Be It Enacted by the Legislature of the State of Florida:

Section 1. This act constitutes the unified charter of the North Collier Fire Control and Rescue District, Collier County, which was created on January 1, 2015, through the voluntary merger of the Big Corkscrew Island Fire Control and Rescue District and the North Naples Fire Control and Rescue District approved at referendum by the electors of each district on November 4, 2014. It is the intent of the Legislature to provide a single, comprehensive special act charter for the district, including all current legislative authority granted to the Big Corkscrew Island Fire Control and Rescue District and the North Naples Fire Control and Rescue District by its several legislative enactments, including the authority to annually assess

and levy against the taxable property within the district and to conform the charter to chapter 191, Florida Statutes, the Independent Special Fire Control District Act, and other provisions of general law.

Section 2. All of the incorporated lands in Collier County described in section 3 of the charter shall be incorporated into the district under the name of the North Collier Fire Control and Rescue District. The district is an independent special fire control and rescue district in Collier County. It is organized and exists for all purposes and shall hold all powers set forth in this act and chapters 189 and 191, Florida Statutes. The charter may be amended only by special act of the Legislature.

Section 3. The charter for the North Collier Fire Control and Rescue District is created to read:

Section 1. Preamble.—

(1) This act establishes a charter for the North Collier Fire Control and Rescue District (“district”), an independent special district in Collier County that was created on January 1, 2015, through the voluntary merger of the Big Corkscrew Island Fire Control and Rescue District and the North Naples Fire Control and Rescue District, which was approved at referendum on November 4, 2014.

(2) This act supersedes and repeals all previous special acts relating to the Big Corkscrew Island Fire Control and Rescue District and the North Naples Fire Control and Rescue District and sets forth within this charter those matters, as applicable, which are covered by such previous special acts. Amendments to this charter may be made only by special act of the Legislature. This act shall be construed so as to preserve all powers previously granted to the district.

(3) The district is organized and exists for all purposes set forth in this act and chapter 191, Florida Statutes.

(4) There shall be a service delivery area within the district that corresponds to the boundaries of each of the independent special fire control and rescue districts, otherwise known as component independent special districts.

Section 2. District name.—

(1) The name of the district shall be the “North Collier Fire Control and Rescue District.”

(2) The district shall be an independent special district of the State of Florida and a body corporate and politic.

Section 3. Boundaries.—

Hereinafter referred to as the “North Naples Service Delivery Area”

(2) Chapter 171, Florida Statutes, applies to all annexations by a  
municipality within the district’s boundaries.

(3) Additional lands shall be included in the district only upon amend-  
ment of subsection (1). Subsection (1) may be amended only by special act,  
and such amendment shall only become effective upon approval of the  
inclusion of such additional lands in the district by a majority of the qualified  
electors residing in the area proposed to be included voting in a special  
election called for such purpose.

#### Section 4. Powers of the district.—

(1) The district is authorized to establish, equip, operate, and maintain a  
fire department and rescue squad within the district and may buy, lease, sell,  
exchange, or otherwise acquire and dispose of firefighting and rescue  
equipment and other property, real, personal, or mixed, that it may from  
time to time deem necessary to prevent and extinguish fires or provide rescue  
services. This shall include, but is not limited to, the authority to hire and fire  
necessary firefighters and other personnel; to provide water, water supply,  
water stations, and other necessary buildings; to accept gifts or donations of  
equipment or money for the use of the district; to provide fire hydrants or  
other types of water supply, buildings for housing fire equipment and  
personnel, training facilities for fire and rescue, and other buildings deemed  
necessary by the district board to provide adequate protection from  
unwanted fire and to carry out rescue operations; and to do all things  
necessary to provide adequate water supply, fire prevention, and proper fire  
protection for the district. Recognizing that the dramatically increasing  
housing costs in Collier County may have a detrimental impact on the ability  
to hire and retain personnel needed for the provision of fire protection  
services to district residents, the district is authorized also to provide

housing or housing assistance for its employed personnel, with use of such funds being deemed to be in the public interest. In addition, the district is authorized to extend its services beyond the district boundaries, provided it is in cooperation with another governmental entity, whether federal, state, county, municipal, or special district.

(2) The district is authorized to provide a paid staff to carry out its responsibilities. Such staff shall serve at the pleasure of the district board.

(3) The district may establish and maintain emergency medical and rescue response services consistent with s. 191.008(1), Florida Statutes, chapter 401, Florida Statutes, and any certificate of public convenience and necessity or its equivalent issued thereunder.

(4) In addition to any other power to borrow money as may be provided by this charter or by general law, the district may borrow sufficient funds to provide for 3 months' operating expenses, with such loan to be repaid from anticipated revenues.

(5) The district is authorized to inspect and investigate all property for fire hazards. The district board, by resolution duly adopted, may assess fees for fire inspection and maintenance and replacement of hydrants in an amount reasonably related to the cost thereof and may adopt provisions creating a lien or providing for civil enforcement of such assessments.

(6) The district is authorized to adopt rules and regulations for the prevention of fire and for fire control in the district, which shall have the same force and effect as law 10 days after copies thereof executed by the chair and secretary of the board have been posted in at least three places.

(7) The district shall have all powers and duties granted by this charter and chapters 189 and 191, Florida Statutes.

#### Section 5. Governing board.—

(1) The business and affairs of the district shall be conducted and administered by a board of fire commissioners elected pursuant to chapter 191, Florida Statutes, by the electors of the district in a nonpartisan election held at the time and in the manner prescribed for holding general elections in s. 189.04, Florida Statutes. Except as expressly provided in this charter, each member of the board shall be elected for a term of 4 years and shall serve until his or her successor assumes office.

(2)(a) The office of each board member is designated as a seat on the board, distinguished from each of the other seats by a numeral. Each candidate must designate, at the time he or she qualifies, the seat on the board for which he or she is qualifying. The name of each candidate who qualifies shall be included on the ballot in a way that clearly indicates the seat for which he or she is a candidate. The candidate for each seat who receives the most votes shall be elected to the board. The cost of such elections shall be paid from funds of the district.

(b) As of January 1, 2015, the effective date of the merger, the district is governed by an eight-member board of fire commissioners, which consists of the boards of fire commissioners of the Big Corkscrew Island Fire Control and Rescue District and the North Naples Fire Control and Rescue District. The eight commissioners shall serve until the governing body members elected at the next general election take office.

(c) In the 2016 general election, the board of fire commissioners shall be reduced to five members. Seat 1 shall be elected from the Big Corkscrew Island Service Delivery Area, with each candidate for such seat being required to be a qualified elector residing in the Big Corkscrew Island Service Delivery Area and being elected from only those electors of that service delivery area. Seat 3 shall be elected from the North Naples Service Delivery Area, with each candidate for such seat being required to be a qualified elector residing in the North Naples Service Delivery Area and being elected from only those electors of that service delivery area. Seats 2, 4, and 5 shall be elected as at-large seats for the merged district as a whole. The commissioners holding seats 1, 3, and 5 shall have initial terms that expire in November 2020. Commissioners holding seats 2 and 4 shall have initial terms that expire in November 2018.

(d) In the 2020 general election, seats 1 and 3 shall be elected as at-large seats for the district as a whole, and the requirements to reside within and be elected from the specified service delivery area as provided for in paragraph (c) are eliminated.

(3) In accordance with chapter 191, Florida Statutes, each member of the board must be a qualified elector at the time he or she qualifies and continually throughout his or her term.

(4) Each elected member shall assume office 10 days after the member's election. Within 60 days after the newly elected members have taken office, the board shall meet and elect from its membership a chair, vice chair, secretary, and treasurer. The positions of secretary and treasurer may be held by one member.

(5) In accordance with s. 191.005, Florida Statutes, each member of the board may be paid, from the funds of the district, a salary or honorarium for his or her services in an amount not to exceed \$500 per month. If applicable, the secretary-treasurer may be paid an additional sum for his or her services so long as the total compensation does not exceed \$500 per month. In addition, members may be reimbursed for travel and per diem expenses as provided in s. 112.061, Florida Statutes.

(6) If a vacancy occurs on the board due to the resignation, death, or removal of a board member or the failure of anyone to qualify for a board seat, the remaining members may appoint a qualified person to fill the seat until the next general election, at which time an election shall be held to fill the vacancy for the remaining term, if any. The board shall remove any member who has three consecutive, unexcused absences from regularly scheduled

meetings. The board shall adopt policies by resolution defining excused and unexcused absences.

(7) The procedures for conducting district elections or referenda and for qualification of electors shall be pursuant to chapters 189 and 191, Florida Statutes.

(8) The board shall have those administrative duties set forth in this charter and chapters 189 and 191, Florida Statutes.

(9) A quorum of the board shall be a majority of its members. In order to take official action, an affirmative vote of a majority of those voting members present shall be required.

Section 6. Finances.—

(1) The district shall hold all powers, functions, and duties set forth in chapters 189 and 191, Florida Statutes, regarding ad valorem taxation, bond issuance, other revenue raising capabilities, budget preparation and approval, liens and foreclosure of liens, use of tax deeds and tax certificates as appropriate for non-ad valorem assessments, and contractual agreements. The district may be financed by any method established in this charter, chapter 189 or chapter 191, Florida Statutes, or any other applicable general or special law.

(2)(a) The district shall levy and collect ad valorem taxes in accordance with s. 191.009, Florida Statutes, and chapter 200, Florida Statutes. The taxes levied and assessed by the district shall be a lien upon the land so assessed along with the county taxes assessed against such land until such assessments and taxes have been paid, and if the taxes levied by the district become delinquent, such taxes shall be considered a part of the county tax subject to the same penalties, charges, fees, and remedies for enforcement and collection and shall be enforced and collected as provided by general law for the collection of such taxes.

(b) Each service delivery area shall be a separate taxing unit. The district is authorized to levy a millage rate up to 1 mill in the North Naples Service Delivery Area and up to 3.75 mills in the Big Corkscrew Island Service Delivery Area, subject to section 7.

(3)(a) The board shall annually prepare, consider, and adopt a district budget pursuant to the applicable requirements of chapters 189 and 191, Florida Statutes. The fiscal year shall be from October 1 through September 30. The budget shall state the purpose for which the money is required and the amount necessary to be raised by taxation within the district. Such budget and proposed millage rate shall be noticed, heard, and adopted in accordance with chapters 189, 192, and 200, Florida Statutes.

(b) The budget of the district shall be comprised of separate budgets of the Big Corkscrew Island Service Delivery Area and the North Naples Service Delivery Area until such time as there is one millage rate levied

districtwide and the taxing subunits have been eliminated. Until such time, a cost allocation methodology shall be used and there shall be separate budgets and cash reserves for each service delivery area. The budgets will be administered and reported, and the financial reporting will continue individually as required by s. 189.074, Florida Statutes, as separate subunits until there is one millage rate levied districtwide and the taxing subunits have been eliminated.

(4) The district is authorized to continue or conclude procedures under chapter 200, Florida Statutes, on behalf of the Big Corkscrew Island Service Delivery Area and the North Naples Service Delivery Area. The district shall make the calculations required by chapter 200, Florida Statutes, for each service delivery area separately.

(5) All warrants for the payment of labor, equipment, materials, and other allowable expenses incurred by the district board in carrying out this charter shall be payable on accounts and vouchers approved by the district board.

(6) The methods for assessing and collecting non-ad valorem assessments, fees, or service charges shall be as set forth in this charter and chapter 170, chapter 189, chapter 191, or chapter 197, Florida Statutes.

(7) The district shall have the power to issue general obligation bonds, assessment bonds, bond anticipation notes, notes, or certificates or other evidences of indebtedness ("bonds") pledging the full faith, credit, and taxing power of the district for capital projects consistent with the purposes of the district in accordance with s. 191.012, Florida Statutes, and other applicable general law.

(8)(a) The district is authorized to charge and collect impact fees for capital improvements on new construction within the district as prescribed in chapter 191, Florida Statutes, or any other applicable general law.

(b) The district shall comply with ss. 163.31801 and 191.009(4), Florida Statutes, in its collection and use of impact fees. New facilities and equipment shall be as provided for in s. 191.009(4), Florida Statutes.

(c) The district is authorized to enter into agreements regarding the collection of impact fees.

#### Section 7. Elections.—

(1) When a referendum or special election is required under this charter, the district shall reimburse the county for the costs of such election.

(2) The procedures for conducting any district elections or referenda required and the qualifications of an elector of the district shall be as set forth in chapters 189 and 191, Florida Statutes.

Section 8. Eminent domain.—The district is authorized to exercise the power of eminent domain, pursuant to chapters 73, 74, and 191, Florida Statutes, over any property located within the district, except municipal, county, state, and federal property, for the purpose of acquiring property for the location of fire stations. The location and construction of fire stations shall comply with applicable Collier County ordinances.

Section 9. Miscellaneous.—

(1) All contracts, obligations, rules, resolutions, or policies of any nature existing on effective date of this charter shall remain in full force and effect, and this act shall in no way affect the validity of such contracts, obligations, rules, resolutions, or policies.

(2) This act does not affect the terms of office of the present district board, except as provided for in section 5, nor does it affect the terms and conditions of employment of any employee of the district except for the elimination of chief officer positions as identified in the endorsed merger plan that was approved by the Boards of Fire Commissioners of the North Naples Fire Control and Rescue District and the Big Corkscrew Island Fire Control and Rescue District on August 14, 2014.

(3) Requirements for financial disclosure, meeting notices, reporting, public records maintenance, and planning shall be as set forth in chapters 189, 191, and 286, Florida Statutes.

(4) The district shall exist until the Legislature approves a special act providing for its dissolution, and such special act is contingent upon approval at referendum by the electors of the district.

(5) The district's property and assets are exempt from taxation pursuant to s. 191.007, Florida Statutes.

(6)(a) The district and its officers, agents, and employees shall have the same immunity from tort liability as other agencies and subdivisions of the state. Chapter 768, Florida Statutes, applies to all claims asserted against the district.

(b) The district commissioners and all officers, agents, and employees of the district shall have the same immunity and exemption from personal liability as provided in chapter 768, Florida Statutes.

(c) In accordance with chapter 768, Florida Statutes, the district shall defend all claims against the district commissioners and officers, agents, and employees of the district which arise within the scope of employment or purposes of the district and shall pay all judgments against such persons, except where such persons acted in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety, or property.

Section 4. Liberal construction.—This act shall be liberally construed in order to effectively carry out the purposes of this act in the interest of the public health, welfare, and safety of the citizens served by the district.

Section 5. Conflict.—In the event of a conflict of any provision of this act with the provisions of any other act, the provisions of this act shall control to the extent of such conflict.

Section 6. Determination of millage.—The district shall maintain the authority to levy a millage rate up to 3.75 mills within the Big Corkscrew Island Service Delivery Area that was previously approved by referendum in the Big Corkscrew Island Fire Control and Rescue District as required by the State Constitution and chapter 191, Florida Statutes. The maximum millage rate within the Big Corkscrew Island Service Delivery Area may only increase upon approval at a referendum as required by the State Constitution and this act. The district shall maintain the authority to levy a millage rate up to 1 mill within the North Naples Service Delivery Area that was previously approved by referendum in the North Naples Fire Control and Rescue District as required by the State Constitution and chapter 191, Florida Statutes. The maximum millage rate approved within the North Naples Service Delivery Area may only increase upon approval at a referendum as required by the State Constitution and this act. The district is authorized to continue or conclude procedures under chapter 200, Florida Statutes, on behalf of the component independent special districts. As the district desires to have an equalized ad valorem millage rate districtwide as long as the revenues and reserves of one taxing subunit, otherwise known as a service delivery area or a component independent special district, are not subsidizing the other taxing subunit, the district shall reduce the ad valorem millage rate within the Big Corkscrew Island Service Delivery Area taxing subunit once the general fund revenues of that taxing subunit are sufficient to meet that subunit's general fund budgeted expenses without using its reserve funds.

Section 7. Chapters 99-450, 2000-395, and 2006-353, Laws of Florida, are repealed.

Section 8. This act shall take effect upon becoming a law.

Approved by the Governor June 10, 2015.

Filed in Office Secretary of State June 10, 2015.
