

CHAPTER 2016-229

Committee Substitute for Committee Substitute for House Bill No. 931

An act relating to operations of the Citizens Property Insurance Corporation; amending s. 627.351, F.S.; specifying that a consumer representative appointed by the Governor to the Citizens Property Insurance Corporation's board of governors is not prohibited from practicing in a certain profession if required or permitted by law or ordinance; revising the requirements for licensed agents of the corporation; revising provisions related to the corporation's use of certain public and private hurricane loss-projection models in establishing certain rates; revising a provision to permit specified information from certain underwriting and claims files to be made available to certain entities; providing limitations for the use of such information by the entities; requiring the take-out program to be revised for specified purposes by a specified date; requiring the corporation to publish a periodic schedule of cycles during which an insurer may identify and submit policy take-out requests; specifying information required to be included in such requests; requiring the corporation to maintain and make available to the agent of record a specified list; requiring the corporation to provide policyholders and the agents of record with a specified notice regarding take-out offers; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraphs (c), (n), and (x) of subsection (6) of section 627.351, Florida Statutes, are amended, and paragraph (ii) is added to that subsection, to read:

627.351 Insurance risk apportionment plans.—

(6) CITIZENS PROPERTY INSURANCE CORPORATION.—

(c) The corporation's plan of operation:

1. Must provide for adoption of residential property and casualty insurance policy forms and commercial residential and nonresidential property insurance forms, which must be approved by the office before use. The corporation shall adopt the following policy forms:

a. Standard personal lines policy forms that are comprehensive multi-peril policies providing full coverage of a residential property equivalent to the coverage provided in the private insurance market under an HO-3, HO-4, or HO-6 policy.

b. Basic personal lines policy forms that are policies similar to an HO-8 policy or a dwelling fire policy that provide coverage meeting the

requirements of the secondary mortgage market, but which is more limited than the coverage under a standard policy.

c. Commercial lines residential and nonresidential policy forms that are generally similar to the basic perils of full coverage obtainable for commercial residential structures and commercial nonresidential structures in the admitted voluntary market.

d. Personal lines and commercial lines residential property insurance forms that cover the peril of wind only. The forms are applicable only to residential properties located in areas eligible for coverage under the coastal account referred to in sub-subparagraph (b)2.a.

e. Commercial lines nonresidential property insurance forms that cover the peril of wind only. The forms are applicable only to nonresidential properties located in areas eligible for coverage under the coastal account referred to in sub-subparagraph (b)2.a.

f. The corporation may adopt variations of the policy forms listed in sub-subparagraphs a.-e. which contain more restrictive coverage.

g. Effective January 1, 2013, the corporation shall offer a basic personal lines policy similar to an HO-8 policy with dwelling repair based on common construction materials and methods.

2. Must provide that the corporation adopt a program in which the corporation and authorized insurers enter into quota share primary insurance agreements for hurricane coverage, as defined in s. 627.4025(2)(a), for eligible risks, and adopt property insurance forms for eligible risks which cover the peril of wind only.

a. As used in this subsection, the term:

(I) “Quota share primary insurance” means an arrangement in which the primary hurricane coverage of an eligible risk is provided in specified percentages by the corporation and an authorized insurer. The corporation and authorized insurer are each solely responsible for a specified percentage of hurricane coverage of an eligible risk as set forth in a quota share primary insurance agreement between the corporation and an authorized insurer and the insurance contract. The responsibility of the corporation or authorized insurer to pay its specified percentage of hurricane losses of an eligible risk, as set forth in the agreement, may not be altered by the inability of the other party to pay its specified percentage of losses. Eligible risks that are provided hurricane coverage through a quota share primary insurance arrangement must be provided policy forms that set forth the obligations of the corporation and authorized insurer under the arrangement, clearly specify the percentages of quota share primary insurance provided by the corporation and authorized insurer, and conspicuously and clearly state that the authorized insurer and the corporation may not be held

responsible beyond their specified percentage of coverage of hurricane losses.

(II) “Eligible risks” means personal lines residential and commercial lines residential risks that meet the underwriting criteria of the corporation and are located in areas that were eligible for coverage by the Florida Windstorm Underwriting Association on January 1, 2002.

b. The corporation may enter into quota share primary insurance agreements with authorized insurers at corporation coverage levels of 90 percent and 50 percent.

c. If the corporation determines that additional coverage levels are necessary to maximize participation in quota share primary insurance agreements by authorized insurers, the corporation may establish additional coverage levels. However, the corporation’s quota share primary insurance coverage level may not exceed 90 percent.

d. Any quota share primary insurance agreement entered into between an authorized insurer and the corporation must provide for a uniform specified percentage of coverage of hurricane losses, by county or territory as set forth by the corporation board, for all eligible risks of the authorized insurer covered under the agreement.

e. Any quota share primary insurance agreement entered into between an authorized insurer and the corporation is subject to review and approval by the office. However, such agreement shall be authorized only as to insurance contracts entered into between an authorized insurer and an insured who is already insured by the corporation for wind coverage.

f. For all eligible risks covered under quota share primary insurance agreements, the exposure and coverage levels for both the corporation and authorized insurers shall be reported by the corporation to the Florida Hurricane Catastrophe Fund. For all policies of eligible risks covered under such agreements, the corporation and the authorized insurer must maintain complete and accurate records for the purpose of exposure and loss reimbursement audits as required by fund rules. The corporation and the authorized insurer shall each maintain duplicate copies of policy declaration pages and supporting claims documents.

g. The corporation board shall establish in its plan of operation standards for quota share agreements which ensure that there is no discriminatory application among insurers as to the terms of the agreements, pricing of the agreements, incentive provisions if any, and consideration paid for servicing policies or adjusting claims.

h. The quota share primary insurance agreement between the corporation and an authorized insurer must set forth the specific terms under which coverage is provided, including, but not limited to, the sale and servicing of policies issued under the agreement by the insurance agent of the authorized

insurer producing the business, the reporting of information concerning eligible risks, the payment of premium to the corporation, and arrangements for the adjustment and payment of hurricane claims incurred on eligible risks by the claims adjuster and personnel of the authorized insurer. Entering into a quota sharing insurance agreement between the corporation and an authorized insurer is voluntary and at the discretion of the authorized insurer.

3. May provide that the corporation may employ or otherwise contract with individuals or other entities to provide administrative or professional services that may be appropriate to effectuate the plan. The corporation may borrow funds by issuing bonds or by incurring other indebtedness, and shall have other powers reasonably necessary to effectuate the requirements of this subsection, including, without limitation, the power to issue bonds and incur other indebtedness in order to refinance outstanding bonds or other indebtedness. The corporation may seek judicial validation of its bonds or other indebtedness under chapter 75. The corporation may issue bonds or incur other indebtedness, or have bonds issued on its behalf by a unit of local government pursuant to subparagraph (q)2. in the absence of a hurricane or other weather-related event, upon a determination by the corporation, subject to approval by the office, that such action would enable it to efficiently meet the financial obligations of the corporation and that such financings are reasonably necessary to effectuate the requirements of this subsection. The corporation may take all actions needed to facilitate tax-free status for such bonds or indebtedness, including formation of trusts or other affiliated entities. The corporation may pledge assessments, projected recoveries from the Florida Hurricane Catastrophe Fund, other reinsurance recoverables, policyholder surcharges and other surcharges, and other funds available to the corporation as security for bonds or other indebtedness. In recognition of s. 10, Art. I of the State Constitution, prohibiting the impairment of obligations of contracts, it is the intent of the Legislature that no action be taken whose purpose is to impair any bond indenture or financing agreement or any revenue source committed by contract to such bond or other indebtedness.

4. Must require that the corporation operate subject to the supervision and approval of a board of governors consisting of nine individuals who are residents of this state and who are from different geographical areas of the state, one of whom is appointed by the Governor and serves solely to advocate on behalf of the consumer. The appointment of a consumer representative by the Governor is deemed to be within the scope of the exemption provided in s. 112.313(7)(b) and is in addition to the appointments authorized under sub-subparagraph a.

a. The Governor, the Chief Financial Officer, the President of the Senate, and the Speaker of the House of Representatives shall each appoint two members of the board. At least one of the two members appointed by each appointing officer must have demonstrated expertise in insurance and be deemed to be within the scope of the exemption provided in s. 112.313(7)(b). The Chief Financial Officer shall designate one of the appointees as chair.

All board members serve at the pleasure of the appointing officer. All members of the board are subject to removal at will by the officers who appointed them. All board members, including the chair, must be appointed to serve for 3-year terms beginning annually on a date designated by the plan. However, for the first term beginning on or after July 1, 2009, each appointing officer shall appoint one member of the board for a 2-year term and one member for a 3-year term. A board vacancy shall be filled for the unexpired term by the appointing officer. The Chief Financial Officer shall appoint a technical advisory group to provide information and advice to the board in connection with the board's duties under this subsection. The executive director and senior managers of the corporation shall be engaged by the board and serve at the pleasure of the board. Any executive director appointed on or after July 1, 2006, is subject to confirmation by the Senate. The executive director is responsible for employing other staff as the corporation may require, subject to review and concurrence by the board.

b. The board shall create a Market Accountability Advisory Committee to assist the corporation in developing awareness of its rates and its customer and agent service levels in relationship to the voluntary market insurers writing similar coverage.

(I) The members of the advisory committee consist of the following 11 persons, one of whom must be elected chair by the members of the committee: four representatives, one appointed by the Florida Association of Insurance Agents, one by the Florida Association of Insurance and Financial Advisors, one by the Professional Insurance Agents of Florida, and one by the Latin American Association of Insurance Agencies; three representatives appointed by the insurers with the three highest voluntary market share of residential property insurance business in the state; one representative from the Office of Insurance Regulation; one consumer appointed by the board who is insured by the corporation at the time of appointment to the committee; one representative appointed by the Florida Association of Realtors; and one representative appointed by the Florida Bankers Association. All members shall be appointed to 3-year terms and may serve for consecutive terms.

(II) The committee shall report to the corporation at each board meeting on insurance market issues which may include rates and rate competition with the voluntary market; service, including policy issuance, claims processing, and general responsiveness to policyholders, applicants, and agents; and matters relating to depopulation.

5. Must provide a procedure for determining the eligibility of a risk for coverage, as follows:

a. Subject to s. 627.3517, with respect to personal lines residential risks, if the risk is offered coverage from an authorized insurer at the insurer's approved rate under a standard policy including wind coverage or, if consistent with the insurer's underwriting rules as filed with the office, a basic policy including wind coverage, for a new application to the corporation

for coverage, the risk is not eligible for any policy issued by the corporation unless the premium for coverage from the authorized insurer is more than 15 percent greater than the premium for comparable coverage from the corporation. Whenever an offer of coverage for a personal lines residential risk is received for a policyholder of the corporation at renewal from an authorized insurer, if the offer is equal to or less than the corporation's renewal premium for comparable coverage, the risk is not eligible for coverage with the corporation. If the risk is not able to obtain such offer, the risk is eligible for a standard policy including wind coverage or a basic policy including wind coverage issued by the corporation; however, if the risk could not be insured under a standard policy including wind coverage regardless of market conditions, the risk is eligible for a basic policy including wind coverage unless rejected under subparagraph 8. However, a policyholder removed from the corporation through an assumption agreement remains eligible for coverage from the corporation until the end of the assumption period. The corporation shall determine the type of policy to be provided on the basis of objective standards specified in the underwriting manual and based on generally accepted underwriting practices.

(I) If the risk accepts an offer of coverage through the market assistance plan or through a mechanism established by the corporation other than a plan established by s. 627.3518, before a policy is issued to the risk by the corporation or during the first 30 days of coverage by the corporation, and the producing agent who submitted the application to the plan or to the corporation is not currently appointed by the insurer, the insurer shall:

(A) Pay to the producing agent of record of the policy for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record of the policy to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

(II) If the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(A) Pay to the producing agent of record, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

b. With respect to commercial lines residential risks, for a new application to the corporation for coverage, if the risk is offered coverage under a policy including wind coverage from an authorized insurer at its approved rate, the risk is not eligible for a policy issued by the corporation unless the premium for coverage from the authorized insurer is more than 15 percent greater than the premium for comparable coverage from the corporation. Whenever an offer of coverage for a commercial lines residential risk is received for a policyholder of the corporation at renewal from an authorized insurer, if the offer is equal to or less than the corporation's renewal premium for comparable coverage, the risk is not eligible for coverage with the corporation. If the risk is not able to obtain any such offer, the risk is eligible for a policy including wind coverage issued by the corporation. However, a policyholder removed from the corporation through an assumption agreement remains eligible for coverage from the corporation until the end of the assumption period.

(I) If the risk accepts an offer of coverage through the market assistance plan or through a mechanism established by the corporation other than a plan established by s. 627.3518, before a policy is issued to the risk by the corporation or during the first 30 days of coverage by the corporation, and the producing agent who submitted the application to the plan or the corporation is not currently appointed by the insurer, the insurer shall:

(A) Pay to the producing agent of record of the policy, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record of the policy to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

(II) If the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(A) Pay to the producing agent of record, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

c. For purposes of determining comparable coverage under sub-subparagraphs a. and b., the comparison must be based on those forms and coverages that are reasonably comparable. The corporation may rely on a determination of comparable coverage and premium made by the producing agent who submits the application to the corporation, made in the agent's capacity as the corporation's agent. A comparison may be made solely of the premium with respect to the main building or structure only on the following basis: the same coverage A or other building limits; the same percentage hurricane deductible that applies on an annual basis or that applies to each hurricane for commercial residential property; the same percentage of ordinance and law coverage, if the same limit is offered by both the corporation and the authorized insurer; the same mitigation credits, to the extent the same types of credits are offered both by the corporation and the authorized insurer; the same method for loss payment, such as replacement cost or actual cash value, if the same method is offered both by the corporation and the authorized insurer in accordance with underwriting rules; and any other form or coverage that is reasonably comparable as determined by the board. If an application is submitted to the corporation for wind-only coverage in the coastal account, the premium for the corporation's wind-only policy plus the premium for the ex-wind policy that is offered by an authorized insurer to the applicant must be compared to the premium for multiperil coverage offered by an authorized insurer, subject to the standards for comparison specified in this subparagraph. If the corporation or the applicant requests from the authorized insurer a breakdown of the premium of the offer by types of coverage so that a comparison may be made by the corporation or its agent and the authorized insurer refuses or is unable to provide such information, the corporation may treat the offer as not being an offer of coverage from an authorized insurer at the insurer's approved rate.

6. Must include rules for classifications of risks and rates.

7. Must provide that if premium and investment income for an account attributable to a particular calendar year are in excess of projected losses and expenses for the account attributable to that year, such excess shall be held in surplus in the account. Such surplus must be available to defray

deficits in that account as to future years and used for that purpose before assessing assessable insurers and assessable insureds as to any calendar year.

8. Must provide objective criteria and procedures to be uniformly applied to all applicants in determining whether an individual risk is so hazardous as to be uninsurable. In making this determination and in establishing the criteria and procedures, the following must be considered:

a. Whether the likelihood of a loss for the individual risk is substantially higher than for other risks of the same class; and

b. Whether the uncertainty associated with the individual risk is such that an appropriate premium cannot be determined.

The acceptance or rejection of a risk by the corporation shall be construed as the private placement of insurance, and the provisions of chapter 120 do not apply.

9. Must provide that the corporation make its best efforts to procure catastrophe reinsurance at reasonable rates, to cover its projected 100-year probable maximum loss as determined by the board of governors.

10. The policies issued by the corporation must provide that if the corporation or the market assistance plan obtains an offer from an authorized insurer to cover the risk at its approved rates, the risk is no longer eligible for renewal through the corporation, except as otherwise provided in this subsection.

11. Corporation policies and applications must include a notice that the corporation policy could, under this section, be replaced with a policy issued by an authorized insurer which does not provide coverage identical to the coverage provided by the corporation. The notice must also specify that acceptance of corporation coverage creates a conclusive presumption that the applicant or policyholder is aware of this potential.

12. May establish, subject to approval by the office, different eligibility requirements and operational procedures for any line or type of coverage for any specified county or area if the board determines that such changes are justified due to the voluntary market being sufficiently stable and competitive in such area or for such line or type of coverage and that consumers who, in good faith, are unable to obtain insurance through the voluntary market through ordinary methods continue to have access to coverage from the corporation. If coverage is sought in connection with a real property transfer, the requirements and procedures may not provide an effective date of coverage later than the date of the closing of the transfer as established by the transferor, the transferee, and, if applicable, the lender.

13. Must provide that, with respect to the coastal account, any assessable insurer with a surplus as to policyholders of \$25 million or less writing 25 percent or more of its total countrywide property insurance

premiums in this state may petition the office, within the first 90 days of each calendar year, to qualify as a limited apportionment company. A regular assessment levied by the corporation on a limited apportionment company for a deficit incurred by the corporation for the coastal account may be paid to the corporation on a monthly basis as the assessments are collected by the limited apportionment company from its insureds, but a limited apportionment company must begin collecting the regular assessments not later than 90 days after the regular assessments are levied by the corporation, and the regular assessments must be paid in full within 15 months after being levied by the corporation. A limited apportionment company shall collect from its policyholders any emergency assessment imposed under sub-subparagraph (b)3.d. The plan must provide that, if the office determines that any regular assessment will result in an impairment of the surplus of a limited apportionment company, the office may direct that all or part of such assessment be deferred as provided in subparagraph (q)4. However, an emergency assessment to be collected from policyholders under sub-subparagraph (b)3.d. may not be limited or deferred.

14. Must provide that the corporation appoint as its licensed agents only those agents who throughout such appointments also hold an appointment as defined in s. 626.015(3) ~~by with an insurer who at the time of the agent's initial appointment by the corporation~~ is authorized to write and is actually writing or renewing personal lines residential property coverage, commercial residential property coverage, or commercial nonresidential property coverage within the state.

15. Must provide a premium payment plan option to its policyholders which, at a minimum, allows for quarterly and semiannual payment of premiums. A monthly payment plan may, but is not required to, be offered.

16. Must limit coverage on mobile homes or manufactured homes built before 1994 to actual cash value of the dwelling rather than replacement costs of the dwelling.

17. Must provide coverage for manufactured or mobile home dwellings. Such coverage must also include the following attached structures:

a. Screened enclosures that are aluminum framed or screened enclosures that are not covered by the same or substantially the same materials as those of the primary dwelling;

b. Carports that are aluminum or carports that are not covered by the same or substantially the same materials as those of the primary dwelling; and

c. Patios that have a roof covering that is constructed of materials that are not the same or substantially the same materials as those of the primary dwelling.

The corporation shall make available a policy for mobile homes or manufactured homes for a minimum insured value of at least \$3,000.

18. May provide such limits of coverage as the board determines, consistent with the requirements of this subsection.

19. May require commercial property to meet specified hurricane mitigation construction features as a condition of eligibility for coverage.

20. Must provide that new or renewal policies issued by the corporation on or after January 1, 2012, which cover sinkhole loss do not include coverage for any loss to appurtenant structures, driveways, sidewalks, decks, or patios that are directly or indirectly caused by sinkhole activity. The corporation shall exclude such coverage using a notice of coverage change, which may be included with the policy renewal, and not by issuance of a notice of nonrenewal of the excluded coverage upon renewal of the current policy.

21. As of January 1, 2012, must require that the agent obtain from an applicant for coverage from the corporation an acknowledgment signed by the applicant, which includes, at a minimum, the following statement:

ACKNOWLEDGMENT OF POTENTIAL SURCHARGE
AND ASSESSMENT LIABILITY:

1. AS A POLICYHOLDER OF CITIZENS PROPERTY INSURANCE CORPORATION, I UNDERSTAND THAT IF THE CORPORATION SUSTAINS A DEFICIT AS A RESULT OF HURRICANE LOSSES OR FOR ANY OTHER REASON, MY POLICY COULD BE SUBJECT TO SURCHARGES, WHICH WILL BE DUE AND PAYABLE UPON RENEWAL, CANCELLATION, OR TERMINATION OF THE POLICY, AND THAT THE SURCHARGES COULD BE AS HIGH AS 45 PERCENT OF MY PREMIUM, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.

2. I UNDERSTAND THAT I CAN AVOID THE CITIZENS POLICYHOLDER SURCHARGE, WHICH COULD BE AS HIGH AS 45 PERCENT OF MY PREMIUM, BY OBTAINING COVERAGE FROM A PRIVATE MARKET INSURER AND THAT TO BE ELIGIBLE FOR COVERAGE BY CITIZENS, I MUST FIRST TRY TO OBTAIN PRIVATE MARKET COVERAGE BEFORE APPLYING FOR OR RENEWING COVERAGE WITH CITIZENS. I UNDERSTAND THAT PRIVATE MARKET INSURANCE RATES ARE REGULATED AND APPROVED BY THE STATE.

3. I UNDERSTAND THAT I MAY BE SUBJECT TO EMERGENCY ASSESSMENTS TO THE SAME EXTENT AS POLICYHOLDERS OF OTHER INSURANCE COMPANIES, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.

4. I ALSO UNDERSTAND THAT CITIZENS PROPERTY INSURANCE CORPORATION IS NOT SUPPORTED BY THE FULL FAITH AND CREDIT OF THE STATE OF FLORIDA.

a. The corporation shall maintain, in electronic format or otherwise, a copy of the applicant's signed acknowledgment and provide a copy of the statement to the policyholder as part of the first renewal after the effective date of this subparagraph.

b. The signed acknowledgment form creates a conclusive presumption that the policyholder understood and accepted his or her potential surcharge and assessment liability as a policyholder of the corporation.

(n)1. Rates for coverage provided by the corporation must be actuarially sound and subject to s. 627.062, except as otherwise provided in this paragraph. The corporation shall file its recommended rates with the office at least annually. The corporation shall provide any additional information regarding the rates which the office requires. The office shall consider the recommendations of the board and issue a final order establishing the rates for the corporation within 45 days after the recommended rates are filed. The corporation may not pursue an administrative challenge or judicial review of the final order of the office.

2. In addition to the rates otherwise determined pursuant to this paragraph, the corporation shall impose and collect an amount equal to the premium tax provided in s. 624.509 to augment the financial resources of the corporation.

3. After the public hurricane loss-projection model under s. 627.06281 has been found to be accurate and reliable by the Florida Commission on Hurricane Loss Projection Methodology, the model shall be considered when establishing ~~serve as the minimum benchmark for determining~~ the windstorm portion of the corporation's rates. The corporation may use the public model results in combination with the results of private models to calculate rates for the windstorm portion of the corporation's rates. This subparagraph does not require or allow the corporation to adopt rates lower than the rates otherwise required or allowed by this paragraph.

4. The rate filings for the corporation which were approved by the office and took effect January 1, 2007, are rescinded, except for those rates that were lowered. As soon as possible, the corporation shall begin using the lower rates that were in effect on December 31, 2006, and provide refunds to policyholders who paid higher rates as a result of that rate filing. The rates in effect on December 31, 2006, remain in effect for the 2007 and 2008 calendar years except for any rate change that results in a lower rate. The next rate change that may increase rates shall take effect pursuant to a new rate filing recommended by the corporation and established by the office, subject to this paragraph.

5. Beginning on July 15, 2009, and annually thereafter, the corporation must make a recommended actuarially sound rate filing for each personal and commercial line of business it writes, to be effective no earlier than January 1, 2010.

6. Beginning on or after January 1, 2010, and notwithstanding the board's recommended rates and the office's final order regarding the corporation's filed rates under subparagraph 1., the corporation shall annually implement a rate increase which, except for sinkhole coverage, does not exceed 10 percent for any single policy issued by the corporation, excluding coverage changes and surcharges.

7. The corporation may also implement an increase to reflect the effect on the corporation of the cash buildup factor pursuant to s. 215.555(5)(b).

8. The corporation's implementation of rates as prescribed in subparagraph 6. shall cease for any line of business written by the corporation upon the corporation's implementation of actuarially sound rates. Thereafter, the corporation shall annually make a recommended actuarially sound rate filing for each commercial and personal line of business the corporation writes.

(x)1. The following records of the corporation are confidential and exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution:

a. Underwriting files, except that a policyholder or an applicant shall have access to his or her own underwriting files. Confidential and exempt underwriting file records may also be released to other governmental agencies upon written request and demonstration of need; such records held by the receiving agency remain confidential and exempt as provided herein.

b. Claims files, until termination of all litigation and settlement of all claims arising out of the same incident, although portions of the claims files may remain exempt, as otherwise provided by law. Confidential and exempt claims file records may be released to other governmental agencies upon written request and demonstration of need; such records held by the receiving agency remain confidential and exempt as provided herein.

c. Records obtained or generated by an internal auditor pursuant to a routine audit, until the audit is completed, or if the audit is conducted as part of an investigation, until the investigation is closed or ceases to be active. An investigation is considered "active" while the investigation is being conducted with a reasonable, good faith belief that it could lead to the filing of administrative, civil, or criminal proceedings.

d. Matters reasonably encompassed in privileged attorney-client communications.

e. Proprietary information licensed to the corporation under contract and the contract provides for the confidentiality of such proprietary information.

f. All information relating to the medical condition or medical status of a corporation employee which is not relevant to the employee's capacity to perform his or her duties, except as otherwise provided in this paragraph. Information that is exempt shall include, but is not limited to, information relating to workers' compensation, insurance benefits, and retirement or disability benefits.

g. Upon an employee's entrance into the employee assistance program, a program to assist any employee who has a behavioral or medical disorder, substance abuse problem, or emotional difficulty ~~that~~ ~~which~~ affects the employee's job performance, all records relative to that participation shall be confidential and exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution, except as otherwise provided in s. 112.0455(11).

h. Information relating to negotiations for financing, reinsurance, depopulation, or contractual services, until the conclusion of the negotiations.

i. Minutes of closed meetings regarding underwriting files, and minutes of closed meetings regarding an open claims file until termination of all litigation and settlement of all claims with regard to that claim, except that information otherwise confidential or exempt by law shall be redacted.

2. If an authorized insurer is considering underwriting a risk insured by the corporation, relevant underwriting files and confidential claims files may be released to the insurer provided the insurer agrees in writing, notarized and under oath, to maintain the confidentiality of such files. If a file is transferred to an insurer, that file is no longer a public record because it is not held by an agency subject to the provisions of the public records law. Underwriting files and confidential claims files may also be released to staff and the board of governors of the market assistance plan established pursuant to s. 627.3515, who must retain the confidentiality of such files, except such files may be released to authorized insurers that are considering assuming the risks to which the files apply, provided the insurer agrees in writing, notarized and under oath, to maintain the confidentiality of such files. Finally, the corporation or the board or staff of the market assistance plan may make the following information obtained from underwriting files and confidential claims files available to an entity that has obtained a permit to become an authorized insurer, a reinsurer that may provide reinsurance under s. 624.610, a licensed reinsurance broker, a licensed rating organization, a modeling company, or a licensed general lines insurance agent agents: name, address, and telephone number of the residential property owner or insured; location of the risk; rating information; loss history; and policy type. The receiving person ~~licensed general lines insurance agent~~ must retain the confidentiality of the information received and may use the information only for the purposes of developing a take-out plan or a rating

plan to be submitted to the office for approval or otherwise analyzing the underwriting of a risk or risks insured by the corporation on behalf of the private insurance market. A licensed general lines insurance agent may not use such information for the direct solicitation of policyholders.

3. A policyholder who has filed suit against the corporation has the right to discover the contents of his or her own claims file to the same extent that discovery of such contents would be available from a private insurer in litigation as provided by the Florida Rules of Civil Procedure, the Florida Evidence Code, and other applicable law. Pursuant to subpoena, a third party has the right to discover the contents of an insured's or applicant's underwriting or claims file to the same extent that discovery of such contents would be available from a private insurer by subpoena as provided by the Florida Rules of Civil Procedure, the Florida Evidence Code, and other applicable law, and subject to any confidentiality protections requested by the corporation and agreed to by the seeking party or ordered by the court.
