

CHAPTER 2021-95

Committee Substitute for Senate Bill No. 348

An act relating to Medicaid; amending s. 409.908, F.S.; revising the types of emergency transportation vehicle services provided to Medicare-eligible persons for which Medicaid shall pay deductibles and coinsurance; specifying that such payments must be made according to certain procedure codes; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraph (c) of subsection (13) of section 409.908, Florida Statutes, is amended to read:

409.908 Reimbursement of Medicaid providers.—Subject to specific appropriations, the agency shall reimburse Medicaid providers, in accordance with state and federal law, according to methodologies set forth in the rules of the agency and in policy manuals and handbooks incorporated by reference therein. These methodologies may include fee schedules, reimbursement methods based on cost reporting, negotiated fees, competitive bidding pursuant to s. 287.057, and other mechanisms the agency considers efficient and effective for purchasing services or goods on behalf of recipients. If a provider is reimbursed based on cost reporting and submits a cost report late and that cost report would have been used to set a lower reimbursement rate for a rate semester, then the provider's rate for that semester shall be retroactively calculated using the new cost report, and full payment at the recalculated rate shall be effected retroactively. Medicare-granted extensions for filing cost reports, if applicable, shall also apply to Medicaid cost reports. Payment for Medicaid compensable services made on behalf of Medicaid eligible persons is subject to the availability of moneys and any limitations or directions provided for in the General Appropriations Act or chapter 216. Further, nothing in this section shall be construed to prevent or limit the agency from adjusting fees, reimbursement rates, lengths of stay, number of visits, or number of services, or making any other adjustments necessary to comply with the availability of moneys and any limitations or directions provided for in the General Appropriations Act, provided the adjustment is consistent with legislative intent.

(13) Medicare premiums for persons eligible for both Medicare and Medicaid coverage shall be paid at the rates established by Title XVIII of the Social Security Act. For Medicare services rendered to Medicaid-eligible persons, Medicaid shall pay Medicare deductibles and coinsurance as follows:

(c) Notwithstanding paragraphs (a) and (b):

1. Medicaid payments for Nursing Home Medicare part A coinsurance are limited to the Medicaid nursing home per diem rate less any amounts

paid by Medicare, but only up to the amount of Medicare coinsurance. The Medicaid per diem rate shall be the rate in effect for the dates of service of the crossover claims and may not be subsequently adjusted due to subsequent per diem rate adjustments.

2. Medicaid shall pay all deductibles and coinsurance for Medicare-eligible recipients receiving freestanding end stage renal dialysis center services.

3. Medicaid payments for general and specialty hospital inpatient services are limited to the Medicare deductible and coinsurance per spell of illness. Medicaid payments for hospital Medicare Part A coinsurance shall be limited to the Medicaid hospital per diem rate less any amounts paid by Medicare, but only up to the amount of Medicare coinsurance. Medicaid payments for coinsurance shall be limited to the Medicaid per diem rate in effect for the dates of service of the crossover claims and may not be subsequently adjusted due to subsequent per diem adjustments.

4. Medicaid shall pay all deductibles and coinsurance for Medicare-covered Medicare emergency transportation services provided to Medicare-eligible recipients by ambulances licensed pursuant to chapter 401 according to the corresponding procedure codes for such services.

5. Medicaid shall pay all deductibles and coinsurance for portable X-ray Medicare Part B services provided in a nursing home, in an assisted living facility, or in the patient’s home.

Section 2. This act shall take effect July 1, 2021.
