Section 2. Paragraph (f) of subsection (2) of section 28.35, Florida Statutes, is amended to read:

28.35 Florida Clerks of Court Operations Corporation.—

(2) The duties of the corporation shall include the following:

(f) Approving the proposed budgets submitted by clerks of the court pursuant to s. 28.36. The corporation must ensure that the total combined budgets of the clerks of the court do not exceed the total estimated revenues from fees, service charges, costs, and fines for court-related functions available for court-related expenditures as determined by the most recent Revenue Estimating Conference, plus the total of unspent budgeted funds for court-related functions carried forward by the clerks of the court from the previous county fiscal year and plus the balance of funds remaining in the Clerk of the Court Trust Fund after the transfer of funds to the General Revenue Fund required pursuant to s. 28.37(3)(b). The corporation may amend any individual clerk of the court budget to ensure compliance with this paragraph and must consider performance measures, workload performance standards, workload measures, and expense data before modifying the budget. As part of this process, the corporation shall:

1. Calculate the minimum amount of revenue necessary for each clerk of the court to efficiently perform the list of court-related functions specified in

paragraph (3)(a). The corporation shall apply the workload measures appropriate for determining the individual level of review required to fund the clerk's budget.

2. Prepare a cost comparison of similarly situated clerks of the court, based on county population and numbers of filings, using the standard list of court-related functions specified in paragraph (3)(a).

3. Conduct an annual base budget review and an annual budget exercise examining the total budget of each clerk of the court. The review shall examine revenues from all sources, expenses of court-related functions, and expenses of noncourt-related functions as necessary to determine that court-related revenues are not being used for noncourt-related purposes. The review and exercise shall identify potential targeted budget reductions in the percentage amount provided in Schedule VIII-B of the state's previous year's legislative budget instructions, as referenced in s. 216.023(3), or an equivalent schedule or instruction as may be adopted by the Legislature.

4. Identify those proposed budgets containing funding for items not included on the standard list of court-related functions specified in paragraph (3)(a).

5. Identify those clerks projected to have court-related revenues insufficient to fund their anticipated court-related expenditures.

6. Use revenue estimates based on the official estimate for funds from fees, service charges, costs, and fines for court-related functions accruing to the clerks of the court made by the Revenue Estimating Conference, as well as any unspent budgeted funds for court-related functions carried forward by the clerks of the court from the previous county fiscal year and the balance of funds remaining in the Clerk of the Court Trust Fund after the transfer of funds to the General Revenue Fund required pursuant to s. 28.37(3)(b). ~~The total combined budgets of the clerks of the court may not exceed the revenue estimates established by the most recent Revenue Estimating Conference.~~

7. Identify pay and benefit increases in any proposed clerk budget, including, but not limited to, cost of living increases, merit increases, and bonuses.

8. Identify increases in anticipated expenditures in any clerk budget that exceeds the current year budget by more than 3 percent.

9. Identify the budget of any clerk which exceeds the average budget of similarly situated clerks by more than 10 percent.

For the purposes of this paragraph, the term "unspent budgeted funds for court-related functions" means undisbursed funds included in the clerks of the courts budgets for court-related functions established pursuant to this section and s. 28.36.

Section 3. Paragraph (b) of subsection (2) of section 28.36, Florida Statutes, is amended to read:

28.36 Budget procedure.—There is established a budget procedure for the court-related functions of the clerks of the court.

(2) Each proposed budget shall further conform to the following requirements:

(b) The proposed budget must be balanced such that the total of the estimated revenues available equals or exceeds the total of the anticipated expenditures. Such revenues include revenue projected to be received from fees, service charges, costs, and fines for court-related functions during the fiscal period covered by the budget, plus the total of unspent budgeted funds for court-related functions carried forward by the clerk of the court from the previous county fiscal year and plus the portion of the balance of funds remaining in the Clerk of the Court Trust Fund after the transfer of funds to the General Revenue Fund required pursuant to s. 28.37(3)(b) which has been allocated to each respective clerk of the court by the Clerk of Courts Corporation. For the purposes of this paragraph, the term “unspent budgeted funds for court-related functions” means undisbursed funds included in the clerk of the courts’ budget for court related functions established pursuant to s. 28.35 and this section. The anticipated expenditures must be itemized as required by the corporation.

However, if the official estimate for funds accruing to the clerks of court made by the Revenue Estimating Conference for the current fiscal year or the next fiscal year is less than the cumulative amount of authorized budgets for the clerks of court for the current fiscal year, the Department of Revenue shall retain in the Clerks of the Court Trust Fund the estimated amount needed to fully fund the clerks of court for the current and next fiscal year based upon the current budget established under s. 28.35.

A reopen fee may be assessed by the clerk for any motion filed by any party at least 90 days after a final order or final judgment has been filed with the clerk in the initial case.
