(2) DEFINITIONS.—As used in this section, the term:

(a) “Board” means the State Board of Administration.

In addition, any joint underwriting association, risk apportionment plan, or other entity created under s. 627.351 is not considered a FORA insurer and may not obtain coverage under FORA.

(i) “FORA insurer” means a FORA eligible insurer that executes a FORA reimbursement contract pursuant to this section.

(r) “Unsound insurer” means a FORA insurer determined by the Office of Insurance Regulation to be in unsound condition as defined in s. 624.80(2) or a FORA insurer placed in receivership under chapter 631.

(3) COVERAGE.—

(a) Each FORA eligible insurer may purchase coverage under FORA. The board shall provide four optional layers below the FHCF retention prior to the third event dropdown of the FHCF retention set forth in s. 215.555(2)(e)4. Only RAP insurers required to participate in the 2022-2023 contract year may select FORA layers 1 through 3. All FORA eligible insurers may purchase FORA layer 4. If a RAP insurer required to participate in the 2022-2023 contract year chooses to purchase layer 2, 3, or 4, such layers must be purchased inclusive of the prior layer and cannot be purchased separately.

(b) FORA industry limits prior to FORA insurer selections are as follows:

1. FORA industry layer 1 limit is \$1 billion.

2. FORA industry layer 2 limit is \$1 billion.

3. FORA industry layer 3 limit is \$2 billion divided by the RAP Qualification ratio minus \$2 billion.

4. FORA industry layer 4 limit is \$1 billion minus the total FORA industry limit selected for FORA layers 1, 2, and 3, plus the total FORA premium collected for FORA layers 1, 2, and 3.

(c) The maximum aggregate coverage for all selected FORA layers is \$1 billion as provided under paragraph (11)(a) plus premiums needed to fulfill the obligations of this section.

(4) FORA REIMBURSEMENT CONTRACTS.—

(a) FORA eligible insurers selecting coverage must execute a FORA reimbursement contract with the board.

(b) The board must enter into a FORA reimbursement contract effective June 1, 2023, with each FORA eligible insurer electing to purchase coverage. Such contract must provide coverage pursuant to this section in exchange for premium paid.

(c) The FORA reimbursement contract must be executed by the FORA insurer no later than April 15, 2023, for layers 1 through 3, and May 30, 2023, for layer 4.

(d) For the two covered events with the largest losses for the FORA insurer, the FORA reimbursement contract must contain a promise by the board to reimburse the FORA insurer for 100 percent of its losses from each covered event in excess of the lowest selected FORA layer's retention. The sum of the FORA insurer's covered losses from the two covered events with the largest losses from each FORA layer may not exceed the FORA insurer's combined selected FORA layer limit or limits.

(e) The FORA reimbursement contract must provide that reimbursement amounts are not reduced by reinsurance paid or payable to the insurer from other sources.

(f) The board shall calculate and report to each FORA insurer the initial and final FORA payout multiples for each FORA layer using the source data described in paragraph (5)(a).

1. For FORA layer 1, the FORA payout multiple is the quotient of \$1 billion divided by the FHCF industry aggregate retention multiplied by the FHCF retention multiple for the FHCF coverage selected.

2. For FORA layer 2, the FORA payout multiple is the quotient of \$1 billion divided by the FHCF industry aggregate retention multiplied by the FHCF retention multiple for the FHCF coverage selected.

3. For FORA layer 3, the FORA payout multiple is calculated as follows: the numerator is the quotient of \$2 billion divided by the RAP qualification ratio as defined in s. 215.5551(2)(j) minus \$2 billion. The denominator is the FHCF industry aggregate retention. The FORA multiple is the FHCF retention multiple multiplied by the numerator divided by the denominator.

4. The FORA layer 4 payout multiple is the total FORA industry layer 4 limit divided by the FHCF industry aggregate retention multiplied by the FHCF retention multiple for the FHCF coverage selected. For FORA layer 4, the total FORA industry layer limit is \$1 billion minus the total FORA industry limit selected for FORA layers 1, 2, and 3, plus the total FORA premium collected for FORA layers 1, 2, and 3.

(g) For each FORA layer, the FORA payout multiple is multiplied by the FORA insurer's FHCF premium to calculate its FORA maximum payout. FORA payout multiples are calculated for 45 percent, 75 percent, and 90 percent FHCF mandatory coverage selections.

(h) For a FORA insurer that selects more than one layer, the FORA layer limits shall be combined to a single aggregate limit for the two covered events with the largest losses for the FORA insurer.

(i) FORA layer retentions are calculated as follows:

1. For each FORA layer, the board shall calculate and report to each FORA insurer the initial and final FORA retention multiples for each FHCF coverage selection as the FHCF retention multiple minus the FORA payout multiple using the source data described in paragraph (5)(a). The FORA retention multiple is multiplied by the FORA insurer's FHCF premium to calculate its FORA retention. FORA retention multiples are calculated for 45 percent, 75 percent, and 90 percent FHCF mandatory coverage selections.

2. The FORA industry retention for the 2023-2024 contract year for FORA layer 1 is the FHCF's industry retention minus \$1 billion. The FORA layer 2 industry retention is the FHCF industry retention minus \$2 billion. The FORA layer 3 industry retention is the FHCF's industry retention minus the quotient of \$2 billion divided by the RAP qualification ratio. The FORA layer 4 industry retention is the FORA layer 3 retention minus the FORA layer 4 limit.

3. A FORA insurer's initial and final FORA retentions are determined by multiplying its FHCF reimbursement premium by the FORA retention multiple for each FHCF coverage selection using the source data in paragraph (5)(a).

4. For a FORA insurer that selects more than one layer, the FORA combined layer retention shall be the lowest selected layer retention for each of the two covered events with the largest losses for the FORA insurer.

(j) To ensure that insurers have properly reported the losses for which FORA reimbursements have been made, the board may inspect, examine, and verify the records of each FORA participating insurer's covered policies at such times as the board deems appropriate for the specific purpose of validating the accuracy of losses required to be reported under the terms and conditions of the FORA reimbursement contract.

(5) FORA PREMIUMS.—

(a) Premiums shall be charged as follows:

1. Fifty percent Rate on Line multiplied by the FORA insurer's FORA layer 1 limit.

2. Fifty-five percent Rate on Line multiplied by the FORA insurer's FORA layer 2 limit.

3. Sixty percent Rate on Line multiplied by the FORA insurer's FORA layer 3 limit.

4. Sixty-five percent Rate on Line multiplied by the FORA insurer's FORA layer 4 limit.

(b) Initial FORA premiums shall be based on the 2023 FHCF projected industry retention, FHCF retention multiples, 2022 RAP qualification ratio, and insurers' 2022 FHCF premiums. Final FORA premiums will be adjusted after December 31, 2023, based on December 31, 2023, FHCF premiums, FHCF industry retention, the 2023 RAP qualification ratio and insurers' 2023 FHCF premiums.

(c) Failure to pay the initial FORA premium in full by July 1, 2023, shall result in disqualification as a FORA insurer. The final FORA premium will be due no later than March 1, 2024.

(6) CLAIMS-PAYING CAPACITY.—FORA shall not affect the claims-paying capacity of the FHCF as provided in s. 215.555(4)(c)1.

(7) INSOLVENCY OF FORA INSURER.—

(a) The FORA reimbursement contract must provide that in the event of an insolvency of a FORA insurer, the board shall pay reimbursements directly to the applicable state guaranty fund for the benefit of policyholders in this state of the FORA insurer.

(b) If an authorized insurer or the Citizens Property Insurance Corporation accepts an assignment of an unsound insurer's FORA reimbursement contract, the board shall apply the unsound insurer's FORA reimbursement contract to such policies and treat the authorized insurer or the Citizens Property Insurance Corporation as if it were the unsound insurer for the remaining term of the FORA reimbursement contract, with all rights and duties of the unsound insurer beginning on the date it provides coverage for such policies. This paragraph may not be construed to limit the board's right to receive the premium due under the Unsound insurer's FORA reimbursement contract.

(8) VIOLATIONS.—Any violation of this section or of rules adopted under this section constitutes a violation of the Florida Insurance Code.

(9) LEGAL PROCEEDINGS.—The board may take any action necessary to enforce the rules, provisions, and requirements of the FORA reimbursement contract under this section.

(10) RULEMAKING.—The board may adopt rules to implement this section. In addition, the board may adopt emergency rules pursuant to s. 120.54(4) at any time as are necessary to implement this section for the 2023-2024 fiscal year. The Legislature finds that such emergency rulemaking power is necessary in order to address a critical need in the state's problematic property insurance market. The Legislature further finds that the uniquely short timeframe needed to effectively implement this section for the 2023-2024 fiscal year requires that the board adopt rules as quickly as practicable. Therefore, in adopting such emergency rules, the board need not make the findings required by s. 120.54(4)(a). Emergency rules adopted under this section are exempt from s. 120.54(4)(c) and shall remain in effect until replaced by rules adopted under the nonemergency rulemaking procedures of chapter 120, which must occur no later than December 31, 2023.

(11) APPROPRIATION.—

(a) Within 60 days after a covered event, the board shall submit written notice to the Executive Office of the Governor if the board determines that funds from FORA coverage established by this section will be necessary to reimburse FORA insurers for losses associated with the covered event. The initial notice, and any subsequent requests, must specify the amount necessary to provide FORA reimbursements. Upon receiving such notice, the Executive Office of the Governor shall instruct the Chief Financial Officer to draw a warrant from the General Revenue Fund for a transfer to the board for FORA in the amount requested. The Executive Office of the Governor shall provide written notification to the chair and vice chair of the Legislative Budget Commission at least 3 days before the effective date of the warrant. Cumulative transfers authorized under this paragraph may not exceed \$1 billion.

(b) Upon this act becoming a law, the Executive Office of the Governor shall instruct the Chief Financial Officer to draw a warrant from the General Revenue Fund for a transfer of \$2 million to the board for the implementation and administration of FORA and post-event examinations for covered events that require FORA coverage. If the board determines additional administrative funds are needed, the board shall submit written notice to the Executive Office of the Governor that funds will be necessary for the implementation and administration of FORA and post-event examinations for covered events that require FORA coverage. The notice must specify the amount necessary for administration of FORA and post-event examinations. Upon receiving such notice, the Executive Office of the Governor shall instruct the Chief Financial Officer to draw a warrant from the General Revenue Fund for a transfer to the board for FORA in the amount requested. The Executive Office of the Governor shall provide written notification to the chair and vice chair of the Legislative Budget Commission at least 3 days

before the effective date of the warrant. Cumulative transfers authorized under this paragraph may not exceed \$6 million.

(c) If a covered event occurs that triggers reimbursements under FORA, no later than January 31, 2024, and quarterly thereafter, the board shall submit a report to the Executive Office of the Governor, the President of the Senate, and the Speaker of the House of Representatives detailing any reimbursements of FORA, all premiums collected, all loss development projections, and detailed information about administrative and post-event examination activities and expenditures.

(12) EXPIRATION DATE.—If no general revenue funds have been transferred to the board for FORA under subsection (11) by June 30, 2026, this section expires on July 1, 2026. If general revenue funds have been transferred to the board for FORA under subsection (11) by June 30, 2026, this section expires on July 1, 2030, and all unencumbered funds collected under this section shall be transferred by the board back to the General Revenue Fund unallocated.

Section 2. Section 624.1551, Florida Statutes, is amended to read:

624.1551 Civil remedy actions against property insurers.—Notwithstanding any provision of s. 624.155 to the contrary, in any claim for extracontractual damages under s. 624.155(1)(b), no action shall lie until a named or omnibus insured or a named beneficiary has established through an adverse adjudication by a court of law a claimant must establish that the property insurer breached the insurance contract and a final judgment or decree has been rendered against the insurer. Acceptance of an offer of judgment under s. 768.79 or the payment of an appraisal award does not constitute an adverse adjudication under this section. The difference between an insurer's appraiser's final estimate and the appraisal award may be evidence of bad faith to prevail in a claim for extracontractual damages under s. 624.155(1)(b), but is not deemed an adverse adjudication under this section and does not, on its own, give rise to a cause of action.

Section 3. Subsection (7) is added to section 624.3161, Florida Statutes, to read:

624.3161 Market conduct examinations.—

(7) Notwithstanding subsection (1), any authorized insurer transacting property insurance business in this state may be subject to an additional market conduct examination after a hurricane if the insurer:

(a) Is among the top 20 percent of insurers based upon a calculation of the ratio of hurricane-related property insurance claims filed to the number of property insurance policies in force;

(b) Is among the top 20 percent of insurers based upon a calculation of the ratio of consumer complaints made to the department to hurricane-related claims;

(c) Has made significant payments to its managing general agent since the hurricane; or

(d) Is identified by the office as necessitating a market conduct exam for any other reason.

All relevant criteria under this section and s. 624.316 shall be applied to the market conduct examination under this subsection. Such an examination must be initiated within 18 months after the landfall of a hurricane that results in an executive order or a state of emergency issued by the Governor. An examination of an insurer under this subsection must also include an examination of its managing general agent as if it were the insurer.

Section 4. Paragraph (c) of subsection (2) of section 624.418, Florida Statutes, is amended to read:

624.418 Suspension, revocation of certificate of authority for violations and special grounds.—

(2) The office may, in its discretion, suspend or revoke the certificate of authority of an insurer if it finds that the insurer:

(c) Has for any line, class, or combination thereof, with such frequency as to indicate its general business practice in this state, without just cause:

1. Refused to pay proper claims arising under its policies, whether any such claim is in favor of an insured or is in favor of a third person with respect to the liability of an insured to such third person, or without just cause compels such insureds or claimants to accept less than the amount due them or to employ attorneys or to bring suit against the insurer or such an insured to secure full payment or settlement of such claims; or

2. Compelled insureds to participate in appraisal under a property insurance policy in order to secure full payment or settlement of such claims.

Section 5. Paragraph (a) of subsection (10) of section 624.424, Florida Statutes, is amended to read:

624.424 Annual statement and other information.—

(10)(a) Each insurer or insurer group doing business in this state shall file on a quarterly basis in conjunction with financial reports required by paragraph (1)(a) a supplemental report on an individual and group basis on a form prescribed by the commission with information on personal lines and commercial lines residential property insurance policies in this state. The supplemental report shall include separate information for personal lines property policies and for commercial lines property policies and totals for each item specified, including premiums written for each of the property lines of business as described in ss. 215.555(2)(c) and 627.351(6)(a). 2. Total number of policies canceled.
3. Total number of policies nonrenewed.
4. Number of policies canceled due to hurricane risk.
5. Number of policies nonrenewed due to hurricane risk.

Section 6. Subsections (1) and (3) of section 626.9373, Florida Statutes, are amended to read:

626.9373 Attorney fees.—

(i) *Unfair claim settlement practices.*—

1. Attempting to settle claims on the basis of an application, when serving as a binder or intended to become a part of the policy, or any other material document which was altered without notice to, or knowledge or consent of, the insured;

2. (6) CITIZENS PROPERTY INSURANCE CORPORATION.—

and for policies that do not provide coverage for the peril of wind on risks that are located in such areas;

(II) A commercial lines account for commercial residential and commercial nonresidential policies issued by the corporation which provides coverage for basic property perils on risks that are not located in areas eligible for coverage by the Florida Windstorm Underwriting Association as those areas were defined on January 1, 2002, and for policies that do not provide coverage for the peril of wind on risks that are located in such areas; and

(III) A coastal account for personal residential policies and commercial residential and commercial nonresidential property policies issued by the corporation which provides coverage for the peril of wind on risks that are located in areas eligible for coverage by the Florida Windstorm Underwriting Association as those areas were defined on January 1, 2002. The corporation may offer policies that provide multiperil coverage and shall offer policies that provide coverage only for the peril of wind for risks located in areas eligible for coverage in the coastal account. Effective July 1, 2014, the corporation shall cease offering new commercial residential policies providing multiperil coverage and shall instead continue to offer commercial residential wind-only policies, and may offer commercial residential policies excluding wind. The corporation may, however, continue to renew a commercial residential multiperil policy on a building that is insured by the corporation on June 30, 2014, under a multiperil policy. In issuing multiperil coverage, the corporation may use its approved policy forms and rates for the personal lines account. An applicant or insured who is eligible to purchase a multiperil policy from the corporation may purchase a multiperil policy from an authorized insurer without prejudice to the applicant's or insured's eligibility to prospectively purchase a policy that provides coverage only for the peril of wind from the corporation. An applicant or insured who is eligible for a corporation policy that provides coverage only for the peril of wind may elect to purchase or retain such policy and also purchase or retain coverage excluding wind from an authorized insurer without prejudice to the applicant's or insured's eligibility to prospectively purchase a policy that provides multiperil coverage from the corporation. It is the goal of the Legislature that there be an overall average savings of 10 percent or more for a policyholder who currently has a wind-only policy with the corporation, and an ex-wind policy with a voluntary insurer or the corporation, and who obtains a multiperil policy from the corporation. It is the intent of the Legislature that the offer of multiperil coverage in the coastal account be made and implemented in a manner that does not adversely affect the tax-exempt status of the corporation or creditworthiness of or security for currently outstanding financing obligations or credit facilities of the coastal account, the personal lines account, or the commercial lines account. The coastal account must also include quota share primary insurance under subparagraph (c)2. The area eligible for coverage under the coastal account also includes the area within Port Canaveral, which is bordered on the south by the City of Cape Canaveral, bordered on the west by the Banana River, and bordered on the north by Federal Government property.

b. The three separate accounts must be maintained as long as financing obligations entered into by the Florida Windstorm Underwriting Association or Residential Property and Casualty Joint Underwriting Association are outstanding, in accordance with the terms of the corresponding financing documents. If no such financing obligations remain outstanding or if the financing documents allow for combining of accounts, the corporation may consolidate the three separate accounts into a new account, to be known as the Citizens account, for all revenues, assets, liabilities, losses, and expenses of the corporation. The Citizens account, if established by the corporation, is authorized to provide coverage to the same extent as provided under each of the three separate accounts. The authority to provide coverage under the Citizens account is set forth in subparagraph 4. If the financing obligations are no longer outstanding, the corporation may use a single account for all revenues, assets, liabilities, losses, and expenses of the corporation. Consistent with this subparagraph and prudent investment policies that minimize the cost of carrying debt, the board shall exercise its best efforts to retire existing debt or obtain the approval of necessary parties to amend the terms of existing debt, so as to structure the most efficient plan for consolidating the three separate accounts into a single account. Once the accounts are combined into one account, this subparagraph and subparagraph 3. shall be replaced in their entirety by subparagraphs 4. and 5.

c. Creditors of the Residential Property and Casualty Joint Underwriting Association and the accounts specified in sub-sub-subparagraphs a.(I) and (II) may have a claim against, and recourse to, those accounts and no claim against, or recourse to, the account referred to in sub-sub-subparagraph a.(III). Creditors of the Florida Windstorm Underwriting Association have a claim against, and recourse to, the account referred to in sub-sub-subparagraph a.(III) and no claim against, or recourse to, the accounts referred to in sub-sub-subparagraphs a.(I) and (II).

d. Revenues, assets, liabilities, losses, and expenses not attributable to particular accounts shall be prorated among the accounts.

e. The Legislature finds that the revenues of the corporation are revenues that are necessary to meet the requirements set forth in documents authorizing the issuance of bonds under this subsection.

f. The income of the corporation may not inure to the benefit of any private person.

3. With respect to a deficit in an account:

a. After accounting for the Citizens policyholder surcharge imposed under sub-subparagraph i., if the remaining projected deficit incurred in the coastal account in a particular calendar year:

(I) Is not greater than 2 percent of the aggregate statewide direct written premium for the subject lines of business for the prior calendar year, the

entire deficit shall be recovered through regular assessments of assessable insurers under paragraph (q) and assessable insureds.

(II) Exceeds 2 percent of the aggregate statewide direct written premium for the subject lines of business for the prior calendar year, the corporation shall levy regular assessments on assessable insurers under paragraph (q) and on assessable insureds in an amount equal to the greater of 2 percent of the projected deficit or 2 percent of the aggregate statewide direct written premium for the subject lines of business for the prior calendar year. Any remaining projected deficit shall be recovered through emergency assessments under sub-subparagraph ~~e.~~ ~~d.~~

b. Each assessable insurer's share of the amount being assessed under sub-subparagraph a. must be in the proportion that the assessable insurer's direct written premium for the subject lines of business for the year preceding the assessment bears to the aggregate statewide direct written premium for the subject lines of business for that year. The assessment percentage applicable to each assessable insured is the ratio of the amount being assessed under sub-subparagraph a. to the aggregate statewide direct written premium for the subject lines of business for the prior year. Assessments levied by the corporation on assessable insurers under sub-subparagraph a. must be paid as required by the corporation's plan of operation and paragraph (q). Assessments levied by the corporation on assessable insureds under sub-subparagraph a. shall be collected by the surplus lines agent at the time the surplus lines agent collects the surplus lines tax required by s. 626.932, and paid to the Florida Surplus Lines Service Office at the time the surplus lines agent pays the surplus lines tax to that office. Upon receipt of regular assessments from surplus lines agents, the Florida Surplus Lines Service Office shall transfer the assessments directly to the corporation as determined by the corporation.

c. The corporation may not levy regular assessments under paragraph (q) pursuant to sub-subparagraph a. or sub-subparagraph b. if the three separate accounts in sub-sub-subparagraphs 2.a.(I)-(III) have been consolidated into the Citizens account pursuant to sub-subparagraph 2.b. However, the outstanding balance of any regular assessment levied by the corporation before establishment of the Citizens account remains payable to the corporation.

~~d.~~ After accounting for the Citizens policyholder surcharge imposed under sub-subparagraph ~~j.~~ ~~i.~~, the remaining projected deficits in the personal lines account and in the commercial lines account in a particular calendar year shall be recovered through emergency assessments under sub-subparagraph ~~e.~~ ~~d.~~

~~e.~~ Upon a determination by the board of governors that a projected deficit in an account exceeds the amount that is expected to be recovered through regular assessments under sub-subparagraph a., plus the amount that is expected to be recovered through surcharges under sub-subparagraph ~~j.~~ ~~i.~~, the board, after verification by the office, shall levy emergency

assessments for as many years as necessary to cover the deficits, to be collected by assessable insurers and the corporation and collected from assessable insureds upon issuance or renewal of policies for subject lines of business, excluding National Flood Insurance policies. The amount collected in a particular year must be a uniform percentage of that year's direct written premium for subject lines of business and all accounts of the corporation, excluding National Flood Insurance Program policy premiums, as annually determined by the board and verified by the office. The office shall verify the arithmetic calculations involved in the board's determination within 30 days after receipt of the information on which the determination was based. The office shall notify assessable insurers and the Florida Surplus Lines Service Office of the date on which assessable insurers shall begin to collect and assessable insureds shall begin to pay such assessment. The date must be at least 90 days after the date the corporation levies emergency assessments pursuant to this sub-subparagraph. Notwithstanding any other provision of law, the corporation and each assessable insurer that writes subject lines of business shall collect emergency assessments from its policyholders without such obligation being affected by any credit, limitation, exemption, or deferment. Emergency assessments levied by the corporation on assessable insureds shall be collected by the surplus lines agent at the time the surplus lines agent collects the surplus lines tax required by s. 626.932 and paid to the Florida Surplus Lines Service Office at the time the surplus lines agent pays the surplus lines tax to that office. The emergency assessments collected shall be transferred directly to the corporation on a periodic basis as determined by the corporation and held by the corporation solely in the applicable account. The aggregate amount of emergency assessments levied for an account in any calendar year may be less than but may not exceed the greater of 10 percent of the amount needed to cover the deficit, plus interest, fees, commissions, required reserves, and other costs associated with financing the original deficit, or 10 percent of the aggregate statewide direct written premium for subject lines of business and all accounts of the corporation for the prior year, plus interest, fees, commissions, required reserves, and other costs associated with financing the deficit.

f.e. The corporation may pledge the proceeds of assessments, projected recoveries from the Florida Hurricane Catastrophe Fund, other insurance and reinsurance recoverables, policyholder surcharges and other surcharges, and other funds available to the corporation as the source of revenue for and to secure bonds issued under paragraph (q), bonds or other indebtedness issued under subparagraph (c)3., or lines of credit or other financing mechanisms issued or created under this subsection, or to retire any other debt incurred as a result of deficits or events giving rise to deficits, or in any other way that the board determines will efficiently recover such deficits. The purpose of the lines of credit or other financing mechanisms is to provide additional resources to assist the corporation in covering claims and expenses attributable to a catastrophe. As used in this subsection, the term "assessments" includes regular assessments under sub-subparagraph a. or subparagraph (q)1. and emergency assessments under sub-

subparagraph e. d. Emergency assessments collected under sub-subparagraph e. d. are not part of an insurer's rates, are not premium, and are not subject to premium tax, fees, or commissions; however, failure to pay the emergency assessment shall be treated as failure to pay premium. The emergency assessments shall continue as long as any bonds issued or other indebtedness incurred with respect to a deficit for which the assessment was imposed remain outstanding, unless adequate provision has been made for the payment of such bonds or other indebtedness pursuant to the documents governing such bonds or indebtedness.

g.f. As used in this subsection for purposes of any deficit incurred on or after January 25, 2007, the term "subject lines of business" means insurance written by assessable insurers or procured by assessable insureds for all property and casualty lines of business in this state, but not including workers' compensation or medical malpractice. As used in this sub-subparagraph, the term "property and casualty lines of business" includes all lines of business identified on Form 2, Exhibit of Premiums and Losses, in the annual statement required of authorized insurers under s. 624.424 and any rule adopted under this section, except for those lines identified as accident and health insurance and except for policies written under the National Flood Insurance Program or the Federal Crop Insurance Program. For purposes of this sub-subparagraph, the term "workers' compensation" includes both workers' compensation insurance and excess workers' compensation insurance.

h.g. The Florida Surplus Lines Service Office shall determine annually the aggregate statewide written premium in subject lines of business procured by assessable insureds and report that information to the corporation in a form and at a time the corporation specifies to ensure that the corporation can meet the requirements of this subsection and the corporation's financing obligations.

i.h. The Florida Surplus Lines Service Office shall verify the proper application by surplus lines agents of assessment percentages for regular assessments and emergency assessments levied under this subparagraph on assessable insureds and assist the corporation in ensuring the accurate, timely collection and payment of assessments by surplus lines agents as required by the corporation.

j.i. Upon determination by the board of governors that an account has a projected deficit, the board shall levy a Citizens policyholder surcharge against all policyholders of the corporation.

(I) The surcharge shall be levied as a uniform percentage of the premium for the policy of up to 15 percent of such premium, which funds shall be used to offset the deficit.

(II) The surcharge is payable upon cancellation or termination of the policy, upon renewal of the policy, or upon issuance of a new policy by the

corporation within the first 12 months after the date of the levy or the period of time necessary to fully collect the surcharge amount.

(III) The corporation may not levy any regular assessments under paragraph (q) pursuant to sub-subparagraph a. or sub-subparagraph b. with respect to a particular year's deficit until the corporation has first levied the full amount of the surcharge authorized by this sub-subparagraph.

(IV) The surcharge is not considered premium and is not subject to commissions, fees, or premium taxes. However, failure to pay the surcharge shall be treated as failure to pay premium.

k.j. If the amount of any assessments or surcharges collected from corporation policyholders, assessable insurers or their policyholders, or assessable insureds exceeds the amount of the deficits, such excess amounts shall be remitted to and retained by the corporation in a reserve to be used by the corporation, as determined by the board of governors and approved by the office, to pay claims or reduce any past, present, or future plan-year deficits or to reduce outstanding debt.

4. The Citizens account, if established by the corporation pursuant to sub-subparagraph 2.b., is authorized to provide:

a. Personal residential policies that provide comprehensive, multiperil coverage on risks that are not located in areas eligible for coverage by the Florida Windstorm Underwriting Association, as those areas were defined on January 1, 2002, and for policies that do not provide coverage for the peril of wind on risks that are located in such areas;

b. Commercial residential and commercial nonresidential policies that provide coverage for basic property perils on risks that are not located in areas eligible for coverage by the Florida Windstorm Underwriting Association, as those areas were defined on January 1, 2002, and for policies that do not provide coverage for the peril of wind on risks that are located in such areas; and

c. Personal residential policies and commercial residential and commercial nonresidential property policies that provide coverage for the peril of wind on risks that are located in areas eligible for coverage by the Florida Windstorm Underwriting Association, as those areas were defined on January 1, 2002. The corporation may offer policies that provide multiperil coverage and shall offer policies that provide coverage only for the peril of wind for risks located in areas eligible for coverage by the Florida Windstorm Underwriting Association, as those areas were defined on January 1, 2002. The corporation may not offer new commercial residential policies providing multiperil coverage, but shall continue to offer commercial residential wind-only policies, and may offer commercial residential policies excluding wind. However, the corporation may continue to renew a commercial residential multiperil policy on a building that was insured by the corporation on June

30, 2014, under a multiperil policy. In issuing multiperil coverage under this sub-subparagraph, the corporation may use its approved policy forms and rates for risks located in areas not eligible for coverage by the Florida Windstorm Underwriting Association as those areas were defined on January 1, 2002, and for policies that do not provide coverage for the peril of wind on risks that are located in such areas. An applicant or insured who is eligible to purchase a multiperil policy from the corporation may purchase a multiperil policy from an authorized insurer without prejudice to the applicant's or insured's eligibility to prospectively purchase a policy that provides coverage only for the peril of wind from the corporation. An applicant or insured who is eligible for a corporation policy that provides coverage only for the peril of wind may elect to purchase or retain such policy and also purchase or retain coverage excluding wind from an authorized insurer without prejudice to the applicant's or insured's eligibility to prospectively purchase a policy that provides multiperil coverage from the corporation. The following policies, which provide coverage only for the peril of wind, must also include quota share primary insurance under subparagraph (c)2.: Personal residential policies and commercial residential and commercial nonresidential property policies that provide coverage for the peril of wind on risks that are located in areas eligible for coverage by the Florida Windstorm Underwriting Association, as those areas were defined on January 1, 2002; policies that provide multiperil coverage, if offered by the corporation, and policies that provide coverage only for the peril of wind for risks located in areas eligible for coverage by the Florida Windstorm Underwriting Association, as those areas were defined on January 1, 2002; commercial residential wind-only policies; commercial residential policies excluding wind, if offered by the corporation; and commercial residential multiperil policies on a building that was insured by the corporation on June 30, 2014. The area eligible for coverage with the corporation under this sub-subparagraph includes the area within Port Canaveral, which is bordered on the south by the City of Cape Canaveral, bordered on the west by the Banana River, and bordered on the north by Federal Government property.

5. With respect to a deficit in the Citizens account:

a. Upon a determination by the board of governors that the Citizens account has a projected deficit, the board shall levy a Citizens policyholder surcharge against all policyholders of the corporation.

(I) The surcharge shall be levied as a uniform percentage of the premium for the policy of up to 15 percent of such premium, which funds shall be used to offset the deficit.

(II) The surcharge is payable upon cancellation or termination of the policy, upon renewal of the policy, or upon issuance of a new policy by the corporation within the first 12 months after the date of the levy or the period of time necessary to fully collect the surcharge amount.

(III) The surcharge is not considered premium and is not subject to commissions, fees, or premium taxes. However, failure to pay the surcharge shall be treated as failure to pay premium.

b. After accounting for the Citizens policyholder surcharge imposed under sub-subparagraph a., the remaining projected deficit incurred in the Citizens account in a particular calendar year shall be recovered through emergency assessments under sub-subparagraph c.

c. Upon a determination by the board of governors that a projected deficit in the Citizens account exceeds the amount that is expected to be recovered through surcharges under sub-subparagraph a., the board, after verification by the office, shall levy emergency assessments for as many years as necessary to cover the deficits, to be collected by assessable insurers and the corporation and collected from assessable insureds upon issuance or renewal of policies for subject lines of business, excluding National Flood Insurance Program policies. The amount collected in a particular year must be a uniform percentage of that year's direct written premium for subject lines of business and the Citizens account, National Flood Insurance Program policy premiums, as annually determined by the board and verified by the office. The office shall verify the arithmetic calculations involved in the board's determination within 30 days after receipt of the information on which the determination was based. The office shall notify assessable insurers and the Florida Surplus Lines Service Office of the date on which assessable insurers shall begin to collect and assessable insureds shall begin to pay such assessment. The date must be at least 90 days after the date the corporation levies emergency assessments pursuant to this sub-subparagraph. Notwithstanding any other law, the corporation and each assessable insurer that writes subject lines of business shall collect emergency assessments from its policyholders without such obligation being affected by any credit, limitation, exemption, or deferment. Emergency assessments levied by the corporation on assessable insureds shall be collected by the surplus lines agent at the time the surplus lines agent collects the surplus lines tax required by s. 626.932 and paid to the Florida Surplus Lines Service Office at the time the surplus lines agent pays the surplus lines tax to that office. The emergency assessments collected shall be transferred directly to the corporation on a periodic basis as determined by the corporation and held by the corporation solely in the Citizens account. The aggregate amount of emergency assessments levied for the Citizens account in any calendar year may be less than, but may not exceed the greater of, 10 percent of the amount needed to cover the deficit, plus interest, fees, commissions, required reserves, and other costs associated with financing the original deficit or 10 percent of the aggregate statewide direct written premium for subject lines of business and the Citizens accounts for the prior year, plus interest, fees, commissions, required reserves, and other costs associated with financing the deficit.

d. The corporation may pledge the proceeds of assessments, projected recoveries from the Florida Hurricane Catastrophe Fund, other insurance and reinsurance recoverables, policyholder surcharges and other

surcharges, and other funds available to the corporation as the source of revenue for and to secure bonds issued under paragraph (q), bonds or other indebtedness issued under subparagraph (c)3., or lines of credit or other financing mechanisms issued or created under this subsection; or to retire any other debt incurred as a result of deficits or events giving rise to deficits, or in any other way that the board determines will efficiently recover such deficits. The purpose of the lines of credit or other financing mechanisms is to provide additional resources to assist the corporation in covering claims and expenses attributable to a catastrophe. As used in this subsection, the term “assessments” includes emergency assessments under sub-subparagraph c. Emergency assessments collected under sub-subparagraph c. are not part of an insurer’s rates, are not premium, and are not subject to premium tax, fees, or commissions; however, failure to pay the emergency assessment shall be treated as failure to pay premium. The emergency assessments shall continue as long as any bonds issued or other indebtedness incurred with respect to a deficit for which the assessment was imposed remain outstanding, unless adequate provision has been made for the payment of such bonds or other indebtedness pursuant to the documents governing such bonds or indebtedness.

e. As used in this subsection and for purposes of any deficit incurred on or after January 25, 2007, the term “subject lines of business” means insurance written by assessable insurers or procured by assessable insureds for all property and casualty lines of business in this state, but not including workers’ compensation or medical malpractice. As used in this sub-subparagraph, the term “property and casualty lines of business” includes all lines of business identified on Form 2, Exhibit of Premiums and Losses, in the annual statement required of authorized insurers under s. 624.424 and any rule adopted under this section, except for those lines identified as accident and health insurance and except for policies written under the National Flood Insurance Program or the Federal Crop Insurance Program. For purposes of this sub-subparagraph, the term “workers’ compensation” includes both workers’ compensation insurance and excess workers’ compensation insurance.

f. The Florida Surplus Lines Service Office shall annually determine the aggregate statewide written premium in subject lines of business procured by assessable insureds and report that information to the corporation in a form and at a time the corporation specifies to ensure that the corporation can meet the requirements of this subsection and the corporation’s financing obligations.

g. The Florida Surplus Lines Service Office shall verify the proper application by surplus lines agents of assessment percentages for emergency assessments levied under this subparagraph on assessable insureds and assist the corporation in ensuring the accurate, timely collection and payment of assessments by surplus lines agents as required by the corporation.

h. If the amount of any assessments or surcharges collected from corporation policyholders, assessable insurers or their policyholders, or assessable insureds exceeds the amount of the deficits, such excess amounts shall be remitted to and retained by the corporation in a reserve to be used by the corporation, as determined by the board of governors and approved by the office, to pay claims or reduce any past, present, or future plan-year deficits or to reduce outstanding debt.

(c) The corporation's plan of operation:

1. Must provide for adoption of residential property and casualty insurance policy forms and commercial residential and nonresidential property insurance forms, which must be approved by the office before use. The corporation shall adopt the following policy forms:

a. Standard personal lines policy forms that are comprehensive multi-peril policies providing full coverage of a residential property equivalent to the coverage provided in the private insurance market under an HO-3, HO-4, or HO-6 policy.

b. Basic personal lines policy forms that are policies similar to an HO-8 policy or a dwelling fire policy that provide coverage meeting the requirements of the secondary mortgage market, but which is more limited than the coverage under a standard policy.

c. Commercial lines residential and nonresidential policy forms that are generally similar to the basic perils of full coverage obtainable for commercial residential structures and commercial nonresidential structures in the admitted voluntary market.

d. Personal lines and commercial lines residential property insurance forms that cover the peril of wind only. The forms are applicable only to residential properties located in areas eligible for coverage by the Florida Windstorm Underwriting Association, as those areas were defined on January 1, 2002 ~~under the coastal account referred to in sub-subparagraph (b)2.a.~~

e. Commercial lines nonresidential property insurance forms that cover the peril of wind only. The forms are applicable only to nonresidential properties located in areas eligible for coverage by the Florida Windstorm Underwriting Association, as those areas were defined on January 1, 2002 ~~under the coastal account referred to in sub-subparagraph (b)2.a.~~

f. The corporation may adopt variations of the policy forms listed in sub-subparagraphs a.-e. which contain more restrictive coverage.

g. ~~Effective January 1, 2013,~~ The corporation shall offer a basic personal lines policy similar to an HO-8 policy with dwelling repair based on common construction materials and methods.

2. Must provide that the corporation adopt a program in which the corporation and authorized insurers enter into quota share primary insurance agreements for hurricane coverage, as defined in s. 627.4025(2)(a), for eligible risks, and adopt property insurance forms for eligible risks which cover the peril of wind only.

a. As used in this subsection, the term:

(I) “Quota share primary insurance” means an arrangement in which the primary hurricane coverage of an eligible risk is provided in specified percentages by the corporation and an authorized insurer. The corporation and authorized insurer are each solely responsible for a specified percentage of hurricane coverage of an eligible risk as set forth in a quota share primary insurance agreement between the corporation and an authorized insurer and the insurance contract. The responsibility of the corporation or authorized insurer to pay its specified percentage of hurricane losses of an eligible risk, as set forth in the agreement, may not be altered by the inability of the other party to pay its specified percentage of losses. Eligible risks that are provided hurricane coverage through a quota share primary insurance arrangement must be provided policy forms that set forth the obligations of the corporation and authorized insurer under the arrangement, clearly specify the percentages of quota share primary insurance provided by the corporation and authorized insurer, and conspicuously and clearly state that the authorized insurer and the corporation may not be held responsible beyond their specified percentage of coverage of hurricane losses.

(II) “Eligible risks” means personal lines residential and commercial lines residential risks that meet the underwriting criteria of the corporation and are located in areas that were eligible for coverage by the Florida Windstorm Underwriting Association on January 1, 2002.

b. The corporation may enter into quota share primary insurance agreements with authorized insurers at corporation coverage levels of 90 percent and 50 percent.

c. If the corporation determines that additional coverage levels are necessary to maximize participation in quota share primary insurance agreements by authorized insurers, the corporation may establish additional coverage levels. However, the corporation’s quota share primary insurance coverage level may not exceed 90 percent.

d. Any quota share primary insurance agreement entered into between an authorized insurer and the corporation must provide for a uniform specified percentage of coverage of hurricane losses, by county or territory as set forth by the corporation board, for all eligible risks of the authorized insurer covered under the agreement.

e. Any quota share primary insurance agreement entered into between an authorized insurer and the corporation is subject to review and approval

by the office. However, such agreement shall be authorized only as to insurance contracts entered into between an authorized insurer and an insured who is already insured by the corporation for wind coverage.

f. For all eligible risks covered under quota share primary insurance agreements, the exposure and coverage levels for both the corporation and authorized insurers shall be reported by the corporation to the Florida Hurricane Catastrophe Fund. For all policies of eligible risks covered under such agreements, the corporation and the authorized insurer must maintain complete and accurate records for the purpose of exposure and loss reimbursement audits as required by fund rules. The corporation and the authorized insurer shall each maintain duplicate copies of policy declaration pages and supporting claims documents.

g. The corporation board shall establish in its plan of operation standards for quota share agreements which ensure that there is no discriminatory application among insurers as to the terms of the agreements, pricing of the agreements, incentive provisions if any, and consideration paid for servicing policies or adjusting claims.

h. The quota share primary insurance agreement between the corporation and an authorized insurer must set forth the specific terms under which coverage is provided, including, but not limited to, the sale and servicing of policies issued under the agreement by the insurance agent of the authorized insurer producing the business, the reporting of information concerning eligible risks, the payment of premium to the corporation, and arrangements for the adjustment and payment of hurricane claims incurred on eligible risks by the claims adjuster and personnel of the authorized insurer. Entering into a quota sharing insurance agreement between the corporation and an authorized insurer is voluntary and at the discretion of the authorized insurer.

3. May provide that the corporation may employ or otherwise contract with individuals or other entities to provide administrative or professional services that may be appropriate to effectuate the plan. The corporation may borrow funds by issuing bonds or by incurring other indebtedness, and shall have other powers reasonably necessary to effectuate the requirements of this subsection, including, without limitation, the power to issue bonds and incur other indebtedness in order to refinance outstanding bonds or other indebtedness. The corporation may seek judicial validation of its bonds or other indebtedness under chapter 75. The corporation may issue bonds or incur other indebtedness, or have bonds issued on its behalf by a unit of local government pursuant to subparagraph (q)2. in the absence of a hurricane or other weather-related event, upon a determination by the corporation, subject to approval by the office, that such action would enable it to efficiently meet the financial obligations of the corporation and that such financings are reasonably necessary to effectuate the requirements of this subsection. The corporation may take all actions needed to facilitate tax-free status for such bonds or indebtedness, including formation of trusts or other affiliated entities. The corporation may pledge assessments, projected

recoveries from the Florida Hurricane Catastrophe Fund, other reinsurance recoverables, policyholder surcharges and other surcharges, and other funds available to the corporation as security for bonds or other indebtedness. In recognition of s. 10, Art. I of the State Constitution, prohibiting the impairment of obligations of contracts, it is the intent of the Legislature that no action be taken whose purpose is to impair any bond indenture or financing agreement or any revenue source committed by contract to such bond or other indebtedness.

4. Must require that the corporation operate subject to the supervision and approval of a board of governors consisting of nine individuals who are residents of this state and who are from different geographical areas of the state, one of whom is appointed by the Governor and serves solely to advocate on behalf of the consumer. The appointment of a consumer representative by the Governor is deemed to be within the scope of the exemption provided in s. 112.313(7)(b) and is in addition to the appointments authorized under sub-subparagraph a.

a. The Governor, the Chief Financial Officer, the President of the Senate, and the Speaker of the House of Representatives shall each appoint two members of the board. At least one of the two members appointed by each appointing officer must have demonstrated expertise in insurance and be deemed to be within the scope of the exemption provided in s. 112.313(7)(b). The Chief Financial Officer shall designate one of the appointees as chair. All board members serve at the pleasure of the appointing officer. All members of the board are subject to removal at will by the officers who appointed them. All board members, including the chair, must be appointed to serve for 3-year terms beginning annually on a date designated by the plan. However, for the first term beginning on or after July 1, 2009, each appointing officer shall appoint one member of the board for a 2-year term and one member for a 3-year term. A board vacancy shall be filled for the unexpired term by the appointing officer. The Chief Financial Officer shall appoint a technical advisory group to provide information and advice to the board in connection with the board's duties under this subsection. The executive director and senior managers of the corporation shall be engaged by the board and serve at the pleasure of the board. Any executive director appointed on or after July 1, 2006, is subject to confirmation by the Senate. The executive director is responsible for employing other staff as the corporation may require, subject to review and concurrence by the board.

b. The board shall create a Market Accountability Advisory Committee to assist the corporation in developing awareness of its rates and its customer and agent service levels in relationship to the voluntary market insurers writing similar coverage.

(I) The members of the advisory committee consist of the following 11 persons, one of whom must be elected chair by the members of the committee: four representatives, one appointed by the Florida Association of Insurance Agents, one by the Florida Association of Insurance and Financial Advisors, one by the Professional Insurance Agents of Florida, and

one by the Latin American Association of Insurance Agencies; three representatives appointed by the insurers with the three highest voluntary market share of residential property insurance business in the state; one representative from the Office of Insurance Regulation; one consumer appointed by the board who is insured by the corporation at the time of appointment to the committee; one representative appointed by the Florida Association of Realtors; and one representative appointed by the Florida Bankers Association. All members shall be appointed to 3-year terms and may serve for consecutive terms.

(II) The committee shall report to the corporation at each board meeting on insurance market issues which may include rates and rate competition with the voluntary market; service, including policy issuance, claims processing, and general responsiveness to policyholders, applicants, and agents; and matters relating to depopulation.

5. Must provide a procedure for determining the eligibility of a risk for coverage, as follows:

a. Subject to s. 627.3517, with respect to personal lines residential risks, if the risk is offered coverage from an authorized insurer at the insurer's approved rate under a standard policy including wind coverage or, if consistent with the insurer's underwriting rules as filed with the office, a basic policy including wind coverage, for a new application to the corporation for coverage, the risk is not eligible for any policy issued by the corporation unless the premium for coverage from the authorized insurer is more than 20 percent greater than the premium for comparable coverage from the corporation. Whenever an offer of coverage for a personal lines residential risk is received for a policyholder of the corporation at renewal from an authorized insurer, if the offer is equal to or less than the corporation's renewal premium for comparable coverage, the risk is not eligible for coverage with the corporation for policies that renew before April 1, 2023; for policies that renew on or after that date, the risk is not eligible for coverage with the corporation unless the premium for coverage from the authorized insurer is more than 20 percent greater than the corporation's renewal premium for comparable coverage. If the risk is not able to obtain such offer, the risk is eligible for a standard policy including wind coverage or a basic policy including wind coverage issued by the corporation; however, if the risk could not be insured under a standard policy including wind coverage regardless of market conditions, the risk is eligible for a basic policy including wind coverage unless rejected under subparagraph 8. ~~However, a policyholder removed from the corporation through an assumption agreement remains eligible for coverage from the corporation until the end of the assumption period.~~ The corporation shall determine the type of policy to be provided on the basis of objective standards specified in the underwriting manual and based on generally accepted underwriting practices. A policyholder removed from the corporation through an assumption agreement does not remain eligible for coverage from the corporation after the end of the policy term. However, any policy removed from the corporation through an

assumption agreement remains on the corporation's policy forms through the end of the policy term.

(I) If the risk accepts an offer of coverage through the market assistance plan or through a mechanism established by the corporation other than a plan established by s. 627.3518, before a policy is issued to the risk by the corporation or during the first 30 days of coverage by the corporation, and the producing agent who submitted the application to the plan or to the corporation is not currently appointed by the insurer, the insurer shall:

(A) Pay to the producing agent of record of the policy for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record of the policy to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

(II) If the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(A) Pay to the producing agent of record, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

b. With respect to commercial lines residential risks, for a new application to the corporation for coverage, if the risk is offered coverage under a policy including wind coverage from an authorized insurer at its approved rate, the risk is not eligible for a policy issued by the corporation unless the premium for coverage from the authorized insurer is more than 20 ~~15~~ percent greater than the premium for comparable coverage from the corporation. Whenever an offer of coverage for a commercial lines residential risk is received for a policyholder of the corporation at renewal from an authorized insurer, ~~if the offer is equal to or less than the corporation's~~

~~renewal premium for comparable coverage, the risk is not eligible for coverage with the corporation unless the premium for coverage from the authorized insurer is more than 20 percent greater than the corporation's renewal premium for comparable coverage.~~ If the risk is not able to obtain any such offer, the risk is eligible for a policy including wind coverage issued by the corporation. ~~However,~~ A policyholder removed from the corporation through an assumption agreement remains eligible for coverage from the corporation until the end of the policy term. ~~However, any policy removed from the corporation through an assumption agreement remains on the corporation's policy forms through the end of the policy term assumption period.~~

(I) If the risk accepts an offer of coverage through the market assistance plan or through a mechanism established by the corporation other than a plan established by s. 627.3518, before a policy is issued to the risk by the corporation or during the first 30 days of coverage by the corporation, and the producing agent who submitted the application to the plan or the corporation is not currently appointed by the insurer, the insurer shall:

(A) Pay to the producing agent of record of the policy, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record of the policy to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

(II) If the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(A) Pay to the producing agent of record, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

c. For purposes of determining comparable coverage under sub-subparagraphs a. and b., the comparison must be based on those forms and coverages that are reasonably comparable. The corporation may rely on a determination of comparable coverage and premium made by the producing agent who submits the application to the corporation, made in the agent's capacity as the corporation's agent. For purposes of comparing the premium for comparable coverage under sub-subparagraphs a. and b., premium includes any surcharge or assessment that is actually applied to such policy. A comparison may be made solely of the premium with respect to the main building or structure only on the following basis: the same coverage A or other building limits; the same percentage hurricane deductible that applies on an annual basis or that applies to each hurricane for commercial residential property; the same percentage of ordinance and law coverage, if the same limit is offered by both the corporation and the authorized insurer; the same mitigation credits, to the extent the same types of credits are offered both by the corporation and the authorized insurer; the same method for loss payment, such as replacement cost or actual cash value, if the same method is offered both by the corporation and the authorized insurer in accordance with underwriting rules; and any other form or coverage that is reasonably comparable as determined by the board. If an application is submitted to the corporation for wind-only coverage on a risk that is located in an area eligible for coverage by the Florida Windstorm Underwriting Association, as that area was defined on January 1, 2002 in the coastal account, the premium for the corporation's wind-only policy plus the premium for the ex-wind policy that is offered by an authorized insurer to the applicant must be compared to the premium for multiperil coverage offered by an authorized insurer, subject to the standards for comparison specified in this subparagraph. If the corporation or the applicant requests from the authorized insurer a breakdown of the premium of the offer by types of coverage so that a comparison may be made by the corporation or its agent and the authorized insurer refuses or is unable to provide such information, the corporation may treat the offer as not being an offer of coverage from an authorized insurer at the insurer's approved rate.

6. Must include rules for classifications of risks and rates.

7. Must provide that if premium and investment income:

a. For an account attributable to a particular calendar year are in excess of projected losses and expenses for the account attributable to that year, such excess shall be held in surplus in the account. Such surplus must be available to defray deficits in that account as to future years and used for that purpose before assessing assessable insurers and assessable insureds as to any calendar year; or

b. For the Citizens account, if established by the corporation, which are attributable to a particular calendar year are in excess of projected losses and expenses for the Citizens account attributable to that year, such excess shall be held in surplus in the Citizens account. Such surplus must be available to defray deficits in the Citizens account as to future years and

used for that purpose before assessing assessable insurers and assessable insureds as to any calendar year.

8. Must provide objective criteria and procedures to be uniformly applied to all applicants in determining whether an individual risk is so hazardous as to be uninsurable. In making this determination and in establishing the criteria and procedures, the following must be considered:

a. Whether the likelihood of a loss for the individual risk is substantially higher than for other risks of the same class; and

b. Whether the uncertainty associated with the individual risk is such that an appropriate premium cannot be determined.

The acceptance or rejection of a risk by the corporation shall be construed as the private placement of insurance, and the provisions of chapter 120 do not apply.

9. Must provide that the corporation make its best efforts to procure catastrophe reinsurance at reasonable rates, to cover its projected 100-year probable maximum loss as determined by the board of governors. If catastrophe reinsurance is not available at reasonable rates, the corporation need not purchase it, but the corporation shall include the costs of reinsurance to cover its projected 100-year probable maximum loss in its rate calculations even if it does not purchase catastrophe reinsurance.

10. The policies issued by the corporation must provide that if the corporation or the market assistance plan obtains an offer from an authorized insurer to cover the risk at its approved rates, the risk is no longer eligible for renewal through the corporation, except as otherwise provided in this subsection.

11. Corporation policies and applications must include a notice that the corporation policy could, under this section, be replaced with a policy issued by an authorized insurer which does not provide coverage identical to the coverage provided by the corporation. The notice must also specify that acceptance of corporation coverage creates a conclusive presumption that the applicant or policyholder is aware of this potential.

12. May establish, subject to approval by the office, different eligibility requirements and operational procedures for any line or type of coverage for any specified county or area if the board determines that such changes are justified due to the voluntary market being sufficiently stable and competitive in such area or for such line or type of coverage and that consumers who, in good faith, are unable to obtain insurance through the voluntary market through ordinary methods continue to have access to coverage from the corporation. If coverage is sought in connection with a real property transfer, the requirements and procedures may not provide an effective date of coverage later than the date of the closing of the transfer as established by the transferor, the transferee, and, if applicable, the lender.

13. Must provide that;

a. With respect to the coastal account, any assessable insurer with a surplus as to policyholders of \$25 million or less writing 25 percent or more of its total countrywide property insurance premiums in this state may petition the office, within the first 90 days of each calendar year, to qualify as a limited apportionment company. A regular assessment levied by the corporation on a limited apportionment company for a deficit incurred by the corporation for the coastal account may be paid to the corporation on a monthly basis as the assessments are collected by the limited apportionment company from its insureds, but a limited apportionment company must begin collecting the regular assessments not later than 90 days after the regular assessments are levied by the corporation, and the regular assessments must be paid in full within 15 months after being levied by the corporation. A limited apportionment company shall collect from its policyholders any emergency assessment imposed under sub-subparagraph (b)3.e. ~~(b)3.d.~~ The plan must provide that, if the office determines that any regular assessment will result in an impairment of the surplus of a limited apportionment company, the office may direct that all or part of such assessment be deferred as provided in subparagraph (q)4. However, an emergency assessment to be collected from policyholders under sub-subparagraph (b)3.e. ~~(b)3.d.~~ may not be limited or deferred; or

b. With respect to the Citizens account, if established by the corporation pursuant to sub-subparagraph (b)2.b., any assessable insurer with a surplus as to policyholders of \$25 million or less and writing 25 percent or more of its total countrywide property insurance premiums in this state may petition the office, within the first 90 days of each calendar year, to qualify as a limited apportionment company. A limited apportionment company shall collect from its policyholders any emergency assessment imposed under sub-subparagraph (b)5.c. An emergency assessment to be collected from policyholders under sub-subparagraph (b)5.c. may not be limited or deferred.

14. Must provide that the corporation appoint as its licensed agents only those agents who throughout such appointments also hold an appointment as defined in s. 626.015 by an insurer who is authorized to write and is actually writing or renewing personal lines residential property coverage, commercial residential property coverage, or commercial nonresidential property coverage within the state.

15. Must provide a premium payment plan option to its policyholders which, at a minimum, allows for quarterly and semiannual payment of premiums. A monthly payment plan may, but is not required to, be offered.

16. Must limit coverage on mobile homes or manufactured homes built before 1994 to actual cash value of the dwelling rather than replacement costs of the dwelling.

17. Must provide coverage for manufactured or mobile home dwellings. Such coverage must also include the following attached structures:

- a. Screened enclosures that are aluminum framed or screened enclosures that are not covered by the same or substantially the same materials as those of the primary dwelling;
- b. Carports that are aluminum or carports that are not covered by the same or substantially the same materials as those of the primary dwelling; and
- c. Patios that have a roof covering that is constructed of materials that are not the same or substantially the same materials as those of the primary dwelling.

The corporation shall make available a policy for mobile homes or manufactured homes for a minimum insured value of at least \$3,000.

18. May provide such limits of coverage as the board determines, consistent with the requirements of this subsection.

19. May require commercial property to meet specified hurricane mitigation construction features as a condition of eligibility for coverage.

20. Must provide that new or renewal policies issued by the corporation on or after January 1, 2012, which cover sinkhole loss do not include coverage for any loss to appurtenant structures, driveways, sidewalks, decks, or patios that are directly or indirectly caused by sinkhole activity. The corporation shall exclude such coverage using a notice of coverage change, which may be included with the policy renewal, and not by issuance of a notice of nonrenewal of the excluded coverage upon renewal of the current policy.

21.a. As of January 1, 2012, unless the Citizens account has been established pursuant to sub-subparagraph (b)2.b., must require that the agent obtain from an applicant for coverage from the corporation an acknowledgment signed by the applicant, which includes, at a minimum, the following statement:

ACKNOWLEDGMENT OF POTENTIAL SURCHARGE
AND ASSESSMENT LIABILITY:

1. AS A POLICYHOLDER OF CITIZENS PROPERTY INSURANCE CORPORATION, I UNDERSTAND THAT IF THE CORPORATION SUSTAINS A DEFICIT AS A RESULT OF HURRICANE LOSSES OR FOR ANY OTHER REASON, MY POLICY COULD BE SUBJECT TO SURCHARGES, WHICH WILL BE DUE AND PAYABLE UPON RENEWAL, CANCELLATION, OR TERMINATION OF THE POLICY, AND THAT THE SURCHARGES COULD BE AS HIGH AS 45 PERCENT OF MY PREMIUM, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.

2. I UNDERSTAND THAT I CAN AVOID THE CITIZENS POLICYHOLDER SURCHARGE, WHICH COULD BE AS HIGH AS 45 PERCENT OF MY PREMIUM, BY OBTAINING COVERAGE FROM A PRIVATE MARKET INSURER AND THAT TO BE ELIGIBLE FOR COVERAGE BY CITIZENS, I MUST FIRST TRY TO OBTAIN PRIVATE MARKET COVERAGE BEFORE APPLYING FOR OR RENEWING COVERAGE WITH CITIZENS. I UNDERSTAND THAT PRIVATE MARKET INSURANCE RATES ARE REGULATED AND APPROVED BY THE STATE.

3. I UNDERSTAND THAT I MAY BE SUBJECT TO EMERGENCY ASSESSMENTS TO THE SAME EXTENT AS POLICYHOLDERS OF OTHER INSURANCE COMPANIES, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.

4. I ALSO UNDERSTAND THAT CITIZENS PROPERTY INSURANCE CORPORATION IS NOT SUPPORTED BY THE FULL FAITH AND CREDIT OF THE STATE OF FLORIDA.

b. The corporation must require, if it has established the Citizens account pursuant to sub-subparagraph (b)2.b., that the agent obtain from an applicant for coverage from the corporation the following acknowledgment signed by the applicant, which includes, at a minimum, the following statement:

ACKNOWLEDGMENT OF POTENTIAL SURCHARGE
AND ASSESSMENT LIABILITY:

1. AS A POLICYHOLDER OF CITIZENS PROPERTY INSURANCE CORPORATION, I UNDERSTAND THAT IF THE CORPORATION SUSTAINS A DEFICIT AS A RESULT OF HURRICANE LOSSES OR FOR ANY OTHER REASON, MY POLICY COULD BE SUBJECT TO SURCHARGES AND ASSESSMENTS, WHICH WILL BE DUE AND PAYABLE UPON RENEWAL, CANCELLATION, OR TERMINATION OF THE POLICY, AND THAT THE SURCHARGES AND ASSESSMENTS COULD BE AS HIGH AS 25 PERCENT OF MY PREMIUM, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.

2. I UNDERSTAND THAT I CAN AVOID THE CITIZENS POLICYHOLDER SURCHARGE, WHICH COULD BE AS HIGH AS 15 PERCENT OF MY PREMIUM, BY OBTAINING COVERAGE FROM A PRIVATE MARKET INSURER AND THAT TO BE ELIGIBLE FOR COVERAGE BY CITIZENS, I MUST FIRST TRY TO OBTAIN PRIVATE MARKET COVERAGE BEFORE APPLYING FOR OR RENEWING COVERAGE WITH CITIZENS. I UNDERSTAND THAT PRIVATE MARKET INSURANCE RATES ARE REGULATED AND APPROVED BY THE STATE.

3. I UNDERSTAND THAT I MAY BE SUBJECT TO EMERGENCY ASSESSMENTS TO THE SAME EXTENT AS POLICYHOLDERS OF

OTHER INSURANCE COMPANIES, OR A DIFFERENT AMOUNT AS IMPOSED BY THE FLORIDA LEGISLATURE.

4. I ALSO UNDERSTAND THAT CITIZENS PROPERTY INSURANCE CORPORATION IS NOT SUPPORTED BY THE FULL FAITH AND CREDIT OF THE STATE OF FLORIDA.

c.a. The corporation shall maintain, in electronic format or otherwise, a copy of the applicant's signed acknowledgment and provide a copy of the statement to the policyholder as part of the first renewal after the effective date of sub-subparagraph a. or sub-subparagraph b., as applicable this subparagraph.

d.b. The signed acknowledgment form creates a conclusive presumption that the policyholder understood and accepted his or her potential surcharge and assessment liability as a policyholder of the corporation.

(n)1. Rates for coverage provided by the corporation must be actuarially sound pursuant ~~and subject to s. 627.062~~ and not competitive with approved rates charged in the admitted voluntary market so that the corporation functions as a residual market mechanism to provide insurance only when insurance cannot be procured in the voluntary market, except as otherwise provided in this paragraph. The office shall provide the corporation such information as would be necessary to determine whether rates are competitive. The corporation shall file its recommended rates with the office at least annually. The corporation shall provide any additional information regarding the rates which the office requires. The office shall consider the recommendations of the board and issue a final order establishing the rates for the corporation within 45 days after the recommended rates are filed. The corporation may not pursue an administrative challenge or judicial review of the final order of the office.

2. In addition to the rates otherwise determined pursuant to this paragraph, the corporation shall impose and collect an amount equal to the premium tax provided in s. 624.509 to augment the financial resources of the corporation.

3. After the public hurricane loss-projection model under s. 627.06281 has been found to be accurate and reliable by the Florida Commission on Hurricane Loss Projection Methodology, the model shall be considered when establishing the windstorm portion of the corporation's rates. The corporation may use the public model results in combination with the results of private models to calculate rates for the windstorm portion of the corporation's rates. This subparagraph does not require or allow the corporation to adopt rates lower than the rates otherwise required or allowed by this paragraph.

4. The corporation must make a recommended actuarially sound rate filing for each personal and commercial line of business it writes.

5. Notwithstanding the board's recommended rates and the office's final order regarding the corporation's filed rates under subparagraph 1., the corporation shall annually implement a rate increase which, except for sinkhole coverage, does not exceed the following for any single policy issued by the corporation, excluding coverage changes and surcharges:

a. ~~Eleven percent for 2022.~~

b. ~~Twelve percent for 2023.~~

b.e. ~~Thirteen percent for 2024.~~

c.d. ~~Fourteen percent for 2025.~~

d.e. ~~Fifteen percent for 2026 and all subsequent years.~~

6. The corporation may also implement an increase to reflect the effect on the corporation of the cash buildup factor pursuant to s. 215.555(5)(b).

7. The corporation's implementation of rates as prescribed in subparagraphs 5. and 8. subparagraph 5. shall cease for any line of business written by the corporation upon the corporation's implementation of actuarially sound rates. Thereafter, the corporation shall annually make a recommended actuarially sound rate filing that is not competitive with approved rates in the admitted voluntary market for each commercial and personal line of business the corporation writes.

8. For any new or renewal personal lines policy written on or after November 1, 2023, which does not cover a primary residence, the rate to be applied in calculating premium is not subject to the rate increase limitations in subparagraph 5. However, the policyholder may not be charged more than 50 percent above, and may not be charged less than, the established rate for the corporation which was in effect 1 year before the date of the application.

9. As used in this paragraph, the term "primary residence" means the dwelling that is the policyholder's primary home or is a rental property that is the primary home of the tenant, and which the policyholder or tenant occupies for more than 9 months of each year.

(o) If coverage in an account, or the Citizens account if established by the corporation, is deactivated pursuant to paragraph (p), coverage through the corporation shall be reactivated by order of the office only under one of the following circumstances:

1. If the market assistance plan receives a minimum of 100 applications for coverage within a 3-month period, or 200 applications for coverage within a 1-year period or less for residential coverage, unless the market assistance plan provides a quotation from admitted carriers at their filed rates for at least 90 percent of such applicants. Any market assistance plan application that is rejected because an individual risk is so hazardous as to be uninsurable using the criteria specified in subparagraph (c)8. shall not be

included in the minimum percentage calculation provided herein. In the event that there is a legal or administrative challenge to a determination by the office that the conditions of this subparagraph have been met for eligibility for coverage in the corporation, any eligible risk may obtain coverage during the pendency of such challenge.

2. In response to a state of emergency declared by the Governor under s. 252.36, the office may activate coverage by order for the period of the emergency upon a finding by the office that the emergency significantly affects the availability of residential property insurance.

(p)1. The corporation shall file with the office quarterly statements of financial condition, an annual statement of financial condition, and audited financial statements in the manner prescribed by law. In addition, the corporation shall report to the office monthly on the types, premium, exposure, and distribution by county of its policies in force, and shall submit other reports as the office requires to carry out its oversight of the corporation.

2. The activities of the corporation shall be reviewed at least annually by the office to determine whether coverage shall be deactivated in an account, or in the Citizens account if established by the corporation, on the basis that the conditions giving rise to its activation no longer exist.

(q)1. The corporation shall certify to the office its needs for annual assessments as to a particular calendar year, and for any interim assessments that it deems to be necessary to sustain operations as to a particular year pending the receipt of annual assessments. Upon verification, the office shall approve such certification, and the corporation shall levy such annual or interim assessments. Such assessments shall be prorated, if authority to levy exists, as provided in paragraph (b). The corporation shall take all reasonable and prudent steps necessary to collect the amount of assessments due from each assessable insurer, including, if prudent, filing suit to collect the assessments, and the office may provide such assistance to the corporation it deems appropriate. If the corporation is unable to collect an assessment from any assessable insurer, the uncollected assessments shall be levied as an additional assessment against the assessable insurers and any assessable insurer required to pay an additional assessment as a result of such failure to pay shall have a cause of action against such nonpaying assessable insurer. Assessments shall be included as an appropriate factor in the making of rates. The failure of a surplus lines agent to collect and remit any regular or emergency assessment levied by the corporation is considered to be a violation of s. 626.936 and subjects the surplus lines agent to the penalties provided in that section.

2. The governing body of any unit of local government, any residents of which are insured by the corporation, may issue bonds as defined in s. 125.013 or s. 166.101 from time to time to fund an assistance program, in conjunction with the corporation, for the purpose of defraying deficits of the corporation. In order to avoid needless and indiscriminate proliferation,

duplication, and fragmentation of such assistance programs, any unit of local government, any residents of which are insured by the corporation, may provide for the payment of losses, regardless of whether or not the losses occurred within or outside of the territorial jurisdiction of the local government. Revenue bonds under this subparagraph may not be issued until validated pursuant to chapter 75, unless a state of emergency is declared by executive order or proclamation of the Governor pursuant to s. 252.36 making such findings as are necessary to determine that it is in the best interests of, and necessary for, the protection of the public health, safety, and general welfare of residents of this state and declaring it an essential public purpose to permit certain municipalities or counties to issue such bonds as will permit relief to claimants and policyholders of the corporation. Any such unit of local government may enter into such contracts with the corporation and with any other entity created pursuant to this subsection as are necessary to carry out this paragraph. Any bonds issued under this subparagraph shall be payable from and secured by moneys received by the corporation from emergency assessments under sub-subparagraph (b)3.e. ~~(b)3.d.~~, and assigned and pledged to or on behalf of the unit of local government for the benefit of the holders of such bonds. The funds, credit, property, and taxing power of the state or of the unit of local government shall not be pledged for the payment of such bonds.

3.a. The corporation shall adopt one or more programs subject to approval by the office for the reduction of both new and renewal writings in the corporation. Beginning January 1, 2008, any program the corporation adopts for the payment of bonuses to an insurer for each risk the insurer removes from the corporation shall comply with s. 627.3511(2) and may not exceed the amount referenced in s. 627.3511(2) for each risk removed. The corporation may consider any prudent and not unfairly discriminatory approach to reducing corporation writings, and may adopt a credit against assessment liability or other liability that provides an incentive for insurers to take risks out of the corporation and to keep risks out of the corporation by maintaining or increasing voluntary writings in counties or areas in which corporation risks are highly concentrated and a program to provide a formula under which an insurer voluntarily taking risks out of the corporation by maintaining or increasing voluntary writings will be relieved wholly or partially from assessments under sub-subparagraph (b)3.a. However, any “take-out bonus” or payment to an insurer must be conditioned on the property being insured for at least 5 years by the insurer, unless canceled or nonrenewed by the policyholder. If the policy is canceled or nonrenewed by the policyholder before the end of the 5-year period, the amount of the take-out bonus must be prorated for the time period the policy was insured. When the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on such policy, and the insurer shall either:

(I) Pay to the producing agent of record of the policy, for the first year, an amount which is the greater of the insurer’s usual and customary

commission for the type of policy written or a policy fee equal to the usual and customary commission of the corporation; or

(II) Offer to allow the producing agent of record of the policy to continue servicing the policy for a period of not less than 1 year and offer to pay the agent the insurer's usual and customary commission for the type of policy written. If the producing agent is unwilling or unable to accept appointment by the new insurer, the new insurer shall pay the agent in accordance with sub-sub-subparagraph (I).

b. Any credit or exemption from regular assessments adopted under this subparagraph shall last no longer than the 3 years following the cancellation or expiration of the policy by the corporation. With the approval of the office, the board may extend such credits for an additional year if the insurer guarantees an additional year of renewability for all policies removed from the corporation, or for 2 additional years if the insurer guarantees 2 additional years of renewability for all policies so removed.

c. There shall be no credit, limitation, exemption, or deferment from emergency assessments to be collected from policyholders pursuant to subparagraph (b)3.e. or sub-subparagraph (b)5.c. ~~(b)3.d.~~

4. The plan shall provide for the deferment, in whole or in part, of the assessment of an assessable insurer, other than an emergency assessment collected from policyholders pursuant to sub-subparagraph (b)3.e. or sub-subparagraph (b)5.c. ~~(b)3.d.~~, if the office finds that payment of the assessment would endanger or impair the solvency of the insurer. In the event an assessment against an assessable insurer is deferred in whole or in part, the amount by which such assessment is deferred may be assessed against the other assessable insurers in a manner consistent with the basis for assessments set forth in paragraph (b).

5. Effective July 1, 2007, in order to evaluate the costs and benefits of approved take-out plans, if the corporation pays a bonus or other payment to an insurer for an approved take-out plan, it shall maintain a record of the address or such other identifying information on the property or risk removed in order to track if and when the property or risk is later insured by the corporation.

6. Any policy taken out, assumed, or removed from the corporation is, as of the effective date of the take-out, assumption, or removal, direct insurance issued by the insurer and not by the corporation, even if the corporation continues to service the policies. This subparagraph applies to policies of the corporation and not policies taken out, assumed, or removed from any other entity.

7. For a policy taken out, assumed, or removed from the corporation, the insurer may, for a period of no more than 3 years, continue to use any of the corporation's policy forms or endorsements that apply to the policy taken

out, removed, or assumed without obtaining approval from the office for use of such policy form or endorsement.

(v)1. Effective July 1, 2002, policies of the Residential Property and Casualty Joint Underwriting Association become policies of the corporation. All obligations, rights, assets and liabilities of the association, including bonds, note and debt obligations, and the financing documents pertaining to them become those of the corporation as of July 1, 2002. The corporation is not required to issue endorsements or certificates of assumption to insureds during the remaining term of in-force transferred policies.

2. Effective July 1, 2002, policies of the Florida Windstorm Underwriting Association are transferred to the corporation and become policies of the corporation. All obligations, rights, assets, and liabilities of the association, including bonds, note and debt obligations, and the financing documents pertaining to them are transferred to and assumed by the corporation on July 1, 2002. The corporation is not required to issue endorsements or certificates of assumption to insureds during the remaining term of in-force transferred policies.

3. The Florida Windstorm Underwriting Association and the Residential Property and Casualty Joint Underwriting Association shall take all actions necessary to further evidence the transfers and provide the documents and instruments of further assurance as may reasonably be requested by the corporation for that purpose. The corporation shall execute assumptions and instruments as the trustees or other parties to the financing documents of the Florida Windstorm Underwriting Association or the Residential Property and Casualty Joint Underwriting Association may reasonably request to further evidence the transfers and assumptions, which transfers and assumptions, however, are effective on the date provided under this paragraph whether or not, and regardless of the date on which, the assumptions or instruments are executed by the corporation. Subject to the relevant financing documents pertaining to their outstanding bonds, notes, indebtedness, or other financing obligations, the moneys, investments, receivables, choses in action, and other intangibles of the Florida Windstorm Underwriting Association shall be credited to the coastal account of the corporation, and those of the personal lines residential coverage account and the commercial lines residential coverage account of the Residential Property and Casualty Joint Underwriting Association shall be credited to the personal lines account and the commercial lines account, respectively, of the corporation.

4. Effective July 1, 2002, a new applicant for property insurance coverage who would otherwise have been eligible for coverage in the Florida Windstorm Underwriting Association is eligible for coverage from the corporation as provided in this subsection.

5. The transfer of all policies, obligations, rights, assets, and liabilities from the Florida Windstorm Underwriting Association to the corporation and the renaming of the Residential Property and Casualty Joint

Notwithstanding any other provision of law, the coverage provided by the fund to the Residential Property and Casualty Joint Underwriting Association based on its exposures as of June 30, 2002, and each June 30 thereafter, unless the corporation has established the Citizens account, shall be transferred to the personal lines account and the commercial lines account of the corporation. Notwithstanding any other provision of law, the coastal account, unless the corporation has established the Citizens account, shall be treated, for all Florida Hurricane Catastrophe Fund purposes, as if it were a separate participating insurer with its own exposures, reimbursement premium, and loss reimbursement. Likewise, the personal lines and commercial lines accounts, unless the corporation has established the Citizens account, shall be viewed together, for all fund purposes, as if the two accounts were one and represent a single, separate participating insurer with its own exposures, reimbursement premium, and loss reimbursement. The coverage provided by the fund to the corporation shall constitute and operate as a full transfer of coverage from the Florida Windstorm Underwriting Association and Residential Property and Casualty Joint Underwriting Association to the corporation.

(w) Notwithstanding any other provision of law:

The pledge or sale of, the lien upon, and the security interest in any rights, revenues, or other assets of the corporation created or purported to be created pursuant to any financing documents to secure any bonds or other indebtedness of the corporation shall be and remain valid and enforceable, notwithstanding the commencement of and during the continuation of, and after, any rehabilitation, insolvency, liquidation, bankruptcy, receivership, conservatorship, reorganization, or similar proceeding against the corporation under the laws of this state.

2. The proceeding does not relieve the corporation of its obligation, or otherwise affect its ability to perform its obligation, to continue to collect, or levy and collect, assessments, policyholder surcharges or other surcharges under sub-subparagraph (b)3.j. ~~(b)3.i.~~, or any other rights, revenues, or other assets of the corporation pledged pursuant to any financing documents.

4. Any such pledge or sale of assessments, revenues, contract rights, or other rights or assets of the corporation shall constitute a lien and security interest, or sale, as the case may be, that is immediately effective and attaches to such assessments, revenues, or contract rights or other rights or assets, whether or not imposed or collected at the time the pledge or sale is made. Any such pledge or sale is effective, valid, binding, and enforceable against the corporation or other entity making such pledge or sale, and valid and binding against and superior to any competing claims or obligations owed to any other person or entity, including policyholders in this state, asserting rights in any such assessments, revenues, or contract rights or other rights or assets to the extent set forth in and in accordance with the terms of the pledge or sale contained in the applicable financing documents, whether or not any such person or entity has notice of such pledge or sale and without the need for any physical delivery, recordation, filing, or other action.

5. As long as the corporation has any bonds outstanding, the corporation may not file a voluntary petition under chapter 9 of the federal Bankruptcy Code or such corresponding chapter or sections as may be in effect, from time to time, and a public officer or any organization, entity, or other person may not authorize the corporation to be or become a debtor under chapter 9 of the federal Bankruptcy Code or such corresponding chapter or sections as may be in effect, from time to time, during any such period.

(1)(a) Upon an insurer's receiving a communication with respect to a claim, the insurer shall, within ~~7~~ 14 calendar days, review and acknowledge receipt of such communication unless payment is made within that period of time or unless the failure to acknowledge is caused by factors beyond the control of the insurer ~~which reasonably prevent such acknowledgment~~. If the acknowledgment is not in writing, a notification indicating acknowledgment shall be made in the insurer's claim file and dated. A communication made to or by a representative of an insurer with respect to a claim shall constitute communication to or by the insurer.

(3)(a) Unless otherwise provided by the policy of insurance or by law, within ~~7~~ 14 days after an insurer receives proof-of-loss statements, the insurer shall begin such investigation as is reasonably necessary unless the failure to begin such investigation is caused by factors beyond the control of the insurer ~~which reasonably prevent the commencement of such investigation~~.

The insurer also may allow the policyholder to use such methods to assist in the investigation of the loss. An insurer may void the insurance policy if the policyholder or any other person at the direction of the policyholder, with intent to injure, defraud, or deceive any insurer, commits insurance fraud by providing false, incomplete, or misleading information concerning any fact or thing material to a claim using electronic methods. The use of electronic methods to investigate the loss does not prohibit an insurer from assigning a licensed adjuster to physically inspect the property.

(e) Within 7 days after the insurer's assignment of an adjuster to the claim, The insurer must send notify the policyholder that he or she may request a copy of any detailed estimate of the amount of the loss within 7 days after the estimate is generated by an insurer's adjuster. After receiving

~~such a request from the policyholder, the insurer must send any such detailed estimate to the policyholder within the later of 7 days after the insurer received the request or 7 days after the detailed estimate of the amount of the loss is completed. This paragraph does not require that an insurer create a detailed estimate of the amount of the loss if such estimate is not reasonably necessary as part of the claim investigation.~~

The office may not extend the period for payment or denial of a claim for more than 30 additional days.~~

~~2. Actions by the policyholder or the policyholder's representative which constitute fraud, lack of cooperation, or intentional misrepresentation regarding the claim for which benefits are owed when such actions~~

reasonably prevent the insurer from complying with any requirement of this section.

(b) “Insurer” means any residential property insurer.

(7)(a) Within ~~60~~ 90 days after an insurer receives notice of an initial, reopened, or supplemental property insurance claim from a policyholder, the insurer shall pay or deny such claim or a portion of the claim unless the failure to pay is caused by factors beyond the control of the insurer ~~which reasonably prevent such payment.~~ The insurer shall provide a reasonable explanation in writing to the policyholder of the basis in the insurance policy, in relation to the facts or applicable law, for the payment, denial, or partial denial of a claim. If the insurer’s claim payment is less than specified in any insurer’s detailed estimate of the amount of the loss, the insurer must provide a reasonable explanation in writing of the difference to the policyholder. Any payment of an initial or supplemental claim or portion of such claim made ~~60~~ 90 days after the insurer receives notice of the claim, or made ~~more than 15 days after the expiration of any additional timeframe provided to pay or deny a claim or a portion of a claim made pursuant to an order of the office finding there are no longer~~ factors beyond the control of the insurer ~~which reasonably prevented such payment,~~ whichever is later, bears interest at the rate set forth in s. 55.03. Interest begins to accrue from the date the insurer receives notice of the claim. The provisions of this subsection may not be waived, voided, or nullified by the terms of the insurance policy. If there is a right to prejudgment interest, the insured must select whether to receive prejudgment interest or interest under this subsection. Interest is payable when the claim or portion of the claim is paid. Failure to comply with this subsection constitutes a violation of this code. However, failure to comply with this subsection does not form the sole basis for a private cause of action.

(8) The requirements of this section are tolled:

(a) During the pendency of any mediation proceeding under s. 627.7015 or any alternative dispute resolution proceeding provided for in the insurance contract. The tolling period ends upon the end of the mediation or alternative dispute resolution proceeding.

(b) Upon the failure of a policyholder or a representative of the policyholder to provide material claims information requested by the insurer within 10 days after the request was received. The tolling period ends upon the insurer’s receipt of the requested information. Tolling under this paragraph applies only to requests sent by the insurer to the policyholder or a representative of the policyholder at least 15 days before the insurer is required to pay or deny the claim or a portion of the claim under subsection (7).

A supplemental claim is barred unless notice of the supplemental claim was given to the insurer in accordance with the terms of the policy within 18 months ~~3 years~~ after the date of loss.

~~(a) In a suit arising under a residential or commercial property insurance policy not brought by an assignee, the amount of reasonable attorney fees and costs under s. 626.9373(1) or s. 627.428(1) shall be calculated and awarded as follows:~~

~~1. If the difference between the amount obtained by the claimant and the presuit settlement offer, excluding reasonable attorney fees and costs, is less than 20 percent of the disputed amount, each party pays its own attorney fees and costs and a claimant may not be awarded attorney fees under s. 626.9373(1) or s. 627.428(1).~~

~~3. If the difference between the amount obtained by the claimant and the presuit settlement offer, excluding reasonable attorney fees and costs, is at least 50 percent of the disputed amount, the insurer pays the claimant's full attorney fees and costs under s. 626.9373(1) or s. 627.428(1).~~

~~(b) In a suit arising under a residential or commercial property insurance policy not brought by an assignee, if a court dismisses a claimant's suit pursuant to subsection (5), the court may not award to the claimant any incurred attorney fees for services rendered before the dismissal of the suit. Section 18. Section 627.70154, Florida Statutes, is created to read:

627.70154 Mandatory binding arbitration.—A property insurance policy issued in this state may not require that a policyholder participate in mandatory binding arbitration unless all of the following apply:

(1) The mandatory binding arbitration requirements are contained in a separate endorsement attached to the property insurance policy.

(2) The premium that a policyholder is charged for the policy includes an actuarially sound credit or premium discount for the mandatory binding arbitration endorsement.

(3) The policyholder signs a form electing to accept mandatory binding arbitration. The form must notify the policyholder of the rights given up in exchange for the credit or premium discount, including, but not limited to, the right to a trial by jury.

(4) The endorsement establishes that an insurer will comply with the mediation provisions set forth in s. 627.7015 before the initiation of arbitration.

(5) The insurer also offers the policyholder a policy that does not require that the policyholder participate in mandatory binding arbitration.

Section 19. Subsections (9), (14), and (15) of section 627.7074, Florida Statutes, are amended to read:

627.7074 Alternative procedure for resolution of disputed sinkhole insurance claims.—

~~(9) Evidence of an offer to settle a claim during the neutral evaluation process, as well as any relevant conduct or statements made in negotiations concerning the offer to settle a claim, is inadmissible to prove liability or absence of liability for the claim or its value, except as provided in subsection (14).~~

~~(14) If the neutral evaluator verifies the existence of a sinkhole that caused structural damage and recommends the need for and estimates costs of stabilizing the land and any covered buildings and other appropriate remediation or building repairs which exceed the amount that the insurer has offered to pay the policyholder, the insurer is liable to the policyholder for up to \$2,500 in attorney's fees for the attorney's participation in the neutral evaluation process. For purposes of this subsection, the term "offer to pay" means a written offer signed by the insurer or its legal representative and delivered to the policyholder within 10 days after the insurer receives notice that a request for neutral evaluation has been made under this section.~~

~~(15) If the insurer timely agrees in writing to comply and timely complies with the recommendation of the neutral evaluator, but the policyholder declines to resolve the matter in accordance with the recommendation of the neutral evaluator pursuant to this section:~~

~~(a) The insurer is not liable for extracontractual damages related to a claim for a sinkhole loss but only as related to the issues determined by the neutral evaluation process. This section does not affect or impair claims for~~

extracontractual damages unrelated to the issues determined by the neutral evaluation process contained in this section; and

(b) The actions of the insurer are not a confession of judgment or admission of liability, ~~and the insurer is not liable for attorney’s fees under s. 627.428 or other provisions of the insurance code unless the policyholder obtains a judgment that is more favorable than the recommendation of the neutral evaluator.~~

Section 20. Effective March 1, 2023, section 627.7142, Florida Statutes, is amended to read:

627.7142 Homeowner Claims Bill of Rights.—An insurer issuing a personal lines residential property insurance policy in this state must provide a Homeowner Claims Bill of Rights to a policyholder within 14 days after receiving an initial communication with respect to a claim. The purpose of the bill of rights is to summarize, in simple, nontechnical terms, existing Florida law regarding the rights of a personal lines residential property insurance policyholder who files a claim of loss. The Homeowner Claims Bill of Rights is specific to the claims process and does not represent all of a policyholder’s rights under Florida law regarding the insurance policy. The Homeowner Claims Bill of Rights does not create a civil cause of action by any individual policyholder or class of policyholders against an insurer or insurers. The failure of an insurer to properly deliver the Homeowner Claims Bill of Rights is subject to administrative enforcement by the office but is not admissible as evidence in a civil action against an insurer. The Homeowner Claims Bill of Rights does not enlarge, modify, or contravene statutory requirements, including, but not limited to, ss. 626.854, 626.9541, 627.70131, 627.7015, and 627.7074, and does not prohibit an insurer from exercising its right to repair damaged property in compliance with the terms of an applicable policy or ss. 627.7011(6)(e) and 627.702(7). The Homeowner Claims Bill of Rights must state:

**HOMEOWNER CLAIMS
BILL OF RIGHTS**

This Bill of Rights is specific to the claims process and does not represent all of your rights under Florida law regarding your policy. There are also exceptions to the stated timelines when conditions are beyond your insurance company’s control. This document does not create a civil cause of action by an individual policyholder, or a class of policyholders, against an insurer or insurers and does not prohibit an insurer from exercising its right to repair damaged property in compliance with the terms of an applicable policy.

YOU HAVE THE RIGHT TO:

1. Receive from your insurance company an acknowledgment of your reported claim within 7 14 days after the time you communicated the claim.

2. The interest, if applicable, must be paid when your claim or the undisputed portion of your claim is paid.

~~6.5.~~ Free mediation of your disputed claim by the Florida Department of Financial Services, Division of Consumer Services, under most circumstances and subject to certain restrictions.

~~7.6.~~ Neutral evaluation of your disputed claim, if your claim is for damage caused by a sinkhole and is covered by your policy.

~~8.7.~~ Contact the Florida Department of Financial Services, Division of Consumer Services' toll-free helpline for assistance with any insurance claim or questions pertaining to the handling of your claim. 1. File all claims directly with your insurance company.
2. Contact your insurance company before entering into any contract for repairs to confirm any managed repair policy provisions or optional preferred vendors.

4. Carefully read any contract that requires you to pay out-of-pocket expenses or a fee that is based on a percentage of the insurance proceeds that you will receive for repairing or replacing your property.
5. Confirm that the contractor you choose is licensed to do business in Florida. You can verify a contractor's license and check to see if there are any complaints against him or her by calling the Florida Department of Business and Professional Regulation. 6. Require all contractors to provide proof of insurance before beginning repairs.

7. Take precautions if the damage requires you to leave your home, including securing your property and turning off your gas, water, and electricity, and contacting your insurance company and provide a phone number where you can be reached.
