

CHAPTER 2021-142

Committee Substitute for Committee Substitute for House Bill No. 173

An act relating to individual education plan requirements for students with disabilities; amending s. 1003.5716, F.S.; revising the timeline for the development and implementation of an individual education plan (IEP) for transition services for a student with disabilities to a postsecondary education and career opportunities; revising the requirements for an IEP for the transitions to a postsecondary education and career opportunities; requiring certain information be provided at IEP meetings; revising when a certain statement of intent must be included in the IEP; providing requirements for such statements; requiring a specified party to provide a signed statement relating to the deferment of a standard high school diploma; requiring the Department of Education to conduct a review of specified services and programs; requiring the department to establish and publish on its website uniform best practices for such services and programs by a specified date; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsections (1) and (2) of section 1003.5716, Florida Statutes, are amended to read:

1003.5716 Transition to postsecondary education and career opportunities.—All students with disabilities who are 3 years of age to 21 years of age have the right to a free, appropriate public education. As used in this section, the term “IEP” means individual education plan.

(1) To ensure quality planning for a successful transition of a student with a disability to postsecondary education and career opportunities, during the student’s seventh grade year or when the student attains the age of 12, whichever occurs first, an IEP team shall begin the process of, and develop an IEP for, identifying the need for transition services before the student with a disability enters high school or attains the age of 14 years, whichever occurs first, in order for his or her postsecondary goals and career goals to be identified. The plan must be operational and in place to begin implementation on the first day of the student’s first year in high school when he or she attains the age of 16 years. This process must include, but is not limited to:

(a) Consideration of the student’s need for instruction in the area of self-determination and self-advocacy to assist the student’s active and effective participation in an IEP meeting; and

(b) Preparation for the student to graduate from high school with a standard high school diploma pursuant to s. 1003.4282 with a Scholar designation unless the parent chooses a Merit designation; and

(c) Provision of the information to the student and his or her parent of the school district's high school-level transition services, career and technical education, and collegiate programs available to students with disabilities and how to access such programs. Information shall also be provided on school-based transition programs and programs and services available through Florida's Center for Students with Unique Abilities, the Florida Centers for Independent Living, the Division of Vocational Rehabilitation, the Agency for Persons with Disabilities, and the Division of Blind Services. Referral forms, links, and technical support contacts for these services must be provided to students and parents at IEP meetings.

(2) Beginning not later than the first IEP to be in effect when the student enters high school, attains the age of ~~14~~ 16, or ~~when younger~~ if determined appropriate by the parent and the IEP team, whichever occurs first, the IEP must include the following statements that must be updated annually:

(a) A statement of intent to pursue a standard high school diploma and a Scholar or Merit designation, pursuant to s. 1003.4285, as determined by the parent.

1. The statement must document discussion of the process for a student with a disability who meets the requirements for a standard high school diploma to defer the receipt of such diploma pursuant to 1003.4282(10)(c).

2. For the IEP in effect at the beginning of the school year the student is expected to graduate, the statement must include a signed statement by the parent, guardian, or the student, if the student has reached the age of majority and rights have transferred to the student, that he or she understands the process for deferment and identifying if the student will defer the receipt of his or her standard high school diploma.

(b) A statement of intent to receive a standard high school diploma before the student attains the age of 22 and a description of how the student will fully meet the requirements in s. 1003.4282, including, but not limited to, a portfolio pursuant to s. 1003.4282(10)(b) which meets the criteria specified in State Board of Education rule. The IEP must also specify the outcomes and additional benefits expected by the parent and the IEP team at the time of the student's graduation.

(c) A statement of appropriate measurable long-term postsecondary education and career goals based upon age-appropriate transition assessments related to training, education, employment, and, if appropriate, independent living skills and the transition services, including preemployment transition services and courses of study needed to assist the student in reaching those goals.

Section 2. The Department of Education, in conjunction with the Project 10: Transition Education Network, shall conduct a review of existing transition services and programs for students with disabilities to establish uniform best practices for such programs to deliver appropriate

employment, pre-employment, and independent living skills education to students enrolled in such transition programs. The department must establish and publish on its website such uniform best practices no later than July 1, 2022.

Section 3. This act shall take effect July 1, 2021.

Approved by the Governor June 21, 2021.
