916.3012 Mental competence to proceed.—

(1) A defendant whose suspected mental condition is intellectual disability ~~retardation~~ or autism is incompetent to proceed within the meaning of this chapter if the defendant does not have sufficient present ability to consult with the defendant’s lawyer with a reasonable degree of rational understanding or if the defendant has no rational, as well as factual, understanding of the proceedings against the defendant.

(2) Experts in intellectual disability ~~retardation~~ or autism appointed pursuant to s. 916.301 shall first consider whether the defendant meets the definition of intellectual disability ~~retardation~~ or autism and, if so, consider the factors related to the issue of whether the defendant meets the criteria for competence to proceed as described in subsection (1).

(4) If the experts ~~should~~ find that the defendant is incompetent to proceed, the experts shall report on any recommended training for the defendant to attain competence to proceed. In considering the issues relating to training, the examining experts shall specifically report on:

(a) The intellectual disability ~~retardation~~ or autism causing the incompetence;

(b) The training appropriate for the intellectual disability ~~retardation~~ or autism of the defendant and an explanation of each of the possible training alternatives in order of choices;

(c) The availability of acceptable training and, if training is available in the community, the expert shall so state in the report; and

(d) The likelihood of the defendant’s attaining competence under the training recommended, an assessment of the probable duration of the training required to restore competence, and the probability that the defendant will attain competence to proceed in the foreseeable future.

(a) The defendant has an intellectual disability ~~retardation~~ or autism;

(b) There is a substantial likelihood that in the near future the defendant will inflict serious bodily harm on himself or herself or another person, as evidenced by recent behavior causing, attempting, or threatening such harm;

(c) All available, less restrictive alternatives, including services provided in community residential facilities or other community settings, which would offer an opportunity for improvement of the condition have been judged to be inappropriate; and

(d) There is a substantial probability that the intellectual disability ~~retardation~~ or autism causing the defendant's incompetence will respond to training and the defendant will regain competency to proceed in the reasonably foreseeable future.

(2) ADMISSION TO A FACILITY.—

(a) A defendant who has been charged with a felony and who is found to be incompetent to proceed due to intellectual disability ~~retardation~~ or autism, and who meets the criteria for involuntary commitment to the agency under ~~the provisions of this chapter~~, shall be committed to the agency, and the agency shall retain and provide appropriate training for the defendant. ~~Within~~ No later than 6 months after the date of admission or at the end of any period of extended commitment or at any time the administrator or designee determines ~~shall have determined~~ that the defendant has regained competency to proceed or no longer meets the criteria for continued commitment, the administrator or designee shall file a report with the court pursuant to this chapter and the applicable Florida Rules of Criminal Procedure.

(b) A defendant determined to be incompetent to proceed due to intellectual disability ~~retardation~~ or autism may be ordered by a circuit court into a forensic facility designated by the agency for defendants who have an intellectual disability ~~mental retardation~~ or autism.

(3) PLACEMENT OF DUALY DIAGNOSED DEFENDANTS.—

(a) If a defendant has both an intellectual disability ~~mental retardation~~ or autism and has a mental illness, evaluations must address which condition is primarily affecting the defendant's competency to proceed. Referral of the defendant should be made to a civil or forensic facility most appropriate to address the symptoms that are the cause of the defendant's incompetence.

Section 34. Subsection (1) of section 916.3025, Florida Statutes, is amended to read:

916.3025 Jurisdiction of committing court.—

(1) The committing court shall retain jurisdiction in the case of any defendant found to be incompetent to proceed due to intellectual disability ~~retardation~~ or autism and ordered into a forensic facility designated by the agency for defendants who have intellectual disabilities ~~mental retardation~~ or autism. Section 35. Section 916.303, Florida Statutes, is amended to read:

916.303 Determination of incompetency due to ~~retardation or autism~~; dismissal of charges.—

(1) The charges against any defendant found to be incompetent to proceed due to intellectual disability ~~retardation~~ or autism shall be dismissed without prejudice to the state if the defendant remains incompetent to proceed within a reasonable time after such determination, not to exceed 2 years, unless the court in its order specifies its reasons for believing that the defendant will become competent to proceed within the foreseeable future and specifies the time within which the defendant is expected to become competent to proceed. The charges may be refiled by the state if the defendant is declared competent to proceed in the future.

(2) If the charges are dismissed and if the defendant is considered to lack sufficient capacity to give express and informed consent to a voluntary application for services and lacks the basic survival and self-care skills to provide for his or her well-being or is likely to physically injure himself or herself or others if allowed to remain at liberty, the agency, the state attorney, or the defendant’s attorney shall apply to the committing court to involuntarily admit the defendant to residential services pursuant to s. 393.11.

(3) If the defendant is considered to need involuntary residential services for reasons described in subsection (2) and, further, there is a substantial likelihood that the defendant will injure another person or continues to present a danger of escape, and all available less restrictive alternatives, including services in community residential facilities or other community settings, which would offer an opportunity for improvement of the condition have been judged to be inappropriate, the agency, the state attorney, or the defendant’s counsel may request the committing court to continue the defendant’s placement in a secure facility pursuant to this part. Any placement so continued ~~under this subsection~~ must be reviewed by the court at least annually at a hearing. The annual review and hearing must ~~shall~~ determine whether the defendant continues to meet the criteria described in this subsection and, if so, whether the defendant still requires involuntary placement in a secure facility and whether the defendant is receiving adequate care, treatment, habilitation, and rehabilitation, including psychotropic medication and behavioral programming. Notice of the annual review and review hearing shall be given to the state attorney and the defendant’s attorney. ~~In no instance may~~ A defendant’s placement in a secure facility may not exceed the maximum sentence for the crime for which the defendant was charged.

The committing criminal court may order a conditional release of any defendant to a civil facility in lieu of an involuntary commitment to a forensic facility pursuant to s. 916.302. Upon a recommendation that community-based training for the defendant is appropriate, a written plan for community-based training, including recommendations from qualified professionals, may be filed with the court, with copies to all parties. Such a plan may also be submitted by the defendant and filed with the court, with copies to all parties. The plan must include:

(a) Special provisions for residential care and adequate supervision of the defendant, including recommended location of placement.

(b) Recommendations for auxiliary services such as vocational training, psychological training, educational services, leisure services, and special medical care.

985.19 Incompetency in juvenile delinquency cases.—

(1) If, at any time prior to or during a delinquency case, the court has reason to believe that the child named in the petition may be incompetent to proceed with the hearing, the court on its own motion may, or on the motion

of the child's attorney or state attorney must, stay all proceedings and order an evaluation of the child's mental condition.

(e) For incompetency evaluations related to intellectual disability ~~mental retardation~~ or autism, the court shall order the Agency for Persons with Disabilities to examine the child to determine if the child meets the definition of "intellectual disability" "~~retardation~~" or "autism" in s. 393.063 and, if so, whether the child is competent to proceed with delinquency proceedings.

(2) A child who is adjudicated incompetent to proceed, and who has committed a delinquent act or violation of law, either of which would be a felony if committed by an adult, must be committed to the Department of Children and Family Services for treatment or training. A child who has been adjudicated incompetent to proceed because of age or immaturity, or for any reason other than for mental illness, intellectual disability, ~~or retardation~~ or autism, must not be committed to the department or to the Department of Children and Family Services for restoration-of-competency treatment or training services. 2. There is a substantial likelihood that in the near future the child will inflict serious bodily harm on self or others, as evidenced by recent behavior causing, attempting, or threatening such harm; and

(b) All available less restrictive alternatives, including treatment or training in community residential facilities or community settings which would offer an opportunity for improvement of the child's condition, are inappropriate.

(4) A child who is determined to have mental illness, intellectual disability ~~mental retardation~~, or autism, who has been adjudicated

incompetent to proceed, and who meets the criteria set forth in subsection (3), must be committed to the Department of Children and Family Services and receive treatment or training in a secure facility or program that is the least restrictive alternative consistent with public safety. Any placement of a child to a secure residential program must be separate from adult forensic programs. If the child attains competency, ~~then~~ custody, case management, and supervision of the child shall ~~will~~ be transferred to the department in order to continue delinquency proceedings; however, the court retains authority to order the Department of Children and Family Services to provide continued treatment or training to maintain competency.

(a) A child adjudicated incompetent due to intellectual disability ~~mental retardation~~ or autism may be ordered into a secure program or facility designated by the Department of Children and Family Services for children who have intellectual disabilities ~~with mental retardation~~ or autism.

(b) A child adjudicated incompetent due to mental illness may be ordered into a secure program or facility designated by the Department of Children and Family Services for children having mental illnesses.

(e) The service provider must file a written report with the court pursuant to the applicable Florida Rules of Juvenile Procedure within ~~not later than~~ 6 months after the date of commitment, or at the end of any period of extended treatment or training, and at any time the Department of Children and Family Services, through its service provider, determines the child has attained competency or no longer meets the criteria for secure placement, or at such shorter intervals as ordered by the court. A copy of a written report evaluating the child's competency must be filed by the provider with the court and with the state attorney, the child's attorney, the department, and the Department of Children and Family Services.

(6)(a) If a child is determined to have mental illness, intellectual disability ~~mental retardation~~, or autism and is found to be incompetent to proceed but does not meet the criteria set forth in subsection (3), the court shall commit the child to the Department of Children and Family Services and shall order the Department of Children and Family Services to provide appropriate treatment and training in the community. The purpose of the treatment or training is the restoration of the child's competency to proceed.

Section 50. Section 985.195, Florida Statutes, is amended to read:

985.195 Transfer to other treatment services.—Any child committed to the department may be transferred to intellectual disability ~~retardation~~,
