An act relating to the Chief Financial Officer; creating s. 215.89, F.S.; providing legislative intent; providing definitions; requiring the Chief Financial Officer to conduct workshops with state agencies, local governments, educational entities, and entities of higher education to gather information pertaining to uniform reporting requirements; requiring the Chief Financial Officer to accept comments from state agencies, local governments, educational entities, entities of higher education, and interested parties regarding proposed charts of account by a certain date; requiring the Chief Financial Officer to submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives a report recommending a uniform charts of account which meet certain requirements by a certain date; requiring the report to include the estimated cost of adopting and implementing a uniform enterprise-wide charts of account; providing a declaration of important state interest; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 215.89, Florida Statutes, is created to read:

215.89 Charts of account.—

(1) LEGISLATIVE INTENT.—It is the intent of the Legislature that a mechanism be provided for obtaining detailed, uniform reporting of government financial information to enable citizens to view compatible information on the use of public funds by governmental entities. The Legislature intends that uniform reporting requirements be developed specifically to promote accountability and transparency in the use of public funds. In order to accommodate the different financial management systems currently in use, separate charts of account may be used as long as the financial information is captured and reported consistently and is compatible with any reporting entity.

(2) DEFINITIONS.—As used in this section, the term:

(a) “Charts of account” means a compilation of uniform data codes that are to be used for reporting governmental assets, liabilities, equities, revenues, and expenditures to the Chief Financial Officer. Uniform data codes shall capture specific details of the assets, liabilities, equities, revenues, and expenditures that are of interest to the public.

(b) “State agency” means an official, officer, commission, board, authority, council, committee, or department of the executive branch; a state attorney, public defender, criminal conflict and civil regional counsel, or
capital collateral regional counsel; the Florida Clerks of Court Operations Corporation; the Justice Administrative Commission; the Florida Housing Finance Corporation; the Florida Public Service Commission; the State Board of Administration; the Supreme Court or a district court of appeal, circuit court, or county court; or the Judicial Qualifications Commission.

(c) “Local government” means a municipality, county, water management district, special district, or any other entity created by a local government.

(d) “Educational entity” means a school district or an entity created by a school district.

(e) “Entity of higher education” means a state university, a state or Florida College System institution, or an entity created by a state university or state or Florida College System institution.

(f) “State and local government financial information” means the assets, liabilities, equities, revenues, and expenditure information that is recorded in financial management systems of state agencies, local governments, educational entities, and entities of higher education.

(3) REPORTING STRUCTURE.—

(a) Beginning October 1, 2011, the Chief Financial Officer shall conduct workshops with state agencies, local governments, educational entities, and entities of higher education to gather information pertaining to uniform statewide reporting requirements to be used to develop charts of account by the Chief Financial Officer. A draft proposed charts of account shall be provided by July 1, 2013, to the state agencies, local governments, educational entities, and entities of higher education.

(b) The Chief Financial Officer shall accept comments from state agencies, local governments, educational entities, entities of higher education, and other interested parties regarding the proposed charts of account until November 1, 2013.

(c) By January 15, 2014, the Chief Financial Officer, after consultation with affected state agencies, local governments, educational entities, entities of higher education, and the Auditor General, shall submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives a report recommending a uniform charts of account which requires specific enterprise-wide information related to revenues and expenditures of state agencies, local governments, educational entities, and entities of higher education. The report must include the estimated cost of adopting and implementing a uniform enterprise-wide charts of account.

Section 2. The Legislature finds that this act fulfills an important state interest.

Section 3. This act shall take effect July 1, 2011.
Approved by the Governor May 26, 2011.

Filed in Office Secretary of State May 26, 2011.
