On or before December 1 of each year, the department shall submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives an assessment of the behavioral health services in this state. The assessment shall consider, at a minimum, the extent to which designated receiving systems function as no-wrong-door models, the availability of treatment and recovery services that use recovery-oriented and peer-involved approaches, the availability of less-restrictive services, and the use of evidence-informed practices. The assessment shall also consider the availability of and access to coordinated specialty care programs and identify any gaps in the availability of and access to such programs in the state. The department’s assessment shall consider, at a minimum, the needs assessments conducted by the managing entities pursuant to s. 394.9082(5). The department shall compile and include in the report all plans submitted

by managing entities pursuant to s. 394.9082(8) and the department's evaluation of each plan.

(2) The essential elements of a coordinated system of care include:

(e) Case management. Each case manager or person directly supervising a case manager who provides Medicaid-funded targeted case management services shall hold a valid certification from a department-approved credentialing entity as defined in s. 397.311(11) ~~s. 397.311(10)~~ by July 1, 2017, and, thereafter, within 6 months after hire.

Section 8. Subsection (6) of section 394.9085, Florida Statutes, is amended to read:

(6) For purposes of this section, the terms “detoxification services,” “addictions receiving facility,” and “receiving facility” have the same meanings as those provided in ss. 397.311(27)(a)4., 397.311(27)(a)1. ~~ss. 397.311(26)(a)3., 397.311(26)(a)1.~~, and 394.455(40), respectively.

Section 9. Subsection (8) of section 397.4012, Florida Statutes, is amended to read:

397.4012 Exemptions from licensure.—The following are exempt from the licensing provisions of this chapter:

(8) A legally cognizable church or nonprofit religious organization or denomination providing substance abuse services, including prevention services, which are solely religious, spiritual, or ecclesiastical in nature. A church or nonprofit religious organization or denomination providing any of the licensed service components itemized under s. 397.311(27) ~~s. 397.311(26)~~ is not exempt from substance abuse licensure but retains its exemption with respect to all services which are solely religious, spiritual, or ecclesiastical in nature.

The exemptions from licensure in subsections (3), (4), (8), (9), and (10) do not apply to any service provider that receives an appropriation, grant, or contract from the state to operate as a service provider as defined in this chapter or to any substance abuse program regulated under s. 397.4014. Furthermore, this chapter may not be construed to limit the practice of a physician or physician assistant licensed under chapter 458 or chapter 459, a psychologist licensed under chapter 490, a psychotherapist licensed under chapter 491, or an advanced practice registered nurse licensed under part I of chapter 464, who provides substance abuse treatment, so long as the physician, physician assistant, psychologist, psychotherapist, or advanced practice registered nurse does not represent to the public that he or she is a licensed service provider and does not provide services to individuals under part V of this chapter. Failure to comply with any requirement necessary to maintain an exempt status under this section is a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

The fees from the licensure of service components are sufficient to cover the costs of regulating the service components. The department shall specify a fee range for public and privately funded licensed service providers. Fees for privately funded licensed service providers must exceed the fees for publicly funded licensed service providers.

(6) The department may issue probationary, regular, and interim licenses. The department shall issue one license for each service component that is operated by a service provider and defined pursuant to s. 397.311(27) ~~s. 397.311(26)~~. The license is valid only for the specific service components listed for each specific location identified on the license. The licensed service provider shall apply for a new license at least 60 days before the addition of any service components or 30 days before the relocation of any of its service sites. Provision of service components or delivery of services at a location not identified on the license may be considered an unlicensed operation that authorizes the department to seek an injunction against operation as provided in s. 397.401, in addition to other sanctions authorized by s. 397.415. Probationary and regular licenses may be issued only after all required information has been submitted. A license may not be transferred. As used in this subsection, the term “transfer” includes, but is not limited to, the transfer of a majority of the ownership interest in the licensed entity or transfer of responsibilities under the license to another entity by contractual arrangement.
