Thereafter, upon passage of the referendum as described in subsection (1) of section 13, the Palm Coast Area Municipal Service District shall be considered dissolved.

Section 11. General provisions.—

(1) CHARTER AMENDMENT.—This charter may be amended in accordance with the provisions of the Municipal Home Rule Powers Act, chapter 166, Florida Statutes, as the same may be amended from time to time, or as may otherwise be provided by general law. The form, content, and certification of any petition to amend shall be established by ordinance.

(2) CHARTER REVIEW; SCHEDULE, CHARTER REVIEW COMMITTEE.—

(a) Schedule.—The charter shall be reviewed no sooner than 10 years after the creation of the City of Palm Coast on December 31, 1999, and thereafter it may be reviewed every 10 years.

(b) Charter review committee.—A five-member charter review committee shall be appointed. Each district council member shall appoint one member from his or her district, and the mayor shall appoint one member at large. The Palm Coast City Council shall fund this committee. The charter review committee shall be appointed at least 1 year before the next scheduled general election and complete its work and present any recommendations for change no later than 60 days before the general election. The Palm Coast City Council shall hold a minimum of two public hearings on the proposed changes to the charter prior to placing the proposed changes on the scheduled general election ballot.

(3) INITIATIVE AND REFERENDUM.—At least 25 percent of the qualified electorate of the city shall have the power to petition the council to propose an ordinance or to require reconsideration of an adopted ordinance, or to propose an amendment to this charter. If the council fails to adopt such ordinance or amendment so proposed, or to repeal such adopted ordinance, without any change in substance, then the council shall place the proposed ordinance or amendment, or the repeal of the adopted ordinance, on the ballot at the next general election.

(4) ADJUSTMENTS OF DISTRICTS: NUMBER, COMMISSION, REPORT, SUPPORT, PROCEDURE, FAILURE TO ENACT, EFFECT OF ENACTMENT.—

(a) Number of districts.—There shall be four city council districts as described in subsection (2) of section 9. These boundaries shall remain in effect until the decennial census of 2010. Thereafter, there shall be a districting commission as outlined in paragraph (b).

(b) Districting commission.—By the first day of the month following official certification notification of the decennial census to the state, the city council shall appoint five city electors, determined from the registration for the last statewide general election, who shall comprise the districting commission. Electors chosen shall not be employed by the city in any other capacity.

(c) Commission report.—Within 120 days after appointment, the districting commission shall file with the official designated by the council a report containing a recommended plan for adjustment of the council district boundaries to comply with the following specifications:

1. Each district shall be formed of compact, contiguous territory, and its boundary lines shall follow the center lines of natural and manmade separations, such as canals, streets, etc., where possible.

2. The districts shall be based upon the principle of equal and effective representation as required by the United States Constitution and as represented in the mathematical preciseness reached in the legislative apportionment of the state.

The report shall include a map and description of the districts recommended and shall be drafted as a proposed ordinance. Once filed with the designated official, the report shall be treated as an ordinance introduced by a council member.

(d) Support.—It shall be the responsibility of the city manager to provide staff assistance and technical data to the districting commission.

(e) Procedure.—The procedure for the council's consideration of the report shall be the same as for other ordinances, provided that any summary of the ordinance published pursuant to this charter and general law must include both the map and a description of the recommended districts.

(f) Failure to enact ordinance.—After receipt of the commission report, the council shall adopt a redistricting ordinance at least 90 days before the next regular city election. If the council fails to do so by such date, the report of the districting commission shall go into effect and have the effect of an ordinance.

(g) Effect of enactment.—

1. The new council districts and boundaries, as of the date of enactment, shall supersede previous council districts and boundaries for all the purposes of the next regular city election, including qualifications.

2. The new council districts and boundaries shall supersede previous council districts and boundaries for all other purposes as of the date all council members take office who were elected subsequent to the effective date of the new districts.

3. All district seats not up for election, but which as a result of the redistricting no longer have council members who live within the district, shall be declared vacant for purposes of the next regularly scheduled election. Such election shall, in order to preserve the staggering of the terms, be for either 4 years or for the remaining 2 years of the term, depending on the district vacant.

(5) STANDARDS OF CONDUCT.—All elected officials and employees of the city shall be subject to the standards of conduct for public officers and employees set by general law. In addition, the city council may, by ordinance, establish a code of ethics for officials and employees of the city, which may be supplemental to general law, but in no case may such an ordinance diminish the provisions of general law.

Section 12. Severability.—If any provision of this act, or the application thereof to any person or circumstance, is held invalid, the invalidity shall not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared severable.

Section 13. Transition schedule.—

(1) REFERENDUM.—The referendum election called for by this act shall be held on the second Tuesday in September 1999, at which time the following question shall be placed upon the ballot:

SHALL CHAPTER 99-....., LAWS OF FLORIDA, CREATING THE CITY OF PALM COAST AND PROVIDING ITS CHARTER BE APPROVED?

In the event this question is answered affirmatively by a majority of voters voting in the referendum, the provisions of this charter shall take effect as provided herein.

(2) CREATION AND ESTABLISHMENT OF CITY.—For the purpose of compliance with Florida Statutes relating to assessment and collection of ad valorem taxes, and for the purpose of subsection (2) of section 11, the city is hereby created and established effective December 31, 1999.

(3) INITIAL ELECTION OF COUNCIL MEMBERS; DATES, QUALIFYING PERIOD, CERTIFICATION OF ELECTION RESULTS, INDUCTION INTO OFFICE.—

(a) Dates.—Following the adoption of this charter in accordance with subsection (1), the Flagler County Commission shall call a special election for the election of the four city council members and the mayor to be held on Tuesday, December 14, 1999. Any necessary primary election shall be held on Tuesday, November 9, 1999.

(b) Qualifying period.—Between 8:30 a.m. on Tuesday, September 21, 1999, and 2 p.m. on Friday, October 1, 1999, any individual who wishes to run for one of the four initial seats on the council or for the office of mayor shall qualify as a candidate with the Flagler County Supervisor of Elections in accordance with the provisions of general law and paragraph (1)(b) of section 5 of this charter, except that for this initial election, the following provisions supersede paragraph (1)(b) of section 5:

1. For any of the four district seats, the number of qualifying signatures required on a qualifying petition shall be 80; or, if the candidate wishes to qualify by fee, that fee shall be \$120.

2. For the seat of mayor, the number of qualifying signatures required on a qualifying petition shall be 300; or, if the candidate wishes to qualify by fee, that fee shall be \$180.

(c) Certification of election results.—For the initial election, the Flagler County Commission shall appoint a canvassing board which shall certify the results of the election.

(d) Induction into office.—Those candidates who are elected on December 14, 1999, or at the primary on November 9, 1999, following the same manner as outlined in subsection (6) of section 8, shall take office at the initial city council meeting, which shall be held at 7 p.m., on December 16, 1999, at the Palm Coast Community Center, 305 Palm Coast Parkway, Palm Coast, Florida.

#### (4) TRANSITION SERVICES AND COMPENSATION.—

(a) It is the intent of this section that the county shall provide and be compensated for the provision of services to the City of Palm Coast as budgeted for in the fiscal year 1999-2000 Flagler County Budget for the remainder of the budget year. The level of services to be provided will be consistent with the level upon which the fiscal year 1999-2000 expense budget was predicated and in accordance with adopted revenues.

(b) It is also the intent of this section that, if the referendum of September 1999 passes, the county shall make no changes to the fiscal year 1999-2000 draft budget which would affect the future City of Palm Coast, either positively or negatively, unless a special budget hearing is held for the citizens of the future City of Palm Coast to discuss such changes.

(c) In addition, services which the county shall provide under the terms of this agreement shall include all services provided to the Palm Coast Municipal Service District as adopted by the Flagler County Commission prior to the City of Palm Coast becoming operational on December 31, 1999. Compensation to the County of Flagler for services provided shall include all revenues which, although accruing to the city, would have accrued to the county as budgeted for provision of services prior to the incorporation of the city.

(d) It is the responsibility of the city to adopt appropriate ordinances, resolutions, or agreements as required to ensure the continued collection of budgeted revenues with which to fund services beginning January 1, 2000.

(e) Any revenues adopted or received by the City of Palm Coast upon which delivery of services was not predicated within the Flagler County Commission's fiscal year 1999-2000 adopted budget shall accrue to the City of Palm Coast.

(5) FIRST-YEAR EXPENSES.—The city council, in order to provide additional moneys needed for the expenses and support of the city, shall have the power to borrow money necessary for the operation of city government until such time as a budget is adopted and revenues are raised in accordance with the provisions of this charter.

(6) TRANSITIONAL ORDINANCES AND RESOLUTIONS.—The city council shall adopt ordinances and resolutions required to effect the transition. Ordinances adopted within 60 days after the first council meeting shall be passed as emergency ordinances. These transitional ordinances shall be effective for no longer than 90 days after adoption, and thereafter may be readopted, renewed, or otherwise continued only in the manner normally prescribed for ordinances.

(7) TRANSITIONAL COMPREHENSIVE PLAN AND LAND DEVELOPMENT REGULATION.—

(a) Until such time as the city shall adopt a comprehensive plan, the applicable provisions of the Comprehensive Plan of Flagler County, Florida, as the same exists on the day the city commences corporate existence, shall remain in effect as the city's transitional comprehensive plan. However, all planning functions, duties, and authority shall thereafter be vested in the City Council of Palm Coast, which shall be deemed the local planning agency until the council establishes a separate local planning agency.

(b) All powers and duties of the Flagler County Planning and Land Development Regulations Council, any boards of adjustment and appeals created pursuant to statutory trade codes, and the County Commission of Flagler County, Florida, as set forth in these transitional zoning and land use regulations, shall be vested in the City Council of Palm Coast until such time as the city council delegates all or a portion thereof to another entity.

General law prohibits the adoption of zoning ordinances as emergency ordinances.

(c) Subsequent to the commencement of the city's corporate existence, no amendment of the comprehensive plan or land development regulations enacted by the Flagler County Commission shall be deemed an amendment of the city's transitional comprehensive plan or land development regulations or shall otherwise take effect within the city's corporate limits unless approved by the city council.

(8) SHARED REVENUES.—The City of Palm Coast shall be entitled to participate in all shared revenue programs of the state effective on the date of incorporation. The provisions of s. 218.23(1), Florida Statutes, shall be waived for the purpose of eligibility to receive revenue sharing funds from the date of incorporation through the state fiscal year 2001-2002. The provi-

sions of s. 218.26(3), Florida Statutes, shall be waived for fiscal year 1999-2000 and apportionment factors for the municipalities and counties shall be recalculated pursuant to s. 218.245, Florida Statutes, upon the date of incorporation. Initial population estimates for calculating eligibility for shared revenues shall be determined by the University of Florida Bureau of Economic and Business Research. Should the bureau be unable to provide an appropriate population estimate, the Flagler County Planning Department shall provide an appropriate estimate.

(9) The City of Palm Coast shall be entitled to receive local option gas tax revenues beginning October 1, 2000, in accord with an interlocal agreement if executed prior to June 1, 2000. If said interlocal agreement is not executed prior to June 1, 2000, the distributions shall be in accord with the lane-mile formula contained in s. 336.025(4)(b)1., Florida Statutes.

Section 14. This act shall take effect as provided herein only upon its approval by a majority vote of those qualified electors residing within the proposed corporate limits of the proposed City of Palm Coast, as described in subsection (1) of section 9, voting in a referendum election to be called by the Flagler County Commission and to be held in accordance with subsection (1) of section 13, and the provisions of general law relating to elections currently in force, except this section shall take effect upon becoming a law.

Approved by the Governor May 26, 1999.
