

CHAPTER 2022-172

Senate Bill No. 7024

An act relating to a review under the Open Government Sunset Review Act; amending s. 119.071, F.S.; revising an exemption from public records requirements for personal identifying information of the alleged victim in an allegation of sexual harassment or the victim of sexual harassment if such information identifies that person as an alleged victim or as a victim of sexual harassment; authorizing the alleged victim or the victim to waive confidentiality in writing; extending the date for future legislative review and repeal of the exemption; providing a statement of public necessity; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraph (n) of subsection (2) of section 119.071, Florida Statutes, is amended to read:

119.071 General exemptions from inspection or copying of public records.—

(2) AGENCY INVESTIGATIONS.—

(n) Personal identifying information of the alleged victim in an allegation of sexual harassment or the victim of sexual harassment is confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution if such information identifies that person as an alleged victim or as a victim of sexual harassment. Confidentiality may be waived in writing by the alleged victim or the victim. Such information may be disclosed to another governmental entity in the furtherance of its official duties and responsibilities. This paragraph is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2027 ~~2022~~, unless reviewed and saved from repeal through reenactment by the Legislature.

Section 2. The Legislature finds that it is a public necessity that personal identifying information of the alleged victim in an allegation of sexual harassment or the victim of sexual harassment be made confidential and exempt from s. 119.07(1), Florida Statutes, and s. 24(a), Article I of the State Constitution if such information identifies that person as an alleged victim or as a victim of sexual harassment. The disclosure of such information could harm alleged victims or victims of sexual harassment by placing them at risk of further harassment and retaliation. Additionally, the potential for disclosure of such information could create a disincentive for alleged victims to report instances of alleged harassment. Therefore, the Legislature finds that the potential harm that may result from the release of such information outweighs any public benefit that may be derived from the disclosure of such information.

Section 3. This act shall take effect October 1, 2022.

Approved by the Governor June 7, 2022.
