Be It Enacted by the Legislature of the State of Florida:

Section 1. Pursuant to section 189.429, Florida Statutes, this act constitutes the codification of all special acts relating to the Daytona Beach Downtown Development Authority. It is the intent of the Legislature in enacting this law to provide a single, comprehensive special act charter for the district including all current legislative authority granted to the district by its several legislative enactments and any additional authority granted by this act. It is further the intent of this act to preserve all district authority in addition to any authority contained in the Florida Statutes, as amended from time to time.

Section 2. Chapters 72-520, 77-537, 79-446, and 80-493, Laws of Florida, are amended, codified, reenacted, and repealed as herein provided.

Section 3. The charter for the Daytona Beach Downtown Development Authority is re-created and reenacted to read:

Section 1. Popular name.—This act shall be known and may be cited as the “Daytona Beach Downtown Development Authority Act.”

Section 2. Definitions and rules of construction.—Unless qualified in the text, the following definitions and rules of construction shall apply hereto:

(1) “Board” means the Daytona Beach Downtown Development Authority and any successor to its functions, authority, rights, and obligations.

(2) “City” and “Daytona Beach” mean the City of Daytona Beach.

(3) “City commission” means the Daytona Beach City Commission and any succeeding governing body of the city.

(4) “Downtown” and “downtown area” mean the area as set forth herein and to which this act primarily relates, including the central business district and its environs.

(5) “Elector” shall be synonymous with the term “voter” or “qualified elector or voter.”

(6) “Freeholder” means any owner of real property in the downtown area not wholly exempt from ad valorem taxation, whether individual, corporation, trust, estate, or partnership residing or with its principal place of business located in the United States of America.

(7) “Herein,” “hereby,” “hereof,” and similar compounds refer to the entire act.

(8) “Including” shall be construed as merely introducing illustrative examples and not as limiting in any way the generality of the inclusive term.

(9) “Majority without qualification” means a majority of a quorum.

(10) “Mayor” means the Mayor of the City of Daytona Beach.

(11) “State” means the State of Florida.

### Section 3. Statement of policy and legislative findings.—

(1) It is the policy of the state to make it possible for the city to revitalize and preserve property values and prevent deterioration in the downtown area by a system of self-help to correct the commercial blight of such deterioration as has developed there. The authority hereby created is intended to provide a means whereby property owners who will benefit directly from the results of such a program will bear the substantial cost thereof and local problems may be solved on the local level through the authority hereby created.

(2) The Legislature hereby finds and declares that among the many causes of commercial blight in the downtown area are the following: impeded automobile traffic flow due to outmoded street patterns, proliferation of uncoordinated uses and parking areas, unsuitable topography, faulty lot layouts, fragmentation of land uses and parking areas necessitating frequent automobile movement, lack of separation of pedestrian areas from automobile traffic, lack of separation of vehicle traffic lanes, and strangled automobile traffic. Voluntary cooperation for coordinated development has limitations because of fragmentary ownership, absentee ownership, and unusual conditions of title and other conditions.

(3) The downtown area is plagued with vacant and deteriorating buildings, which are neglected and produce an undesirable atmosphere. Similarly, there is much vacant land area in the downtown area, and these factors tend to combine to put the downtown area at a competitive disadvantage to modern offices and shopping centers developing in the area. Many businesses of all types have left the area for new locations in suburban shopping centers, and few businesses have entered to take their places. The oldest commercial structures in the city are in this area and some are obsolete, of inferior construction, and incompatible with modern functional design as is featured in competitive shopping centers. These factors tend to develop an image of the downtown area which is unrepresentative of its economic vitality and out of place with the growth of Daytona Beach, thus producing a tarnishing effect on the overall image of the city.

(4) The area now has few residences and many of the residences that do exist are undersized and of inferior construction, which would not be permitted for new construction under the city's building code. It is in some instances a proper function of government to remove blight and blighting influences from commercial areas. The police power may be inadequate to accomplish this purpose. One effective device for removal of the blight from the downtown area is the planning and implementation of planning for appropriate land use, beautification, continuity of planning and aesthetic and technical design concepts, and removal of deteriorated and obsolescent structures.

(5) The Legislature further finds and declares that the provisions of this act and the powers afforded to the board are desirable to guide and accomplish the coordinated, balanced, and harmonious development of the downtown area in accordance with existing and future needs; to promote the health, safety, and general welfare of the area and its inhabitants, visitors, property owners, and workers; to establish, maintain, and preserve aesthetic values and preserve and foster the development and display of attractiveness; to prevent overcrowding and congestion; to improve automobile traffic and provide pedestrian safety; and to provide a way of life which combines the conveniences and amenities of modern living with the traditions and pleasures of the past.

#### Section 4. Downtown area description.—

(1) The downtown area included in this act shall be all those properties described as follows:

The board shall have the power from time to time by the following procedure to alter or amend the boundaries of the downtown area. The board shall first set a date for a public hearing on the adoption of a resolution amending the description of the downtown area and shall cause a notice of the public hearing to be published in a newspaper of general circulation published in the city, which notice shall be published four times, not less than 30 nor more than 60 days after the date of the hearing. The notice shall set forth the date, time, and place of the hearing and shall describe the boundaries of the existing downtown area as defined herein and shall describe the changes to be made thereto. Additionally, the board shall cause to be mailed to each owner of the property, according to the tax collector's records existing in Volusia County, a copy of the notice as published in the newspaper. After the public hearing, the board shall adopt a resolution defining the changes in the downtown area. The board shall not incorporate land into the district not included in the description contained in the notice of public hearing, but it may eliminate any lands from the area. A referendum, as set out in section 13, shall then be held in connection with any additions to the area defined in this section, with only those voting in the new area being eligible to vote. However, if any deletion shall be made in the area defined in this section, then all the freeholders and qualified electors within the area defined in this section shall be entitled to vote in the referendum.

(2) The owner or owners of real property within the city limits of Daytona Beach, and contiguous to the boundaries of the Daytona Beach Downtown Development District, may petition the Daytona Beach Downtown Development Authority to be included within the district boundaries. Upon determination by the Daytona Beach Downtown Development Authority that the petition bears the signatures of all owners of property in the area proposed to be included, the authority may, at any regular meeting, adopt a resolution to annex said property and redefine the boundary lines of the district to include said property. Said resolution shall be passed after same has been published once a week for 4 consecutive weeks in a newspaper of general circulation within the city limits of Daytona Beach. The resolution adopted hereunder shall be filed with the Clerk of the City of Daytona Beach. If real property which is contiguous to the boundaries of the Daytona Beach Downtown Development District is wholly owned by a public or governmental entity or subdivision thereof, the property may be included in the district boundaries upon the obtaining of a resolution by the governing body of the entity consenting to such inclusion. Upon receipt of such resolution, the authority may, at any regular meeting, adopt a resolution to include said property and redefine the boundary lines of the district to include said

property. Said resolution shall be passed after same has been published once a week for 4 consecutive weeks in a newspaper of general circulation within the City of Daytona Beach. The resolution adopted hereunder shall be filed with the Clerk of the Circuit Court of Volusia County and the City of Daytona Beach.

Section 11. Provisions governing issuance of revenue certificates.—Issuance of revenue certificates by the board shall be governed by the following general provisions:

(1) Revenue certificates for purposes hereof are limited to obligations that are secured solely by pledge of revenues produced by the facility or facilities for the benefit of which the certificates are issued and the sale proceeds used and that do not constitute a lien or encumbrance, legal or equitable, on any real property of the board or on any of its personal property other than the revenue pledged to secure payment of the certificates.

(2) The faith and credit of the city shall not be pledged and the city shall not be obligated directly or indirectly to make any payments on or appropriate any funds for certificates issued by the board.

(3) Before issuing any revenue certificates, the board shall as to each issue:

(b) Determine that the anticipated net proceeds from the sale, together with any other funds available and intended for the purposes of the issue,

will be sufficient to cover all costs of the undertaking and of preparing and marketing the issues or anything connected therewith.

(c) Determine that the annual revenues anticipated from the undertaking will be sufficient to pay the estimated annual cost of maintaining, repairing, operating, and replacing, to any necessary extent, not only the undertaking but also the punctual payment of the principal of, and interest on, the contemplated certificates.

(d) Specify these determinations in and include the supporting estimates as parts of the resolution providing for the issue.

Section 12. Transfer upon cessation of the board.—Should the board cease to exist or to operate for whatever reason, all property of whatever kind shall forthwith become the property of the city, subject to the outstanding obligations of the board incurred in conformity with all of the foregoing provisions, and the city shall use this property to the maximum extent then practicable for effectuating the purpose hereof and shall succeed to and exercise only such powers of the board as shall be necessary to meet outstanding obligations of the board and effect an orderly cessation of its powers and functions; however, under no circumstances shall the city directly or indirectly be obligated to pledge or use any of its tax moneys to accomplish these functions.

Section 13. Freeholders and qualified electors referendum.—Elections called after increasing or decreasing the boundaries of the downtown area in accordance with section 4 of this act shall be held in accordance with the following referendum provisions; provided, however, that no provision of this act shall require the approval of freeholders and qualified electors in an area which has previously approved of the provisions of this act by any referendum held hereinunder, unless there is involved a decrease in the boundaries of the downtown area.

(1) For the purposes of this referendum, the city clerk shall work with the county supervisor of elections to perform all things necessary to carry out the provisions of this section.

(2) Within 30 days after this act becoming a law of this state, the Clerk of the City of Daytona Beach shall compile a list of the names and the last known addresses of the freeholders and qualified electors in the downtown area from the voter registration rolls of the County of Volusia and the same shall constitute the registration list for the purposes of the referendum herein, except as hereinafter provided.

(3) Within the time period specified in subsection (2), the clerk shall notify the freeholders and qualified electors of the general provisions of this act, the dates of the upcoming referendum, and the method provided for additional registration should the status of the freeholder or qualified elector have changed from that obtained from the county supervisor of elections. Notification hereunder shall be by registered or certified mail and published one time in the Daytona Beach News-Journal or another major newspaper of general circulation within the time period provided in subsection (2).

(4) The voter registration lists shall remain open until 30 days after the notifications provided in subsection (3).

(5) Within 30 days after the closing of the registration list, the clerk shall have a secret and direct ballot of the freeholders and qualified electors by providing a certified voting machine at the City Hall of the City of Daytona Beach, between the legal hours of voting in normal municipal elections, and shall place the date of this election in the original notification and, additionally, the day after the registration list is closed, shall mail to all eligible voters additional notification of the time and place of said election. Within 1 day after holding said election, the clerk shall certify the results thereof to the City Commission of Daytona Beach. Any person voting who has knowledge that he or she is not a freeholder or qualified elector as defined by this act shall be guilty of perjury and shall be prosecuted and upon conviction, punished in accordance with the provisions of the laws of this state.

(6) The freeholders and qualified electors shall be deemed to have approved any amendment to the boundaries of the downtown area at such time as the clerk certifies to the City Commission of Daytona Beach that in excess of 50 percent of those voting were in favor of the amendment.

(7) For the purposes of this act, one vote shall be allowed for each individual who is a freeholder or qualified elector within the downtown area defined in this act and by the Constitution and laws of the State of Florida. Joint and several owners of property shall be allowed to cast one ballot each.

(8) A repeal referendum may be called by petition of the freeholders and qualified electors representing at least 30 percent of the freeholders and qualified electors in the downtown area qualified to vote for the purpose of abolishing the board and repealing this act. Upon the receipt of such a petition for a repeal referendum by the city clerk, a referendum election shall be called by the city clerk and shall be held under the procedures as specified in this section. If the repeal shall fail, there shall be no additional repeal referendum made by petition at any time until 1 year after the certification of the results of the previous referendum by the clerk.

(9) The elections to be held under this act shall be held in accordance with the election laws of the City of Daytona Beach, sections 22 through 26 of the charter, insofar as possible. The board shall be billed for the cost of the election by the City of Daytona Beach.

Section 14. Persons eligible to vote.—In order to afford a fair and equal opportunity to all persons directly or indirectly affected by the creation of a downtown development authority in the City of Daytona Beach, all freeholders, as defined in this act, as well as qualified electors or voters, within the downtown area as described herein, are eligible to vote as provided in this act.

Section 15. Millage limitations.—This act provides for the establishment of a special taxing district under s. 9, Art. VII of the Florida Constitution and the millage limitations are specified within this act as authorized by the constitution. However, should any court construe this act to be within the 10-mill limitation of the city or 10-mill limitation of the county, then all provisions of this act shall be null and void, and this act shall be repealed.

Section 16. Special assessments.—To further finance the improvements authorized by this act, the Daytona Beach Downtown Development Authority Board is authorized to provide for payment of all or any part of the cost thereof by levying and collecting special assessments on property benefited by such improvements. Such special assessments shall be levied based on the benefits or advantages that reasonably may result to the property or to the owners thereof from the improvement contemplated and may be computed by the front footage of the benefited property, by the area benefited, by the distance from the improvements, or by any combination of these methods. The board shall declare by resolution the nature of the proposed improvements; designate the streets, sidewalks, or other properties to be improved and paid by special assessments; the manner in which said special assessments are to be paid; what part, if any, of said special assessments shall be paid by other funds; designate the lands upon which special assessments shall be levied; and state the total estimated cost of the improvements. Such estimated cost may include the cost of construction or reconstruction; all labor and materials; all lands, rights, easements, and franchises acquired; financing charges and interest prior to, during, and for up to 1 year after completion of construction; plans and specifications and surveys of estimates, costs, and revenues; engineering and legal services; and all other expenses necessary or instant to determining the feasibility or practicality of such construction or reconstruction, administrative expenses, and such other expenses as may be necessary or instant to the financing herein authorized.

(1) Upon enactment of the resolution, the board shall cause to be prepared a preliminary assessment provided for in the resolution. The board may contract with the City of Daytona Beach or the County of Volusia to prepare the assessment roll. The assessment roll shall contain property descriptions and preliminary assessments of costs against each lot or parcel of land benefiting from such improvement.

(2) Upon completion of the preliminary assessment roll, the board shall cause to be published once in a newspaper of general circulation, published

in the City of Daytona Beach, a notice stating that such a preliminary assessment roll has been completed and is on file at the Courthouse Annex of the County of Volusia or City Hall of the City of Daytona Beach and is open to public inspection, and at a regular meeting of the board on a certain day and hour, not later than 15 days after said publication, the board will hear all interested persons regarding the proposed assessments contained in the preliminary assessment roll, which notice shall further state in brief and general terms a description of the improvement with the location thereon.

(3) At least 15 days prior to the date of such hearing, notice by first class mail shall be sent to each person whose name and address appears in the most recent ad valorem real property tax rolls prepared by the property appraiser of the County of Volusia, who is the owner of any lot or parcel of land assessed, advising him or her of the nature of the proposed improvements, the estimated cost thereof, the specific amount of assessment made against each lot or parcel of land so owned by him or her or listed in his or her name, and the place, date, and time of the hearing upon the assessments as hereinbefore provided.

(4) On or after the hearing provided for in this act, the board shall annul, sustain, or modify in whole or in part the preliminary assessment indicated on the preliminary assessment roll, either by confirming the preliminary assessment against any or all lots or parcels described therein, or by canceling, increasing, or reducing the same, according to the benefits which the board decides may reasonably result or have resulted to each lot or parcel by virtue of said improvement, but shall not confirm any assessment in excess of the benefit to the property assessed. Immediately after the determination of special assessments as hereinbefore provided, the special assessment roll, as sustained or modified, shall be delivered to the Finance Department of the County of Volusia for collection pursuant to provisions of state law. The board's determination of special assessment shall be final and conclusive.

(5) Such special assessment shall become due and payable no later than 30 days after the final determination of the special assessments as hereinbefore provided, or at the time and in the manner stipulated in the resolution providing for the improvements. The special assessments shall remain liens, coequal with the lien of all state, county, district, and municipal taxes, superior in dignity to all other liens, titles, and claims until paid. The special assessments may, by the resolution aforesaid, be made payable in not more than 10 equal annual installments, to which, if not paid when due, there shall be added a penalty at the rate of 1 percent per month until paid.

(6) After the equalization, approval, and confirmation of the levying of the special assessments for improvements as provided herein, and as soon as a contract for the improvements has been finally let, the board may by resolution or ordinance authorize the issuance of bonds, to be designated "Improvement Bonds, Series No. ....", in an amount not in excess of the aggregate amount of the liens levied for such improvements. Said bonds shall be payable from a special and separate fund to be known as the "Improvement Fund, Series No. ....", which shall be used solely for the

payment and principal interest of said "Improvement Bond, Series No. ...." and for no other purpose. Said fund shall be deposited in a separate account with the City of Daytona Beach, and all the proceeds collected by the Finance Department of the County of Volusia from the principal, interest, and penalties of said lien shall be deposited and held in such funds. Said bonds shall mature not later than 2 years after the maturity of the last installment of said liens.
