

CHAPTER 2025-72

Committee Substitute for Senate Bill No. 1202

An act relating to benefits for firefighters injured during training exercises; amending s. 112.191, F.S.; providing that a firefighter and his or her spouse and dependent children are eligible for certain insurance coverage if the firefighter is totally and permanently disabled during an official training exercise; providing a declaration of an important state interest; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraph (g) of subsection (2) of section 112.191, Florida Statutes, is amended to read:

112.191 Firefighters; death benefits.—

(2)

(g)1. Any employer who employs a full-time firefighter who, on or after January 1, 1995, suffers a catastrophic injury, as defined in s. 440.02, Florida Statutes 2002, in the line of duty shall pay the entire premium of the employer's health insurance plan for the injured employee, the injured employee's spouse, and for each dependent child of the injured employee until the child reaches the age of majority or until the end of the calendar year in which the child reaches the age of 25 if the child continues to be dependent for support, or the child is a full-time or part-time student and is dependent for support. The term "health insurance plan" does not include supplemental benefits that are not part of the basic group health insurance plan. If the injured employee subsequently dies, the employer shall continue to pay the entire health insurance premium for the surviving spouse until remarried, and for the dependent children, under the conditions outlined in this paragraph. However:

a. Health insurance benefits payable from any other source shall reduce benefits payable under this section.

b. It is unlawful for a person to willfully and knowingly make, or cause to be made, or to assist, conspire with, or urge another to make, or cause to be made, any false, fraudulent, or misleading oral or written statement to obtain health insurance coverage as provided under this paragraph. A person who violates this sub-subparagraph commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

c. In addition to any applicable criminal penalty, upon conviction for a violation as described in sub-subparagraph b., a firefighter or other beneficiary who receives or seeks to receive health insurance benefits under this paragraph shall forfeit the right to receive such health insurance benefits, and shall reimburse the employer for all benefits paid due to the

fraud or other prohibited activity. For purposes of this sub-subparagraph, the term “conviction” means a determination of guilt that is the result of a plea or trial, regardless of whether adjudication is withheld.

2. In order for the firefighter, spouse, and dependent children to be eligible for such insurance coverage, the injury must have occurred as the result of the firefighter’s response to what is reasonably believed to be an emergency involving the protection of life or property, or an unlawful act perpetrated by another, or the injury must have occurred during an official training exercise in which the firefighter became totally and permanently disabled. Except as otherwise provided herein, this paragraph may not be construed to limit health insurance coverage for which the firefighter, spouse, or dependent children may otherwise be eligible, except that a person who qualifies for benefits under this section is not eligible for the health insurance subsidy provided under chapter 121, chapter 175, or chapter 185.

Notwithstanding any provision of this section to the contrary, the death benefits provided in paragraphs (b), (c), and (f) shall also be applicable and paid in cases where a firefighter received bodily injury prior to July 1, 1993, and subsequently died on or after July 1, 1993, as a result of such in-line-of-duty injury.

Section 2. The Legislature determines and declares that this act fulfills an important state interest.

Section 3. This act shall take effect July 1, 2025.

Approved by the Governor May 22, 2025.
