The revenue bonds are primarily payable from and secured by annual debt service reserves, from interest earned on funds on deposit in the guarantee fund, from fees, charges, and reimbursements established by the corporation for the issuance of affordable housing guarantees, and from any other revenue sources received by the corporation and deposited by the corporation into the guarantee fund for the issuance of

affordable housing guarantees. If such primary revenue sources are considered insufficient by the corporation, pursuant to the certification provided in subsection (6), to fully fund the annual debt service reserve, the certified deficiency in such reserve is also payable from the first proceeds of the documentary stamp tax moneys deposited into the State Housing Trust Fund pursuant to s. 201.15(4)(c) and (d) during the ensuing state fiscal year.

(6)(a) If the primary revenue sources to be used for repayment of revenue bonds used to establish the guarantee fund are insufficient for such repayment, the annual principal and interest due on each series of revenue bonds are payable from funds in the annual debt service reserve. The corporation shall, before June 1 of each year, perform a financial audit to determine whether at the end of the state fiscal year there will be on deposit in the guarantee fund an annual debt service reserve from interest earned pursuant to the investment of the guarantee fund, fees, charges, and reimbursements received from issued affordable housing guarantees and other revenue sources available to the corporation. Based upon the findings in such guarantee fund financial audit, the corporation shall certify to the Chief Financial Officer the amount of any projected deficiency in the annual debt service reserve for any series of outstanding bonds as of the end of the state fiscal year and the amount necessary to maintain such annual debt service reserve. (3) Calculation of guaranteed amounts:

(a) The guaranteed amount under subsection (1) shall be calculated for each state fiscal year by multiplying $350,000 by a fraction, the numerator of which is the amount of funds distributed to the Local Government Housing Trust Fund pursuant to s. 201.15(4)(c) and the denominator of which is the total amount of funds distributed to the Local Government Housing Trust Fund pursuant to s. 201.15.
