

## House Joint Resolution No. 877

A joint resolution proposing an amendment to Section 6 of Article VII and the creation of a new section in Article XII of the State Constitution to provide for the carryover of the homestead property tax discount for certain veterans with permanent combat-related disabilities to a veteran's surviving spouse if certain criteria are met, to authorize the transfer of the discount to a surviving spouse's new homestead property if certain criteria are met, and to provide an effective date.

Be It Resolved by the Legislature of the State of Florida:

That the following amendment to Section 6 of Article VII and the creation of a new section in Article XII of the State Constitution are agreed to and shall be submitted to the electors of this state for approval or rejection at the next general election or at an earlier special election specifically authorized by law for that purpose:

### ARTICLE VII

#### FINANCE AND TAXATION

##### SECTION 6. Homestead exemptions.—

(a) Every person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, or another legally or naturally dependent upon the owner, shall be exempt from taxation thereon, except assessments for special benefits, up to the assessed valuation of twenty-five thousand dollars and, for all levies other than school district levies, on the assessed valuation greater than fifty thousand dollars and up to seventy-five thousand dollars, upon establishment of right thereto in the manner prescribed by law. The real estate may be held by legal or equitable title, by the entirety, jointly, in common, as a condominium, or indirectly by stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight years. The exemption shall not apply with respect to any assessment roll until such roll is first determined to be in compliance with the provisions of section 4 by a state agency designated by general law. This exemption is repealed on the effective date of any amendment to this Article which provides for the assessment of homestead property at less than just value.

(b) Not more than one exemption shall be allowed any individual or family unit or with respect to any residential unit. No exemption shall exceed the value of the real estate assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which the interest in the corporation bears to the assessed value of the property.

(c) By general law and subject to conditions specified therein, the Legislature may provide to renters, who are permanent residents, ad valorem tax relief on all ad valorem tax levies. Such ad valorem tax relief shall be in the form and amount established by general law.

(d) The legislature may, by general law, allow counties or municipalities, for the purpose of their respective tax levies and subject to the provisions of general law, to grant either or both of the following additional homestead tax exemptions:

(1) An exemption not exceeding fifty thousand dollars to a person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, who has attained age sixty-five, and whose household income, as defined by general law, does not exceed twenty thousand dollars; or

(2) An exemption equal to the assessed value of the property to a person who has the legal or equitable title to real estate with a just value less than two hundred and fifty thousand dollars, as determined in the first tax year that the owner applies and is eligible for the exemption, and who has maintained thereon the permanent residence of the owner for not less than twenty-five years, who has attained age sixty-five, and whose household income does not exceed the income limitation prescribed in paragraph (1).

The general law must allow counties and municipalities to grant these additional exemptions, within the limits prescribed in this subsection, by ordinance adopted in the manner prescribed by general law, and must provide for the periodic adjustment of the income limitation prescribed in this subsection for changes in the cost of living.

(e)(1) Each veteran who is age 65 or older who is partially or totally permanently disabled shall receive a discount from the amount of the ad valorem tax otherwise owed on homestead property the veteran owns and resides in if the disability was combat related and the veteran was honorably discharged upon separation from military service. The discount shall be in a percentage equal to the percentage of the veteran’s permanent, service-connected disability as determined by the United States Department of Veterans Affairs. To qualify for the discount granted by this paragraph subsection, an applicant must submit to the county property appraiser, by March 1, an official letter from the United States Department of Veterans Affairs stating the percentage of the veteran’s service-connected disability and such evidence that reasonably identifies the disability as combat related and a copy of the veteran’s honorable discharge. If the property appraiser denies the request for a discount, the appraiser must notify the applicant in writing of the reasons for the denial, and the veteran may reapply. The Legislature may, by general law, waive the annual application requirement in subsequent years.

(2) If a veteran who receives the discount described in paragraph (1) predeceases his or her spouse, and if, upon the death of the veteran, the

surviving spouse holds the legal or beneficial title to the homestead property and permanently resides thereon, the discount carries over to the surviving spouse until he or she remarries or sells or otherwise disposes of the homestead property. If the surviving spouse sells or otherwise disposes of the property, a discount not to exceed the dollar amount granted from the most recent ad valorem tax roll may be transferred to the surviving spouse's new homestead property, if used as his or her permanent residence and he or she has not remarried.

(3) This subsection is self-executing and does not require implementing legislation.

(f) By general law and subject to conditions and limitations specified therein, the Legislature may provide ad valorem tax relief equal to the total amount or a portion of the ad valorem tax otherwise owed on homestead property to:

(1) The surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces.

(2) The surviving spouse of a first responder who died in the line of duty.

(3) A first responder who is totally and permanently disabled as a result of an injury or injuries sustained in the line of duty. Causal connection between a disability and service in the line of duty shall not be presumed but must be determined as provided by general law. For purposes of this paragraph, the term "disability" does not include a chronic condition or chronic disease, unless the injury sustained in the line of duty was the sole cause of the chronic condition or chronic disease.

As used in this subsection and as further defined by general law, the term "first responder" means a law enforcement officer, a correctional officer, a firefighter, an emergency medical technician, or a paramedic, and the term "in the line of duty" means arising out of and in the actual performance of duty required by employment as a first responder.
