

## CHAPTER 2015-177

### Committee Substitute for Committee Substitute for House Bill No. 1055

An act relating to child protection; amending s. 39.2015, F.S.; providing requirements for the representation of Children's Medical Services on multiagency teams investigating certain child deaths or other serious incidents; amending s. 39.303, F.S.; requiring the Statewide Medical Director for Child Protection and the district medical directors to hold certain qualifications; requiring the Department of Health to approve a third-party credentialing entity to administer a credentialing program for district medical directors, contingent on appropriations; amending s. 458.3175, F.S.; providing that a physician who holds an expert witness certificate may provide expert testimony in criminal child abuse and neglect cases; amending s. 459.0066, F.S.; providing that an osteopathic physician who holds an expert witness certificate may provide expert testimony in criminal child abuse and neglect cases; amending ss. 39.301 and 827.03, F.S.; conforming provisions to changes made by the act; reenacting ss. 39.3031 and 391.026(2), F.S., relating to child protection teams, to incorporate the amendments made by the act to s. 39.303, F.S., in references thereto; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (3) of section 39.2015, Florida Statutes, is amended to read:

39.2015 Critical incident rapid response team.—

(3) Each investigation shall be conducted by a multiagency team of at least five professionals with expertise in child protection, child welfare, and organizational management. The team may consist of employees of the department, community-based care lead agencies, Children's Medical Services, and community-based care provider organizations; faculty from the institute consisting of public and private universities offering degrees in social work established pursuant to s. 1004.615; or any other person with the required expertise. The team shall include, at a minimum, a child protection team medical director. The majority of the team must reside in judicial circuits outside the location of the incident. The secretary shall appoint a team leader for each group assigned to an investigation.

Section 2. Section 39.303, Florida Statutes, is amended to read:

39.303 Child protection teams; services; eligible cases.—

(1) The Children's Medical Services Program in the Department of Health shall develop, maintain, and coordinate the services of one or more multidisciplinary child protection teams in each of the service districts of the

Department of Children and Families. Such teams may be composed of appropriate representatives of school districts and appropriate health, mental health, social service, legal service, and law enforcement agencies. The Department of Health and the Department of Children and Families shall maintain an interagency agreement that establishes protocols for oversight and operations of child protection teams and sexual abuse treatment programs. The State Surgeon General and the Deputy Secretary for Children's Medical Services, in consultation with the Secretary of Children and Families, shall maintain the responsibility for the screening, employment, and, if necessary, the termination of child protection team medical directors, at headquarters and in the 15 districts.

(2)(a) The Statewide Medical Director for Child Protection must be a physician licensed under chapter 458 or chapter 459 who is a board-certified pediatrician with a subspecialty certification in child abuse from the American Board of Pediatrics.

(b) Each district medical director must be a physician licensed under chapter 458 or chapter 459 who is a board-certified pediatrician and, within 4 years after the date of his or her employment as a district medical director, either obtain a subspecialty certification in child abuse from the American Board of Pediatrics or meet the minimum requirements established by a third-party credentialing entity recognizing a demonstrated specialized competence in child abuse pediatrics pursuant to paragraph (d). Each district medical director employed on July 1, 2015, must, within 4 years, either obtain a subspecialty certification in child abuse from the American Board of Pediatrics or meet the minimum requirements established by a third-party credentialing entity recognizing a demonstrated specialized competence in child abuse pediatrics pursuant to paragraph (d). Child protection team medical directors shall be responsible for oversight of the teams in the districts.

(c) All medical personnel participating on a child protection team must successfully complete the required child protection team training curriculum as set forth in protocols determined by the Deputy Secretary for Children's Medical Services and the Statewide Medical Director for Child Protection.

(d) Contingent on appropriations, the Department of Health shall approve one or more third-party credentialing entities for the purpose of developing and administering a professional credentialing program for district medical directors. Within 90 days after receiving documentation from a third-party credentialing entity, the department shall approve a third-party credentialing entity that demonstrates compliance with the following minimum standards:

1. Establishment of child abuse pediatrics core competencies, certification standards, testing instruments, and recertification standards according to national psychometric standards.

2. Establishment of a process to administer the certification application, award, and maintenance processes according to national psychometric standards.

3. Demonstrated ability to administer a professional code of ethics and disciplinary process that applies to all certified persons.

4. Establishment of, and ability to maintain, a publicly accessible Internet-based database that contains information on each person who applies for and is awarded certification, such as the person’s first and last name, certification status, and ethical or disciplinary history.

5. Demonstrated ability to administer biennial continuing education and certification renewal requirements.

6. Demonstrated ability to administer an education provider program to approve qualified training entities and to provide precertification training to applicants and continuing education opportunities to certified professionals.

(3)(4) The Department of Health shall use and convene the teams to supplement the assessment and protective supervision activities of the family safety and preservation program of the Department of Children and Families. This section does not remove or reduce the duty and responsibility of any person to report pursuant to this chapter all suspected or actual cases of child abuse, abandonment, or neglect or sexual abuse of a child. The role of the teams shall be to support activities of the program and to provide services deemed by the teams to be necessary and appropriate to abused, abandoned, and neglected children upon referral. The specialized diagnostic assessment, evaluation, coordination, consultation, and other supportive services that a child protection team shall be capable of providing include, but are not limited to, the following:

(a) Medical diagnosis and evaluation services, including provision or interpretation of X rays and laboratory tests, and related services, as needed, and documentation of related findings.

(b) Telephone consultation services in emergencies and in other situations.

(c) Medical evaluation related to abuse, abandonment, or neglect, as defined by policy or rule of the Department of Health.

(d) Such psychological and psychiatric diagnosis and evaluation services for the child or the child’s parent or parents, legal custodian or custodians, or other caregivers, or any other individual involved in a child abuse, abandonment, or neglect case, as the team may determine to be needed.

(e) Expert medical, psychological, and related professional testimony in court cases.

(f) Case staffings to develop treatment plans for children whose cases have been referred to the team. A child protection team may provide consultation with respect to a child who is alleged or is shown to be abused, abandoned, or neglected, which consultation shall be provided at the request of a representative of the family safety and preservation program or at the request of any other professional involved with a child or the child's parent or parents, legal custodian or custodians, or other caregivers. In every such child protection team case staffing, consultation, or staff activity involving a child, a family safety and preservation program representative shall attend and participate.

(g) Case service coordination and assistance, including the location of services available from other public and private agencies in the community.

(h) Such training services for program and other employees of the Department of Children and Families, employees of the Department of Health, and other medical professionals as is deemed appropriate to enable them to develop and maintain their professional skills and abilities in handling child abuse, abandonment, and neglect cases.

(i) Educational and community awareness campaigns on child abuse, abandonment, and neglect in an effort to enable citizens more successfully to prevent, identify, and treat child abuse, abandonment, and neglect in the community.

(j) Child protection team assessments that include, as appropriate, medical evaluations, medical consultations, family psychosocial interviews, specialized clinical interviews, or forensic interviews.

~~All medical personnel participating on a child protection team must successfully complete the required child protection team training curriculum as set forth in protocols determined by the Deputy Secretary for Children's Medical Services and the Statewide Medical Director for Child Protection. A child protection team that is evaluating a report of medical neglect and assessing the health care needs of a medically complex child shall consult with a physician who has experience in treating children with the same condition.~~

~~(4)(2)~~ The child abuse, abandonment, and neglect reports that must be referred by the department to child protection teams of the Department of Health for an assessment and other appropriate available support services as set forth in subsection (3) ~~(1)~~ must include cases involving:

(a) Injuries to the head, bruises to the neck or head, burns, or fractures in a child of any age.

(b) Bruises anywhere on a child 5 years of age or under.

(c) Any report alleging sexual abuse of a child.

(d) Any sexually transmitted disease in a prepubescent child.

- (e) Reported malnutrition of a child and failure of a child to thrive.
- (f) Reported medical neglect of a child.
- (g) Any family in which one or more children have been pronounced dead on arrival at a hospital or other health care facility, or have been injured and later died, as a result of suspected abuse, abandonment, or neglect, when any sibling or other child remains in the home.
- (h) Symptoms of serious emotional problems in a child when emotional or other abuse, abandonment, or neglect is suspected.

~~(5)~~<sup>(3)</sup> All abuse and neglect cases transmitted for investigation to a district by the hotline must be simultaneously transmitted to the Department of Health child protection team for review. For the purpose of determining whether face-to-face medical evaluation by a child protection team is necessary, all cases transmitted to the child protection team which meet the criteria in subsection ~~(4)~~ <sup>(2)</sup> must be timely reviewed by:

- (a) A physician licensed under chapter 458 or chapter 459 who holds board certification in pediatrics and is a member of a child protection team;
- (b) A physician licensed under chapter 458 or chapter 459 who holds board certification in a specialty other than pediatrics, who may complete the review only when working under the direction of a physician licensed under chapter 458 or chapter 459 who holds board certification in pediatrics and is a member of a child protection team;
- (c) An advanced registered nurse practitioner licensed under chapter 464 who has a specialty in pediatrics or family medicine and is a member of a child protection team;
- (d) A physician assistant licensed under chapter 458 or chapter 459, who may complete the review only when working under the supervision of a physician licensed under chapter 458 or chapter 459 who holds board certification in pediatrics and is a member of a child protection team; or
- (e) A registered nurse licensed under chapter 464, who may complete the review only when working under the direct supervision of a physician licensed under chapter 458 or chapter 459 who holds certification in pediatrics and is a member of a child protection team.

~~(6)~~<sup>(4)</sup> A face-to-face medical evaluation by a child protection team is not necessary when:

- (a) The child was examined for the alleged abuse or neglect by a physician who is not a member of the child protection team, and a consultation between the child protection team board-certified pediatrician, advanced registered nurse practitioner, physician assistant working under the supervision of a child protection team board-certified pediatrician, or registered nurse working under the direct supervision of a child protection

team board-certified pediatrician, and the examining physician concludes that a further medical evaluation is unnecessary;

(b) The child protective investigator, with supervisory approval, has determined, after conducting a child safety assessment, that there are no indications of injuries as described in paragraphs ~~(4)(a)-(h)~~ ~~(2)(a)-(h)~~ as reported; or

(c) The child protection team board-certified pediatrician, as authorized in subsection ~~(5)~~ ~~(3)~~, determines that a medical evaluation is not required.

Notwithstanding paragraphs (a), (b), and (c), a child protection team pediatrician, as authorized in subsection ~~(5)~~ ~~(3)~~, may determine that a face-to-face medical evaluation is necessary.

~~(7)(5)~~ In all instances in which a child protection team is providing certain services to abused, abandoned, or neglected children, other offices and units of the Department of Health, and offices and units of the Department of Children and Families, shall avoid duplicating the provision of those services.

~~(8)(6)~~ The Department of Health child protection team quality assurance program and the Family Safety Program Office of the Department of Children and Families shall collaborate to ensure referrals and responses to child abuse, abandonment, and neglect reports are appropriate. Each quality assurance program shall include a review of records in which there are no findings of abuse, abandonment, or neglect, and the findings of these reviews shall be included in each department's quality assurance reports.

Section 3. Paragraph (c) is added to subsection (2) of section 458.3175, Florida Statutes, to read:

458.3175 Expert witness certificate.—

(2) An expert witness certificate authorizes the physician to whom the certificate is issued to do only the following:

(c) Provide expert testimony in criminal child abuse and neglect cases in this state.

Section 4. Paragraph (c) is added to subsection (2) of section 459.0066, Florida Statutes, to read:

459.0066 Expert witness certificate.—

(2) An expert witness certificate authorizes the physician to whom the certificate is issued to do only the following:

(c) Provide expert testimony in criminal child abuse and neglect cases in this state.

Section 5. Paragraph (c) of subsection (14) of section 39.301, Florida Statutes, is amended to read:

39.301 Initiation of protective investigations.—

(14)

(c) The department, in consultation with the judiciary, shall adopt by rule:

1. Criteria that are factors requiring that the department take the child into custody, petition the court as provided in this chapter, or, if the child is not taken into custody or a petition is not filed with the court, conduct an administrative review. Such factors must include, but are not limited to, noncompliance with a safety plan or the case plan developed by the department, and the family under this chapter, and prior abuse reports with findings that involve the child, the child’s sibling, or the child’s caregiver.

2. Requirements that if after an administrative review the department determines not to take the child into custody or petition the court, the department shall document the reason for its decision in writing and include it in the investigative file. For all cases that were accepted by the local law enforcement agency for criminal investigation pursuant to subsection (2), the department must include in the file written documentation that the administrative review included input from law enforcement. In addition, for all cases that must be referred to child protection teams pursuant to s. 39.303(4) and (5) ~~39.303(2) and (3)~~, the file must include written documentation that the administrative review included the results of the team’s evaluation.

Section 6. Paragraphs (a) and (b) of subsection (3) of section 827.03, Florida Statutes, are amended to read:

827.03 Abuse, aggravated abuse, and neglect of a child; penalties.—

(3) EXPERT TESTIMONY.—

(a) Except as provided in paragraph (b), a physician may not provide expert testimony in a criminal child abuse case unless the physician is a physician licensed under chapter 458 or chapter 459 or has obtained certification as an expert witness pursuant to s. 458.3175 or s. 459.0066.

(b) A physician may not provide expert testimony in a criminal child abuse case regarding mental injury unless the physician is a physician licensed under chapter 458 or chapter 459 who has completed an accredited residency in psychiatry or has obtained certification as an expert witness pursuant to s. 458.3175 or s. 459.0066.

Section 7. For the purpose of incorporating the amendments made by this act to section 39.303, Florida Statutes, in a reference thereto, section 39.3031, Florida Statutes, is reenacted to read:

39.3031 Rules for implementation of s. 39.303.—The Department of Health, in consultation with the Department of Children and Families, shall adopt rules governing the child protection teams pursuant to s. 39.303, including definitions, organization, roles and responsibilities, eligibility, services and their availability, qualifications of staff, and a waiver-request process.

Section 8. For the purpose of incorporating the amendments made by this act to section 39.303, Florida Statutes, in a reference thereto, subsection (2) of section 391.026, Florida Statutes, is reenacted to read:

391.026 Powers and duties of the department.—The department shall have the following powers, duties, and responsibilities:

(2) To provide services to abused and neglected children through child protection teams pursuant to s. 39.303.

Section 9. This act shall take effect July 1, 2015.

Approved by the Governor June 16, 2015.

Filed in Office Secretary of State June 16, 2015.
