Section 2. For the purpose of incorporating the amendment made by this act to section 893.03, Florida Statutes, in references thereto, paragraphs (a) and (g) of subsection (30) of section 39.01, Florida Statutes, are reenacted to read:

39.01 Definitions.—When used in this chapter, unless the context otherwise requires:

(30) “Harm” to a child’s health or welfare can occur when any person:

(a) Inflicts or allows to be inflicted upon the child physical, mental, or emotional injury. In determining whether harm has occurred, the following factors must be considered in evaluating any physical, mental, or emotional injury to a child: the age of the child; any prior history of injuries to the child; the location of the injury on the body of the child; the multiplicity of the injury; and the type of trauma inflicted. Such injury includes, but is not limited to:

1. Willful acts that produce the following specific injuries:
 - a. Sprains, dislocations, or cartilage damage.
 - b. Bone or skull fractures.
 - c. Brain or spinal cord damage.
 - d. Intracranial hemorrhage or injury to other internal organs.
 - e. Asphyxiation, suffocation, or drowning.
 - f. Injury resulting from the use of a deadly weapon.
 - g. Burns or scalding.
 - h. Cuts, lacerations, punctures, or bites.
 - i. Permanent or temporary disfigurement.
 - j. Permanent or temporary loss or impairment of a body part or function.

As used in this subparagraph, the term “willful” refers to the intent to perform an action, not to the intent to achieve a result or to cause an injury.

2. Purposely giving a child poison, alcohol, drugs, or other substances that substantially affect the child’s behavior, motor coordination, or judgment or that result in sickness or internal injury. For the purposes of this subparagraph, the term “drugs” means prescription drugs not prescribed for the child or not administered as prescribed, and controlled substances as outlined in Schedule I or Schedule II of s. 893.03.

3. Leaving a child without adult supervision or arrangement appropriate for the child’s age or mental or physical condition, so that the child is unable to care for the child’s own needs or another’s basic needs or is unable to exercise good judgment in responding to any kind of physical or emotional crisis.

4. Inappropriate or excessively harsh disciplinary action that is likely to result in physical injury, mental injury as defined in this section, or emotional injury. The significance of any injury must be evaluated in light of the following factors: the age of the child; any prior history of injuries to the child; the location of the injury on the body of the child; the multiplicity of the injury; and the type of trauma inflicted. Corporal discipline may be

considered excessive or abusive when it results in any of the following or other similar injuries:

- a. Sprains, dislocations, or cartilage damage.
- b. Bone or skull fractures.
- c. Brain or spinal cord damage.
- d. Intracranial hemorrhage or injury to other internal organs.
- e. Asphyxiation, suffocation, or drowning.
- f. Injury resulting from the use of a deadly weapon.
- g. Burns or scalding.
- h. Cuts, lacerations, punctures, or bites.
- i. Permanent or temporary disfigurement.
- j. Permanent or temporary loss or impairment of a body part or function.
- k. Significant bruises or welts.

(g) Exposes a child to a controlled substance or alcohol. Exposure to a controlled substance or alcohol is established by:

1. A test, administered at birth, which indicated that the child’s blood, urine, or meconium contained any amount of alcohol or a controlled substance or metabolites of such substances, the presence of which was not the result of medical treatment administered to the mother or the newborn infant; or

2. Evidence of extensive, abusive, and chronic use of a controlled substance or alcohol by a parent when the child is demonstrably adversely affected by such usage.

As used in this paragraph, the term “controlled substance” means prescription drugs not prescribed for the parent or not administered as prescribed and controlled substances as outlined in Schedule I or Schedule II of s. 893.03.

Section 3. For the purpose of incorporating the amendment made by this act to section 893.03, Florida Statutes, in a reference thereto, subsection (5) of section 316.193, Florida Statutes, is reenacted to read:

316.193 Driving under the influence; penalties.—

(5) The court shall place all offenders convicted of violating this section on monthly reporting probation and shall require completion of a substance abuse course conducted by a DUI program licensed by the department under

s. 322.292, which must include a psychosocial evaluation of the offender. If the DUI program refers the offender to an authorized substance abuse treatment provider for substance abuse treatment, in addition to any sentence or fine imposed under this section, completion of all such education, evaluation, and treatment is a condition of reporting probation. The offender shall assume reasonable costs for such education, evaluation, and treatment. The referral to treatment resulting from a psychosocial evaluation shall not be waived without a supporting independent psychosocial evaluation conducted by an authorized substance abuse treatment provider appointed by the court, which shall have access to the DUI program's psychosocial evaluation before the independent psychosocial evaluation is conducted. The court shall review the results and recommendations of both evaluations before determining the request for waiver. The offender shall bear the full cost of this procedure. The term "substance abuse" means the abuse of alcohol or any substance named or described in Schedules I through V of s. 893.03. If an offender referred to treatment under this subsection fails to report for or complete such treatment or fails to complete the DUI program substance abuse education course and evaluation, the DUI program shall notify the court and the department of the failure. Upon receipt of the notice, the department shall cancel the offender's driving privilege, notwithstanding the terms of the court order or any suspension or revocation of the driving privilege. The department may temporarily reinstate the driving privilege on a restricted basis upon verification from the DUI program that the offender is currently participating in treatment and the DUI education course and evaluation requirement has been completed. If the DUI program notifies the department of the second failure to complete treatment, the department shall reinstate the driving privilege only after notice of completion of treatment from the DUI program. The organization that conducts the substance abuse education and evaluation may not provide required substance abuse treatment unless a waiver has been granted to that organization by the department. A waiver may be granted only if the department determines, in accordance with its rules, that the service provider that conducts the substance abuse education and evaluation is the most appropriate service provider and is licensed under chapter 397 or is exempt from such licensure. A statistical referral report shall be submitted quarterly to the department by each organization authorized to provide services under this section.

Section 4. For the purpose of incorporating the amendment made by this act to section 893.03, Florida Statutes, in a reference thereto, paragraph (c) of subsection (2) of section 322.2616, Florida Statutes, is reenacted to read:

322.2616 Suspension of license; persons under 21 years of age; right to review.—

(2)

(c) When a driver subject to this section has a blood-alcohol or breath-alcohol level of 0.05 or higher, the suspension shall remain in effect until such time as the driver has completed a substance abuse course offered by a DUI

program licensed by the department. The driver shall assume the reasonable costs for the substance abuse course. As part of the substance abuse course, the program shall conduct a substance abuse evaluation of the driver, and notify the parents or legal guardians of drivers under the age of 19 years of the results of the evaluation. The term “substance abuse” means the abuse of alcohol or any substance named or described in Schedules I through V of s. 893.03. If a driver fails to complete the substance abuse education course and evaluation, the driver license shall not be reinstated by the department.

Section 5. For the purpose of incorporating the amendment made by this act to section 893.03, Florida Statutes, in a reference thereto, subsection (5) of section 327.35, Florida Statutes, is reenacted to read:

327.35 Boating under the influence; penalties; “designated drivers.”—

(5) In addition to any sentence or fine, the court shall place any offender convicted of violating this section on monthly reporting probation and shall require attendance at a substance abuse course specified by the court; and the agency conducting the course may refer the offender to an authorized service provider for substance abuse evaluation and treatment, in addition to any sentence or fine imposed under this section. The offender shall assume reasonable costs for such education, evaluation, and treatment, with completion of all such education, evaluation, and treatment being a condition of reporting probation. Treatment resulting from a psychosocial evaluation may not be waived without a supporting psychosocial evaluation conducted by an agency appointed by the court and with access to the original evaluation. The offender shall bear the cost of this procedure. The term “substance abuse” means the abuse of alcohol or any substance named or described in Schedules I-V of s. 893.03.
