

## CHAPTER 2016-201

### House Bill No. 989

An act relating to implementation of the water and land conservation constitutional amendment; providing legislative intent; amending s. 375.041, F.S.; requiring specified amounts of funds within the Land Acquisition Trust Fund to be appropriated for certain projects; providing a preference in the use of funds distributed for Everglades restoration projects for projects that reduce harmful discharges to the St. Lucie estuary and the Caloosahatchee estuary; requiring such appropriations to be reduced by an amount equal to the debt service paid on bonds issued for specified purposes; deleting an obsolete provision; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. As reflected in the 2016-2017 General Appropriations Act, HB 5001, and this act, the Legislature recognizes the critical importance of restoring and preserving Florida's water and natural resources and is committed to long-term funding for the Everglades and Florida's springs.

Section 2. Subsection (3) of section 375.041, Florida Statutes, is amended to read:

375.041 Land Acquisition Trust Fund.—

(3) Funds distributed into the Land Acquisition Trust Fund pursuant to s. 201.15 shall be applied:

(a) First, to pay debt service or to fund debt service reserve funds, rebate obligations, or other amounts payable with respect to Florida Forever bonds issued under s. 215.618; and pay debt service, provide reserves, and pay rebate obligations and other amounts due with respect to Everglades restoration bonds issued under s. 215.619; and

(b) Of the funds remaining after the payments required under paragraph (a), but before funds may be appropriated, pledged, or dedicated for other uses:

1. A minimum of the lesser of 25 percent or \$200 million shall be appropriated annually for Everglades projects that implement the Comprehensive Everglades Restoration Plan as set forth in s. 373.470, including the Central Everglades Planning Project subject to Congressional authorization; the Long-Term Plan as defined in s. 373.4592(2); and the Northern Everglades and Estuaries Protection Program as set forth in s. 373.4595. From these funds, \$32 million shall be distributed each fiscal year through the 2023-2024 fiscal year to the South Florida Water Management District for the Long-Term Plan as defined in s. 373.4592(2). After deducting the \$32 million distributed under this subparagraph, from the funds remaining, a

minimum of the lesser of 76.5 percent or \$100 million shall be appropriated each fiscal year through the 2025-2026 fiscal year for the planning, design, engineering, and construction of the Comprehensive Everglades Restoration Plan as set forth in s. 373.470, including the Central Everglades Planning Project subject to Congressional authorization. The Department of Environmental Protection and the South Florida Water Management District shall give preference to those Everglades restoration projects that reduce harmful discharges of water from Lake Okeechobee to the St. Lucie or Caloosahatchee estuaries in a timely manner. For the purpose of performing the calculation provided in this subparagraph, the amount of debt service paid pursuant to paragraph (a) for bonds issued after July 1, 2016, for the purposes set forth under paragraph (b) shall be added to the amount remaining after the payments required under paragraph (a). The amount of the distribution calculated shall then be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2016, for the purposes set forth under this subparagraph.

2. A minimum of the lesser of 7.6 percent or \$50 million shall be appropriated annually for spring restoration, protection, and management projects. For the purpose of performing the calculation provided in this subparagraph, the amount of debt service paid pursuant to paragraph (a) for bonds issued after July 1, 2016, for the purposes set forth under paragraph (b) shall be added to the amount remaining after the payments required under paragraph (a). The amount of the distribution calculated shall then be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2016, for the purposes set forth under this subparagraph.

3. The sum of \$5 million shall be appropriated annually each fiscal year through the 2025-2026 fiscal year to the St. Johns River Water Management District for projects dedicated to the restoration of Lake Apopka. This distribution shall be reduced by an amount equal to the debt service paid pursuant to paragraph (a) on bonds issued after July 1, 2016, for the purposes set forth in this subparagraph. Then, to pay the debt service on bonds issued before February 1, 2009, by the South Florida Water Management District and the St. Johns River Water Management District, which are secured by revenues provided pursuant to former s. 373.59, Florida Statutes 2014, or which are necessary to fund debt service reserve funds, rebate obligations, or other amounts payable with respect to such bonds. This paragraph expires July 1, 2016; and

~~(c) Then, to distribute \$32 million each fiscal year to the South Florida Water Management District for the Long-Term Plan as defined in s. 373.4592(2). This paragraph expires July 1, 2024.~~

Section 3. This act shall take effect July 1, 2016.
