Be It Enacted by the Legislature of the State of Florida:

Section 1. Effective upon becoming a law, paragraph (aa) of subsection (6) of section 627.351, Florida Statutes, is amended to read:

627.351 Insurance risk apportionment plans.—

(6) CITIZENS PROPERTY INSURANCE CORPORATION.—

(aa) Except as otherwise provided in this paragraph, the corporation shall require the securing and maintaining of flood insurance as a condition of coverage of a personal lines residential risk. The insured or applicant must execute a form approved by the office affirming that flood insurance is not provided by the corporation and that if flood insurance is not secured by the applicant or insured from an insurer other than the corporation and in addition to coverage by the corporation, the risk will not be eligible for coverage by the corporation. The corporation may deny coverage of a personal lines residential risk to an applicant or insured who refuses to secure and maintain flood insurance. The requirement to purchase flood insurance shall be implemented as follows:

1. Except as provided in subparagraphs 2. and 3., all personal lines residential policyholders must have flood coverage in place for policies effective on or after:

a. January 1, 2024, for a structure that has a dwelling replacement cost of \$600,000 or more.

b. January 1, 2025, for a structure that has a dwelling replacement cost of \$500,000 or more.

c. January 1, 2026, for a structure that has a dwelling replacement cost of \$400,000 or more.

d. January 1, 2027, for all other personal lines residential property insured by the corporation.

2. All personal lines residential policyholders whose property insured by the corporation is located within the special flood hazard area defined by the Federal Emergency Management Agency must have flood coverage in place:

a. At the time of initial policy issuance for all new personal lines residential policies issued by the corporation on or after April 1, 2023.

b. By the time of the policy renewal for all personal lines residential policies renewing on or after July 1, 2023.

3. Policyholders are not required to purchase flood insurance as a condition for maintaining the following policies issued by the corporation:

- a. Policies that do not provide coverage for the peril of wind.
- b. Policies that provide coverage under a condominium unit owners form.

The flood insurance required under this paragraph must meet, at a minimum, the dwelling coverage available from the National Flood Insurance Program or the requirements of ~~subparagraphs~~ s. 627.715(1)(a) 1., 2., and 3.

Section 2. Present subsection (7) of section 627.351, Florida Statutes, is redesignated as subsection (8), a new subsection (7) is added to that section, paragraph (nn) is added to subsection (6) of that section, and paragraph (b) of subsection (2) and paragraphs (a), (b), (c), (e), (o), (p), (q), (v), (w), (x), (z), and (ii) of subsection (6) of that section are amended, to read:

627.351 Insurance risk apportionment plans.—

(2) WINDSTORM INSURANCE RISK APPORTIONMENT.—

(b) The department shall require all insurers holding a certificate of authority to transact property insurance on a direct basis in this state, other than joint underwriting associations and other entities formed pursuant to this section, to provide windstorm coverage to applicants from areas determined to be eligible pursuant to paragraph (c) who in good faith are entitled to, but are unable to procure, such coverage through ordinary means; or it shall adopt a reasonable plan or plans for the equitable apportionment or sharing among such insurers of windstorm coverage, which may include formation of an association for this purpose. As used in this subsection, the term “property insurance” means insurance on real or personal property, as defined in s. 624.604, including insurance for fire, industrial fire, allied lines, farmowners multiperil, homeowners multiperil, commercial multiperil, and mobile homes, and including liability coverages on all such insurance, but excluding inland marine as defined in s. 624.607(3) and excluding vehicle insurance as defined in s. 624.605(1)(a) other than insurance on mobile homes used as permanent dwellings. The department shall adopt rules that provide a formula for the recovery and repayment of any deferred assessments.

1. For the purpose of this section, properties eligible for such windstorm coverage are defined as dwellings, buildings, and other structures, including mobile homes which are used as dwellings and which are tied down in compliance with mobile home tie-down requirements prescribed by the

Department of Highway Safety and Motor Vehicles pursuant to s. 320.8325, and the contents of all such properties. An applicant or policyholder is eligible for coverage only if an offer of coverage cannot be obtained by or for the applicant or policyholder from an admitted insurer at approved rates.

2.a.(I) All insurers required to be members of such association shall participate in its writings, expenses, and losses. Surplus of the association shall be retained for the payment of claims and shall not be distributed to the member insurers. Such participation by member insurers shall be in the proportion that the net direct premiums of each member insurer written for property insurance in this state during the preceding calendar year bear to the aggregate net direct premiums for property insurance of all member insurers, as reduced by any credits for voluntary writings, in this state during the preceding calendar year. For the purposes of this subsection, the term "net direct premiums" means direct written premiums for property insurance, reduced by premium for liability coverage and for the following if included in allied lines: rain and hail on growing crops; livestock; association direct premiums booked; National Flood Insurance Program direct premiums; and similar deductions specifically authorized by the plan of operation and approved by the department. A member's participation shall begin on the first day of the calendar year following the year in which it is issued a certificate of authority to transact property insurance in the state and shall terminate 1 year after the end of the calendar year during which it no longer holds a certificate of authority to transact property insurance in the state. The commissioner, after review of annual statements, other reports, and any other statistics that the commissioner deems necessary, shall certify to the association the aggregate direct premiums written for property insurance in this state by all member insurers.

(II) Effective July 1, 2002, the association shall operate subject to the supervision and approval of a board of governors who are the same individuals that have been appointed by the Treasurer to serve on the board of governors of the Citizens Property Insurance Corporation.

(III) The plan of operation shall provide a formula whereby a company voluntarily providing windstorm coverage in affected areas will be relieved wholly or partially from apportionment of a regular assessment pursuant to sub-sub-subparagraph d.(I) or sub-sub-subparagraph d.(II).

(IV) A company which is a member of a group of companies under common management may elect to have its credits applied on a group basis, and any company or group may elect to have its credits applied to any other company or group.

(V) There shall be no credits or relief from apportionment to a company for emergency assessments collected from its policyholders under sub-sub-subparagraph d.(III).

(VI) The plan of operation may also provide for the award of credits, for a period not to exceed 3 years, from a regular assessment pursuant to sub-sub-

subparagraph d.(I) or sub-sub-subparagraph d.(II) as an incentive for taking policies out of the Residential Property and Casualty Joint Underwriting Association. In order to qualify for the exemption under this sub-sub-subparagraph, the take-out plan must provide that at least 40 percent of the policies removed from the Residential Property and Casualty Joint Underwriting Association cover risks located in Miami-Dade, Broward, and Palm Beach Counties or at least 30 percent of the policies so removed cover risks located in Miami-Dade, Broward, and Palm Beach Counties and an additional 50 percent of the policies so removed cover risks located in other coastal counties, and must also provide that no more than 15 percent of the policies so removed may exclude windstorm coverage. With the approval of the department, the association may waive these geographic criteria for a take-out plan that removes at least the lesser of 100,000 Residential Property and Casualty Joint Underwriting Association policies or 15 percent of the total number of Residential Property and Casualty Joint Underwriting Association policies, provided the governing board of the Residential Property and Casualty Joint Underwriting Association certifies that the take-out plan will materially reduce the Residential Property and Casualty Joint Underwriting Association's 100-year probable maximum loss from hurricanes. With the approval of the department, the board may extend such credits for an additional year if the insurer guarantees an additional year of renewability for all policies removed from the Residential Property and Casualty Joint Underwriting Association, or for 2 additional years if the insurer guarantees 2 additional years of renewability for all policies removed from the Residential Property and Casualty Joint Underwriting Association.

b. Assessments to pay deficits in the association under this subparagraph shall be included as an appropriate factor in the making of rates as provided in s. 627.3512.

c. The Legislature finds that the potential for unlimited deficit assessments under this subparagraph may induce insurers to attempt to reduce their writings in the voluntary market, and that such actions would worsen the availability problems that the association was created to remedy. It is the intent of the Legislature that insurers remain fully responsible for paying regular assessments and collecting emergency assessments for any deficits of the association; however, it is also the intent of the Legislature to provide a means by which assessment liabilities may be amortized over a period of years.

d.(I) When the deficit incurred in a particular calendar year is 10 percent or less of the aggregate statewide direct written premium for property insurance for the prior calendar year for all member insurers, the association shall levy an assessment on member insurers in an amount equal to the deficit.

(II) When the deficit incurred in a particular calendar year exceeds 10 percent of the aggregate statewide direct written premium for property insurance for the prior calendar year for all member insurers, the association shall levy an assessment on member insurers in an amount

equal to the greater of 10 percent of the deficit or 10 percent of the aggregate statewide direct written premium for property insurance for the prior calendar year for member insurers. Any remaining deficit shall be recovered through emergency assessments under sub-sub-subparagraph (III).

(III) Upon a determination by the board of directors that a deficit exceeds the amount that will be recovered through regular assessments on member insurers, pursuant to sub-sub-subparagraph (I) or sub-sub-subparagraph (II), the board shall levy, after verification by the department, emergency assessments to be collected by member insurers and by underwriting associations created pursuant to this section which write property insurance, upon issuance or renewal of property insurance policies other than National Flood Insurance policies in the year or years following levy of the regular assessments. The amount of the emergency assessment collected in a particular year shall be a uniform percentage of that year's direct written premium for property insurance for all member insurers and underwriting associations, excluding National Flood Insurance policy premiums, as annually determined by the board and verified by the department. The department shall verify the arithmetic calculations involved in the board's determination within 30 days after receipt of the information on which the determination was based. Notwithstanding any other provision of law, each member insurer and each underwriting association created pursuant to this section shall collect emergency assessments from its policyholders without such obligation being affected by any credit, limitation, exemption, or deferment. The emergency assessments so collected shall be transferred directly to the association on a periodic basis as determined by the association. The aggregate amount of emergency assessments levied under this sub-sub-subparagraph in any calendar year may not exceed the greater of 10 percent of the amount needed to cover the original deficit, plus interest, fees, commissions, required reserves, and other costs associated with financing of the original deficit, or 10 percent of the aggregate statewide direct written premium for property insurance written by member insurers and underwriting associations for the prior year, plus interest, fees, commissions, required reserves, and other costs associated with financing the original deficit. The board may pledge the proceeds of the emergency assessments under this sub-sub-subparagraph as the source of revenue for bonds, to retire any other debt incurred as a result of the deficit or events giving rise to the deficit, or in any other way that the board determines will efficiently recover the deficit. The emergency assessments under this sub-sub-subparagraph shall continue as long as any bonds issued or other indebtedness incurred with respect to a deficit for which the assessment was imposed remain outstanding, unless adequate provision has been made for the payment of such bonds or other indebtedness pursuant to the document governing such bonds or other indebtedness. Emergency assessments collected under this sub-sub-subparagraph are not part of an insurer's rates, are not premium, and are not subject to premium tax, fees, or commissions; however, failure to pay the emergency assessment shall be treated as failure to pay premium.

(IV) Each member insurer's share of the total regular assessments under sub-sub-subparagraph (I) or sub-sub-subparagraph (II) shall be in the proportion that the insurer's net direct premium for property insurance in this state, for the year preceding the assessment bears to the aggregate statewide net direct premium for property insurance of all member insurers, as reduced by any credits for voluntary writings for that year.

(V) If regular deficit assessments are made under sub-sub-subparagraph (I) or sub-sub-subparagraph (II), ~~or by the Residential Property and Casualty Joint Underwriting Association under sub-subparagraph (6)(b) 3.a.,~~ the association shall levy upon the association's policyholders, as part of its next rate filing, or by a separate rate filing solely for this purpose, a market equalization surcharge in a percentage equal to the total amount of such regular assessments divided by the aggregate statewide direct written premium for property insurance for member insurers for the prior calendar year. Market equalization surcharges under this sub-sub-subparagraph are not considered premium and are not subject to commissions, fees, or premium taxes; however, failure to pay a market equalization surcharge shall be treated as failure to pay premium.

e. The governing body of any unit of local government, any residents of which are insured under the plan, may issue bonds as defined in s. 125.013 or s. 166.101 to fund an assistance program, in conjunction with the association, for the purpose of defraying deficits of the association. In order to avoid needless and indiscriminate proliferation, duplication, and fragmentation of such assistance programs, any unit of local government, any residents of which are insured by the association, may provide for the payment of losses, regardless of whether or not the losses occurred within or outside of the territorial jurisdiction of the local government. Revenue bonds may not be issued until validated pursuant to chapter 75, unless a state of emergency is declared by executive order or proclamation of the Governor pursuant to s. 252.36 making such findings as are necessary to determine that it is in the best interests of, and necessary for, the protection of the public health, safety, and general welfare of residents of this state and the protection and preservation of the economic stability of insurers operating in this state, and declaring it an essential public purpose to permit certain municipalities or counties to issue bonds as will provide relief to claimants and policyholders of the association and insurers responsible for apportionment of plan losses. Any such unit of local government may enter into such contracts with the association and with any other entity created pursuant to this subsection as are necessary to carry out this paragraph. Any bonds issued under this sub-subparagraph shall be payable from and secured by moneys received by the association from assessments under this subparagraph, and assigned and pledged to or on behalf of the unit of local government for the benefit of the holders of such bonds. The funds, credit, property, and taxing power of the state or of the unit of local government shall not be pledged for the payment of such bonds. If any of the bonds remain unsold 60 days after issuance, the department shall require all insurers subject to assessment to purchase the bonds, which shall be treated

as admitted assets; each insurer shall be required to purchase that percentage of the unsold portion of the bond issue that equals the insurer's relative share of assessment liability under this subsection. An insurer shall not be required to purchase the bonds to the extent that the department determines that the purchase would endanger or impair the solvency of the insurer. The authority granted by this sub-subparagraph is additional to any bonding authority granted by subparagraph 6.

3. The plan shall also provide that any member with a surplus as to policyholders of \$25 million or less writing 25 percent or more of its total countrywide property insurance premiums in this state may petition the department, within the first 90 days of each calendar year, to qualify as a limited apportionment company. The apportionment of such a member company in any calendar year for which it is qualified shall not exceed its gross participation, which shall not be affected by the formula for voluntary writings. In no event shall a limited apportionment company be required to participate in any apportionment of losses pursuant to sub-sub-subparagraph 2.d.(I) or sub-sub-subparagraph 2.d.(II) in the aggregate which exceeds \$50 million after payment of available plan funds in any calendar year. However, a limited apportionment company shall collect from its policyholders any emergency assessment imposed under sub-sub-subparagraph 2.d.(III). The plan shall provide that, if the department determines that any regular assessment will result in an impairment of the surplus of a limited apportionment company, the department may direct that all or part of such assessment be deferred. However, there shall be no limitation or deferment of an emergency assessment to be collected from policyholders under sub-sub-subparagraph 2.d.(III).

4. The plan shall provide for the deferment, in whole or in part, of a regular assessment of a member insurer under sub-sub-subparagraph 2.d.(I) or sub-sub-subparagraph 2.d.(II), but not for an emergency assessment collected from policyholders under sub-sub-subparagraph 2.d.(III), if, in the opinion of the commissioner, payment of such regular assessment would endanger or impair the solvency of the member insurer. In the event a regular assessment against a member insurer is deferred in whole or in part, the amount by which such assessment is deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in sub-sub-subparagraph 2.d.(I) or sub-sub-subparagraph 2.d.(II).

5.a. The plan of operation may include deductibles and rules for classification of risks and rate modifications consistent with the objective of providing and maintaining funds sufficient to pay catastrophe losses.

b. It is the intent of the Legislature that the rates for coverage provided by the association be actuarially sound and not competitive with approved rates charged in the admitted voluntary market such that the association functions as a residual market mechanism to provide insurance only when the insurance cannot be procured in the voluntary market. The plan of operation shall provide a mechanism to assure that, beginning no later than

January 1, 1999, the rates charged by the association for each line of business are reflective of approved rates in the voluntary market for hurricane coverage for each line of business in the various areas eligible for association coverage.

c. The association shall provide for windstorm coverage on residential properties in limits up to \$10 million for commercial lines residential risks and up to \$1 million for personal lines residential risks. If coverage with the association is sought for a residential risk valued in excess of these limits, coverage shall be available to the risk up to the replacement cost or actual cash value of the property, at the option of the insured, if coverage for the risk cannot be located in the authorized market. The association must accept a commercial lines residential risk with limits above \$10 million or a personal lines residential risk with limits above \$1 million if coverage is not available in the authorized market. The association may write coverage above the limits specified in this subparagraph with or without facultative or other reinsurance coverage, as the association determines appropriate.

d. The plan of operation must provide objective criteria and procedures, approved by the department, to be uniformly applied for all applicants in determining whether an individual risk is so hazardous as to be uninsurable. In making this determination and in establishing the criteria and procedures, the following shall be considered:

(I) Whether the likelihood of a loss for the individual risk is substantially higher than for other risks of the same class; and

(II) Whether the uncertainty associated with the individual risk is such that an appropriate premium cannot be determined.

The acceptance or rejection of a risk by the association pursuant to such criteria and procedures must be construed as the private placement of insurance, and the provisions of chapter 120 do not apply.

e. If the risk accepts an offer of coverage through the market assistance program or through a mechanism established by the association, either before the policy is issued by the association or during the first 30 days of coverage by the association, and the producing agent who submitted the application to the association is not currently appointed by the insurer, the insurer shall:

(I) Pay to the producing agent of record of the policy, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the association; or

(II) Offer to allow the producing agent of record of the policy to continue servicing the policy for a period of not less than 1 year and offer to pay the agent the greater of the insurer's or the association's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-subparagraph (I). Subject to the provisions of s. 627.3517, the policies issued by the association must provide that if the association obtains an offer from an authorized insurer to cover the risk at its approved rates under either a standard policy including wind coverage or, if consistent with the insurer's underwriting rules as filed with the department, a basic policy including wind coverage, the risk is no longer eligible for coverage through the association. Upon termination of eligibility, the association shall provide written notice to the policyholder and agent of record stating that the association policy must be canceled as of 60 days after the date of the notice because of the offer of coverage from an authorized insurer. Other provisions of the insurance code relating to cancellation and notice of cancellation do not apply to actions under this sub-subparagraph.

f. When the association enters into a contractual agreement for a take-out plan, the producing agent of record of the association policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(I) Pay to the producing agent of record of the association policy, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the association; or

(II) Offer to allow the producing agent of record of the association policy to continue servicing the policy for a period of not less than 1 year and offer to pay the agent the greater of the insurer's or the association's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-subparagraph (I).

6.a. The plan of operation may authorize the formation of a private nonprofit corporation, a private nonprofit unincorporated association, a partnership, a trust, a limited liability company, or a nonprofit mutual company which may be empowered, among other things, to borrow money by issuing bonds or by incurring other indebtedness and to accumulate reserves or funds to be used for the payment of insured catastrophe losses. The plan may authorize all actions necessary to facilitate the issuance of bonds, including the pledging of assessments or other revenues.

b. Any entity created under this subsection, or any entity formed for the purposes of this subsection, may sue and be sued, may borrow money; issue bonds, notes, or debt instruments; pledge or sell assessments, market equalization surcharges and other surcharges, rights, premiums, contractual rights, projected recoveries from the Florida Hurricane Catastrophe Fund, other reinsurance recoverables, and other assets as security for such bonds, notes, or debt instruments; enter into any contracts or agreements necessary or proper to accomplish such borrowings; and take other actions necessary to carry out the purposes of this subsection. The association may

issue bonds or incur other indebtedness, or have bonds issued on its behalf by a unit of local government pursuant to subparagraph (6)(q)2., in the absence of a hurricane or other weather-related event, upon a determination by the association subject to approval by the department that such action would enable it to efficiently meet the financial obligations of the association and that such financings are reasonably necessary to effectuate the requirements of this subsection. Any such entity may accumulate reserves and retain surpluses as of the end of any association year to provide for the payment of losses incurred by the association during that year or any future year. The association shall incorporate and continue the plan of operation and articles of agreement in effect on the effective date of chapter 76-96, Laws of Florida, to the extent that it is not inconsistent with chapter 76-96, and as subsequently modified consistent with chapter 76-96. The board of directors and officers currently serving shall continue to serve until their successors are duly qualified as provided under the plan. The assets and obligations of the plan in effect immediately prior to the effective date of chapter 76-96 shall be construed to be the assets and obligations of the successor plan created herein.

c. In recognition of s. 10, Art. I of the State Constitution, prohibiting the impairment of obligations of contracts, it is the intent of the Legislature that no action be taken whose purpose is to impair any bond indenture or financing agreement or any revenue source committed by contract to such bond or other indebtedness issued or incurred by the association or any other entity created under this subsection.

7. On such coverage, an agent's remuneration shall be that amount of money payable to the agent by the terms of his or her contract with the company with which the business is placed. However, no commission will be paid on that portion of the premium which is in excess of the standard premium of that company.

8. Subject to approval by the department, the association may establish different eligibility requirements and operational procedures for any line or type of coverage for any specified eligible area or portion of an eligible area if the board determines that such changes to the eligibility requirements and operational procedures are justified due to the voluntary market being sufficiently stable and competitive in such area or for such line or type of coverage and that consumers who, in good faith, are unable to obtain insurance through the voluntary market through ordinary methods would continue to have access to coverage from the association. When coverage is sought in connection with a real property transfer, such requirements and procedures shall not provide for an effective date of coverage later than the date of the closing of the transfer as established by the transferor, the transferee, and, if applicable, the lender.

9. Notwithstanding any other provision of law:

a. The pledge or sale of, the lien upon, and the security interest in any rights, revenues, or other assets of the association created or purported to be

created pursuant to any financing documents to secure any bonds or other indebtedness of the association shall be and remain valid and enforceable, notwithstanding the commencement of and during the continuation of, and after, any rehabilitation, insolvency, liquidation, bankruptcy, receivership, conservatorship, reorganization, or similar proceeding against the association under the laws of this state or any other applicable laws.

b. No such proceeding shall relieve the association of its obligation, or otherwise affect its ability to perform its obligation, to continue to collect, or levy and collect, assessments, market equalization or other surcharges, projected recoveries from the Florida Hurricane Catastrophe Fund, reinsurance recoverables, or any other rights, revenues, or other assets of the association pledged.

c. Each such pledge or sale of, lien upon, and security interest in, including the priority of such pledge, lien, or security interest, any such assessments, emergency assessments, market equalization or renewal surcharges, projected recoveries from the Florida Hurricane Catastrophe Fund, reinsurance recoverables, or other rights, revenues, or other assets which are collected, or levied and collected, after the commencement of and during the pendency of or after any such proceeding shall continue unaffected by such proceeding.

d. As used in this subsection, the term “financing documents” means any agreement, instrument, or other document now existing or hereafter created evidencing any bonds or other indebtedness of the association or pursuant to which any such bonds or other indebtedness has been or may be issued and pursuant to which any rights, revenues, or other assets of the association are pledged or sold to secure the repayment of such bonds or indebtedness, together with the payment of interest on such bonds or such indebtedness, or the payment of any other obligation of the association related to such bonds or indebtedness.

e. Any such pledge or sale of assessments, revenues, contract rights or other rights or assets of the association shall constitute a lien and security interest, or sale, as the case may be, that is immediately effective and attaches to such assessments, revenues, contract, or other rights or assets, whether or not imposed or collected at the time the pledge or sale is made. Any such pledge or sale is effective, valid, binding, and enforceable against the association or other entity making such pledge or sale, and valid and binding against and superior to any competing claims or obligations owed to any other person or entity, including policyholders in this state, asserting rights in any such assessments, revenues, contract, or other rights or assets to the extent set forth in and in accordance with the terms of the pledge or sale contained in the applicable financing documents, whether or not any such person or entity has notice of such pledge or sale and without the need for any physical delivery, recordation, filing, or other action.

f. There shall be no liability on the part of, and no cause of action of any nature shall arise against, any member insurer or its agents or employees,

agents or employees of the association, members of the board of directors of the association, or the department or its representatives, for any action taken by them in the performance of their duties or responsibilities under this subsection. Such immunity does not apply to actions for breach of any contract or agreement pertaining to insurance, or any willful tort.

(6) CITIZENS PROPERTY INSURANCE CORPORATION.—

(a) The public purpose of this subsection is to ensure that there is an orderly market for property insurance for residents and businesses of this state.

1. The Legislature finds that private insurers are unwilling or unable to provide affordable property insurance coverage in this state to the extent sought and needed. The absence of affordable property insurance threatens the public health, safety, and welfare and likewise threatens the economic health of the state. The state therefore has a compelling public interest and a public purpose to assist in assuring that property in the state is insured and that it is insured at affordable rates so as to facilitate the remediation, reconstruction, and replacement of damaged or destroyed property in order to reduce or avoid the negative effects otherwise resulting to the public health, safety, and welfare, to the economy of the state, and to the revenues of the state and local governments which are needed to provide for the public welfare. It is necessary, therefore, to provide affordable property insurance to applicants who are in good faith entitled to procure insurance through the voluntary market but are unable to do so. The Legislature intends, therefore, that affordable property insurance be provided and that it continue to be provided, as long as necessary, through Citizens Property Insurance Corporation, a government entity that is an integral part of the state, and that is not a private insurance company. To that end, the corporation shall strive to increase the availability of affordable property insurance in this state, while achieving efficiencies and economies, and while providing service to policyholders, applicants, and agents which is no less than the quality generally provided in the voluntary market, for the achievement of the foregoing public purposes. Because it is essential for this government entity to have the maximum financial resources to pay claims following a catastrophic hurricane, it is the intent of the Legislature that the corporation continue to be an integral part of the state and that the income of the corporation be exempt from federal income taxation and that interest on the debt obligations issued by the corporation be exempt from federal income taxation.

2. The Residential Property and Casualty Joint Underwriting Association originally created by this statute shall be known as the Citizens Property Insurance Corporation. The corporation shall provide insurance for residential and commercial property, for applicants who are entitled, but, in good faith, are unable to procure insurance through the voluntary market. The corporation shall operate pursuant to a plan of operation approved by order of the Financial Services Commission. The plan is subject to continuous review by the commission. The commission may, by order,

withdraw approval of all or part of a plan if the commission determines that conditions have changed since approval was granted and that the purposes of the plan require changes in the plan. For the purposes of this subsection, residential coverage includes both personal lines residential coverage, which consists of the type of coverage provided by homeowner, mobile home owner, dwelling, tenant, condominium unit owner, and similar policies; and commercial lines residential coverage, which consists of the type of coverage provided by condominium association, apartment building, and similar policies.

3. With respect to coverage for personal lines residential structures:

~~a. The office shall approve the method used by the corporation for valuing the dwelling replacement cost for the purposes of this subparagraph. If a policyholder is insured by the corporation before being determined to be ineligible pursuant to this subparagraph and such policyholder files a lawsuit challenging the determination, the policyholder may remain insured by the corporation until the conclusion of the litigation.~~

condominium unit that has a combined dwelling and contents replacement cost of less than \$1 million, is eligible for coverage by the corporation.

4. It is the intent of the Legislature that policyholders, applicants, and agents of the corporation receive service and treatment of the highest possible level but never less than that generally provided in the voluntary market. It is also intended that the corporation be held to service standards no less than those applied to insurers in the voluntary market by the office with respect to responsiveness, timeliness, customer courtesy, and overall dealings with policyholders, applicants, or agents of the corporation.

(b)1. All insurers authorized to write one or more subject lines of business in this state are subject to assessment by the corporation and, for the purposes of this subsection, are referred to collectively as “assessable insurers.” Insurers writing one or more subject lines of business in this state pursuant to part VIII of chapter 626 are not assessable insurers; however, insureds who procure one or more subject lines of business in this state pursuant to part VIII of chapter 626 are subject to assessment by the corporation and are referred to collectively as “assessable insureds.” An insurer’s assessment liability begins on the first day of the calendar year following the year in which the insurer was issued a certificate of authority to transact insurance for subject lines of business in this state and terminates 1 year after the end of the first calendar year during which the insurer no longer holds a certificate of authority to transact insurance for subject lines of business in this state.

The corporation may offer policies that provide multiperil coverage and shall offer policies that provide coverage only for the peril of wind for risks located in areas eligible for coverage by the Florida Windstorm Underwriting Association, as those areas were defined on January 1, 2002 in the coastal account. Effective July 1, 2014, The corporation may not offer shall cease offering new commercial residential policies providing multiperil coverage but and shall instead continue to offer commercial residential wind-only policies, and may offer commercial residential policies excluding wind. It is the intent of the Legislature that the offer of multiperil coverage in the coastal account be made and implemented in a manner that does not adversely affect the tax-exempt status of the corporation or creditworthiness of or security for currently outstanding financing obligations or credit facilities of the coastal account, the personal lines account, or the commercial lines account. The coastal account must also include quota share primary insurance under subparagraph (c)2.~~

(III) The surcharge is not considered premium and is not subject to commissions, fees, or premium taxes. However, failure to pay the surcharge shall be treated as failure to pay premium.

~~b.—The three separate accounts must be maintained as long as financing obligations entered into by the Florida Windstorm Underwriting Association or Residential Property and Casualty Joint Underwriting Association are outstanding, in accordance with the terms of the corresponding financing documents. If no such financing obligations remain outstanding or if the financing documents allow for combining of accounts, the corporation may consolidate the three separate accounts into a new account, to be known as the Citizens account, for all revenues, assets, liabilities, losses, and expenses of the corporation. The Citizens account, if established by the corporation, is authorized to provide coverage to the same extent as provided under each of the three separate accounts. The authority to provide coverage under the Citizens account is set forth in subparagraph 4. Consistent with this subparagraph and prudent investment policies that minimize the cost of carrying debt, the board shall exercise its best efforts to retire existing debt or obtain the approval of necessary parties to amend the terms of existing debt, so as to structure the most efficient plan for consolidating the three separate accounts into a single account. Once the accounts are combined into one account, this subparagraph and subparagraph 3. shall be replaced in their entirety by subparagraphs 4. and 5.~~

~~c.—Creditors of the Residential Property and Casualty Joint Underwriting Association and the accounts specified in sub-sub-subparagraphs a.(I) and (II) may have a claim against, and recourse to, those accounts and no claim against, or recourse to, the account referred to in sub-sub-subparagraph a.(III). ~~(I)—Is not greater than 2 percent of the aggregate statewide direct written premium for the subject lines of business for the prior calendar year, the entire deficit shall be recovered through regular assessments of assessable insurers under paragraph (q) and assessable insureds.~~

~~(II)—Exceeds 2 percent of the aggregate statewide direct written premium for the subject lines of business for the prior calendar year, the corporation shall levy regular assessments on assessable insurers under paragraph (q) and on assessable insureds in an amount equal to the greater of 2 percent of the projected deficit or 2 percent of the aggregate statewide direct written premium for the subject lines of business for the prior calendar year. Any remaining projected deficit shall be recovered through emergency assessments under sub-subparagraph e.~~

~~b.—Each assessable insurer's share of the amount being assessed under sub-subparagraph a. must be in the proportion that the assessable insurer's direct written premium for the subject lines of business for the year preceding the assessment bears to the aggregate statewide direct written premium for the subject lines of business for that year. The assessment percentage applicable to each assessable insured is the ratio of the amount being assessed under sub-subparagraph a. to the aggregate statewide direct written premium for the subject lines of business for the prior year. Assessments levied by the corporation on assessable insurers under sub-subparagraph a. must be paid as required by the corporation's plan of operation and paragraph (q). Upon receipt of regular assessments from surplus lines agents, the Florida Surplus Lines Service Office shall transfer the assessments directly to the corporation as determined by the corporation.~~

~~e.—The corporation may not levy regular assessments under paragraph (q) pursuant to sub-subparagraph a. or sub-subparagraph b. if the three separate accounts in sub-subparagraphs 2.a.(I)-(III) have been consolidated into the Citizens account pursuant to sub-subparagraph 2.b. However, the outstanding balance of any regular assessment levied by the corporation before establishment of the Citizens account remains payable to the corporation.~~

b.d. After accounting for the Citizens policyholder surcharge imposed under sub-subparagraph a. j., the remaining projected deficits in the Citizens personal lines account and in the commercial lines account in a particular calendar year shall be recovered through emergency assessments under sub-subparagraph c. e.

c.e. Upon a determination by the board of governors that a projected deficit in the Citizens ~~an~~ account exceeds the amount that is expected to be recovered through surcharges ~~regular assessments under sub-subparagraph a., plus the amount that is expected to be recovered through surcharges under sub-subparagraph j.,~~ the board, after verification by the office, shall levy emergency assessments for as many years as necessary to cover the deficits, to be collected by assessable insurers and the corporation and collected from assessable insureds upon issuance or renewal of policies for subject lines of business, excluding National Flood Insurance Program policies. The amount collected in a particular year must be a uniform percentage of that year's direct written premium for subject lines of business and the Citizens account ~~all accounts of the corporation,~~ excluding National Flood Insurance Program policy premiums, as annually determined by the board and verified by the office. The office shall verify the arithmetic calculations involved in the board's determination within 30 days after receipt of the information on which the determination was based. The office shall notify assessable insurers and the Florida Surplus Lines Service Office of the date on which assessable insurers shall begin to collect and assessable insureds shall begin to pay such assessment. The date must be at least 90 days after the date the corporation levies emergency assessments pursuant to this sub-subparagraph. Notwithstanding any other ~~provision of law,~~ the corporation and each assessable insurer that writes subject lines of business shall collect emergency assessments from its policyholders without such obligation being affected by any credit, limitation, exemption, or deferment. Emergency assessments levied by the corporation on assessable insureds shall be collected by the surplus lines agent at the time the surplus lines agent collects the surplus lines tax required by s. 626.932 and paid to the Florida Surplus Lines Service Office at the time the surplus lines agent pays the surplus lines tax to that office. The emergency assessments shall continue as long as any bonds issued or other indebtedness incurred with respect to a deficit for which the assessment was imposed remain outstanding, unless adequate provision has been made for the payment of such bonds or other indebtedness pursuant to the documents governing such bonds or indebtedness.

e.g. As used in this subsection and for purposes of any deficit incurred on or after January 25, 2007, the term “subject lines of business” means insurance written by assessable insurers or procured by assessable insureds for all property and casualty lines of business in this state, but not including workers’ compensation or medical malpractice. As used in this sub-subparagraph, the term “property and casualty lines of business” includes all lines of business identified on Form 2, Exhibit of Premiums and Losses, in the annual statement required of authorized insurers under s. 624.424 and any rule adopted under this section, except for those lines identified as accident and health insurance and except for policies written under the National Flood Insurance Program or the Federal Crop Insurance Program. For purposes of this sub-subparagraph, the term “workers’ compensation” includes both workers’ compensation insurance and excess workers’ compensation insurance.

(III) ~~The corporation may not levy any regular assessments under paragraph (q) pursuant to sub-subparagraph a. or sub-subparagraph b. with respect to a particular year's deficit until the corporation has first levied the full amount of the surcharge authorized by this sub-subparagraph.~~

(IV) ~~The surcharge is not considered premium and is not subject to commissions, fees, or premium taxes. However, failure to pay the surcharge shall be treated as failure to pay premium.~~

h.k. If the amount of any assessments or surcharges collected from corporation policyholders, assessable insurers or their policyholders, or assessable insureds exceeds the amount of the deficits, such excess amounts shall be remitted to and retained by the corporation in a reserve to be used by the corporation, as determined by the board of governors and approved by the office, to pay claims or reduce any past, present, or future plan-year deficits or to reduce outstanding debt.

However, the corporation may continue to renew a commercial residential multiperil policy on a building that was insured by the corporation on June 30, 2014, under a multiperil policy. In issuing multiperil coverage under this sub-subparagraph, the corporation may use its approved policy forms and rates for risks located in areas not eligible for coverage by the Florida Windstorm Underwriting Association as those areas were defined on January 1, 2002, and for policies that do not provide coverage for the peril of wind on risks that are located in such areas. An applicant or insured who is eligible to purchase a multiperil policy from the corporation may purchase a multiperil policy from an authorized insurer without prejudice to the applicant's or insured's eligibility to prospectively purchase a policy that provides coverage only for the peril of wind from the corporation. ~~a. Upon a determination by the board of governors that the Citizens account has a projected deficit, the board shall levy a Citizens policyholder surcharge against all policyholders of the corporation.~~

~~(1) The surcharge shall be levied as a uniform percentage of the premium for the policy of up to 15 percent of such premium, which funds shall be used to offset the deficit.~~

~~(II) The surcharge is payable upon cancellation or termination of the policy, upon renewal of the policy, or upon issuance of a new policy by the corporation within the first 12 months after the date of the levy or the period of time necessary to fully collect the surcharge amount.~~

~~(III) The surcharge is not considered premium and is not subject to commissions, fees, or premium taxes. However, failure to pay the surcharge shall be treated as failure to pay premium.~~

~~b. After accounting for the Citizens policyholder surcharge imposed under sub-subparagraph a., the remaining projected deficit incurred in the Citizens account in a particular calendar year shall be recovered through emergency assessments under sub-subparagraph e.~~

The office shall verify the arithmetic calculations involved in the board's determination within 30 days after receipt of the information on which the determination was based. The office shall notify assessable insurers and the Florida Surplus Lines Service Office of the date on which assessable insurers shall begin to collect and assessable insureds shall begin to pay such assessment. The date must be at least 90 days after the date the corporation levies emergency assessments pursuant to this sub-subparagraph. Notwithstanding any other law, the corporation and each assessable insurer that writes subject lines of business shall collect emergency assessments from its policyholders without such obligation being affected by any credit, limitation, exemption, or deferment. Emergency assessments levied by the corporation on assessable insureds shall be collected by the surplus lines agent at the time the surplus lines agent collects the surplus lines tax required by s. 626.932 and paid to the Florida Surplus Lines Service Office at the time the surplus lines agent pays the surplus lines tax to that office. The emergency assessments collected shall be transferred directly to the corporation on a periodic basis as determined by the corporation and held by the corporation solely in the Citizens account. The aggregate amount of emergency assessments levied for the Citizens account in any calendar year may be less than, but may not exceed the greater of, 10 percent of the amount needed to cover the deficit, plus interest, fees, commissions, required reserves, and other costs associated with financing the original deficit or 10 percent of the aggregate statewide direct written premium for subject lines of business and the Citizens accounts for the prior year, plus interest,~~

The emergency assessments shall continue as long as any bonds issued or other indebtedness incurred with respect to a deficit for which the assessment was imposed remain outstanding, unless adequate provision has been made for the payment of such bonds or other indebtedness pursuant to the documents governing such bonds or indebtedness.~~

~~e.—As used in this subsection and for purposes of any deficit incurred on or after January 25, 2007, the term “subject lines of business” means insurance written by assessable insurers or procured by assessable insureds for all property and casualty lines of business in this state, but not including workers’ compensation or medical malpractice. As used in this sub-subparagraph, the term “property and casualty lines of business” includes all lines of business identified on Form 2, Exhibit of Premiums and Losses, in the annual statement required of authorized insurers under s. 624.424 and any rule adopted under this section, except for those lines identified as accident and health insurance and except for policies written under the National Flood Insurance Program or the Federal Crop Insurance Program. (III) “Primary residence” means the dwelling that is the policyholder’s primary home or is a rental property that is the primary home of the tenant, and which the policyholder or tenant occupies for more than 9 months of each year.

(IV)(~~F~~) “Quota share primary insurance” means an arrangement in which the primary hurricane coverage of an eligible risk is provided in specified percentages by the corporation and an authorized insurer. The corporation and authorized insurer are each solely responsible for a specified percentage of hurricane coverage of an eligible risk as set forth in a quota share primary insurance agreement between the corporation and an authorized insurer and the insurance contract. The responsibility of the corporation or authorized insurer to pay its specified percentage of hurricane losses of an eligible risk, as set forth in the agreement, may not be altered by

the inability of the other party to pay its specified percentage of losses. Eligible risks that are provided hurricane coverage through a quota share primary insurance arrangement must be provided policy forms that set forth the obligations of the corporation and authorized insurer under the arrangement, clearly specify the percentages of quota share primary insurance provided by the corporation and authorized insurer, and conspicuously and clearly state that the authorized insurer and the corporation may not be held responsible beyond their specified percentage of coverage of hurricane losses.

(II) “Eligible risks” means personal lines residential and commercial lines residential risks that meet the underwriting criteria of the corporation and are located in areas that were eligible for coverage by the Florida Windstorm Underwriting Association on January 1, 2002.

b. The corporation may enter into quota share primary insurance agreements with authorized insurers at corporation coverage levels of 90 percent and 50 percent.

c. If the corporation determines that additional coverage levels are necessary to maximize participation in quota share primary insurance agreements by authorized insurers, the corporation may establish additional coverage levels. However, the corporation’s quota share primary insurance coverage level may not exceed 90 percent.

d. Any quota share primary insurance agreement entered into between an authorized insurer and the corporation must provide for a uniform specified percentage of coverage of hurricane losses, by county or territory as set forth by the corporation board, for all eligible risks of the authorized insurer covered under the agreement.

e. Any quota share primary insurance agreement entered into between an authorized insurer and the corporation is subject to review and approval by the office. However, such agreement shall be authorized only as to insurance contracts entered into between an authorized insurer and an insured who is already insured by the corporation for wind coverage.

f. For all eligible risks covered under quota share primary insurance agreements, the exposure and coverage levels for both the corporation and authorized insurers shall be reported by the corporation to the Florida Hurricane Catastrophe Fund. For all policies of eligible risks covered under such agreements, the corporation and the authorized insurer must maintain complete and accurate records for the purpose of exposure and loss reimbursement audits as required by fund rules. The corporation and the authorized insurer shall each maintain duplicate copies of policy declaration pages and supporting claims documents.

g. The corporation board shall establish in its plan of operation standards for quota share agreements which ensure that there is no discriminatory application among insurers as to the terms of the

agreements, pricing of the agreements, incentive provisions if any, and consideration paid for servicing policies or adjusting claims.

h. The quota share primary insurance agreement between the corporation and an authorized insurer must set forth the specific terms under which coverage is provided, including, but not limited to, the sale and servicing of policies issued under the agreement by the insurance agent of the authorized insurer producing the business, the reporting of information concerning eligible risks, the payment of premium to the corporation, and arrangements for the adjustment and payment of hurricane claims incurred on eligible risks by the claims adjuster and personnel of the authorized insurer. Entering into a quota sharing insurance agreement between the corporation and an authorized insurer is voluntary and at the discretion of the authorized insurer.

3. May provide that the corporation may employ or otherwise contract with individuals or other entities to provide administrative or professional services that may be appropriate to effectuate the plan. The corporation may borrow funds by issuing bonds or by incurring other indebtedness, and shall have other powers reasonably necessary to effectuate the requirements of this subsection, including, without limitation, the power to issue bonds and incur other indebtedness in order to refinance outstanding bonds or other indebtedness. The corporation may seek judicial validation of its bonds or other indebtedness under chapter 75. The corporation may issue bonds or incur other indebtedness, or have bonds issued on its behalf by a unit of local government pursuant to subparagraph (q)2. in the absence of a hurricane or other weather-related event, upon a determination by the corporation, subject to approval by the office, that such action would enable it to efficiently meet the financial obligations of the corporation and that such financings are reasonably necessary to effectuate the requirements of this subsection. The corporation may take all actions needed to facilitate tax-free status for such bonds or indebtedness, including formation of trusts or other affiliated entities. The corporation may pledge assessments, projected recoveries from the Florida Hurricane Catastrophe Fund, other reinsurance recoverables, policyholder surcharges and other surcharges, and other funds available to the corporation as security for bonds or other indebtedness. In recognition of s. 10, Art. I of the State Constitution, prohibiting the impairment of obligations of contracts, it is the intent of the Legislature that no action be taken whose purpose is to impair any bond indenture or financing agreement or any revenue source committed by contract to such bond or other indebtedness.

4. Must require that the corporation operate subject to the supervision and approval of a board of governors consisting of nine individuals who are residents of this state and who are from different geographical areas of the state, one of whom is appointed by the Governor and serves solely to advocate on behalf of the consumer. The appointment of a consumer representative by the Governor is deemed to be within the scope of the exemption provided in s. 112.313(7)(b) and is in addition to the appointments authorized under sub-subparagraph a.

a. The Governor, the Chief Financial Officer, the President of the Senate, and the Speaker of the House of Representatives shall each appoint two members of the board. At least one of the two members appointed by each appointing officer must have demonstrated expertise in insurance and be deemed to be within the scope of the exemption provided in s. 112.313(7)(b). The Chief Financial Officer shall designate one of the appointees as chair. All board members serve at the pleasure of the appointing officer. All members of the board are subject to removal at will by the officers who appointed them. All board members, including the chair, must be appointed to serve for 3-year terms beginning annually on a date designated by the plan. However, for the first term beginning on or after July 1, 2009, each appointing officer shall appoint one member of the board for a 2-year term and one member for a 3-year term. A board vacancy shall be filled for the unexpired term by the appointing officer. The Chief Financial Officer shall appoint a technical advisory group to provide information and advice to the board in connection with the board's duties under this subsection. The executive director and senior managers of the corporation shall be engaged by the board and serve at the pleasure of the board. Any executive director appointed on or after July 1, 2006, is subject to confirmation by the Senate. The executive director is responsible for employing other staff as the corporation may require, subject to review and concurrence by the board.

b. The board shall create a Market Accountability Advisory Committee to assist the corporation in developing awareness of its rates and its customer and agent service levels in relationship to the voluntary market insurers writing similar coverage.

(I) The members of the advisory committee consist of the following 11 persons, one of whom must be elected chair by the members of the committee: four representatives, one appointed by the Florida Association of Insurance Agents, one by the Florida Association of Insurance and Financial Advisors, one by the Professional Insurance Agents of Florida, and one by the Latin American Association of Insurance Agencies; three representatives appointed by the insurers with the three highest voluntary market share of residential property insurance business in the state; one representative from the Office of Insurance Regulation; one consumer appointed by the board who is insured by the corporation at the time of appointment to the committee; one representative appointed by the Florida Association of Realtors; and one representative appointed by the Florida Bankers Association. All members shall be appointed to 3-year terms and may serve for consecutive terms.

(II) The committee shall report to the corporation at each board meeting on insurance market issues which may include rates and rate competition with the voluntary market; service, including policy issuance, claims processing, and general responsiveness to policyholders, applicants, and agents; and matters relating to depopulation.

5. Must provide a procedure for determining the eligibility of a risk for coverage, as follows:

a. Subject to s. 627.3517, with respect to personal lines residential risks that are primary residences, if the risk is offered coverage from an authorized insurer at the insurer's approved rate under a standard policy including wind coverage or, if consistent with the insurer's underwriting rules as filed with the office, a basic policy including wind coverage, for a new application to the corporation for coverage, the risk is not eligible for any policy issued by the corporation unless the premium for coverage from the authorized insurer is more than 20 percent greater than the premium for comparable coverage from the corporation. Whenever an offer of coverage for a personal lines residential risk that is a primary residence is received for a policyholder of the corporation at renewal from an authorized insurer, if the offer is equal to or less than the corporation's renewal premium for comparable coverage, the risk is not eligible for coverage with the corporation for policies that renew before April 1, 2023; for policies that renew on or after that date, the risk is not eligible for coverage with the corporation unless the premium for coverage from the authorized insurer is more than 20 percent greater than the corporation's renewal premium for comparable coverage. If the risk is not able to obtain such offer, the risk is eligible for a standard policy including wind coverage or a basic policy including wind coverage issued by the corporation; however, if the risk could not be insured under a standard policy including wind coverage regardless of market conditions, the risk is eligible for a basic policy including wind coverage unless rejected under subparagraph 8. The corporation shall determine the type of policy to be provided on the basis of objective standards specified in the underwriting manual and based on generally accepted underwriting practices. A policyholder removed from the corporation through an assumption agreement does not remain eligible for coverage from the corporation after the end of the policy term. However, any policy removed from the corporation through an assumption agreement remains on the corporation's policy forms through the end of the policy term. This subparagraph applies only to risks that are primary residences.

(I) If the risk accepts an offer of coverage through the market assistance plan or through a mechanism established by the corporation other than a plan established by s. 627.3518, before a policy is issued to the risk by the corporation or during the first 30 days of coverage by the corporation, and the producing agent who submitted the application to the plan or to the corporation is not currently appointed by the insurer, the insurer shall:

(A) Pay to the producing agent of record of the policy for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record of the policy to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

(II) If the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(A) Pay to the producing agent of record, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

b. Subject to s. 627.3517, with respect to personal lines residential risks that are not primary residences, if the risk is offered coverage from an authorized insurer at the insurer's approved rate or from an approved surplus lines insurer at the rate approved by the office as part of such surplus lines insurer's take-out plan for a new application to the corporation for coverage, the risk is not eligible for any policy issued by the corporation unless the premium for coverage from the authorized insurer or approved surplus lines insurer is more than 20 percent greater than the premium for comparable coverage from the corporation. Whenever an offer of coverage for a personal lines residential risk that is not a primary residence is received for a policyholder of the corporation at renewal from an authorized insurer at the insurer's approved rate or an approved surplus lines insurer at the rate approved by the office as part of such insurer's take-out plan, the risk is not eligible for coverage with the corporation unless the premium for coverage from the authorized insurer or approved surplus lines insurer is more than 20 percent greater than the corporation's renewal premium for comparable coverage for policies that renew on or after July 1, 2024. If the risk is not able to obtain such offer, the risk is eligible for a standard policy including wind coverage or a basic policy including wind coverage issued by the corporation. If the risk could not be insured under a standard policy including wind coverage regardless of market conditions, the risk is eligible for a basic policy including wind coverage unless rejected under subparagraph 8. The corporation shall determine the type of policy to be provided on the basis of objective standards specified in the underwriting manual and based on generally accepted underwriting practices. A policyholder removed from the corporation through an assumption agreement does not remain eligible for coverage from the corporation after the end of the policy term. However, any

policy removed from the corporation through an assumption agreement remains on the corporation's policy forms through the end of the policy term.

(I) If the risk accepts an offer of coverage through the market assistance plan or through a mechanism established by the corporation other than a plan established by s. 627.3518, before a policy is issued to the risk by the corporation or during the first 30 days of coverage by the corporation, and the producing agent who submitted the application to the plan or to the corporation is not currently appointed by the insurer, the insurer must:

(A) Pay to the producing agent of record of the policy, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record of the policy to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer must pay the agent in accordance with sub-sub-sub-subparagraph (A).

(II) If the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on the policy, and the insurer must:

(A) Pay to the producing agent of record, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

c.b. With respect to commercial lines residential risks, for a new application to the corporation for coverage, if the risk is offered coverage under a policy including wind coverage from an authorized insurer at its approved rate, the risk is not eligible for a policy issued by the corporation unless the premium for coverage from the authorized insurer is more than 20 percent greater than the premium for comparable coverage from the corporation. Whenever an offer of coverage for a commercial lines residential risk is received for a policyholder of the corporation at renewal from an authorized insurer, the risk is not eligible for coverage with the corporation

unless the premium for coverage from the authorized insurer is more than 20 percent greater than the corporation's renewal premium for comparable coverage. If the risk is not able to obtain any such offer, the risk is eligible for a policy including wind coverage issued by the corporation. A policyholder removed from the corporation through an assumption agreement remains eligible for coverage from the corporation until the end of the policy term. However, any policy removed from the corporation through an assumption agreement remains on the corporation's policy forms through the end of the policy term.

(I) If the risk accepts an offer of coverage through the market assistance plan or through a mechanism established by the corporation other than a plan established by s. 627.3518, before a policy is issued to the risk by the corporation or during the first 30 days of coverage by the corporation, and the producing agent who submitted the application to the plan or the corporation is not currently appointed by the insurer, the insurer shall:

(A) Pay to the producing agent of record of the policy, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record of the policy to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

(II) If the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on the policy, and the insurer shall:

(A) Pay to the producing agent of record, for the first year, an amount that is the greater of the insurer's usual and customary commission for the type of policy written or a fee equal to the usual and customary commission of the corporation; or

(B) Offer to allow the producing agent of record to continue servicing the policy for at least 1 year and offer to pay the agent the greater of the insurer's or the corporation's usual and customary commission for the type of policy written.

If the producing agent is unwilling or unable to accept appointment, the new insurer shall pay the agent in accordance with sub-sub-sub-subparagraph (A).

d.e. For purposes of determining comparable coverage under sub-subparagraphs a., ~~and b.~~, and c., the comparison must be based on those

forms and coverages that are reasonably comparable. The corporation may rely on a determination of comparable coverage and premium made by the producing agent who submits the application to the corporation, made in the agent's capacity as the corporation's agent. For purposes of comparing the premium for comparable coverage under sub-subparagraphs a., ~~and b., and c.~~ premium includes any surcharge or assessment that is actually applied to such policy. A comparison may be made solely of the premium with respect to the main building or structure only on the following basis: the same Coverage A or other building limits; the same percentage hurricane deductible that applies on an annual basis or that applies to each hurricane for commercial residential property; the same percentage of ordinance and law coverage, if the same limit is offered by both the corporation and the authorized insurer or the approved surplus line insurer; the same mitigation credits, to the extent the same types of credits are offered both by the corporation and the authorized insurer or the approved surplus lines insurer; the same method for loss payment, such as replacement cost or actual cash value, if the same method is offered both by the corporation and the authorized insurer in accordance with underwriting rules; and any other form or coverage that is reasonably comparable as determined by the board. If an application is submitted to the corporation for wind-only coverage on a risk that is located in an area eligible for coverage by the Florida Windstorm Underwriting Association, as that area was defined on January 1, 2002, the premium for the corporation's wind-only policy plus the premium for the ex-wind policy that is offered by an authorized insurer to the applicant must be compared to the premium for multiperil coverage offered by an authorized insurer, subject to the standards for comparison specified in this subparagraph. If the corporation or the applicant requests from the authorized insurer or the approved surplus lines insurer a breakdown of the premium of the offer by types of coverage so that a comparison may be made by the corporation or its agent and the authorized insurer or the approved surplus lines insurer refuses or is unable to provide such information, the corporation may treat the offer as not being an offer of coverage from an authorized insurer at the insurer's approved rate.

6. Must include rules for classifications of risks and rates.

7. Must provide that if premium and investment income:

a. for the Citizens an account, which are attributable to a particular calendar year, are in excess of projected losses and expenses for the Citizens account attributable to that year, such excess shall be held in surplus in the Citizens account. Such surplus must be available to defray deficits in the Citizens that account as to future years and used for that purpose before assessing assessable insurers and assessable insureds as to any calendar year; ~~or~~

~~b. For the Citizens account, if established by the corporation, which are attributable to a particular calendar year are in excess of projected losses and expenses for the Citizens account attributable to that year, such excess shall be held in surplus in the Citizens account. Such surplus must be~~

~~available to defray deficits in the Citizens account as to future years and used for that purpose before assessing assessable insurers and assessable insureds as to any calendar year.~~

8. Must provide objective criteria and procedures to be uniformly applied to all applicants in determining whether an individual risk is so hazardous as to be uninsurable. In making this determination and in establishing the criteria and procedures, the following must be considered:

a. Whether the likelihood of a loss for the individual risk is substantially higher than for other risks of the same class; and

b. Whether the uncertainty associated with the individual risk is such that an appropriate premium cannot be determined.

The acceptance or rejection of a risk by the corporation shall be construed as the private placement of insurance, and the provisions of chapter 120 do not apply.

9. Must provide that the corporation make its best efforts to procure catastrophe reinsurance at reasonable rates, to cover its projected 100-year probable maximum loss as determined by the board of governors. If catastrophe reinsurance is not available at reasonable rates, the corporation need not purchase it, but the corporation shall include the costs of reinsurance to cover its projected 100-year probable maximum loss in its rate calculations even if it does not purchase catastrophe reinsurance.

10. The policies issued by the corporation must provide that if the corporation or the market assistance plan obtains an offer from an authorized insurer to cover the risk at its approved rates, the risk is no longer eligible for renewal through the corporation, except as otherwise provided in this subsection.

11. Corporation policies and applications must include a notice that the corporation policy could, under this section, be replaced with a policy issued by an authorized insurer which does not provide coverage identical to the coverage provided by the corporation. The notice must also specify that acceptance of corporation coverage creates a conclusive presumption that the applicant or policyholder is aware of this potential.

12. May establish, subject to approval by the office, different eligibility requirements and operational procedures for any line or type of coverage for any specified county or area if the board determines that such changes are justified due to the voluntary market being sufficiently stable and competitive in such area or for such line or type of coverage and that consumers who, in good faith, are unable to obtain insurance through the voluntary market through ordinary methods continue to have access to coverage from the corporation. If coverage is sought in connection with a real property transfer, the requirements and procedures may not provide an

effective date of coverage later than the date of the closing of the transfer as established by the transferor, the transferee, and, if applicable, the lender.

13. ~~Must provide that:~~

~~a. A regular assessment levied by the corporation on a limited apportionment company for a deficit incurred by the corporation for the coastal account may be paid to the corporation on a monthly basis as the assessments are collected by the limited apportionment company from its insureds, but a limited apportionment company must begin collecting the regular assessments not later than 90 days after the regular assessments are levied by the corporation, and the regular assessments must be paid in full within 15 months after being levied by the corporation. A limited apportionment company shall collect from its policyholders any emergency assessment imposed under sub-subparagraph (b)3.c. The plan must provide that, if the office determines that any regular assessment will result in an impairment of the surplus of a limited apportionment company, the office may direct that all or part of such assessment be deferred as provided in subparagraph (q)4. However, an emergency assessment to be collected from policyholders under sub-subparagraph (b)3.c. may not be limited or deferred; or~~

~~b. With respect to the Citizens account, if established by the corporation pursuant to sub-subparagraph (b)2.b., any assessable insurer with a surplus as to policyholders of \$25 million or less and writing 25 percent or more of its total countrywide property insurance premiums in this state may petition the office, within the first 90 days of each calendar year, to qualify as a limited apportionment company. A limited apportionment company shall collect from its policyholders any emergency assessment imposed under sub-subparagraph (b)5.c. An emergency assessment to be collected from policyholders under sub-subparagraph (b)5.c. may not be limited or deferred.~~

14. ~~Must provide that the corporation appoint as its licensed agents only those agents who throughout such appointments also hold an appointment as defined in s. 626.015 by at least three insurers an insurer who are is authorized to write and are is actually writing or renewing personal lines residential property coverage, commercial residential property coverage, or commercial nonresidential property coverage within the state.~~

- c. Patios that have a roof covering that is constructed of materials that are not the same or substantially the same materials as those of the primary dwelling.

The corporation shall make available a policy for mobile homes or manufactured homes for a minimum insured value of at least \$3,000.

17.18. May provide such limits of coverage as the board determines, consistent with the requirements of this subsection.

18.19. May require commercial property to meet specified hurricane mitigation construction features as a condition of eligibility for coverage.

19.20. Must provide that new or renewal policies issued by the corporation on or after January 1, 2012, which cover sinkhole loss do not include coverage for any loss to appurtenant structures, driveways, sidewalks, decks, or patios that are directly or indirectly caused by sinkhole activity. The corporation shall exclude such coverage using a notice of coverage change, which may be included with the policy renewal, and not by issuance of a notice of nonrenewal of the excluded coverage upon renewal of the current policy.

20.a.21.a. ~~As of January 1, 2012, unless the Citizens account has been established pursuant to sub-subparagraph (b)2.b.,~~ Must require that the agent obtain from an applicant for coverage from the corporation an acknowledgment signed by the applicant, which includes, at a minimum, the following statement:

Additionally, the procurement of financial services providers and underwriters must be made pursuant to s. 627.3513. Contracts for goods or services valued at or more than \$100,000 are subject to approval by the board.

1. The corporation is an agency for purposes of s. 287.057, except that, for purposes of s. 287.057(24), the corporation is an eligible user.

a. The authority of the Department of Management Services and the Chief Financial Officer under s. 287.057 extends to the corporation as if the corporation were an agency.

For a protest of the terms, conditions, and specifications contained in a solicitation, including provisions governing the methods for ranking bids, proposals, replies, awarding contracts, reserving rights of further negotiation, or modifying or amending any contract, the notice of protest must be filed in writing within 72 hours after posting the solicitation. Saturdays, Sundays, and state holidays are excluded in the computation of the 72-hour time period.

b. A formal written protest must be filed within 10 days after the date the notice of protest is filed. The formal written protest must state with particularity the facts and law upon which the protest is based. Upon receipt of a formal written protest that has been timely filed, the corporation must stop the solicitation or contract award process until the subject of the protest is resolved by final board action unless the executive director sets forth in writing particular facts and circumstances that require the continuance of the solicitation or contract award process without delay in order to avoid an immediate and serious danger to the public health, safety, or welfare.

(I) The corporation must provide an opportunity to resolve the protest by mutual agreement between the parties within 7 business days after receipt of the formal written protest.

(II) If the subject of a protest is not resolved by mutual agreement within 7 business days, the corporation's board must transmit the protest to the Division of Administrative Hearings and contract with the division to conduct a hearing to determine the merits of the protest and to issue a recommended order. The contract must provide for the corporation to reimburse the division for any costs incurred by the division for court reporters, transcript preparation, travel, facility rental, and other customary hearing costs in the manner set forth in s. 120.65(9). The division has jurisdiction to determine the facts and law concerning the protest and to issue a recommended order. The division's rules and procedures apply to these proceedings; ~~the division's applicable bond requirements do not apply.~~ The protest must be heard by the division at a publicly noticed meeting in accordance with procedures established by the division.

c. In a protest of an invitation-to-bid or request-for-proposals procurement, submissions made after the bid or proposal opening which amend or supplement the bid or proposal may not be considered. In protesting an invitation-to-negotiate procurement, submissions made after the corporation announces its intent to award a contract, reject all replies, or withdraw the solicitation that amends or supplements the reply may not be considered. Unless otherwise provided by law, the burden of proof rests with the party protesting the corporation's action. In a competitive-procurement protest, other than a rejection of all bids, proposals, or replies, the administrative law judge must conduct a de novo proceeding to determine whether the corporation's proposed action is contrary to the corporation's governing statutes, the corporation's rules or policies, or the solicitation specifications.

The standard of proof for the proceeding is whether the corporation's action was clearly erroneous, contrary to competition, arbitrary, or capricious. In any bid-protest proceeding contesting an intended corporation action to reject all bids, proposals, or replies, the standard of review by the board is whether the corporation's intended action is illegal, arbitrary, dishonest, or fraudulent.

d. Failure to file a notice of protest or failure to file a formal written protest constitutes a waiver of proceedings.

3. The board, ~~acting as agency head~~ or his or her designee, shall consider the recommended order of an administrative law judge ~~in a public meeting~~ and take final action on the protest. Any further legal remedy lies with the First District Court of Appeal.

(o) ~~If coverage in an account, or the Citizens account if established by the corporation,~~ is deactivated pursuant to paragraph (p), coverage through the corporation shall be reactivated by order of the office only under one of the following circumstances:

1. If the market assistance plan receives a minimum of 100 applications for coverage within a 3-month period, or 200 applications for coverage within a 1-year period or less for residential coverage, unless the market assistance plan provides a quotation from authorized ~~admitted~~ carriers at their ~~approved~~ filed rates for at least 90 percent of such applicants. Any market assistance plan application that is rejected because an individual risk is so hazardous as to be uninsurable using the criteria specified in subparagraph (c)8. may ~~shall~~ not be included in the minimum percentage calculation provided herein. In the event that there is a legal or administrative challenge to a determination by the office that the conditions of this subparagraph have been met for eligibility for coverage in the corporation, any eligible risk may obtain coverage during the pendency of such challenge.

2. In response to a state of emergency declared by the Governor under s. 252.36, the office may activate coverage by order for the period of the emergency upon a finding by the office that the emergency significantly affects the availability of residential property insurance.

(p)1. The corporation shall file with the office quarterly statements of financial condition, an annual statement of financial condition, and audited financial statements in the manner prescribed by law. In addition, the corporation shall report to the office monthly on the types, premium, exposure, and distribution by county of its policies in force, and shall submit other reports as the office requires to carry out its oversight of the corporation.

2. The activities of the corporation shall be reviewed at least annually by the office to determine whether coverage shall be deactivated ~~in an account, or in the Citizens account if established by the corporation,~~ on the basis that the conditions giving rise to its activation no longer exist.

(q)1. The corporation shall certify to the office its needs for annual assessments as to a particular calendar year, and for any interim assessments that it deems to be necessary to sustain operations as to a particular year pending the receipt of annual assessments. Upon verification, the office shall approve such certification, and the corporation shall levy such annual or interim assessments. Such assessments shall be prorated, if authority to levy exists, as provided in paragraph (b). The corporation shall take all reasonable and prudent steps necessary to collect the amount of assessments due from each assessable insurer, including, if prudent, filing suit to collect the assessments, and the office may provide such assistance to the corporation it deems appropriate. If the corporation is unable to collect an assessment from any assessable insurer, the uncollected assessments shall be levied as an additional assessment against the assessable insurers and any assessable insurer required to pay an additional assessment as a result of such failure to pay shall have a cause of action against such nonpaying assessable insurer. Assessments shall be included as an appropriate factor in the making of rates. The failure of a surplus lines agent to collect and remit any regular or emergency assessment levied by the corporation is considered to be a violation of s. 626.936 and subjects the surplus lines agent to the penalties provided in that section.

2. The governing body of any unit of local government, any residents of which are insured by the corporation, may issue bonds as defined in s. 125.013 or s. 166.101 from time to time to fund an assistance program, in conjunction with the corporation, for the purpose of defraying deficits of the corporation. In order to avoid needless and indiscriminate proliferation, duplication, and fragmentation of such assistance programs, any unit of local government, any residents of which are insured by the corporation, may provide for the payment of losses, regardless of whether or not the losses occurred within or outside of the territorial jurisdiction of the local government. Revenue bonds under this subparagraph may not be issued until validated pursuant to chapter 75, unless a state of emergency is declared by executive order or proclamation of the Governor pursuant to s. 252.36 making such findings as are necessary to determine that it is in the best interests of, and necessary for, the protection of the public health, safety, and general welfare of residents of this state and declaring it an essential public purpose to permit certain municipalities or counties to issue such bonds as will permit relief to claimants and policyholders of the corporation. Any such unit of local government may enter into such contracts with the corporation and with any other entity created pursuant to this subsection as are necessary to carry out this paragraph. Any bonds issued under this subparagraph shall be payable from and secured by moneys received by the corporation from emergency assessments under subparagraph (b)3.c. ~~(b)3.e.~~, and assigned and pledged to or on behalf of the unit of local government for the benefit of the holders of such bonds. The funds, credit, property, and taxing power of the state or of the unit of local government may shall not be pledged for the payment of such bonds.

3.a. The corporation shall adopt one or more programs subject to approval by the office for the reduction of both new and renewal writings in the corporation. Beginning January 1, 2008, any program the corporation adopts for the payment of bonuses to an insurer for each risk the insurer removes from the corporation shall comply with s. 627.3511(2) and may not exceed the amount referenced in s. 627.3511(2) for each risk removed. The corporation may consider any prudent and not unfairly discriminatory approach to reducing corporation writings, and may adopt a credit against assessment liability or other liability that provides an incentive for insurers to take risks out of the corporation and to keep risks out of the corporation by maintaining or increasing voluntary writings in counties or areas in which corporation risks are highly concentrated and a program to provide a formula under which an insurer voluntarily taking risks out of the corporation by maintaining or increasing voluntary writings will be relieved wholly or partially from assessments ~~under sub-subparagraph (b)~~3.a. However, any “take-out bonus” or payment to an insurer must be conditioned on the property being insured for at least 5 years by the insurer, unless canceled or nonrenewed by the policyholder. If the policy is canceled or nonrenewed by the policyholder before the end of the 5-year period, the amount of the take-out bonus must be prorated for the time period the policy was insured. When the corporation enters into a contractual agreement for a take-out plan, the producing agent of record of the corporation policy is entitled to retain any unearned commission on such policy, and the insurer shall either:

(I) Pay to the producing agent of record of the policy, for the first year, an amount which is the greater of the insurer’s usual and customary commission for the type of policy written or a policy fee equal to the usual and customary commission of the corporation; or

(II) Offer to allow the producing agent of record of the policy to continue servicing the policy for a period of not less than 1 year and offer to pay the agent the insurer’s usual and customary commission for the type of policy written. If the producing agent is unwilling or unable to accept appointment by the new insurer, the new insurer shall pay the agent in accordance with sub-sub-subparagraph (I).

b. Any credit or exemption from regular assessments adopted under this subparagraph shall last no longer than the 3 years following the cancellation or expiration of the policy by the corporation. With the approval of the office, the board may extend such credits for an additional year if the insurer guarantees an additional year of renewability for all policies removed from the corporation, or for 2 additional years if the insurer guarantees 2 additional years of renewability for all policies so removed.

c. There shall be no credit, limitation, exemption, or deferment from emergency assessments to be collected from policyholders pursuant to ~~sub-subparagraph (b)~~3.c. ~~sub-subparagraph (b)~~3.e. or ~~sub-subparagraph (b)~~5.e.

~~4. The plan shall provide for the deferment, in whole or in part, of the assessment of an assessable insurer, other than an emergency assessment collected from policyholders pursuant to sub-subparagraph (b)3.e. or sub-subparagraph (b)5.c., if the office finds that payment of the assessment would endanger or impair the solvency of the insurer. In the event an assessment against an assessable insurer is deferred in whole or in part, the amount by which such assessment is deferred may be assessed against the other assessable insurers in a manner consistent with the basis for assessments set forth in paragraph (b).~~

5. Effective July 1, 2007, in order to evaluate the costs and benefits of approved take-out plans, if the corporation pays a bonus or other payment to an insurer for an approved take-out plan, it shall maintain a record of the address or such other identifying information on the property or risk removed in order to track if and when the property or risk is later insured by the corporation.

~~5.6.~~ Any policy taken out, assumed, or removed from the corporation is, as of the effective date of the take-out, assumption, or removal, direct insurance issued by the insurer and not by the corporation, even if the corporation continues to service the policies. This subparagraph applies to policies of the corporation and not policies taken out, assumed, or removed from any other entity.

~~6.7.~~ For a policy taken out, assumed, or removed from the corporation, the insurer may, for a period of no more than 3 years, continue to use any of the corporation's policy forms or endorsements that apply to the policy taken out, removed, or assumed without obtaining approval from the office for use of such policy form or endorsement.

(v)1. Effective July 1, 2002, policies of the Residential Property and Casualty Joint Underwriting Association become policies of the corporation. All obligations, rights, assets and liabilities of the association, including bonds, note and debt obligations, and the financing documents pertaining to them become those of the corporation as of July 1, 2002. The corporation is not required to issue endorsements or certificates of assumption to insureds during the remaining term of in-force transferred policies.

2. Effective July 1, 2002, policies of the Florida Windstorm Underwriting Association are transferred to the corporation and become policies of the corporation. All obligations, rights, assets, and liabilities of the association, including bonds, note and debt obligations, and the financing documents pertaining to them are transferred to and assumed by the corporation on July 1, 2002. The corporation is not required to issue endorsements or certificates of assumption to insureds during the remaining term of in-force transferred policies.

3. The Florida Windstorm Underwriting Association and the Residential Property and Casualty Joint Underwriting Association shall take all actions necessary to further evidence the transfers and provide the documents and

instruments of further assurance as may reasonably be requested by the corporation for that purpose. The corporation shall execute assumptions and instruments as the trustees or other parties to the financing documents of the Florida Windstorm Underwriting Association or the Residential Property and Casualty Joint Underwriting Association may reasonably request to further evidence the transfers and assumptions, which transfers and assumptions, however, are effective on the date provided under this paragraph whether or not, and regardless of the date on which, the assumptions or instruments are executed by the corporation. Subject to the relevant financing documents pertaining to their outstanding bonds, notes, indebtedness, or other financing obligations, the moneys, investments, receivables, choses in action, and other intangibles of the Florida Windstorm Underwriting Association shall be credited to the coastal account of the corporation, and those of the personal lines residential coverage account and the commercial lines residential coverage account of the Residential Property and Casualty Joint Underwriting Association shall be credited to the personal lines account and the commercial lines account, respectively, of the corporation.

4. Effective July 1, 2002, a new applicant for property insurance coverage who would otherwise have been eligible for coverage in the Florida Windstorm Underwriting Association is eligible for coverage from the corporation as provided in this subsection.

5. The transfer of all policies, obligations, rights, assets, and liabilities from the Florida Windstorm Underwriting Association to the corporation and the renaming of the Residential Property and Casualty Joint Underwriting Association as the corporation does not affect the coverage with respect to covered policies as defined in s. 215.555(2)(c) provided to these entities by the Florida Hurricane Catastrophe Fund. The coverage provided by the fund to the Florida Windstorm Underwriting Association based on its exposures as of June 30, 2002, and each June 30 thereafter, unless the corporation has established the Citizens account, shall be redesignated as coverage for the coastal account of the corporation. Notwithstanding any other provision of law, the coverage provided by the fund to the Residential Property and Casualty Joint Underwriting Association based on its exposures as of June 30, 2002, and each June 30 thereafter, unless the corporation has established the Citizens account, shall be transferred to the personal lines account and the commercial lines account of the corporation. Notwithstanding any other provision of law, the coastal account, unless the corporation has established the Citizens account, shall be treated, for all Florida Hurricane Catastrophe Fund purposes, as if it were a separate participating insurer with its own exposures, reimbursement premium, and loss reimbursement. Likewise, the personal lines and commercial lines accounts, unless the corporation has established the Citizens account, shall be viewed together, for all fund purposes, as if the two accounts were one and represent a single, separate participating insurer with its own exposures, reimbursement premium, and loss reimbursement. The coverage provided by the fund to the corporation shall constitute and operate as a full transfer

of coverage from the Florida Windstorm Underwriting Association and Residential Property and Casualty Joint Underwriting Association to the corporation.

(w) Notwithstanding any other provision of law:

1. The pledge or sale of, the lien upon, and the security interest in any rights, revenues, or other assets of the corporation created or purported to be created pursuant to any financing documents to secure any bonds or other indebtedness of the corporation shall be and remain valid and enforceable, notwithstanding the commencement of and during the continuation of, and after, any rehabilitation, insolvency, liquidation, bankruptcy, receivership, conservatorship, reorganization, or similar proceeding against the corporation under the laws of this state.

2. The proceeding does not relieve the corporation of its obligation, or otherwise affect its ability to perform its obligation, to continue to collect, or levy and collect, assessments, policyholder surcharges or other surcharges ~~under sub-subparagraph (b)3.j.~~, or any other rights, revenues, or other assets of the corporation pledged pursuant to any financing documents.

3. Each such pledge or sale of, lien upon, and security interest in, including the priority of such pledge, lien, or security interest, any such assessments, policyholder surcharges or other surcharges, or other rights, revenues, or other assets which are collected, or levied and collected, after the commencement of and during the pendency of, or after, any such proceeding shall continue unaffected by such proceeding. As used in this subsection, the term “financing documents” means any agreement or agreements, instrument or instruments, or other document or documents now existing or hereafter created evidencing any bonds or other indebtedness of the corporation or pursuant to which any such bonds or other indebtedness has been or may be issued and pursuant to which any rights, revenues, or other assets of the corporation are pledged or sold to secure the repayment of such bonds or indebtedness, together with the payment of interest on such bonds or such indebtedness, or the payment of any other obligation or financial product, as defined in the plan of operation of the corporation related to such bonds or indebtedness.

4. Any such pledge or sale of assessments, revenues, contract rights, or other rights or assets of the corporation shall constitute a lien and security interest, or sale, as the case may be, that is immediately effective and attaches to such assessments, revenues, or contract rights or other rights or assets, whether or not imposed or collected at the time the pledge or sale is made. Any such pledge or sale is effective, valid, binding, and enforceable against the corporation or other entity making such pledge or sale, and valid and binding against and superior to any competing claims or obligations owed to any other person or entity, including policyholders in this state, asserting rights in any such assessments, revenues, or contract rights or other rights or assets to the extent set forth in and in accordance with the terms of the pledge or sale contained in the applicable financing documents,

whether or not any such person or entity has notice of such pledge or sale and without the need for any physical delivery, recordation, filing, or other action.

5. As long as the corporation has any bonds outstanding, the corporation may not file a voluntary petition under chapter 9 of the federal Bankruptcy Code or such corresponding chapter or sections as may be in effect, from time to time, and a public officer or any organization, entity, or other person may not authorize the corporation to be or become a debtor under chapter 9 of the federal Bankruptcy Code or such corresponding chapter or sections as may be in effect, from time to time, during any such period.

6. If ordered by a court of competent jurisdiction, the corporation may assume policies or otherwise provide coverage for policyholders of an insurer placed in liquidation under chapter 631, under such forms, rates, terms, and conditions as the corporation deems appropriate, subject to approval by the office.

(x)1. The following records of the corporation are confidential and exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution:

a. Underwriting files, except that a policyholder or an applicant shall have access to his or her own underwriting files. Confidential and exempt underwriting file records may also be released to other governmental agencies upon written request and demonstration of need; such records held by the receiving agency remain confidential and exempt as provided herein.

b. Claims files, until termination of all litigation and settlement of all claims arising out of the same incident, although portions of the claims files may remain exempt, as otherwise provided by law. Confidential and exempt claims file records may be released to other governmental agencies upon written request and demonstration of need; such records held by the receiving agency remain confidential and exempt as provided herein.

c. Records obtained or generated by an internal auditor pursuant to a routine audit, until the audit is completed, or if the audit is conducted as part of an investigation, until the investigation is closed or ceases to be active. An investigation is considered “active” while the investigation is being conducted with a reasonable, good faith belief that it could lead to the filing of administrative, civil, or criminal proceedings.

d. Matters reasonably encompassed in privileged attorney-client communications.

e. Proprietary information licensed to the corporation under contract and the contract provides for the confidentiality of such proprietary information.

f. All information relating to the medical condition or medical status of a corporation employee which is not relevant to the employee’s capacity to

perform his or her duties, except as otherwise provided in this paragraph. Information that is exempt shall include, but is not limited to, information relating to workers' compensation, insurance benefits, and retirement or disability benefits.

g. Upon an employee's entrance into the employee assistance program, a program to assist any employee who has a behavioral or medical disorder, substance abuse problem, or emotional difficulty that affects the employee's job performance, all records relative to that participation shall be confidential and exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution, except as otherwise provided in s. 112.0455(11).

h. Information relating to negotiations for financing, reinsurance, depopulation, or contractual services, until the conclusion of the negotiations.

i. Minutes of closed meetings regarding underwriting files, and minutes of closed meetings regarding an open claims file until termination of all litigation and settlement of all claims with regard to that claim, except that information otherwise confidential or exempt by law shall be redacted.

2. If an authorized insurer is considering underwriting a risk insured by the corporation, relevant underwriting files and confidential claims files may be released to the insurer provided the insurer agrees in writing, notarized and under oath, to maintain the confidentiality of such files. If a file is transferred to an insurer, that file is no longer a public record because it is not held by an agency subject to the provisions of the public records law. Underwriting files and confidential claims files may also be released to staff and the board of governors of the market assistance plan established pursuant to s. 627.3515, who must retain the confidentiality of such files, except such files may be released to authorized insurers that are considering assuming the risks to which the files apply, provided the insurer agrees in writing, notarized and under oath, to maintain the confidentiality of such files. Finally, the corporation or the board or staff of the market assistance plan may make the following information obtained from underwriting files and confidential claims files available to an entity that has obtained a permit to become an authorized insurer, a reinsurer that may provide reinsurance under s. 624.610, a licensed reinsurance broker, a licensed rating organization, a modeling company, a licensed surplus lines agent, or a licensed general lines insurance agent: name, address, and telephone number of the residential property owner or insured; location of the risk; rating information; loss history; and policy type. The receiving person must retain the confidentiality of the information received and may use the information only for the purposes of developing a take-out plan or a rating plan to be submitted to the office for approval or otherwise analyzing the underwriting of a risk or risks insured by the corporation on behalf of the private insurance market. A licensed surplus lines agent or licensed general lines insurance agent may not use such information for the direct solicitation of policyholders.

3. A policyholder who has filed suit against the corporation has the right to discover the contents of his or her own claims file to the same extent that discovery of such contents would be available from a private insurer in litigation as provided by the Florida Rules of Civil Procedure, the Florida Evidence Code, and other applicable law. Pursuant to subpoena, a third party has the right to discover the contents of an insured's or applicant's underwriting or claims file to the same extent that discovery of such contents would be available from a private insurer by subpoena as provided by the Florida Rules of Civil Procedure, the Florida Evidence Code, and other applicable law, and subject to any confidentiality protections requested by the corporation and agreed to by the seeking party or ordered by the court. The corporation may release confidential underwriting and claims file contents and information as it deems necessary and appropriate to underwrite or service insurance policies and claims, subject to any confidentiality protections deemed necessary and appropriate by the corporation.

4. Portions of meetings of the corporation are exempt from the provisions of s. 286.011 and s. 24(b), Art. I of the State Constitution wherein confidential underwriting files or confidential open claims files are discussed. All portions of corporation meetings which are closed to the public shall be recorded by a court reporter. The court reporter shall record the times of commencement and termination of the meeting, all discussion and proceedings, the names of all persons present at any time, and the names of all persons speaking. No portion of any closed meeting shall be off the record. Subject to the provisions hereof and s. 119.07(1)(d)-(f), the court reporter's notes of any closed meeting shall be retained by the corporation for a minimum of 5 years. A copy of the transcript, less any exempt matters, of any closed meeting wherein claims are discussed shall become public as to individual claims after settlement of the claim.

(z) In enacting the provisions of this section, the Legislature recognizes that both the Florida Windstorm Underwriting Association and the Residential Property and Casualty Joint Underwriting Association have entered into financing arrangements that obligate each entity to service its debts and maintain the capacity to repay funds secured under these financing arrangements. It is the intent of the Legislature that nothing in this section be construed to compromise, diminish, or interfere with the rights of creditors under such financing arrangements. It is further the intent of the Legislature to preserve the obligations of the Florida Windstorm Underwriting Association and Residential Property and Casualty Joint Underwriting Association with regard to outstanding financing arrangements, with such obligations passing entirely and unchanged to the corporation and, specifically, to the Citizens applicable account of the corporation. So long as any bonds, notes, indebtedness, or other financing obligations of the Florida Windstorm Underwriting Association or the Residential Property and Casualty Joint Underwriting Association are outstanding, under the terms of the financing documents pertaining to them, the governing board of the corporation shall have and shall exercise the authority to levy, charge, collect, and receive all premiums, assessments,

surcharges, charges, revenues, and receipts that the associations had authority to levy, charge, collect, or receive under the provisions of subsection (2) and this subsection, respectively, as they existed on January 1, 2002, to provide moneys, without exercise of the authority provided by this subsection, in at least the amounts, and by the times, as would be provided under those former provisions of subsection (2) or this subsection, respectively, so that the value, amount, and collectability of any assets, revenues, or revenue source pledged or committed to, or any lien thereon securing such outstanding bonds, notes, indebtedness, or other financing obligations will not be diminished, impaired, or adversely affected by the amendments made by this act and to permit compliance with all provisions of financing documents pertaining to such bonds, notes, indebtedness, or other financing obligations, or the security or credit enhancement for them, and any reference in this subsection to bonds, notes, indebtedness, financing obligations, or similar obligations, of the corporation shall include like instruments or contracts of the Florida Windstorm Underwriting Association and the Residential Property and Casualty Joint Underwriting Association to the extent not inconsistent with the provisions of the financing documents pertaining to them.

(ii) The corporation shall revise the programs adopted pursuant to sub-subparagraph (q)3.a. for personal lines residential policies to maximize policyholder options and encourage increased participation by insurers and agents. After January 1, 2017, a policy may not be taken out of the corporation unless the provisions of this paragraph are met.

1. The corporation must publish a periodic schedule of cycles during which an insurer may identify, and notify the corporation of, policies that the insurer is requesting to take out. A request must include a description of the coverage offered and an estimated premium and must be submitted to the corporation in a form and manner prescribed by the corporation.

2. The corporation must maintain and make available to the agent of record a consolidated list of all insurers requesting to take out a policy. The list must include a description of the coverage offered and the estimated premium for each take-out request.

3. If a policyholder receives a take-out offer from an authorized insurer, the risk is no longer eligible for coverage with the corporation unless the premium for coverage from the authorized insurer is more than 20 percent greater than the renewal premium for comparable coverage from the corporation pursuant to sub-subparagraph ~~(c)5.d.~~ ~~(e)5.e.~~ This subparagraph applies to take-out offers that are part of an application to participate in depopulation submitted to the office on or after January 1, 2023. This subparagraph only applies to a policy that covers a primary residence.

4. The corporation must provide written notice to the policyholder and the agent of record regarding all insurers requesting to take out the policy. The notice must be in a format prescribed by the corporation and include, for each take-out offer:

- a. The amount of the estimated premium;
- b. A description of the coverage; and
- c. A comparison of the estimated premium and coverage offered by the insurer to the estimated premium and coverage provided by the corporation.

(nn) The corporation may share its claims data with the National Insurance Crime Bureau, provided that the National Insurance Crime Bureau agrees to maintain the confidentiality of such documents as otherwise provided for in paragraph (x).

(7) TRADEMARKS, COPYRIGHTS, OR PATENTS.—Notwithstanding any other law, the corporation is authorized, in its own name, to:

(a) Perform all things necessary to secure letters of patent, copyrights, or trademarks on any work products and enforce its rights therein.

(b) License, lease, assign, or otherwise give written consent to any person, firm, or corporation for the manufacture or use thereof, on a royalty basis or for such other consideration as the corporation deems proper.

(c) Take any action necessary, including legal action, to protect trademarks, copyrights, or patents against improper or unlawful use or infringement.

(d) Enforce the collection of any sums due the corporation for the manufacture or use thereof by any other party.

(e) Sell any of its trademarks, copyrights, or patents and execute all instruments necessary to consummate any such sale.

(f) Do all other acts necessary and proper for the execution of powers and duties herein conferred upon the corporation in order to administer this subsection.

Section 3. Subsection (3) and paragraphs (d), (e), and (f) of subsection (6) of section 627.3511, Florida Statutes, are amended to read:

627.3511 Depopulation of Citizens Property Insurance Corporation.—

(3) EXEMPTION FROM DEFICIT ASSESSMENTS.—

~~(a) The calculation of an insurer's assessment liability under s. 627.351(6)(b)3.a. shall, for an insurer that in any calendar year removes 50,000 or more risks from the Citizens Property Insurance Corporation, either by issuance of a policy upon expiration or cancellation of the corporation policy or by assumption of the corporation's obligations with respect to in-force policies, exclude such removed policies for the succeeding 3 years, as follows:~~

~~1.— In the first year following removal of the risks, the risks are excluded from the calculation to the extent of 100 percent.~~

~~2.— In the second year following removal of the risks, the risks are excluded from the calculation to the extent of 75 percent.~~

~~3.— In the third year following removal of the risks, the risks are excluded from the calculation to the extent of 50 percent.~~

~~If the removal of risks is accomplished through assumption of obligations with respect to in-force policies, the corporation shall pay to the assuming insurer all unearned premium with respect to such policies less any policy acquisition costs agreed to by the corporation and assuming insurer. The term “policy acquisition costs” is defined as costs of issuance of the policy by the corporation which includes agent commissions, servicing company fees, and premium tax. This paragraph does not apply to an insurer that, at any time within 5 years before removing the risks, had a market share in excess of 0.1 percent of the statewide aggregate gross direct written premium for any line of property insurance, or to an affiliate of such an insurer. This paragraph does not apply unless either at least 40 percent of the risks removed from the corporation are located in Miami-Dade, Broward, and Palm Beach Counties, or at least 30 percent of the risks removed from the corporation are located in such counties and an additional 50 percent of the risks removed from the corporation are located in other coastal counties.~~

~~(b) An insurer that first wrote personal lines residential property coverage in this state on or after July 1, 1994, is exempt from regular deficit assessments imposed pursuant to s. 627.351(6)(b)3.a., but not emergency assessments collected from policyholders pursuant to s. 627.351(6)(b)3.e., of the Citizens Property Insurance Corporation until the earlier of the following:~~

~~1.— The end of the calendar year in which it first wrote 0.5 percent or more of the statewide aggregate direct written premium for any line of residential property coverage; or~~

~~2.— December 31, 1997, or December 31 of the third year in which it wrote such coverage in this state, whichever is later.~~

~~(c) Other than an insurer that is exempt under paragraph (b), an insurer that in any calendar year increases its total structure exposure subject to wind coverage by 25 percent or more over its exposure for the preceding calendar year is, with respect to that year, exempt from deficit assessments imposed pursuant to s. 627.351(6)(b)3.a., but not emergency assessments collected from policyholders pursuant to s. 627.351(6)(b)3.e., of the Citizens Property Insurance Corporation attributable to such increase in exposure.~~

~~(d) Any exemption or credit from regular assessments authorized by this section shall last no longer than 3 years following the cancellation or expiration of the policy by the corporation. With the approval of the office,~~

the board may extend such credits for an additional year if the insurer guarantees an additional year of renewability for all policies removed from the corporation, or for 2 additional years if the insurer guarantees 2 additional years of renewability for all policies so removed.

Section 4. Subsections (5), (6), and (7) of section 627.3518, Florida Statutes, are amended to read:

627.3518 Citizens Property Insurance Corporation policyholder eligibility clearinghouse program.—The purpose of this section is to provide a

framework for the corporation to implement a clearinghouse program by January 1, 2014.

(5) Notwithstanding s. 627.3517, any applicant for new coverage from the corporation is not eligible for coverage from the corporation if provided an offer of coverage from an authorized insurer through the program at a premium that is at or below the eligibility threshold for applicants for new coverage of a primary residence established in s. 627.351(6)(c)5.a., or for applicants for new coverage of a risk that is not a primary residence established in s. 627.351(6)(c)5.b. Whenever an offer of coverage for a personal lines risk is received for a policyholder of the corporation at renewal from an authorized insurer through the program which is at or below the eligibility threshold for primary residences of policyholders of the corporation established in s. 627.351(6)(c)5.a., or the eligibility threshold for risks that are not primary residences of policyholders of the corporation established in s. 627.351(6)(c)5.b., the risk is not eligible for coverage with the corporation. In the event an offer of coverage for a new applicant is received from an authorized insurer through the program, and the premium offered exceeds the eligibility threshold for applicants for new coverage of a primary residence established in s. 627.351(6)(c)5.a., or the eligibility threshold for applicants for new coverage on a risk that is not a primary residence established in s. 627.351(6)(c)5.b., the applicant or insured may elect to accept such coverage, or may elect to accept or continue coverage with the corporation. In the event an offer of coverage for a personal lines risk is received from an authorized insurer at renewal through the program, and the premium offered exceeds the eligibility threshold for primary residences of policyholders of the corporation established in s. 627.351(6)(c)5.a., or exceeds the eligibility threshold for risks that are not primary residences of policyholders of the corporation established in s. 627.351(6)(c)5.b., the insured may elect to accept such coverage, or may elect to accept or continue coverage with the corporation. Section 627.351(6)(c)5.a.(I) and b.(I) does not apply to an offer of coverage from an authorized insurer obtained through the program. As used in this subsection, the term “primary residence” has the same meaning as in s. 627.351(6)(c)2.a.

(6) Independent insurance agents submitting new applications for coverage or that are the agent of record on a renewal policy submitted to the program:

(a) Are granted and must maintain ownership and the exclusive use of expirations, records, or other written or electronic information directly related to such applications or renewals written through the corporation or through an insurer participating in the program, notwithstanding s. 627.351(6)(c)5.a.(I)(B) and (II)(B) or s. 627.351(6)(c)5.b.(I)(B) and (II)(B). Such ownership is granted for as long as the insured remains with the agency or until sold or surrendered in writing by the agent. Contracts with the corporation or required by the corporation must not amend, modify, interfere with, or limit such rights of ownership. Such expirations, records, or other written or electronic information may be used to review an

application, issue a policy, or for any other purpose necessary for placing such business through the program.

(b) May not be required to be appointed by any insurer participating in the program for policies written solely through the program, notwithstanding the provisions of s. 626.112.

(c) May accept an appointment from any insurer participating in the program.

(d) May enter into either a standard or limited agency agreement with the insurer, at the insurer's option.

Applicants ineligible for coverage in accordance with subsection (5) remain ineligible if their independent agent is unwilling or unable to enter into a standard or limited agency agreement with an insurer participating in the program.

(7) Exclusive agents submitting new applications for coverage or that are the agent of record on a renewal policy submitted to the program:

(a) Must maintain ownership and the exclusive use of expirations, records, or other written or electronic information directly related to such applications or renewals written through the corporation or through an insurer participating in the program, notwithstanding s. 627.351(6)(c)5.a. (I)(B) and (II)(B) or s. 627.351(6)(c)5.b.(I)(B) and (II)(B). Contracts with the corporation or required by the corporation must not amend, modify, interfere with, or limit such rights of ownership. Such expirations, records, or other written or electronic information may be used to review an application, issue a policy, or for any other purpose necessary for placing such business through the program.

(b) May not be required to be appointed by any insurer participating in the program for policies written solely through the program, notwithstanding the provisions of s. 626.112.

(c) Must only facilitate the placement of an offer of coverage from an insurer whose limited servicing agreement is approved by that exclusive agent's exclusive insurer.

(d) May enter into a limited servicing agreement with the insurer making an offer of coverage, and only after the exclusive agent's insurer has approved the limited servicing agreement terms. The exclusive agent's insurer must approve a limited service agreement for the program for any insurer for which it has approved a service agreement for other purposes.

Applicants ineligible for coverage in accordance with subsection (5) remain ineligible if their exclusive agent is unwilling or unable to enter into a standard or limited agency agreement with an insurer making an offer of coverage to that applicant.
