From the funds in Specific Appropriation 81, \$40,000,000 in nonrecurring funds from the Child Care and Development Block Grant Trust Fund is provided to the Department of Education to administer the differential payment program allocation established pursuant to section 1002.89(1)(c), Florida Statutes.

SECTION 2 - EDUCATION (ALL OTHER FUNDS)

From the funds in Specific Appropriation 81, \$30,000,000 in nonrecurring funds from the Child Care and Development Block Grant Trust Fund is provided to expand the provision of services to low income families at or below 70 percent of the state median income as long as the income does not exceed 85 percent of the state median income. Local matching funds can be derived from local governments, employers, charitable foundations, and other sources so that Florida communities can create local partnerships focused on using the state and local funds for direct services and expanding the number of school readiness slots. To be eligible for funding, an early learning coalition must match its portion of the state funds with a dollar-for-dollar match of local funds. The Division of Early Learning shall establish procedures for the match program which shall include giving priority to early learning coalitions whose local match complies with federal Child Care and Development Block Grant matching requirements.

The Division of Early Learning shall provide a report to the Executive Office of the Governor's Office of Policy and Budget, the chair of the Senate Committee on Appropriations, and the chair of the House of Representatives Appropriations Committee by December 1, 2024, that includes the following information about the division's allocation of the \$30,000,000 in local matching funds provided in Specific Appropriation 77 of chapter 2023-239, Laws of Florida: (1) the amount of funds allocated to each early learning coalition and a breakdown, by coalition, of the amount of funds expended by the coalition on direct services and the amount expended by the coalition on expanding school readiness slots, and (2) the total number of school readiness slots funded by each early learning coalition with the local matching funds.

From the funds in Specific Appropriation 81, \$70,000,000 in nonrecurring funds from the Child Care and Development Block Grant Trust Fund is provided to the Division of Early Learning to administer the Gold Seal Quality Care program allocation established pursuant to section 1002.89(1)(b), Florida Statutes.

From the funds in Specific Appropriation 81, \$40,000,000 in nonrecurring funds from the Child Care and Development Block Grant Trust Fund is provided to the Department of Education to ensure that all early learning coalitions have sufficient funds to provide school readiness services to eligible families. These funds shall be placed in reserve. The Department of Education is authorized to submit budget amendments requesting release of these funds pursuant to chapter 216, Florida Statutes. Release of these funds is contingent upon the submission of a detailed spend plan that documents the early learning coalition's allocation of school readiness program funds is insufficient to fully fund their eligible families for Fiscal Year 2024-2025.

From the funds in Specific Appropriation 81, \$20,000,000 in nonrecurring funds from the Child Care and Development Block Grant Trust Fund is provided to expand school readiness services to families on a school readiness waitlist, as defined in rule 6M-4.300(1)(j), Florida Administrative Code, as of June 30, 2024. These funds shall be placed in reserve. The Department of Education is authorized to submit budget amendments requesting release of the funds pursuant to chapter 216, Florida Statutes. Release of these funds is contingent upon the submission of a detailed spend plan that documents, by early learning coalition, the number of eligible wait-listed school readiness children and the associated amount to be allocated.

From the funds in Specific Appropriation 81, \$59,996,451 in nonrecurring funds from the Child Care and Development Block Grant Trust Fund is provided to the Division of Early Learning to assist the early learning coalitions in the transition to the school readiness program allocation distribution established pursuant to section 1002.89(1)(a), Florida Statutes, by ensuring all early learning coalitions receive at least the same amount of school readiness program funds as provided in Specific Appropriation 77 of chapter 2023-239, Laws of Florida. Funds in Specific Appropriation 212 are for the inclusion of freestanding dialysis clinics in the Medicaid program. The Agency for Health Care Administration shall limit payment to \$125.00 per visit for each dialysis treatment. Freestanding dialysis facilities may obtain, administer and submit claims directly to the Medicaid program for End-Stage Renal Disease pharmaceuticals subject to coverage and limitations policy. Claims for drug products that do not include NDC information are not payable by Florida Medicaid unless the drug product is exempt from federal rebate requirements.

From the funds in Specific Appropriation 212, the Agency for Health Care Administration shall work with dialysis providers, managed care organizations, and physicians to ensure that all Medicaid patients with End Stage Renal Disease (ESRD) are educated and assessed by their physician and dialysis provider to determine their suitability for all types of home modalities. Further, the agency shall consult with the dialysis community concerning suitable voluntary reporting to the state Medicaid program on members' home modality suitability.

From the funds in Specific Appropriation 212, the Agency for Health Care Administration shall apply a recurring methodology to establish clinic services rates taking into consideration the reductions imposed on or after October 1, 2008, in the following manner: (1) the agency shall divide the total amount of each recurring reduction imposed by the number of visits originally used in the rate calculation for each rate setting period on or after October 1, 2008, which will yield a rate reduction per diem for each rate period; (2) the agency shall multiply the resulting rate reduction per diem for each rate setting period on or after October 1, 2008, by the projected number of visits used in establishing the current budget estimate which will yield the total current reduction amount to be applied to current rates; and (3) in the event the total current reduction amount is greater than the historical reduction amount, the agency shall hold the rate reduction to the historical reduction amount.

From the funds in Specific Appropriations 212 and 215, \$400,000 from the Grants and Donations Trust Fund and \$538,306 from the Medical Care Trust Fund are provided to buy back clinic services rate adjustments, effective on or after July 1, 2008, and are contingent on the nonfederal share being provided through grants and donations from state, county or other governmental funds. PUBLIC DEFENDERS

The Public Defenders Coordination Office's budgeting, legal, training, and education needs may be funded by each Public Defender's office within the funds provided in Specific Appropriations 950 through 1093. Funding for this office shall not exceed \$450,000 from the Indigent Criminal Defense Trust Fund.

Each Public Defender Office must submit to the Justice Administrative Commission (JAC) a quarterly report detailing the number of appointed and reappointed cases by case type, number of cases closed by case type, number of clients represented, and number of conflicts by case type and the basis for the conflict. The JAC shall compile the reports into a tab delineated spreadsheet format and submit the results to the chair of the Senate Appropriations on Criminal and Civil Justice and the chair of the House of Representatives Justice Appropriations Subcommittee within three weeks after the end of each quarter.

JUVENILE JUSTICE, DEPARTMENT OF

From the funds in Specific Appropriations 1150 through 1232, the Department of Juvenile Justice may work within its existing budget, including applicable grants, to implement any corrective action plan that is developed as a result of a Prison Rape Elimination Act audit conducted in accordance with Title 28, Part 115 of the Code of Federal Regulations. The department may request additional resources required

SECTION 4 - CRIMINAL JUSTICE AND CORRECTIONS

through the Legislative Budget Request process as defined in chapter 216, Florida Statutes.

From the funds in Specific Appropriations 1150 through 1232, the Department of Juvenile Justice shall conduct a comprehensive statewide review of county-level data, including a gap analysis of services and programs available across all counties in the state, to evaluate the implementation of juvenile justice policies at the county level. As a result of such review, the department shall prepare a report that includes benchmarking of counties' performance on factors that demonstrate how a county is supporting the department's strategic goals of preventing and diverting more youth from entering the juvenile justice system; providing appropriate, less restrictive, community-based sanctions and services; reserving serious sanctions for youth who pose the greatest risk to public safety; and focusing on rehabilitation. The report shall also include recommendations and strategies that can be implemented by the department or counties to address any identified deficiencies and to assist in developing a statewide, coordinated response across all of Florida's communities to support the department's strategic goals. A copy of the report shall be submitted to the Governor, the Speaker of the House of Representatives, and the President of the Senate by January 10, 2025.

PROGRAM: WORKFORCE SERVICES

WORKFORCE DEVELOPMENT

From the funds in Specific Appropriations 2300 through 2329, the Department of Commerce must determine if any funds provided for specific workforce programs, projects, or initiatives are not an allowable use of federal funds. If the department finds that any workforce program, project, or initiative for which funds are specifically provided in this act is not an allowable use of federal funds, the department must notify the Executive Office of the Governor's Office of Policy and Budget, the chair of the Senate Committee on Appropriations, and the chair of the House of Representatives Appropriations Committee.

When allocating full-time equivalent (FTE) positions to individual local workforce development boards, the Department of Commerce must ensure that workforce services are effectively and efficiently provided throughout the state. The department is authorized to reallocate any FTE position allocated to a local workforce development board that has been or becomes vacant for more than 180 days. When reallocating a vacant FTE position, the department must give priority to a local workforce development board that would use the FTE position to provide additional services to veterans.

Contingent upon HB 7073 or similar legislation becoming law and final approval of a settlement agreement by a court of competent jurisdiction, from the funds held in the separate account for Hillsborough County established within the Discretionary Sales Surtax Clearing Trust Fund pursuant to section 155 of chapter 2022-156, Laws of Florida, the Department of Revenue shall transfer \$170,934,853 to a Qualified Settlement Fund with a claims administrator specifically appointed by a court of competent jurisdiction for the following purposes as outlined and agreed to in a settlement agreement approved by such court:

- (1) To reimburse for legal fees and expenses and other allowable costs specifically incurred seeking judicial relief involving the Hillsborough County 1% Transportation Discretionary Sales Surtax held to be invalid in *Emerson v. Hillsborough County*, 312 So. 3d 451 (Fla. 2021).
- (2) To reimburse for costs related to providing notice of the settlement, including a website, to persons who paid the discretionary sales surtax that was found to be invalid.
- (3) For the purposes of processing valid refund claims related to the discretionary sales surtax that was found to be invalid. Pursuant to section 212.054(9)(d), Florida Statutes, any person who would otherwise be entitled to a refund may file a claim for refund on or before December 31, 2024. The funds may be used for administration of the refund claims process and to provide refunds to impacted taxpayers with valid refund claims.

Any unused funds remaining in the Qualified Settlement Fund after all authorized purposes are complete must be returned to the Department of Revenue as provided in the settlement agreement. The Department of Revenue shall deposit such funds in the separate account for Hillsborough County within the Discretionary Sales Surtax Clearing Trust Fund to implement the temporary suspension of surtaxes authorized in section 212.054(9)(b), Florida Statutes. The department is authorized to request additional nonoperating budget authority through budget amendments in accordance with the provisions of chapter 216, Florida Statutes, for use of these funds.

This section is effective upon becoming a law. The Department of Revenue shall make the transfer provided in this section within 30 days after the settlement agreement is finally approved by such court.
