

CHAPTER 2019-20

Senate Bill No. 320

An act relating to residential conservation programs; creating s. 379.107, F.S.; authorizing the Fish and Wildlife Conservation Commission to organize, staff, equip, and operate residential conservation programs for a specified purpose; authorizing the commission to establish cooperative efforts, procure commodities and contractual services, and hire and train appropriate personnel and volunteers for the programs; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 379.107, Florida Statutes, is created to read:

379.107 Residential conservation programs.—The commission may organize, staff, equip, and operate residential conservation programs to provide fish and wildlife conservation education and training programs to the public, commission employees, and volunteers. To assist in carrying out the operation of the residential conservation programs, the commission may establish cooperative efforts involving federal, state, and local entities; may procure commodities and contractual services, including travel, lodging, meals and meal services; and may hire and train appropriate personnel and volunteers.

Section 2. This act shall take effect July 1, 2019.

Approved by the Governor May 3, 2019.

Filed in Office Secretary of State May 3, 2019.
