together, for all ~~Florida Hurricane Catastrophe~~ fund purposes, as if the two accounts were one and represent a single, separate participating insurer with its own exposures, reimbursement premium, and loss reimbursement. The coverage provided by the ~~Florida Hurricane Catastrophe~~ fund to the corporation shall constitute and operate as a full transfer of coverage from

the Florida Windstorm Underwriting Association and Residential Property and Casualty Joint Underwriting to the corporation.

(y) It is the intent of the Legislature that the amendments to this subsection enacted in 2002 should, over time, reduce the probable maximum windstorm losses in the residual markets and should reduce the potential assessments to be levied on property insurers and policyholders statewide. In furtherance of this intent:

~~1.— the board shall, on or before February 1 of each year, provide a report to the President of the Senate and the Speaker of the House of Representatives showing the reduction or increase in the 100-year probable maximum loss attributable to wind-only coverages and the quota share program under this subsection combined, as compared to the benchmark 100-year probable maximum loss of the Florida Windstorm Underwriting Association. For purposes of this paragraph, the benchmark 100-year probable maximum loss of the Florida Windstorm Underwriting Association shall be the calculation dated February 2001 and based on November 30, 2000, exposures. In order to ensure comparability of data, the board shall use the same methods for calculating its probable maximum loss as were used to calculate the benchmark probable maximum loss.~~

~~2.— Beginning December 1, 2010, if the report under subparagraph 1. for any year indicates that the 100-year probable maximum loss attributable to wind-only coverages and the quota share program combined does not reflect a reduction of at least 25 percent from the benchmark, the board shall reduce the boundaries of the high-risk area eligible for wind-only coverages under this subsection in a manner calculated to reduce such probable maximum loss to an amount at least 25 percent below the benchmark.~~

~~3.— Beginning February 1, 2015, if the report under subparagraph 1. for any year indicates that the 100-year probable maximum loss attributable to wind-only coverages and the quota share program combined does not reflect a reduction of at least 50 percent from the benchmark, the boundaries of the high-risk area eligible for wind-only coverages under this subsection shall be reduced by the elimination of any area that is not seaward of a line 1,000 feet inland from the Intra-coastal Waterway.~~

Section 16. Paragraph (a) of subsection (5) of section 627.3511, Florida Statutes, is amended to read:

627.3511 Depopulation of Citizens Property Insurance Corporation.—

(5) APPLICABILITY.—

(a) The take-out bonus provided by subsection (2) and the exemption from assessment provided by paragraph (3)(a) apply only if the corporation policy is replaced by either a standard policy including wind coverage or, if consistent with the insurer's underwriting rules as filed with the office, a basic policy including wind coverage; however, for with respect to risks

located in areas where coverage through the coastal ~~high-risk~~ account of the corporation is available, the replacement policy need not provide wind coverage. The insurer must renew the replacement policy at approved rates on substantially similar terms for four additional 1-year terms, unless canceled or not renewed by the policyholder. If an insurer assumes the corporation's obligations for a policy, it must issue a replacement policy for a 1-year term upon expiration of the corporation policy and must renew the replacement policy at approved rates on substantially similar terms for four additional 1-year terms, unless canceled or not renewed by the policyholder. For each replacement policy canceled or nonrenewed by the insurer for any reason during the 5-year coverage period ~~required by this paragraph~~, the insurer must remove from the corporation one additional policy covering a risk similar to the risk covered by the canceled or nonrenewed policy. In addition to ~~these requirements~~, the corporation must place the bonus moneys in escrow for a ~~period of 5 years~~; such moneys may be released from escrow only to pay claims. If the policy is canceled or nonrenewed before the end of the 5-year period, the amount of the take-out bonus must be prorated for the time period the policy was insured. A take-out bonus provided by subsection (2) or subsection (6) ~~is shall not be considered~~ premium income for purposes of taxes and assessments under the Florida Insurance Code and shall remain the property of the corporation, subject to the prior security interest of the insurer under the escrow agreement until it is released from escrow; ~~and~~ after it is released from escrow it ~~is shall be~~ considered an asset of the insurer and credited to the insurer's capital and surplus.

Section 17. Paragraph (b) of subsection (2) of section 627.4133, Florida Statutes, is amended to read:

627.4133 Notice of cancellation, nonrenewal, or renewal premium.—

(2) With respect to any personal lines or commercial residential property insurance policy, including, but not limited to, any homeowner's, mobile home owner's, farmowner's, condominium association, condominium unit owner's, apartment building, or other policy covering a residential structure or its contents:

(b) The insurer shall give the named insured written notice of nonrenewal, cancellation, or termination at least 100 days before ~~prior to~~ the effective date of the nonrenewal, cancellation, or termination. However, the insurer shall give at least 100 days' written notice, or written notice by June 1, whichever is earlier, for any nonrenewal, cancellation, or termination that would be effective between June 1 and November 30. The notice must include the reason or reasons for the nonrenewal, cancellation, or termination, except that:

1. The insurer shall give the named insured written notice of nonrenewal, cancellation, or termination at least 120 ~~180~~ days prior to the effective date of the nonrenewal, cancellation, or termination for a named insured whose residential structure has been insured by that insurer or an affiliated

insurer for at least a 5-year period immediately prior to the date of the written notice.

2. ~~If~~ When cancellation is for nonpayment of premium, at least 10 days' written notice of cancellation accompanied by the reason therefor ~~must~~ shall be given. As used in this subparagraph, the term "nonpayment of premium" means failure of the named insured to discharge when due ~~any of~~ her or his obligations in connection with the payment of premiums on a policy or any installment of such premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit, or failure to maintain membership in an organization if such membership is a condition precedent to insurance coverage. The term "Nonpayment of premium" also means the failure of a financial institution to honor an insurance applicant's check after delivery to a licensed agent for payment of a premium, even if the agent has previously delivered or transferred the premium to the insurer. If a dishonored check represents the initial premium payment, the contract and all contractual obligations are ~~shall be~~ void ab initio unless the nonpayment is cured within the earlier of 5 days after actual notice by certified mail is received by the applicant or 15 days after notice is sent to the applicant by certified mail or registered mail, and if the contract is void, any premium received by the insurer from a third party must ~~shall~~ be refunded to that party in full.

3. ~~If~~ When such cancellation or termination occurs during the first 90 days ~~during which~~ the insurance is in force and the insurance is canceled or terminated for reasons other than nonpayment of premium, at least 20 days' written notice of cancellation or termination accompanied by the reason therefor must ~~shall~~ be given unless ~~except where~~ there has been a material misstatement or misrepresentation or failure to comply with the underwriting requirements established by the insurer.

4. The requirement for providing written notice ~~of nonrenewal~~ by June 1 of any nonrenewal that would be effective between June 1 and November 30 does not apply to the following situations, but the insurer remains subject to the requirement to provide such notice at least 100 days before ~~prior to~~ the effective date of nonrenewal:

a. A policy that is nonrenewed due to a revision in the coverage for sinkhole losses and catastrophic ground cover collapse pursuant to s. 627.706, as amended by s. 30, chapter 2007-1, Laws of Florida.

b. A policy that is nonrenewed by Citizens Property Insurance Corporation, pursuant to s. 627.351(6), for a policy that has been assumed by an authorized insurer offering replacement ~~or renewal~~ coverage to the policyholder is exempt from the notice requirements of paragraph (a) and this paragraph. In such cases, the corporation must give the named insured written notice of nonrenewal at least 45 days before the effective date of the nonrenewal.

After the policy has been in effect for 90 days, the policy ~~may~~ shall not be canceled by the insurer unless ~~except~~ when there has been a material misstatement, a nonpayment of premium, a failure to comply with underwriting requirements established by the insurer within 90 days after ~~of~~ the date of effectuation of coverage, or a substantial change in the risk covered by the policy or ~~if~~ when the cancellation is for all insureds under such policies for a given class of insureds. This paragraph does not apply to individually rated risks having a policy term of less than 90 days.

5. Notwithstanding any other provision of law, an insurer may cancel or nonrenew a property insurance policy after at least 45 days' notice if the office finds that the early cancellation of some or all of the insurer's policies is necessary to protect the best interests of the public or policyholders and the office approves the insurer's plan for early cancellation or nonrenewal of some or all of its policies. The office may base such finding upon the financial condition of the insurer, lack of adequate reinsurance coverage for hurricane risk, or other relevant factors. The office may condition its finding on the consent of the insurer to be placed under administrative supervision pursuant to s. 624.81 or to the appointment of a receiver under chapter 631.

6. A policy covering both a home and motor vehicle may be nonrenewed for any reason applicable to either the property or motor vehicle insurance after providing 90 days' notice.

Section 18. Section 627.43141, Florida Statutes, is created to read:

627.43141 Notice of change in policy terms.—

(1) As used in this section, the term:

(a) "Change in policy terms" means the modification, addition, or deletion of any term, coverage, duty, or condition from the previous policy. The correction of typographical or scrivener's errors or the application of mandated legislative changes is not a change in policy terms.

(b) "Policy" means a written contract of property and casualty insurance or written agreement for such insurance, by whatever name called, and includes all clauses, riders, endorsements, and papers that are a part of such policy. The term does not include a binder as defined in s. 627.420 unless the duration of the binder period exceeds 60 days.

(c) "Renewal" means the issuance and delivery by an insurer of a policy superseding at the end of the policy period a policy previously issued and delivered by the same insurer or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term. Any policy that has a policy period or term of less than 6 months or that does not have a fixed expiration date shall, for purposes of this section, be considered as written for successive policy periods or terms of 6 months.

(2) A renewal policy may contain a change in policy terms. If a renewal policy does contain such change, the insurer must give the named insured

written notice of the change, which must be enclosed along with the written notice of renewal premium required by ss. 627.4133 and 627.728. Such notice shall be entitled "Notice of Change in Policy Terms."

(3) Although not required, proof of mailing or registered mailing through the United States Postal Service of the Notice of Change in Policy Terms to the named insured at the address shown in the policy is sufficient proof of notice.

(4) Receipt of the premium payment for the renewal policy by the insurer is deemed to be acceptance of the new policy terms by the named insured.

(5) If an insurer fails to provide the notice required in subsection (2), the original policy terms remain in effect until the next renewal and the proper service of the notice, or until the effective date of replacement coverage obtained by the named insured, whichever occurs first.

(6) The intent of this section is to:

(a) Allow an insurer to make a change in policy terms without nonrenewing those policyholders that the insurer wishes to continue insuring.

(b) Alleviate concern and confusion to the policyholder caused by the required policy nonrenewal for the limited issue if an insurer intends to renew the insurance policy, but the new policy contains a change in policy terms.

(c) Encourage policyholders to discuss their coverages with their insurance agents.

Section 19. Section 627.7011, Florida Statutes, is amended to read:

627.7011 Homeowners' policies; offer of replacement cost coverage and law and ordinance coverage.—

(1) Prior to issuing a homeowner's insurance policy on or after October 1, 2005, or prior to the first renewal of a homeowner's insurance policy on or after October 1, 2005, the insurer must offer each of the following:

(a) A policy or endorsement providing that any loss ~~that~~ which is repaired or replaced will be adjusted on the basis of replacement costs to the dwelling not exceeding policy limits ~~as to the dwelling~~, rather than actual cash value, but not including costs necessary to meet applicable laws and ordinances regulating the construction, use, or repair of any property or requiring the tearing down of any property, including the costs of removing debris.

(b) A policy or endorsement providing that, subject to other policy provisions, any loss ~~that~~ which is repaired or replaced at any location will be adjusted on the basis of replacement costs to the dwelling not exceeding policy limits ~~as to the dwelling~~, rather than actual cash value, and also

including costs necessary to meet applicable laws and ordinances regulating the construction, use, or repair of any property or requiring the tearing down of any property, including the costs of removing debris; However, such additional costs necessary to meet applicable laws and ordinances may be limited to either 25 percent or 50 percent of the dwelling limit, as selected by the policyholder, and such coverage applies ~~shall apply~~ only to repairs of the damaged portion of the structure unless the total damage to the structure exceeds 50 percent of the replacement cost of the structure.

An insurer is not required to make the offers required by this subsection with respect to the issuance or renewal of a homeowner's policy that contains the provisions specified in paragraph (b) for law and ordinance coverage limited to 25 percent of the dwelling limit, except that the insurer must offer the law and ordinance coverage limited to 50 percent of the dwelling limit. This subsection does not prohibit the offer of a guaranteed replacement cost policy.

(2) Unless the insurer obtains the policyholder's written refusal of the policies or endorsements specified in subsection (1), any policy covering the dwelling is deemed to include the law and ordinance coverage limited to 25 percent of the dwelling limit. The rejection or selection of alternative coverage shall be made on a form approved by the office. The form must ~~shall~~ fully advise the applicant of the nature of the coverage being rejected. If this form is signed by a named insured, it is ~~will be~~ conclusively presumed that there was an informed, knowing rejection of the coverage or election of the alternative coverage on behalf of all insureds. Unless the policyholder requests in writing the coverage specified in this section, it need not be provided in or supplemental to any other policy that renews, insures, extends, changes, supersedes, or replaces an existing policy if ~~when~~ the policyholder has rejected the coverage specified in this section or has selected alternative coverage. The insurer must provide the ~~such~~ policyholder with notice of the availability of such coverage in a form approved by the office at least once every 3 years. The failure to provide such notice constitutes a violation of this code, but does not affect the coverage provided under the policy.

(3) In the event of a loss for which a dwelling or personal property is insured on the basis of replacement costs:

(a) For a dwelling, the insurer must initially pay at least the actual cash value of the insured loss, less any applicable deductible. The insurer shall pay any remaining amounts necessary to perform such repairs as work is performed and expenses are incurred. If a total loss of a dwelling occurs, the insurer shall pay the replacement cost coverage without reservation or holdback of any depreciation in value, pursuant to s. 627.702.

(b) For personal property:

1. The insurer must offer coverage under which the insurer is obligated to pay the replacement cost without reservation or holdback for any depreciation in value, whether or not the insured replaces the property.

2. The insurer may also offer coverage under which the insurer may limit the initial payment to the actual cash value of the personal property to be replaced, require the insured to provide receipts for the purchase of the property financed by the initial payment, use such receipts to make the next payment requested by the insured for the replacement of insured property, and continue this process until the insured remits all receipts up to the policy limits for replacement costs. The insurer must provide clear notice of this process before the policy is bound. A policyholder must be provided an actuarially reasonable premium credit or discount for this coverage. The insurer may not require the policyholder to advance payment for the replaced property, the insurer shall pay the replacement cost without reservation or holdback of any depreciation in value, whether or not the insured replaces or repairs the dwelling or property.

(4) ~~A~~ Any homeowner's insurance policy issued ~~or renewed on or after~~ October 1, 2005, must include in bold type no smaller than 18 points the following statement:

“LAW AND ORDINANCE COVERAGE IS AN IMPORTANT COVERAGE THAT YOU MAY WISH TO PURCHASE. YOU MAY ALSO NEED TO CONSIDER THE PURCHASE OF FLOOD INSURANCE FROM THE NATIONAL FLOOD INSURANCE PROGRAM. WITHOUT THIS COVERAGE, YOU MAY HAVE UNCOVERED LOSSES. PLEASE DISCUSS THESE COVERAGES WITH YOUR INSURANCE AGENT.”

The intent of this subsection is to encourage policyholders to purchase sufficient coverage to protect them in case events excluded from the standard homeowners policy, such as law and ordinance enforcement and flood, combine with covered events to produce damage or loss to the insured property. The intent is also to encourage policyholders to discuss these issues with their insurance agent.

(5) ~~Nothing in~~ This section does not; shall be construed to

(a) Apply to policies not considered to be “homeowners’ policies,” as that term is commonly understood in the insurance industry. ~~This section specifically does not~~

(b) Apply to mobile home policies. ~~Nothing in this section~~

(c) ~~Limit shall be construed as limiting~~ the ability of an any insurer to reject or nonrenew any insured or applicant on the grounds that the structure does not meet underwriting criteria applicable to replacement cost or law and ordinance policies or for other lawful reasons.

~~(d)(6)~~ This section does not Prohibit an insurer from limiting its liability under a policy or endorsement providing that loss will be adjusted on the basis of replacement costs to the lesser of:

- ~~1.(a)~~ The limit of liability shown on the policy declarations page;
- ~~2.(b)~~ The reasonable and necessary cost to repair the damaged, destroyed, or stolen covered property; or
- ~~3.(c)~~ The reasonable and necessary cost to replace the damaged, destroyed, or stolen covered property.

~~(e)(7)~~ This section does not Prohibit an insurer from exercising its right to repair damaged property in compliance with its policy and s. 627.702(7).

Section 20. Paragraph (a) of subsection (5) of section 627.70131, Florida Statutes, is amended to read:

627.70131 Insurer's duty to acknowledge communications regarding claims; investigation.—

(5)(a) Within 90 days after an insurer receives notice of an initial, reopened, or supplemental a property insurance claim from a policyholder, the insurer shall pay or deny such claim or a portion of the claim unless the failure to pay such claim or a portion of the claim is caused by factors beyond the control of the insurer which reasonably prevent such payment. Any payment of an initial or supplemental a claim or portion of such a claim made paid 90 days after the insurer receives notice of the claim, or made paid more than 15 days after there are no longer factors beyond the control of the insurer which reasonably prevented such payment, whichever is later, bears ~~shall bear~~ interest at the rate set forth in s. 55.03. Interest begins to accrue from the date the insurer receives notice of the claim. The provisions of this subsection may not be waived, voided, or nullified by the terms of the insurance policy. If there is a right to prejudgment interest, the insured shall select whether to receive prejudgment interest or interest under this subsection. Interest is payable when the claim or portion of the claim is paid. Failure to comply with this subsection constitutes a violation of this code. However, failure to comply with this subsection does ~~shall~~ not form the sole basis for a private cause of action.

Section 21. The Legislature finds and declares:

(1) There is a compelling state interest in maintaining a viable and orderly private-sector market for property insurance in this state. The lack of a viable and orderly property market reduces the availability of property insurance coverage to state residents, increases the cost of property insurance, and increases the state's reliance on a residual property insurance market and its potential for imposing assessments on policyholders throughout the state.

(2) In 2005, the Legislature revised ss. 627.706–627.7074, Florida Statutes, to adopt certain geological or technical terms; to increase reliance on objective, scientific testing requirements; and generally to reduce the number of sinkhole claims and related disputes arising under prior law. The Legislature determined that since the enactment of these statutory revisions, both private-sector insurers and Citizens Property Insurance Corporation have, nevertheless, continued to experience high claims frequency and severity for sinkhole insurance claims. In addition, many properties remain unrepaired even after loss payments, which reduces the local property tax base and adversely affects the real estate market. Therefore, the Legislature finds that losses associated with sinkhole claims adversely affect the public health, safety, and welfare of this state and its citizens.

(3) Pursuant to sections 22 through 27 of this act, technical or scientific definitions adopted in the 2005 legislation are clarified to implement and advance the Legislature’s intended reduction of sinkhole claims and disputes. Certain other revisions to ss. 627.706–627.7074, Florida Statutes, are enacted to advance legislative intent to rely on scientific or technical determinations relating to sinkholes and sinkhole claims, reduce the number and cost of disputes relating to sinkhole claims, and ensure that repairs are made commensurate with the scientific and technical determinations and insurance claims payments.

Section 22. Section 627.706, Florida Statutes, is reordered and amended to read:

627.706 Sinkhole insurance; catastrophic ground cover collapse; definitions.—

(1)(a) Every insurer authorized to transact property insurance in this state must ~~shall~~ provide coverage for a catastrophic ground cover collapse.

(b) The insurer ~~and~~ shall make available, for an appropriate additional premium, coverage for sinkhole losses on any structure, including the contents of personal property contained therein, to the extent provided in the form to which the coverage attaches. The insurer may require an inspection of the property before issuance of sinkhole loss coverage. A policy for residential property insurance may include a deductible amount applicable to sinkhole losses equal to 1 percent, 2 percent, 5 percent, or 10 percent of the policy dwelling limits, with appropriate premium discounts offered with each deductible amount.

(c) The insurer may restrict catastrophic ground cover collapse and sinkhole loss coverage to the principal building, as defined in the applicable policy.

(2) As used in ss. 627.706-627.7074, and as used in connection with any policy providing coverage for a catastrophic ground cover collapse or for sinkhole losses, the term:

(a) “Catastrophic ground cover collapse” means geological activity that results in all the following:

1. The abrupt collapse of the ground cover;
2. A depression in the ground cover clearly visible to the naked eye;
3. Structural damage to the covered building, including the foundation; and
4. The insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

Contents coverage applies if there is a loss resulting from a catastrophic ground cover collapse. ~~Structural~~ Damage consisting merely of the settling or cracking of a foundation, structure, or building does not constitute a loss resulting from a catastrophic ground cover collapse.

(b) “Neutral evaluation” means the alternative dispute resolution provided in s. 627.7074.

(c) “Neutral evaluator” means a professional engineer or a professional geologist who has completed a course of study in alternative dispute resolution designed or approved by the department for use in the neutral evaluation process and who is determined by the department to be fair and impartial.

(h)(b) “Sinkhole” means a landform created by subsidence of soil, sediment, or rock as underlying strata are dissolved by groundwater. A sinkhole forms ~~may form~~ by collapse into subterranean voids created by dissolution of limestone or dolostone or by subsidence as these strata are dissolved.

(j)(e) “Sinkhole loss” means structural damage to the covered building, including the foundation, caused by sinkhole activity. Contents coverage and additional living expenses shall apply only if there is structural damage to the covered building caused by sinkhole activity.

(i)(d) “Sinkhole activity” means settlement or systematic weakening of the earth supporting the covered building ~~such property~~ only if the ~~when~~ such settlement or systematic weakening results from contemporaneous movement or raveling of soils, sediments, or rock materials into subterranean voids created by the effect of water on a limestone or similar rock formation.

(f)(e) “Professional engineer” means a person, as defined in s. 471.005, who has a bachelor’s degree or higher in engineering ~~with a specialty in the geotechnical engineering field~~. A professional engineer must also have ~~geotechnical~~ experience and expertise in the identification of sinkhole

activity as well as other potential causes of structural damage to the structure.

(g)(f) “Professional geologist” means a person, as defined in ~~by~~ s. 492.102, who has a bachelor’s degree or higher in geology or related earth science and with expertise in the geology of Florida. A professional geologist must have geological experience and expertise in the identification of sinkhole activity as well as other potential geologic causes of structural damage to the structure.

(k) “Structural damage” means a covered building, regardless of the date of its construction, has experienced the following:

1. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code;

2. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the primary structural members or primary structural systems that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those primary structural members or primary structural systems exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;

3. Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical primary structural members to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;

4. Damage that results in the building, or any portion of the building containing primary structural members or primary structural systems, being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or

5. Damage occurring on or after October 15, 2005, that qualifies as “substantial structural damage” as defined in the Florida Building Code.

(d) “Primary structural member” means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.

(e) “Primary structural system” means an assemblage of primary structural members.

~~(3) On or before June 1, 2007, Every insurer authorized to transact property insurance in this state shall make a proper filing with the office for the purpose of extending the appropriate forms of property insurance to include coverage for catastrophic ground cover collapse or for sinkhole losses. coverage for catastrophic ground cover collapse may not go into effect until the effective date provided for in the filing approved by the office.~~

(3)(4) Insurers offering policies that exclude coverage for sinkhole losses must shall inform policyholders in bold type of not less than 14 points as follows: “YOUR POLICY PROVIDES COVERAGE FOR A CATASTROPHIC GROUND COVER COLLAPSE THAT RESULTS IN THE PROPERTY BEING CONDEMNED AND UNINHABITABLE. OTHERWISE, YOUR POLICY DOES NOT PROVIDE COVERAGE FOR SINKHOLE LOSSES. YOU MAY PURCHASE ADDITIONAL COVERAGE FOR SINKHOLE LOSSES FOR AN ADDITIONAL PREMIUM.”

~~(4)(5)~~ An insurer offering sinkhole coverage to policyholders before or after the adoption of s. 30, chapter 2007-1, Laws of Florida, may nonrenew the policies of policyholders maintaining sinkhole coverage in ~~Pasco County or Hernando County~~, at the option of the insurer, and provide an offer of coverage that to such policyholders which includes catastrophic ground cover collapse and excludes sinkhole coverage. Insurers acting in accordance with this subsection are subject to the following requirements:

(a) Policyholders must be notified that a nonrenewal is for purposes of removing sinkhole coverage, and that the policyholder is still being offered a policy that provides coverage for catastrophic ground cover collapse.

(b) Policyholders must be provided an actuarially reasonable premium credit or discount for the removal of sinkhole coverage and provision of only catastrophic ground cover collapse.

(c) Subject to the provisions of this subsection and the insurer’s approved underwriting or insurability guidelines, the insurer shall provide each policyholder with the opportunity to purchase an endorsement to his or her policy providing sinkhole coverage and may require an inspection of the property before issuance of a sinkhole coverage endorsement.

(d) Section 624.4305 does not apply to nonrenewal notices issued pursuant to this subsection.

(5) Any claim, including, but not limited to, initial, supplemental, and reopened claims under an insurance policy that provides sinkhole coverage is barred unless notice of the claim was given to the insurer in accordance with the terms of the policy within 2 years after the policyholder knew or reasonably should have known about the sinkhole loss.

Section 23. Section 627.7061, Florida Statutes, is amended to read:

627.7061 Coverage inquiries.—Inquiries about coverage on a property insurance contract are not claim activity, unless an actual claim is filed by

the policyholder which insured that results in a company investigation of the claim.

Section 24. Section 627.7065, Florida Statutes, is repealed.

Section 25. Section 627.707, Florida Statutes, is amended to read:

627.707 ~~Standards for Investigation of sinkhole claims by insurers; insurer payment; nonrenewals.~~—Upon receipt of a claim for a sinkhole loss to a covered building, an insurer must meet the following standards in investigating a claim:

(1) The insurer must ~~inspect~~ make an inspection of the policyholder's insured's premises to determine if there is structural ~~has been physical~~ damage that to the structure which may be the result of sinkhole activity.

(2) If the insurer confirms that structural damage exists but is unable to identify a valid cause of such damage or discovers that such damage is consistent with sinkhole loss Following the insurer's initial inspection, the insurer shall engage a professional engineer or a professional geologist to conduct testing as provided in s. 627.7072 to determine the cause of the loss within a reasonable professional probability and issue a report as provided in s. 627.7073, only if sinkhole loss is covered under the policy. Except as provided in subsections (4) and (6), the fees and costs of the professional engineer or professional geologist shall be paid by the insurer.:

~~(a) The insurer is unable to identify a valid cause of the damage or discovers damage to the structure which is consistent with sinkhole loss; or~~

~~(b) The policyholder demands testing in accordance with this section or s. 627.7072.~~

(3) Following the initial inspection of the policyholder's insured premises, the insurer shall provide written notice to the policyholder disclosing the following information:

(a) What the insurer has determined to be the cause of damage, if the insurer has made such a determination.

(b) A statement of the circumstances under which the insurer is required to engage a professional engineer or a professional geologist to verify or eliminate sinkhole loss and to engage a professional engineer to make recommendations regarding land and building stabilization and foundation repair.

(c) A statement regarding the right of the policyholder to request testing by a professional engineer or a professional geologist, and the circumstances under which the policyholder may demand certain testing, and the circumstances under which the policyholder may incur costs associated with testing.

(4)(a) If the insurer determines that there is no sinkhole loss, the insurer may deny the claim.

(b) If coverage for sinkhole loss is available and If the insurer denies the claim, without performing testing under s. 627.7072, the policyholder may demand testing by the insurer under s. 627.7072.

1. The policyholder's demand for testing must be communicated to the insurer in writing within 60 days after the policyholder's receipt of the insurer's denial of the claim.

2. The policyholder shall pay 50 percent of the actual costs of the analyses and services provided under ss. 627.7072 and 627.7073 or \$2,500, whichever is less.

3. The insurer shall reimburse the policyholder for the costs if the insurer's engineer or geologist provides written certification pursuant to s. 627.7073 that there is sinkhole loss.

~~(5)(a) Subject to paragraph (b),~~ If a sinkhole loss is verified, the insurer shall pay to stabilize the land and building and repair the foundation in accordance with the recommendations of the professional engineer retained pursuant to subsection (2), as provided under s. 627.7073, and in consultation with notice to the policyholder, subject to the coverage and terms of the policy. The insurer shall pay for other repairs to the structure and contents in accordance with the terms of the policy. If a covered building suffers a sinkhole loss or a catastrophic ground cover collapse, the insured must repair such damage or loss in accordance with the insurer's professional engineer's recommended repairs. However, if the insurer's professional engineer determines that the repair cannot be completed within policy limits, the insurer must pay to complete the repairs recommended by the insurer's professional engineer or tender the policy limits to the policyholder.

~~(a)(b)~~ The insurer may limit its total claims payment to the actual cash value of the sinkhole loss, which does not include ~~including~~ underpinning or grouting or any other repair technique performed below the existing foundation of the building, until the policyholder enters into a contract for the performance of building stabilization or foundation repairs in accordance with the recommendations set forth in the insurer's report issued pursuant to s. 627.7073.

(b) In order to prevent additional damage to the building or structure, the policyholder must enter into a contract for the performance of building stabilization and foundation repairs within 90 days after the insurance company confirms coverage for the sinkhole loss and notifies the policyholder of such confirmation. This time period is tolled if either party invokes the neutral evaluation process, and begins again 10 days after the conclusion of the neutral evaluation process.

(c) After the policyholder enters into the contract for the performance of building stabilization and foundation repairs, the insurer shall pay the amounts necessary to begin and perform such repairs as the work is performed and the expenses are incurred. The insurer may not require the policyholder to advance payment for such repairs. If repair covered by a personal lines residential property insurance policy has begun and the professional engineer selected or approved by the insurer determines that the repair cannot be completed within the policy limits, the insurer must either complete the professional engineer's recommended repair or tender the policy limits to the policyholder without a reduction for the repair expenses incurred.

(d) The stabilization and all other repairs to the structure and contents must be completed within 12 months after entering into the contract for repairs described in paragraph (b) unless:

1. There is a mutual agreement between the insurer and the policyholder;
2. The claim is involved with the neutral evaluation process;
3. The claim is in litigation; or
4. The claim is under appraisal or mediation.

~~(e)~~(e) Upon the insurer's obtaining the written approval of the policyholder and any lienholder, the insurer may make payment directly to the persons selected by the policyholder to perform the land and building stabilization and foundation repairs. The decision by the insurer to make payment to such persons does not hold the insurer liable for the work performed. The policyholder may not accept a rebate from any person performing the repairs specified in this section. If a policyholder does receive a rebate, coverage is void and the policyholder must refund the amount of the rebate to the insurer. Any person making the repairs specified in this section who offers a rebate commits insurance fraud punishable as a third degree felony as provided in s. 775.082, s. 775.083, or s. 775.084.

~~(6) Except as provided in subsection (7), the fees and costs of the professional engineer or the professional geologist shall be paid by the insurer.~~

~~(6)~~(7) If the insurer obtains, pursuant to s. 627.7073, written certification that there is no sinkhole loss or that the cause of the damage was not sinkhole activity, and if the policyholder has submitted the sinkhole claim without good faith grounds for submitting such claim, the policyholder shall reimburse the insurer for 50 percent of the actual costs of the analyses and services provided under ss. 627.7072 and 627.7073; however, a policyholder is not required to reimburse an insurer more than \$2,500 with respect to any claim. A policyholder is required to pay reimbursement under this subsection only if the policyholder requested the analysis and services provided under

ss. ~~627.7072 and 627.7073~~ and the insurer, ~~before~~ prior to ordering the analysis under s. 627.7072, informs the policyholder in writing of the policyholder’s potential liability for reimbursement and gives the policyholder the opportunity to withdraw the claim.

~~(7)(8)~~ An ~~No~~ insurer may not ~~shall~~ nonrenew any policy of property insurance on the basis of filing of claims for sinkhole partial loss if caused by sinkhole damage or clay shrinkage as long as the total of such payments does not equal or exceed the current policy limits of coverage for the policy in effect on the date of loss, for property damage to the covered building, as set forth on the declarations page, or if and provided the policyholder insured has repaired the structure in accordance with the engineering recommendations made pursuant to subsection (2) upon which any payment or policy proceeds were based. If the insurer pays such limits, it may nonrenew the policy.

~~(8)(9)~~ The insurer may engage a professional structural engineer to make recommendations as to the repair of the structure.

Section 26. Section 627.7073, Florida Statutes, is amended to read:

627.7073 Sinkhole reports.—

(1) Upon completion of testing as provided in s. 627.7072, the professional engineer or professional geologist shall issue a report and certification to the insurer and the policyholder as provided in this section.

(a) Sinkhole loss is verified if, based upon tests performed in accordance with s. 627.7072, a professional engineer or a professional geologist issues a written report and certification stating:

1. That structural damage to the covered building has been identified within a reasonable professional probability.

~~2.1.~~ That the cause of the ~~actual physical and~~ structural damage is sinkhole activity within a reasonable professional probability.

~~3.2.~~ That the analyses conducted were of sufficient scope to identify sinkhole activity as the cause of damage within a reasonable professional probability.

~~4.3.~~ A description of the tests performed.

~~5.4.~~ A recommendation by the professional engineer of methods for stabilizing the land and building and for making repairs to the foundation.

(b) If ~~there is no structural damage or if~~ sinkhole activity is eliminated as the cause of such damage to the covered building structure, the professional engineer or professional geologist shall issue a written report and certification to the policyholder and the insurer stating:

1. That there is no structural damage or the cause of such the damage is not sinkhole activity within a reasonable professional probability.

2. That the analyses and tests conducted were of sufficient scope to eliminate sinkhole activity as the cause of the structural damage within a reasonable professional probability.

3. A statement of the cause of the structural damage within a reasonable professional probability.

4. A description of the tests performed.

Section 27. Section 627.7074, Florida Statutes, is amended to read:

627.7074 Alternative procedure for resolution of disputed sinkhole insurance claims.—

~~(1) As used in this section, the term:~~

~~(a) “Neutral evaluation” means the alternative dispute resolution provided for in this section.~~

~~(b) “Neutral evaluator” means a professional engineer or a professional geologist who has completed a course of study in alternative dispute resolution designed or approved by the department for use in the neutral evaluation process, who is determined to be fair and impartial.~~

~~(1)(2)(a)~~ The department shall:

(a) Certify and maintain a list of persons who are neutral evaluators.

~~(b)~~ ~~The department shall~~ Prepare a consumer information pamphlet for distribution by insurers to policyholders which clearly describes the neutral evaluation process and includes information and forms necessary for the policyholder to request a neutral evaluation.

(2) Neutral evaluation is available to either party if a sinkhole report has been issued pursuant to s. 627.7073. At a minimum, neutral evaluation must determine:

(a) Causation;

(b) All methods of stabilization and repair both above and below ground;

(c) The costs for stabilization and all repairs; and

(d) Information necessary to carry out subsection (12).

(3) Following the receipt of the report provided under s. 627.7073 or the denial of a claim for a sinkhole loss, the insurer shall notify the policyholder of his or her right to participate in the neutral evaluation program under this section. Neutral evaluation supersedes the alternative dispute resolution process under s. 627.7015, but does not invalidate the appraisal clause of the insurance policy. The insurer shall provide to the policyholder the consumer information pamphlet prepared by the department pursuant to subsection (1) electronically or by United States mail paragraph (2)(b).

(4) Neutral evaluation is nonbinding, but mandatory if requested by either party. A request for neutral evaluation may be filed with the department by the policyholder or the insurer on a form approved by the department. The request for neutral evaluation must state the reason for the request and must include an explanation of all the issues in dispute at the time of the request. Filing a request for neutral evaluation tolls the applicable time requirements for filing suit for a ~~period of 60 days~~ following the conclusion of the neutral evaluation process or the time prescribed in s. 95.11, whichever is later.

(5) Neutral evaluation shall be conducted as an informal process in which formal rules of evidence and procedure need not be observed. A party to neutral evaluation is not required to attend neutral evaluation if a representative of the party attends and has the authority to make a binding decision on behalf of the party. All parties shall participate in the evaluation in good faith. The neutral evaluator must be allowed reasonable access to the interior and exterior of insured structures to be evaluated or for which a claim has been made. Any reports initiated by the policyholder, or an agent of the policyholder, confirming a sinkhole loss or disputing another sinkhole report regarding insured structures must be provided to the neutral evaluator before the evaluator's physical inspection of the insured property.

(6) The insurer shall pay reasonable the costs associated with the neutral evaluation. However, if a party chooses to hire a court reporter or stenographer to contemporaneously record and document the neutral evaluation, that party must bear such costs.

(7) Upon receipt of a request for neutral evaluation, the department shall provide the parties a list of certified neutral evaluators. ~~The parties shall mutually select a neutral evaluator from the list and promptly inform the~~

department. If the parties cannot agree to a neutral evaluator within 10 business days, The department shall allow the parties to submit requests to disqualify evaluators on the list for cause.

(a) The department shall disqualify neutral evaluators for cause based only on any of the following grounds:

1. A familial relationship exists between the neutral evaluator and either party or a representative of either party within the third degree.

2. The proposed neutral evaluator has, in a professional capacity, previously represented either party or a representative of either party, in the same or a substantially related matter.

3. The proposed neutral evaluator has, in a professional capacity, represented another person in the same or a substantially related matter and that person's interests are materially adverse to the interests of the parties. The term "substantially related matter" means participation by the neutral evaluator on the same claim, property, or adjacent property.

4. The proposed neutral evaluator has, within the preceding 5 years, worked as an employer or employee of any party to the case.

(b) The parties shall appoint a neutral evaluator from the department list and promptly inform the department. If the parties cannot agree to a neutral evaluator within 14 business days, the department shall appoint a neutral evaluator from the list of certified neutral evaluators. The department shall allow each party to disqualify two neutral evaluators without cause. Upon selection or appointment, the department shall promptly refer the request to the neutral evaluator.

(c) Within ~~14~~ 5 business days after the referral, the neutral evaluator shall notify the policyholder and the insurer of the date, time, and place of the neutral evaluation conference. The conference may be held by telephone, if feasible and desirable. ~~The neutral evaluator shall make reasonable efforts to hold the neutral evaluation~~ conference shall be held within ~~90~~ 45 days after the receipt of the request by the department. ~~Failure of the neutral evaluator to hold the conference within 90 days does not invalidate either party's right to neutral evaluation or to a neutral evaluation conference held outside this timeframe.~~

~~(8) The department shall adopt rules of procedure for the neutral evaluation process.~~

~~(8)(9)~~ For policyholders not represented by an attorney, a consumer affairs specialist of the department or an employee designated as the primary contact for consumers on issues relating to sinkholes under s. 20.121 shall be available for consultation to the extent that he or she may lawfully do so.

~~(9)~~(10) Evidence of an offer to settle a claim during the neutral evaluation process, as well as any relevant conduct or statements made in negotiations concerning the offer to settle a claim, is inadmissible to prove liability or absence of liability for the claim or its value, except as provided in subsection ~~(14)~~ (13).

(10)~~(11)~~ Regardless of when noticed, any court proceeding related to the subject matter of the neutral evaluation shall be stayed pending completion of the neutral evaluation and for 5 days after the filing of the neutral evaluator's report with the court.

(11) If, based upon his or her professional training and credentials, a neutral evaluator is qualified to determine only disputes relating to causation or method of repair, the department shall allow the neutral evaluator to enlist the assistance of another professional from the neutral evaluators list not previously stricken, who, based upon his or her professional training and credentials, is able to provide an opinion as to other disputed issues. A professional who would be disqualified for any reason listed in subsection (7) must be disqualified. The neutral evaluator may also use the services of professional engineers and professional geologists who are not certified as neutral evaluators, as well as licensed building contractors, in order to ensure that all items in dispute are addressed and the neutral evaluation can be completed. Any professional engineer, professional geologist, or licensed building contractor retained may be disqualified for any of the reasons listed in subsection (7). The neutral evaluator may request the entity that performed the investigation pursuant to s. 627.7072 perform such additional and reasonable testing as deemed necessary in the professional opinion of the neutral evaluator.

(12) At For matters that are not resolved by the parties at the conclusion of the neutral evaluation, the neutral evaluator shall prepare a report describing all matters that are the subject of the neutral evaluation, including whether, stating that in his or her opinion, the sinkhole loss has been verified or eliminated within a reasonable degree of professional probability and, if verified, whether the sinkhole activity caused structural damage to the covered building, and if so, the need for and estimated costs of stabilizing the land and any covered structures or buildings and other appropriate remediation or necessary building structural repairs due to the sinkhole loss. The evaluator's report shall be sent to all parties in attendance at the neutral evaluation and to the department, within 14 days after completing the neutral evaluation conference.

(13) The recommendation of the neutral evaluator is not binding on any party, and the parties retain access to the court. The neutral evaluator's written recommendation, oral testimony, and full report shall be admitted is admissible in any subsequent action, litigation, or proceeding relating to the claim or to the cause of action giving rise to the claim.

(14) If the neutral evaluator first verifies the existence of a sinkhole that caused structural damage and, second, recommends the need for and

estimates costs of stabilizing the land and any covered structures or buildings and other appropriate remediation or building structural repairs, which ~~costs~~ exceed the amount that the insurer has offered to pay the policyholder, the insurer is liable to the policyholder for up to \$2,500 in attorney’s fees for the attorney’s participation in the neutral evaluation process. For purposes of this subsection, the term “offer to pay” means a written offer signed by the insurer or its legal representative and delivered to the policyholder within 10 days after the insurer receives notice that a request for neutral evaluation has been made under this section.

(15) If the insurer timely agrees in writing to comply and timely complies with the recommendation of the neutral evaluator, but the policyholder declines to resolve the matter in accordance with the recommendation of the neutral evaluator pursuant to this section:

(a) The insurer is not liable for extracontractual damages related to a claim for a sinkhole loss but only as related to the issues determined by the neutral evaluation process. This section does not affect or impair claims for extracontractual damages unrelated to the issues determined by the neutral evaluation process contained in this section; and

(b) The actions of the insurer are not a confession of judgment or admission of liability, and the insurer is not liable for attorney’s fees under s. 627.428 or other provisions of the insurance code unless the policyholder obtains a judgment that is more favorable than the recommendation of the neutral evaluator.

(16) If the insurer agrees to comply with the neutral evaluator’s report, payments shall be made in accordance with the terms and conditions of the applicable insurance policy pursuant to s. 627.707(5).

(17) Neutral evaluators are deemed to be agents of the department and have immunity from suit as provided in s. 44.107.

(18) The department shall adopt rules of procedure for the neutral evaluation process.

Section 28. Subsection (8) of section 627.711, Florida Statutes, is amended to read:
